Section 2.2. PAYMENTS. Unless payments are made in the required amount in immediately available funds at the place where the Note is payable, remittances in payment of all or any part of the Debt shall not, regardless of any receipt or credit issued therefor, constitute payment until the required amount is actually received by Lender in funds immediately available at the place where the Note is payable (or any other place as Lender, in Lender's sole discretion, may have established by delivery of written notice thereof to Borrower) and shall be made and accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks. Acceptance by Lender of any payment in an amount less than the amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall not cure any then-existing Event of Default (defined below).

Article 3. BORROWER COVENANTS

Borrower covenants and agrees that:

Section 3.1. PAYMENT OF DEBT. Borrower will pay the Debt at the time and in the manner provided in the Note and in this Security Instrument.

Section 3.2. INCORPORATION BY REFERENCE. All the covenants, conditions and agreements contained in (a) the Note and (b) all and any of the documents other than the Note or this Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender, which wholly or partially secure or guaranty payment of the Note (the "**Other Security Documents**"), are hereby made a part of this Security Instrument to the same extent and with the same force as if fully set forth herein.

Section 3.3. INSURANCE.

(a) Borrower, at its sole cost and expense, for the mutual benefit of Borrower and Lender, shall obtain and maintain, or cause to be maintained, during the entire term of this Security Instrument policies of insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive all risk insurance ("**Special Form**") including, but not limited to, loss caused by any type of windstorm or hail on the Improvements and the Personal Property, (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Security Instrument shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions or to be written on a no co-insurance form; (C) providing for no deductible in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) for all such insurance coverage and (D) if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses, coverage for loss due to operation of law in an amount equal to the Full Replacement Cost, coverage for demolition costs and coverage for increased costs of construction. In addition, Borrower shall obtain: (y) if any portion of the Improvements is currently or at any time in the future located in a federally designated "special flood hazard area", flood hazard insurance in an amount equal to the lesser of (1) the outstanding principal balance of the Note or (2) the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended or such lesser amount as Lender shall require; and (z) earthquake insurance in amounts and in form and substance reasonably satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity, provided that the insurance required to be maintained pursuant to clauses (y) and (z) above shall be on terms consistent with the Special Form policy required pursuant to this subsection (i). Notwithstanding anything to the contrary in this Security Instrument, the insurance coverage described in the foregoing subparagraphs (y) and (z) shall be required (1) as of the date hereof only if determined to be necessary by Lender based upon its reasonable evaluation of third party reports, and (2) at any time hereafter in the event subsequent third party reports indicate a change in the condition of or circumstances surrounding the Property;

(ii) rental loss insurance (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; (C) in an annual aggregate amount equal to 100% of all rents or estimated gross revenues from the operation of the Property (as reduced to reflect actual vacancies and expenses not incurred during a period of Restoration) and covering rental losses for a period of at least eighteen (18) months, after the date of the casualty, and notwithstanding that the Policy may expire prior to the end of such period; and (D) containing an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and the Personal Property has been repaired, the continued loss of income will be insured until such income returns to the same level it was prior to the loss, or the expiration of six (6) months from the date of the completion of the Restoration, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. The amount of such rental loss insurance shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding eighteen (18) month period and a reasonable vacancy factor acceptable to Lender. All proceeds payable to Lender pursuant to this subsection (the "**Rent Loss Proceeds**") shall be disbursed by Lender to Borrower immediately following Lender's receipt thereof, provided no Event of Default is then in existence; provided, however, (i) if a Cash Management Period (as defined in the Cash Management Agreement) then exists, such proceeds shall be deposited into the Cash Management Account (as defined in the Cash Management Agreement) and disbursed in accordance with the applicable terms and conditions of the Cash Management Agreement (provided, further, that in the event such Rent Loss Proceeds are paid in a lump sum in advance, Lender shall hold such Rent Loss Proceeds in a segregated interest-bearing escrow account and Lender shall estimate the number of months required for Borrower to restore the damage caused by the applicable casualty, shall divide the applicable aggregate Rent Loss Proceeds by such number of months and shall disburse such monthly installment of Rent Loss Proceeds from such escrow account into the Cash Management Account each month during the performance of such Restoration), and (ii) that nothing herein contained shall be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such business income insurance;

(iii) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form referenced in subsection (i), above, does not otherwise apply, (A) owner's contingent or protective liability insurance, otherwise known as Owner Contractor's Protective Liability, covering claims not covered by or under the terms or provisions of the commercial general liability insurance policy in (v) below; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(iv) comprehensive boiler and machinery insurance, if steam boilers or other pressure-fixed vessels are in operation, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(v) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) to be on the so-called "occurrence" form with a combined limit of not less than Two Million and No/100 Dollars ($2,000,000.00) in the aggregate and One Million and No/100 Dollars ($1,000,000.00) per occurrence; (B) to continue at not less than the aforesaid limit until reasonably required to be changed by Lender as provided in subsection 3.3(b) below; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability and (5) contractual liability covering the indemnities contained in Section 13.1 to the extent the same is available;

(vi) automobile liability coverage for all owned and non-owned vehicles, if any, used by Borrower in the operation of the Property, including rented and leased vehicles containing minimum limits per occurrence of One Million and No/100 Dollars ($1,000,000.00);

(vii) umbrella liability insurance in an amount not less than Ten Million and No/100 Dollars ($10,000,000.00) per occurrence on terms consistent with the commercial general liability insurance policy required under subsection (ii) above, including, but not limited to, supplemental coverage for workers' compensation and automobile liability, which umbrella liability coverage shall apply in excess of the automobile liability coverage in clause (vi) above;

(viii) so-called "dramshop" insurance, if applicable, or other liability insurance required in connection with the sale of alcoholic beverages; and

(ix) any insurance coverage required to be maintained by Borrower pursuant to the terms of the Environmental Agreement;

(x) environmental insurance (the "**Environmental Insurance**") in the same amount and on the same terms (including, without limitation, terms relating to deductibles) as that certain environmental insurance policy maintained by Borrower as of the date hereof (provided, that, Borrower shall only be obligated to maintain the same until the earlier to occur of (y) the Remediation Completion (defined below) (z) the expiration of the current term of such Environmental Insurance in 2013); and

(xi) upon sixty (60) days' written notice, such other reasonable insurance such as sinkhole or land subsidence insurance, and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located.

(b) All insurance provided for in Section 3.3(a) shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), and (i) shall be issued by financially sound and responsible insurance companies reasonably approved by Lender, and authorized or licensed to do business in the state where the Property is located, with claims paying ability/financial strength ratings of "AA" or better by S&P (as defined in the Cash Management Agreement) and Fitch (as defined in the Cash Management Agreement) and "Aa2" or better by Moody's (as

defined in the Cash Management Agreement) and general policy ratings of A or better and financial classes of X or better by A.M. Best Company, Inc.; (ii) shall name Borrower as the insured and Lender as an additional insured, as its interests may appear; (iii) in the case of property damage, boiler and machinery and, if required pursuant to the provisions hereof, flood and earthquake insurance, shall contain a so called New York Non Contributory Standard Mortgagee Clause and (other than those strictly limited to liability protection) a Lender's Loss Payable Endorsement (Form 438 BFU NS), or their equivalents, naming Lender as the person to which all payments made by such insurance company shall be paid; (iv) shall contain a waiver of subrogation against Lender; (v) shall be maintained throughout the term of this Security Instrument without cost to Lender; (vi) shall be assigned and, if requested in writing by Lender, the originals (or duplicate originals certified to be true and correct by the applicable insurer or its agent) delivered to Lender; and (vii) shall contain such provisions, consistent with the provisions hereof, as Lender deems reasonably necessary or desirable to protect its interest including, without limitation, endorsements or clauses providing that (I) neither Borrower, Lender nor any other party shall be a co insurer under said Policies, (II) that Lender shall receive at least ten (10) days prior written notice of any modification, reduction or cancellation of any Policy, (III) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned, (IV) Lender shall not be liable for any Insurance Premiums (defined below) thereon or subject to any assessments thereunder, and (V) such Policies do not exclude coverage for acts of terror or similar acts of sabotage. Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 3.3(a). Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Lender's servicing agent pursuant to Section 3.5 hereof). If Borrower does not furnish such evidence and receipts at least thirty (30) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like; provided, however, such increased coverages shall not be requested more frequently than once every three years, and shall only be requested if such coverage is commercially available at commercially reasonable rates and such rates are consistent with those paid in respect of comparable properties in comparable locations, and Lender also reasonably determines that either (I) prudent owners of real estate comparable to the Property are maintaining same or (II) prudent institutional lenders (including without limitation, investment banks) to such owners are generally requiring that such owners maintain such insurance.

(c) If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be approved by Lender (the "**Restoration**") and otherwise in accordance with Section 4.4 of this Security Instrument. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim, or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that (A) provided no Event of Default shall have occurred and be continuing, Borrower may adjust losses aggregating not in excess of the Threshold Amount (defined below) if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred and be continuing, Lender shall not settle or adjust any such claim under clause (1), above, without the consent of Borrower, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the reasonable expenses incurred by Lender in the adjustment and collection of insurance proceeds shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

Section 3.4. PAYMENT OF TAXES, ETC. (a) Subject to the provisions of Sections 3.4(b) and 3.5 hereof, Borrower shall pay all taxes, assessments, water rates, sewer rents, governmental impositions, and other charges, including without limitation vault charges and license fees for the use of vaults, chutes and similar areas adjoining the Land, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "**Taxes**"), all ground rents, maintenance charges and similar charges, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "**Other Charges**"), and all charges for utility services provided to the Property prior to the same becoming delinquent. Borrower will deliver to Lender, promptly upon Lender's written request, evidence satisfactory to Lender that the Taxes, Other Charges and utility service charges have been so paid or are not then delinquent. Borrower shall not suffer and shall promptly cause to be paid and discharged any lien or charge against the Property arising out of such Taxes, Other Charges and utility service charges. Except to the extent sums sufficient to pay all Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument, Borrower shall furnish to Lender, promptly upon Lender's written request, paid receipts for the payment of the Taxes and Other Charges.

(b) Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Taxes, provided that (i) no Event of Default has occurred and is continuing under the Note, this Security Instrument or any of the Other Security Documents, (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting

the Property, (iii) such proceeding shall suspend the collection of the Taxes from Borrower and from the Property or Borrower shall have paid all of the Taxes under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (vi) Borrower shall have deposited with Lender adequate reserves for the payment of the Taxes, together with all interest and penalties thereon, unless Borrower has paid all of the Taxes under protest, and (vii) Borrower shall have furnished the security as may be required in the proceeding to insure the payment of any contested Taxes, together with all interest and penalties thereon.

Section 3.5. ESCROW FUND. Except as provided below, Borrower shall pay to Lender on the first day of each calendar month (a) one twelfth of an amount which would be sufficient to pay the Taxes payable, or estimated by Lender to be payable, during the next ensuing twelve (12) months and (b) one twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration thereof (the amounts in (a) and (b) above shall be called the "**Escrow Fund**"). Borrower agrees to notify Lender immediately of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has obtained knowledge and authorizes Lender or its agent to obtain the bills for Taxes and Other Charges directly from the appropriate taxing authority. The Escrow Fund and the payments of interest or principal or both, payable pursuant to the Note shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Lender will timely apply the Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 3.3 and 3.4 hereof. If the amount of the Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Sections 3.3 and 3.4 hereof, Lender shall promptly return any excess to Borrower. In disbursing such excess, Lender may deal with the person shown on the records of Lender to be the owner of the Property. If the Escrow Fund is not sufficient to pay the items set forth in (a) and (b) above, Borrower shall promptly pay to Lender, upon demand, an amount which Lender shall estimate as sufficient to make up the deficiency. The Escrow Fund shall not constitute a trust fund and may be commingled with other monies held by Lender. No earnings or interest on the Escrow Fund shall be payable to Borrower. Notwithstanding the foregoing, Borrower shall not be required to make deposits to the Escrow Fund for Insurance Premiums pursuant to this Section 3.5 so long as (i) no Event of Default occurs and is continuing hereunder, (ii) Borrower pays all Insurance Premiums by no later than ten (10) Business Days prior to the delinquency thereof, and (iii) Borrower provides Lender paid receipts for the payment of the Insurance Premiums by no later than one (1) Business Day prior to the delinquency thereof. Upon the occurrence of a failure of any of the conditions specified in clauses (i) through (iii) above, Borrower shall, upon Lender's demand therefor, commence making the deposits to the Escrow Fund for Insurance Premiums required pursuant to this Section 3.5 commencing with the next Monthly Payment Date (as defined in the Note), which payments shall continue until Borrower corrects each such failure.

Section 3.6. CONDEMNATION. Borrower shall (a) promptly give Lender notice of the actual or threatened commencement of any condemnation or eminent domain proceeding affecting the Land and/or the Improvements, (b) deliver to Lender copies of any and all papers

served in connection with such proceedings and (c) shall promptly commence and diligently prosecute the Restoration of the Property in accordance with Section 4.4 hereof. Lender is hereby irrevocably appointed as Borrower's attorney in fact coupled with an interest, with exclusive powers to collect, receive and apply to the Debt (or provide to Borrower to pay for Restoration) any award or payment for any taking accomplished through a condemnation or eminent domain proceeding and, at any time during which an Event of Default has occurred and is continuing, to make any compromise or settlement in connection therewith. All condemnation awards or proceeds shall be either (a) paid to Lender for application against the Debt or (b) applied to Restoration of the Property in accordance with Section 4.4 hereof. Notwithstanding any taking by any public or quasi public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Security Instrument and the Debt shall not be reduced until any award or payment therefor shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the rate or rates provided herein or in the Note. Any award or payment to be applied to the reduction or discharge of the Debt or any portion thereof may be so applied whether or not the Debt or such portion thereof is then due and payable. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award or payment, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been or may be sought, recovered or denied, to receive the award or payment, or a portion thereof sufficient to pay the unpaid portion of the Debt.

Notwithstanding anything contained in this Section 3.6 or this Security Instrument to the contrary, but subject to the provisions of Section 4.4, below, Lender may elect to (y) apply the net proceeds of any condemnation award (after deduction of Lender's reasonable costs and expenses, if any, in collecting the same) in reduction of the Debt in such order and manner as Lender may elect, whether due or not, or (z) make the proceeds available to Borrower for the restoration or repair of the Property. Any implied covenant in this Security Instrument restricting the right of Lender to make such an election is waived by Borrower. In addition, Borrower hereby waives the provisions of any law prohibiting Lender from making such an election.

Section 3.7. LEASES AND RENTS. (a) Borrower does hereby absolutely and unconditionally assign to Lender, Borrower's right, title and interest in all current and future Leases and Rents, it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Such assignment to Lender shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise impose any obligation upon Lender. Borrower agrees to execute and deliver to Lender such additional instruments, in form and substance satisfactory to Lender, as may hereafter be requested by Lender to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Section 3.7, Lender grants to Borrower a revocable license (revocable only as provided herein) to operate and manage the Property and to collect, retain, and enjoy the Rents pursuant to (and as such license may be limited by) the terms and conditions contained in the Restricted Account Agreement and the Cash Management Agreement. Furthermore, notwithstanding anything to contrary contained

herein and notwithstanding the rights granted to Lender pursuant to this Section 3.7, all Rents shall be deposited, held and applied pursuant to the provisions of the Restricted Account Agreement and the Cash Management Agreement. Upon the occurrence and continuance of an Acceleration Default, the license granted to Borrower herein shall automatically be revoked (subject to automatic reinstatement upon Borrower's cure of the applicable Event of Default), and Lender shall, subject to the provisions of the Other Security Documents, immediately be entitled to possession of all Rents, whether or not Lender enters upon or takes control of the Property. Subject to the provisions of the Other Security Documents, Lender is hereby granted by Borrower the right, at its option, during any period of revocation of the license granted herein, to enter upon the Property in person, by agent or by court appointed receiver to collect the Rents. Any Rents collected during the revocation of the license shall, subject to any contrary provision of the Other Security Documents, be applied by Lender against the Debt, in such order and priority as it may determine. Notwithstanding the foregoing, in the event of any conflict or inconsistency between the terms and provisions of this Section 3.7(a) and those contained in that certain Assignment of Leases and Rents executed by Borrower in connection with the Loan (the "**ALR**"), the terms and conditions of the ALR shall control and govern.

(b) All Leases entered into after the date hereof shall be written on (i) the standard form of lease which has been approved by Lender (the "**Standard Form**") or (ii) an Acceptable Chain Tenant Form (defined below). Commercially reasonable changes may be made to the Lender-approved standard lease or an Acceptable Chain Tenant Form without the prior written consent of Lender in the ordinary course of Borrower's business. All Leases (including any Acceptable Chain Tenant Form) shall provide that they are subordinate to this Security Instrument (subject to Lender's agreement (by Lender's acceptance of this Security Instrument hereby given) not to disturb such tenant's tenancy while they are in compliance with the terms of their Lease) and that the tenant thereunder agrees to attorn to Lender. As used herein, the term "**Acceptable Chain Tenant Form**" shall mean the form of lease promulgated by a prospective national or regional chain tenant that generally insists, on a programmatic or institutional basis (although an occasional exception to such requirement shall not cause this provision to fail), on using its own form of lease; provided, that, the provisions contained in such form of lease (i) are commercially reasonably for properties similar to the Property, (ii) do not contain any rights, options (including, without limitation, rights to purchase the Property or any interest therein) or obligations that would be unacceptable to a prudent secondary market lender substantially similar to Lender and (iii) do not have a Material Adverse Effect (defined below). As used herein, the term "**Material Adverse Effect**" shall mean a material adverse effect on (i) the Property, (ii) the business, profits, prospects, management, operations or condition (financial or otherwise) of Borrower, Guarantor or the Property, (iii) the enforceability, validity, perfection or priority of the lien of this Security Instrument or the other Loan Documents, or (iv) the ability of Borrower to perform its obligations under this Security Instrument or the other Loan Documents.

(c) Borrower (i) shall observe and perform all material obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Borrower shall receive thereunder; (iii) shall not

collect any of the Rents more than one (1) month in advance (other than security deposits and prepaid first and last month's rent collected in the ordinary course of Borrower's business); and (iv) shall not execute any other assignment of the lessor's interest in the Leases or the Rents. Borrower (A) shall enforce all material terms, covenants and conditions contained in the Leases upon the part of the lessees thereunder to be observed or performed, short of termination thereof and short instituting litigation (provided, that, Borrower (1) shall be obligated to so institute litigation if the failure to do so would have a Material Adverse Effect and (2) may institute litigation and terminate a Lease only in the event of (aa) a monetary event of default under such Lease or (bb) a material non-monetary default under such Lease where the tenant fails to cure such event of default within the cure period set forth in the subject Lease); (B) may alter, modify or change the terms of the Leases in any material respect without the prior written consent of Lender, provided that such alterations, modifications or changes are commercially reasonable alterations, modifications or changes agreed to in the ordinary course of Borrower's business; (C) shall not, without Lender's consent, convey or transfer or suffer or permit a conveyance or transfer of the Property or of any interest therein so as to effect a merger of the estates and rights, or a termination or diminution of the obligations of, tenants under the Leases; (D) may approve or consent to any assignment of or subletting under the Leases in accordance with the terms of such Leases, without the prior written consent of Lender; and (E) shall not cancel the Leases or accept a surrender thereof, except that any Lease may be canceled if at the time of the cancellation thereof a new Lease is entered into on substantially the same terms or more favorable terms as the canceled Lease.

(d) Borrower, as the lessor thereunder, may enter into proposed lease renewals and new leases without the prior written consent of Lender, provided each such proposed lease: (i) shall have an initial term of not less than one (1) year or greater than ten (10) years; (ii) shall provide for rental rates (including rates during any renewal or option term or rates applicable to any expansion space) comparable to then-existing (as of the time of entering into such new lease or lease renewal) local market rates that would be agreed to in an arm's length transaction; (iii) shall be to a tenant which Borrower reasonably determines to be capable and reputable; and (iv) shall comply with the provisions of subsection (b) above (except that any lease renewals may be on the same form as the original lease). Borrower may enter into a proposed lease which does not satisfy all of the conditions set forth in clauses (i) through (iv) immediately above, provided Lender consents in writing to such proposed lease, such consent not to be unreasonably withheld or delayed. Borrower expressly understands that any and all proposed leases are included in the definition of "Lease" or "Leases" as such terms may be used throughout this Security Instrument, the Note and the Other Security Documents. Borrower shall furnish Lender with executed copies of all Leases and any amendments or other agreements pertaining thereto.

(e) Notwithstanding anything to the contrary contained herein or in any other Loan Document, Borrower shall not, without the prior written consent of Lender, enter into, renew (other than in accordance with its express terms), extend (other than in accordance with its express terms), terminate (for reasons other than non-payment of rent), reduce rents under, permit an assignment or subleasing of (other than, in each

case, in accordance with its express terms) or otherwise amend, modify or waive any material or economic provisions of, accept a surrender of space under, or shorten the term of, any Major Lease or any instrument guaranteeing or providing credit support for any Major Lease. As used herein, the term "**Major Lease**" shall mean (i) any Lease which, individually or when aggregated with all other Leases at the Property with the same tenant or any Affiliate (defined below) of such tenant, demises 15,000 square feet or more of the Property's net rentable square footage, (ii) any Lease which contains any option, offer, right of first refusal or other similar entitlement to purchase all or any portion of the Property (which such rights shall be deemed to be exclusive of any rights under any Lease to extend the term thereof or to lease additional space at the Property) or (iii) any instrument guaranteeing or providing credit support for any Lease meeting the requirements of (i) or (ii) above. As used above, the term "**Affiliate**" shall mean, with respect to any tenant under any Lease at the Property, any affiliate of such tenant, unless such affiliate (i) operates under a separate trade name and under a separate corporate or other similar division from such tenant and (ii) is otherwise treated as a separate tenant under a separate Lease by Borrower.

(f) Notwithstanding anything to the contrary contained herein, to the extent Lender's prior approval is required for any leasing matters set forth in this Section, Lender shall have ten (10) Business Days from receipt of written request and all required information and documentation relating thereto in which to approve or disapprove such matter, provided that such request to Lender is marked in bold lettering with the following language: "LENDER'S RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF RECEIPT OF THIS NOTICE PURSUANT TO THE TERMS OF A DEED OF TRUST BETWEEN THE UNDERSIGNED AND LENDER". In the event that Lender fails to respond to the leasing matter in question within such time, Lender's approval shall be deemed given for all purposes. Borrower shall provide Lender with such information and documentation as may be reasonably required by Lender, including, without limitation, lease comparables and other market information as reasonably required by Lender. Lender shall not be entitled to any fee or reimbursement in connection with any such review and approval process in excess of the reasonable fees or reimbursements customarily charged by lenders or servicers of secondary market loans similar to the Loan for actions similar to the foregoing. Further, in no event will Borrower be responsible for any attorneys' fees in connection with such review and approval process except to the extent that any such attorney is engaged to (i) negotiate modifications to such proposed Lease required in order to make such Lease acceptable to Lender or (ii) review material deviations in such Lease from the Standard Form.

(g) Intentionally Omitted.

(h) Intentionally Omitted.

(i) Within ten (10) Business Days after receipt of written request therefore and a copy of the executed corresponding Lease, Lender shall execute and deliver to Borrower a subordination, non-disturbance and attornment agreement (an "**SNDA**") with respect to such Lease and any other Leases with Tenants appearing on the rent roll

of the Property as of the date hereof. If the form of the SNDA shall be prescribed by the Lease in question, and Lender shall have approved (or been deemed to have approved (it being understood that all of the Leases on the rent roll of the Property as of the date hereof are deemed approved)) such Lease, Lender shall execute and deliver the SNDA in the form prescribed by such Lease. In the case of any other Lease or any Lease as to which Lender's approval is not required pursuant to the terms hereof where such tenant thereunder requests an SNDA, the SNDA to be executed and delivered by Lender shall be in substantially the form attached hereto as Exhibit B, as such form may be modified to reflect reasonable changes thereto negotiated by Lender and such tenant. Lender agrees to negotiate in good faith the terms of the SNDA with any tenant under any Lease. All reasonable attorneys' fees and disbursements incurred by Lender in connection with the negotiation of changes to such SNDA shall be payable by Borrower within ten (10) Business Days after Lender's written request therefore, whether or not the SNDA is ultimately executed and/or recorded. (d) (I) In the event that Borrower or any SPE Component Entity is an Acceptable Delaware LLC, the limited liability company agreement of Borrower or such SPE Component Entity (as applicable) (the "**LLC Agreement**") shall provide that (i) upon the occurrence of any event that causes the sole member of Borrower or such SPE Component Entity (as applicable) ("**Member**") to cease to be the member of Borrower or such SPE Component Entity (as applicable) (other than (A) upon an assignment by Member of all of its limited liability company interest in Borrower or such SPE Component Entity (as applicable) and the admission of the transferee in accordance with the Loan Documents and the LLC Agreement, or (B) the resignation of Member and the admission of an additional member of Borrower or such SPE Component Entity (as applicable) in accordance with the terms of the Loan Documents and the LLC Agreement), any person acting as Independent Director of Borrower or such SPE Component Entity (as applicable) shall, without any action of any other Person and simultaneously with the Member ceasing to be the member of Borrower or

such SPE Component Entity (as applicable), automatically be admitted to Borrower or such SPE Component Entity (as applicable) ("**Special Member**") and shall continue Borrower or such SPE Component Entity (as applicable) without dissolution and (ii) Special Member may not resign from Borrower or such SPE Component Entity (as applicable) or transfer its rights as Special Member unless (A) a successor Special Member has been admitted to Borrower or such SPE Component Entity (as applicable) as Special Member in accordance with requirements of Delaware law and (B) such successor Special Member has also accepted its appointment as an Independent Director. The LLC Agreement shall further provide that (i) Special Member shall automatically cease to be a member of Borrower or such SPE Component Entity (as applicable) upon the admission to Borrower or such SPE Component Entity (as applicable) of a substitute Member, (ii) Special Member shall be a member of Borrower or such SPE Component Entity (as applicable) that has no interest in the profits, losses and capital of Borrower or such SPE Component Entity (as applicable) and has no right to receive any distributions of Borrower or such SPE Component Entity (as applicable) assets, (iii) pursuant to Section 18-301 of the Delaware Limited Liability Company Act (the "**Act**"), Special Member shall not be required to make any capital contributions to Borrower or such SPE Component Entity (as applicable) and shall not receive a limited liability company interest in Borrower or such SPE Component Entity (as applicable), (iv) Special Member, in its capacity as Special Member, may not bind Borrower or such SPE Component Entity (as applicable) and (v) except as required by any mandatory provision of the Act, Special Member, in its capacity as Special Member, shall have no right to vote on, approve or otherwise consent to any action by, or matter relating to, Borrower or such SPE Component Entity (as applicable), including, without limitation, the merger, consolidation or conversion of Borrower or such SPE Component Entity (as applicable); provided, however, such prohibition shall not limit the obligations of Special Member, in its capacity as Independent Director, to vote on such matters required by the Loan Documents or the LLC Agreement. In order to implement the admission to Borrower or such SPE Component Entity (as applicable) of Special Member, Special Member shall execute a counterpart to the LLC Agreement. Prior to its admission to Borrower or such SPE Component Entity (as applicable) as Special Member, Special Member shall not be a member of Borrower or such SPE Component Entity (as applicable).

(II) Upon the occurrence of any event that causes the Member to cease to be a member of Borrower or such SPE Component Entity (as applicable), to the fullest extent permitted by law, the personal representative of Member shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of Member in Borrower or such SPE Component Entity (as applicable), agree in writing (i) to continue Borrower or such SPE Component Entity (as applicable) and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of Borrower or such SPE Component Entity (as applicable), effective as of the occurrence of the event that terminated the continued membership of Member of Borrower or such SPE Component Entity (as applicable) in Borrower or such SPE Component Entity (as applicable). Any action initiated by or brought against Member or Special Member under any applicable Insolvency Laws shall not cause Member or Special Member to cease to be a member of Borrower or such SPE Component Entity (as applicable) and upon the occurrence of such an event, the business of Borrower or

such SPE Component Entity (as applicable) shall continue without dissolution. The LLC Agreement shall provide that each of Member and Special Member waives any right it might have to agree in writing to dissolve Borrower or such SPE Component Entity (as applicable) upon the occurrence of any action initiated by or brought against Member or Special Member under any applicable Insolvency Laws, or the occurrence of an event that causes Member or Special Member to cease to be a member of Borrower or such SPE Component Entity (as applicable).

(e) Borrower shall not change or permit to be changed (a) Borrower's name, (b) Borrower's identity (including its trade name or names), (c) Borrower's principal place of business set forth on the first page of this Security Instrument, (d) the corporate, partnership or other organizational structure of Borrower, each SPE Component Entity (if any), or Guarantor, (e) Borrower's state of organization, or (f) Borrower's organizational identification number, without in each case notifying Lender of such change in writing at least thirty (30) days prior to the effective date of such change and, in the case of a change in Borrower's or any SPE Component Entity's structure, without first obtaining the prior written consent of Lender. In addition, Borrower shall not change or permit to be changed any organizational documents of Borrower or any SPE Component Entity (if any) if such change would adversely impact the covenants set forth in this Section 4.3. Borrower authorizes Lender to file any financing statement or financing statement amendment required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Lender, Borrower shall execute a certificate in form satisfactory to Lender listing the trade names under which Borrower intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property. If Borrower does not now have an organizational identification number and later obtains one, or if the organizational identification number assigned to Borrower subsequently changes, Borrower shall promptly notify Lender of such organizational identification number or change.

(f) Notwithstanding the foregoing, nothing contained in this Section 4.3 shall be deemed to limit any Borrower's ability to own, manage and operate the Property in conjunction with the other entities comprising the defined term "Borrower" hereunder, including, without limitation, the right to operate the Property under a fictitious business name co-owned by Borrowers (or some of them), to maintain all books and records relating to the Property on a consolidated basis with the other entities comprising the defined term "Borrower" hereunder and to commingle the Rents and profits generated by the Property with the other entities comprising the defined term "Borrower" hereunder. Furthermore, any act with respect to the Property which is permitted to be taken by "Borrower" may be taken by any of the entities comprising the defined term "Borrower" hereunder in conjunction with the other entities comprising the defined term "Borrower" hereunder.

Section 4.4. RESTORATION AFTER CASUALTY/CONDEMNATION. In the event of a casualty or a taking by eminent domain, the following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds (defined below) shall be less than the amount equal to five percent (5%) of the original aggregate principal amount of the Loan (the "**Threshold Amount**") and the costs of completing the Restoration shall be less than the Threshold Amount, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Subsection 4.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Security Instrument.

(b) If the Net Proceeds are equal to or greater than the Threshold Amount or the costs of completing the Restoration is equal to or greater than the Threshold Amount, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Subsection 4.4(b). The term "**Net Proceeds**" for purposes of this Section 4.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Subsection 3.3(a)(i), (iii), (iv) and (x) of this Security Instrument as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same or (ii) the net amount of all awards and payments received by Lender with respect to a taking referenced in Section 3.6 of this Security Instrument, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for the Restoration provided that each of the following conditions are met: (A) no Event of Default shall have occurred and be continuing under the Note, this Security Instrument or any of the Other Security Documents or an event which after the passage of time or the giving of notice would constitute an Event of Default; (B) Borrower shall deliver or cause to be delivered to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, reasonably satisfactory to Lender; (C) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration; (D) Borrower shall deliver to Lender the proceeds of the insurance described in Subsection 3.3(a)(iii) hereof (which such proceeds shall be held and disbursed in accordance with Subsection 3.3(a)(iii) hereof); (E) Borrower shall commence the Restoration as soon as reasonably practicable and shall diligently pursue the same to satisfactory completion; (F) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note at the Applicable Interest Rate (as defined in the Note), which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Subsection 3.3(a)(ii), if applicable, or (3) by other funds of Borrower which are deposited with Lender prior to the commencement of the Restoration; (G) Lender shall be satisfied that, upon the completion of the Restoration and following a rent-up period from the time such Restoration is complete through the date which is three (3) months prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above, the (1) fair market value of the Property, as reasonably determined by Lender, is equal to or greater than the fair market value of the Property immediately prior to the casualty or condemnation, and (2) gross cash flow and the net cash flow of the Property will be restored to a level sufficient to cover all carrying

costs and operating expenses of the Property, including, without limitation, a Debt Service Coverage Ratio (as defined on Schedule 1 hereto) of at least 1.00 to 1.00; (H) Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date (as defined in the Note), (2) one (1) year after the occurrence of such fire or other casualty or taking, whichever the case may be, or (3) such time as may be required under applicable zoning law, ordinance, rule or regulation in order to repair and restore the Property to the condition it was in immediately prior to such fire or other casualty or to as nearly as possible the condition it was in immediately prior to such taking, as applicable; (I) the Property and the use thereof after the Restoration will be in compliance with and permitted under all applicable zoning laws, ordinances, rules and regulations; (J) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable governmental laws, rules and regulations (including, without limitation, all applicable Environmental Laws (defined below) and the Environmental Agreement); (K) such fire or other casualty or taking, as applicable, does not result in the loss of access to the Property or the Improvements; (L) (1) in the event the Net Proceeds are insurance proceeds, less than thirty-five percent (35%) of each of (i) fair market value of the Property as reasonably determined by Lender, and (ii) rentable area of the Property has been damaged, destroyed or rendered unusable as a result of a casualty or (2) in the event the Net Proceeds are condemnation proceeds, less than fifteen percent (15%) of each of (i) the fair market value of the Property as reasonably determined by Lender and (ii) rentable area of the Property is taken and such land is located along the perimeter or periphery of the Property; and (M) the Required Leases (defined below) shall remain in full force and effect during and after the completion of the Restoration. Lender agrees to use due diligence and good faith efforts to process its determination of Borrower's compliance with the requirements of this Paragraph 4.4(b)(i) as promptly as possible, recognizing the need for a quick determination in order to avoid delay in Restoration of the Property. As used above, the term "**Required Leases**" shall mean Leases encumbering, in the aggregate, 65% of the rentable square footage at the Property.

(ii) The Net Proceeds shall be held by Lender, and until disbursed in accordance with the provisions of this Subsection 4.4(b), shall constitute additional security for the Obligations. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower on a monthly basis during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed to date (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialmen's liens or written notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property arising out of the Restoration which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the alternative fully insured to the reasonable satisfaction of Lender by the title company insuring the lien of this Security Instrument.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been

engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All reasonable costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, the Casualty Consultant's fees, shall be paid by Borrower. Lender shall not require Borrower to pay attorney's fees and expenses in connection therewith unless such process involves unusual circumstances that cannot reasonably be handled by Lender (or its Servicer) in-house and which otherwise reasonably justify the need for counsel.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" as used in this Subsection 4.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Lender that 50% of the required Restoration has been completed. There shall be no Casualty Retainage with respect to costs actually incurred by Borrower for work in place in completing the last 50% of the required Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Subsection 4.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate governmental and quasi governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage, provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company insuring the lien of this Security Instrument. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender in an interest-bearing account before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Subsection 4.4(b) shall constitute additional security for the Obligations.

(vii) With respect to Restorations related to casualties, the excess, if any, of the Net Proceeds, and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b), and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under the Note, this Security Instrument or any of the Other Security Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Subsection 4.4(b)(vii) may, at Lender's election, be retained and applied by Lender toward the payment of the principal balance of the Debt whether or not then due and payable, either in whole or in part, or disbursed to Borrower. If Lender shall receive and retain Net Proceeds, as permitted above, the lien of this Security Instrument shall be reduced only by the amount thereof received and retained by Lender and actually applied by Lender in reduction of the Debt. Notwithstanding the foregoing, if Lender does not make the Net Proceeds available for Restoration, Lender shall allow Borrower to prepay the Debt in whole (but not in part) without penalty, provided, that, (i) such prepayment is made by Borrower by no later than the date which is six (6) months prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above and (ii) no Event of Default has otherwise occurred and is continuing.

Section 4.5. INTENTIONALLY OMITTED

Section 4.6. TIC AGREEMENT COVENANTS. Until such time as this Security Instrument is released or reconveyed in connection with the repayment of the Debt or such time as the Loan is defeased in full in accordance with the applicable terms and conditions of the Note or such time as Borrowers cease to be tenants-in-common pursuant to a transfer permitted by this Security Instrument, each Borrower hereby covenants and agrees that:

(a) they shall each pay all sums required to be paid under the TIC Agreement pursuant to the provisions thereof;

(b) they shall each diligently perform and observe all of the terms, covenants and conditions of the TIC Agreement;

(d) no Borrower shall institute or prosecute (nor shall any Borrower permit any other person or entity to institute or prosecute) an Action for Partition (defined below);

(e) each Borrower hereby waives each of their respective rights to an Action for Partition under the TIC Agreement and under Applicable Law;

(f) notwithstanding (but in no way abrogating or otherwise waiving) the foregoing, if any Action for Partition is brought by any Borrower, each other Borrower shall purchase such Borrower's tenancy in common interest in the Property at fair market value;

(g) in the event that the purchase described in subclause (f) shall fail to occur within fifteen (15) Business Days of the occurrence of the aforesaid Action for Partition (or such shorter time period as may be required for this subsection (g) to become effective immediately prior to the consummation of such Action for Partition), Sponsor (through an entity which Sponsor Controls, owns at least a 51% direct or indirect equity interest and which satisfies the criteria set forth in Section 4.3 hereof for single purpose, bankruptcy remote entities) shall purchase such interest at fair market value;

(h) in the event that the purchase described in subclauses (f) or (g) shall occur, the purchasing entity shall execute any documents or instruments reasonably requested by Lender (and shall provide such opinions, title endorsements or other documents or instruments reasonably requested by Lender) to affirm and/or assume the Loan and such entity's respective obligations thereunder;

(i) (1) any lien rights, indemnity rights, rights of subrogation or rights of first offer, first refusal or other rights to purchase or other similar rights inuring to any Borrower, Manager or any other person or entity under the TIC Agreement or Applicable Law are subject and subordinate to the Loan and the Loan Documents and Lender's rights thereunder and (2) with respect to the aforesaid rights (other than rights to payment from the cash flow of the Property), each applicable person or entity (including, without limitation, any Borrower) agrees to waive the same or "standstill" with respect to the enforcement of the same until such time as this Security Instrument is released or reconveyed in connection with the repayment of the Debt or such time as the Loan is defeased in full in accordance with the applicable terms and conditions of the Note; and

(j) the sale or issuance of any tenancy in common interests pursuant to the TIC Agreement will not violate any applicable provisions of the Securities Act or the Exchange Act or any other Applicable Law.

With respect to the foregoing covenants, Lender hereby acknowledges and agrees that the same are (i) restrictions customarily imposed by Lender in connection with commercial loans similar to the Loan and (ii) are intended to be restrictions which are "consistent with customary commercial lending practices" within the meaning of the applicable provisions of Revenue Procedure 2002-22. The foregoing covenants shall only be deemed to apply to each Borrower so long as they are parties to the TIC Agreement and such covenants shall cease to bind any Borrower at such time as such Borrower ceases to be a party to the TIC Agreement as a result of a transfer permitted under Section 8.4 below.

To the best of Borrower's knowledge (which for purposes hereof will mean the actual knowledge of John Chamberlain and Patrick Kinney), Borrower has disclosed to Lender all material facts and has not failed to disclose any material fact that could cause any representation or warranty made herein to be materially misleading.

Section 5.17. LETTER-OF-CREDIT RIGHTS. If Borrower is at any time a beneficiary under a letter of credit relating to the properties, rights, titles and interests referenced in Section 1.1 of this Security Instrument now or hereafter issued in favor of Borrower, Borrower shall promptly notify Lender thereof and, at the request and option of Lender, Borrower shall, pursuant to an agreement in form and substance satisfactory to Lender, either (i) arrange for the issuer and any confirmer of such letter of credit to consent to an assignment to Lender of the proceeds of any drawing under the letter of credit or (ii) arrange for Lender to become the transferee beneficiary of the letter of credit, with Lender agreeing in each case that upon an Event of Default, the proceeds of any drawing under the letter of credit are to be applied as provided in Section 11.2 of this Security Agreement.

Section 5.18. AUTHORIZATION TO FILE FINANCING STATEMENTS, POWER OF ATTORNEY. Borrower hereby authorizes Lender at any time and from time to time to file any initial financing statements, amendments thereto and continuation statements with or without

the signature of Borrower as authorized by Applicable Law, as applicable to all or part of the fixtures or Personal Property. For purposes of such filings, Borrower agrees to furnish any information requested by Lender promptly upon request by Lender. Borrower also ratifies its authorization for Lender to have filed any like initial financing statements, amendments thereto and continuation statements, if filed prior to the date of this Security Instrument. Borrower hereby irrevocably constitutes and appoints Lender and any officer or agent of Lender, with full power of substitution, as its true and lawful attorneys-in-fact with full irrevocable power and authority in the place and stead of Borrower or in Borrower's own name to execute in Borrower's name any documents and otherwise to carry out the purposes of this Section 5.18, to the extent that Borrower authorization above is not sufficient. To the extent permitted by law, Borrower hereby ratifies all acts said attorneys-in-fact have lawfully done in the past or shall lawfully do or cause to be in the future by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable.

Section 5.19. EMBARGOED PERSON. As of the date hereof, (a) none of the funds or other assets of Borrower, Sponsor and/or Guarantor constitute property of, or are beneficially owned, directly or indirectly, by any person, entity or government subject to trade restrictions under U.S. law ("**Embargoed Person**"), including, but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. §§ 1701 et seq., The Trading with the Enemy Act, 50 U.S.C. App. 1 et seq., and any Executive Orders or regulations promulgated thereunder with the result that the investment in Borrower, Sponsor and/or Guarantor, as applicable (whether directly or indirectly), is prohibited by law or the Loan made by the Lender is in violation of law; (b) no Embargoed Person has any interest of any nature whatsoever in Borrower, Sponsor and/or Guarantor, as applicable, with the result that the investment in Borrower, Sponsor and/or Guarantor, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law; and (c) none of the funds of Borrower, Sponsor and/or Guarantor, as applicable, have been derived from any unlawful activity with the result that the investment in Borrower, Sponsor and/or Guarantor, as applicable (whether directly or indirectly), is prohibited by law or the Loan is in violation of law. At all times throughout the term of the Loan, including after giving effect to any transfers permitted pursuant to Article 8 hereof, Borrower shall not permit any event to occur which would cause any of the foregoing representations to become untrue in any material respect.

Section 5.20. TIC AGREEMENT REPRESENTATIONS. (a) The TIC Agreement is in full force and effect and has not been modified or amended in any manner whatsoever; (b) there are no material defaults under the TIC Agreement and no event has occurred which but for the passage of time, or notice, or both would constitute a material default under the TIC Agreement, (c) all sums due and payable (if any) under the TIC Agreement as of the date hereof have been paid in full; and (d) no Borrower (nor, to the knowledge of Borrower, any other person or entity) has (i) commenced any action or given or received any notice for the purpose of terminating the TIC Agreement, or (ii) instituted or prosecuted any action for partition of the Property (or any portion thereof or interest therein) or any similar action pursuant to the TIC Agreement or any other contractual agreement or instrument or under Applicable Law (including, without limitation, common law) (any such action, the **"Action for Partition"**).

Section 5.21. WHOLE FOODS. Borrower hereby represents and warrants that the overpayment of CAM and real estate taxes alleged by Whole Foods Market California, Inc. in its estoppel delivered to Lender in connection with the closing of the Loan relating to its Lease at the Property would, if accurate, in no event exceed the sum of $2,000.

Article 6. OBLIGATIONS AND RELIANCES

Section 6.1. RELATIONSHIP OF BORROWER AND LENDER. The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of any of the Note, this Security Instrument and the Other Security Documents shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 6.2. NO RELIANCE ON LENDER. The general partners, shareholders, members, principals or other beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 6.3. NO LENDER OBLIGATIONS. (a) Notwithstanding any of the provisions of this Security Instrument (including, but not limited to, the provisions of Subsections 1.1(f) and (l), Section 1.2 or Section 3.7), Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Note or the Other Security Documents, including without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 6.4. RELIANCE. Borrower recognizes and acknowledges that in accepting the Note, this Security Instrument and the Other Security Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article 5 without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof; that the warranties and representations are a material inducement to Lender in accepting the Note, this Security Instrument and the Other Security Documents; and that Lender would not be willing to make the loan evidenced by the Note, this Security Instrument and the Other Security Documents and accept this Security Instrument in the absence of the warranties and representations as set forth in Article 5.

Article 7. FURTHER ASSURANCES

Section 7.1. RECORDING OF SECURITY INSTRUMENT, ETC. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the Other Security Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses (the "**Expenses**") incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the Other Security Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law to do so.

Section 7.2. FURTHER ACTS, ETC. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or recording this Security Instrument, or for complying with all Applicable Laws. Borrower, on demand, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or other instruments, to evidence more effectively the security interest of Lender in the Property. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender pursuant to this Section 7.2.

Section 7.3. CHANGES IN TAX, DEBT, CREDIT AND DOCUMENTARY STAMP LAWS. (a) If any law is enacted or adopted or amended after the date of this Security Instrument which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury, then Lender shall have the option by written notice of not less than ninety (90) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. If such claim, credit or deduction shall be required by law, Lender shall have the option, by written notice of not less than ninety (90) days, to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument, or any of the Other Security Documents or impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 7.4. ESTOPPEL CERTIFICATES. (a) After request by Lender, Borrower, within ten (10) Business Days, shall furnish Lender or any proposed assignee or Investor (as defined in Section 19.1) with a statement, duly acknowledged and certified, setting forth (i) the amount of the original principal amount of the Loan, (ii) the unpaid principal amount of each individual promissory note comprising the defined term "Note" hereunder (each such promissory note, an **"Individual Note"**), (iii) the rate of interest of the Note, (iv) the terms of payment and maturity date of each Individual Note, (v) the date installments of interest and/or principal were last paid, (vi) that, except as provided in such statement, Borrower has no actual knowledge of any defaults or events which with the passage of time or the giving of notice or both, would constitute an event of default under the Note or the Security Instrument, (vii) that the Note and this Security Instrument are valid, legal and binding obligations (except as may be limited by (A) bankruptcy, insolvency or other similar laws affecting the rights of creditors generally and (B) general principles of equity) and have not been modified or if modified, giving particulars of such modification, (viii) whether, to Borrower's actual knowledge, any offsets or defenses exist against the obligations secured hereby and, if any are alleged to exist, a detailed description thereof, (ix) that all Leases are in full force and effect, (x) the date to which the Rents thereunder have been paid pursuant to the Leases, (xi) whether or not, to the actual knowledge, of Borrower, any of the lessees under the Leases are in default under the Leases, and, if any of the aforesaid lessees are in default, setting forth the specific nature of all such defaults, (xii) the amount of security deposits held by Borrower under each Lease and that such amounts are consistent with the amounts required under each Lease, and (xiii) as to any other factual matters within Borrower's actual knowledge reasonably requested by Lender and reasonably related to the Leases, the obligations secured hereby, the Property or this Security Instrument.

(b) Borrower shall use its commercially reasonable best efforts to deliver to Lender, promptly upon request (provided such request is not made more than once in any calendar year other than any request by Lender made in connection with the securitization of the Loan or following an Event of Default), duly executed estoppel certificates from any one or more lessees as required by Lender attesting to such facts regarding the Lease as Lender may require, including but not limited to attestations that each Lease covered thereby is in full force and effect (and to the best of lessee's knowledge) with no defaults thereunder on the part of any party, that none of the Rents have been paid more than one month in advance, and that the lessee claims no defense or offset against the full and timely performance of its obligations under the Lease.

(c) Lender, by its acceptance of this Security Instrument, agrees to deliver to Borrower (without cost (other than in extraordinary circumstances)) promptly upon Borrower's request therefor (provided such request is not made more than twice in any calendar year) a written statement setting forth the unpaid principal amount of the Note, the accrued and unpaid interest thereon, the date on which an installment of interest and/or principal were last paid thereunder and whether there are any Events of Default which currently exist and are actually known to Lender.

(d) Borrower shall use its commercially reasonable best efforts to deliver to Lender, promptly upon request (provided such request is not made more than once in any calendar year other than any request by Lender made in connection with the securitization of the Loan or following an Event of Default), a duly executed estoppel certificate from ARCADIS attesting to such facts regarding the Environmental Agreement as Lender may reasonably require (which such facts shall be attested by ARCADIS to the best of ARCADIS' knowledge).

Section 7.5. FLOOD INSURANCE. After Lender's request, Borrower shall deliver evidence satisfactory to Lender that no portion of the Improvements is situated in a federally designated "special flood hazard area." or, if any of the Improvements are located within any such area Borrower will obtain and maintain the insurance required prescribed in Section 3.3 hereof, if required under the terms of that section.

Section 7.6. SPLITTING OF SECURITY INSTRUMENT. This Security Instrument and each Individual Note shall, at any time until the same shall be fully paid and satisfied, at the sole election of Lender, be split or divided into two or more notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Borrower, upon written request of Lender and at Lender's sole cost and expense, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Lender and/or its designee or designees substitute notes and security instruments in such principal amounts, aggregating not more than the then unpaid principal amount of this Security Instrument, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be reasonably required by Lender. Borrower's obligations hereunder are conditioned upon Lender's agreement, as evidenced by its acceptance hereof, that such splitting or division shall not result in any decrease of any rights of Borrower or any Indemnitor (as defined in the Indemnity Agreement (defined below)) hereunder or under any other Loan Document or any additional cost or potential liability to Borrower or any Indemnitor that exceeds that which exists hereunder prior to such splitting or division.

Section 7.7. REPLACEMENT DOCUMENTS. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of any Individual Note or any other Loan Document which is not of public record: (i) with respect to any Loan Document other than any Individual Note, Borrower will issue, in lieu thereof, a replacement of such other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Loan Document in the

same principal amount thereof and otherwise of like tenor and (ii) with respect to any Individual Note, (a) Borrower will execute a reaffirmation of the portion of the Debt as evidenced by such Individual Note acknowledging that Lender has informed Borrower that such Individual Note was lost, stolen destroyed or mutilated and that such portion of the Debt continues to be an obligation and liability of the Borrower as set forth in such Individual Note, a copy of which shall be attached to such reaffirmation or (b) if requested by Lender, Borrower will execute a replacement note, provided, that Lender or Lender's custodian (at Lender's option) shall provide to Borrower Lender's (or Lender's custodian's) then standard form of lost note affidavit and indemnity, which such form shall be reasonably acceptable to Borrower.

Article 8. DUE ON SALE/ENCUMBRANCE

Section 8.1. LENDER RELIANCE. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the loan secured hereby, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

Section 8.2. NO SALE/ENCUMBRANCE.

(a) Except as provided in this Security Instrument, Borrower shall not cause or permit a Sale or Pledge of the Property or any part thereof or any legal or beneficial interest therein nor permit a Sale or Pledge of an interest in any Restricted Party (in each case, a "**Prohibited Transfer**"), other than pursuant to Leases of space at the Property to tenants in accordance with the applicable provisions hereof, without the prior written consent of Lender.

(b) A Prohibited Transfer shall include, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if a Restricted Party is a corporation, any merger, consolidation or Sale or Pledge of such corporation's stock or the creation or issuance of new stock in one or a series of transactions (other than as permitted pursuant to Section 8.3 below); (iv) any action for partition of the Property (or any portion thereof or interest therein) or any similar action instituted or prosecuted by any Borrower, as a tenant-in-common, or by any other person or entity, pursuant to any contractual agreement or other instrument or under Applicable Law (including, without limitation, common law); (v) if a Restricted Party is a limited or general partnership or joint venture, any merger or consolidation or the change, removal, resignation or addition of a general partner or the Sale or Pledge of the partnership interest of any general or limited partner (other than as permitted pursuant to Section 8.3

below) or any profits or proceeds relating to such partnership interests or the creation or issuance of new partnership interests; (vi) if a Restricted Party is a limited liability company, any merger or consolidation or the change, removal, resignation or addition of a managing member or non-member manager (or if no managing member, any member) or the Sale or Pledge of the membership interest of any member (other than as permitted pursuant to Section 8.3 below) or any profits or proceeds relating to such membership interest; (vii) if a Restricted Party is a trust or nominee trust, any merger, consolidation or the Sale or Pledge of the legal or beneficial interest in a Restricted Party or the creation or issuance of new legal or beneficial interests; or (viii) the removal or the resignation of Manager (including, without limitation, an Affiliated Manager) other than in accordance with the applicable terms and conditions hereof.

Section 8.3. PERMITTED EQUITY TRANSFERS. Notwithstanding anything to the contrary contained in this Article 8, the following transfers shall not be Prohibited Transfers and shall be permitted without Lender's consent: (a) a transfer (but not a pledge) by devise or descent or by operation of law upon the death of a member, partner or shareholder of a Restricted Party, (b) the transfer (but not the pledge), in one or a series of transactions, of the stock, partnership interests or membership interests (as the case may be) in a Restricted Party, (c) the sale, transfer or issuance of shares of common stock in any Restricted Party that is a publicly traded entity, provided such shares of common stock are listed on the New York Stock Exchange or another nationally recognized stock exchange and (d) in addition to the transfers permitted by clause (b), any other transaction involving the direct and/or indirect equity interests in a Restricted Party (other than a pledge) that would otherwise fit within the definition of Prohibited Transfer (including, without limitation, a transaction of the type described in clauses (iii), (v), (vi) or (vii) of Section 8.2(b) hereof) constituting a transfer of less than 10% of the direct and/or indirect equity ownership of any Borrower, Guarantor, Sponsor any SPE Component Entity and/or Affiliated Manager; provided, however, with respect to the transfers listed in clauses (a), (b) or (d) above, (A) Lender shall receive not less than five (5) days prior written notice thereof, (B) no such transfers shall result in a change in Control of Sponsor or Affiliated Manager (provided, however, a "change in Control" of Sponsor or Affiliated Manager shall not be deemed to have occurred for the purposes of this subsection (B) if any one of the persons or entities comprising the definition of "Sponsor" contained herein succeeds to the interest of the then current Sponsor and such successor Sponsor Controls the Affiliated Manager), (C) after giving effect to such transfers, any one of the entities comprising the defined term "Sponsor" shall (I) own at least a 51% direct or indirect equity interest in each Borrower and any SPE Component Entity of any Borrower, (II) Control each Borrower and any SPE Component Entity of any Borrower and (III) control the day-to-day operation of the Property, (D) the Property shall continue to be managed by Affiliated Manager or a Qualified Manager, (E) in the case of the transfer of any direct or indirect equity ownership interests in any Borrower or in any SPE Component Entity of any Borrower, such transfers shall be conditioned upon continued compliance with the relevant provisions of Sections 4.2 and 4.3 hereof and (F) in the case of (1) the transfer of the management of the Property to a new Affiliated Manager in accordance with the applicable terms and conditions hereof, or (2) the transfer (in one or in a series of transactions) in excess of 49% (in the aggregate) of any equity ownership interests (I) directly in any Borrower or in any SPE Component Entity of any Borrower, or (II) in any Restricted Party whose sole asset is a direct or indirect equity ownership interest in Borrower or in any SPE Component Entity, such transfers shall be conditioned upon delivery to Lender of a substantive non-consolidation

opinion, which such opinion shall be provided by outside counsel acceptable to Lender and the Rating Agencies and shall otherwise be in form, scope and substance reasonably acceptable to Lender and acceptable to the Rating Agencies (such opinion, the **"New Non-Consolidation Opinion"**).

Section 8.4. PERMITTED PROPERTY TRANSFERS (ASSUMPTION). Notwithstanding anything to the contrary contained in this Article 8 and in addition to the transfers permitted under Section 8.3, the following transfers shall not be Prohibited Transfers and Lender's consent to any TIC Assumption (defined below) shall not be required and Lender's consent to the first four (4) other transfers of the Property (at any time after the first (1st) anniversary of the closing of the Loan or at any time prior to such date if Lender determines that such assignment or transfer will not hinder, delay or prevent Lender from completing a Secondary Market Transaction (as defined in Section 19.3)) shall not be withheld; provided, that, in each case, Lender receives (I) sixty (60) days prior written notice (in the case of any transfer other than a TIC Assumption) or (II) thirty (30) days prior written notice (in the case of a TIC Assumption) of each such transfer hereunder and no Event of Default has occurred and is continuing, and further provided that, the following additional requirements are satisfied:

(a) With respect to (i) any TIC Assumption, no transfer fee shall be due, and (ii) other than in connection with a TIC Assumption, with respect to the (I) first such transfer, Borrower shall not be required to pay Lender a transfer fee, (II) second such transfer, Borrower shall pay Lender a transfer fee equal to 0.5% of the outstanding principal balance of the Loan at the time of such transfer, (III) third such transfer, Borrower shall pay Lender a transfer fee equal to 1.0% of the outstanding principal balance of the Loan at the time of such transfer and (IV) fourth such transfer, Borrower shall pay Lender a transfer fee equal to 1.0% of the outstanding principal balance of the Loan at the time of such transfer (other than such assumption fees and the costs referenced in Section 8.4(b) below, Lender will not charge Borrower any additional fees or impose any additional conditions (other than as provided for in this Section 8.4) upon Borrower or the Transferee or Assuming Borrower (defined below) in connection with such transfer or TIC Assumption (as applicable));

(b) Borrower shall pay any and all reasonable out-of-pocket costs incurred in connection with, as applicable, each TIC Assumption and the transfer of the Property (including, without limitation, Lender's reasonable counsel fees and disbursements and all recording fees, title insurance premiums and mortgage and intangible taxes and, other than with respect to any TIC Assumption, the fees and expenses of the Rating Agencies pursuant to clause (j) below);

(c) Other than in connection with a TIC Assumption, the proposed transferee (the "**Transferee**") or Transferee's Principals (hereinafter defined) must have demonstrated expertise in owning and operating properties similar in location, size and operation to the Property, which expertise shall be reasonably determined by Lender. The term "**Transferee's Principals**" shall include Transferee's (A) managing members, general partners or Controlling shareholders and (B) such other members, partners or shareholders which directly or indirectly shall own a 15% or greater interest in Transferee;

(d) Other than in connection with a TIC Assumption, Transferee's Principals shall, as of the date of such transfer, have an aggregate net worth and liquidity reasonably acceptable to Lender;

(e) Other than in connection with a TIC Assumption, Transferee, Transferee's Principals and all other entities which may be owned or controlled directly or indirectly by Transferee's Principals ("**Related Entities**") must not have been a party to any bankruptcy proceedings, voluntary or involuntary, made an assignment for the benefit of creditors or taken advantage of any insolvency act, or any act for the benefit of debtors within seven (7) years prior to the date of the proposed transfer of the Property;

(f) Transferee or Assuming Borrower (defined below) under a TIC Assumption, as applicable, shall assume all of the obligations of Borrower under the Loan Documents in a manner satisfactory to Lender in all respects, including, without limitation, by entering into an assumption agreement in form and substance reasonably satisfactory to Lender;

(g) There shall be no material litigation or regulatory action pending or threatened against, as applicable, Transferee, Transferee's Principals or Related Entities or Assuming Borrower or Sponsor which is not reasonably acceptable to Lender;

(h) Other than in connection with a TIC Assumption, Transferee's Principals and Related Entities shall not have defaulted (beyond applicable notice and cure periods) under its or their obligations with respect to any other indebtedness in a manner which is not reasonably acceptable to Lender;

(i) Transferee or Assuming Borrower, as applicable, must be able to satisfy all the covenants set forth in Sections 4.3, and both Transferee and Transferee's Principals or both Assuming Borrower and Sponsor (as applicable) must be able to satisfy all the covenants set forth in Sections 4.3 and 5.9 hereof, no Event of Default or event which, with the giving of notice, passage of time or both, shall constitute an Event of Default, shall otherwise occur as a result of such transfer, and Transferee and Transferee's Principals or Assuming Borrower and Sponsor (as applicable) shall deliver (A) all organization documentation reasonably requested by Lender, which shall be reasonably satisfactory to Lender, and (B) all certificates, agreements and covenants reasonably required by Lender (including, without limitation, hazard insurance endorsements or certificates or other similar evidence that the Policies required hereunder have been obtained or maintained, as applicable);

(j) Other than in connection with a TIC Assumption, Transferee shall be approved by the Rating Agencies selected by Lender;

(k) Transferee or Assuming Borrower, as applicable, shall furnish (I) a New Non-Consolidation Opinion, and (II) an opinion of counsel reasonably satisfactory to Lender and its counsel (A) that the assumption of the Debt has been duly authorized, executed and delivered, and that the Note, this Security Instrument, the assumption agreement and the other Loan Documents are valid, binding and enforceable against

Transferee or Assuming Borrower, as applicable, in accordance with their terms, and (B) that Transferee or Assuming Borrower, as applicable, and any entity which is a controlling stockholder, member or general partner of Transferee or Assuming Borrower, as applicable, have been duly organized, and are in existence and good standing;

(l) Borrower shall deliver, at its sole costs and expense, an endorsement to the existing title policy insuring the Security Instrument, as modified by the assumption agreement, as a valid first lien on the Property and naming the Transferee or Assuming Borrower, as applicable, as owner of the Property, which endorsement shall insure that, as of the date of the recording of the assumption agreement, the Property shall not be subject to any additional exceptions or liens other than those contained in the title policy issued on the date hereof. Immediately upon a transfer of the Property to such Transferee or Assuming Borrower, as applicable, and the satisfaction of all of the above requirements, the named Borrower herein or, in the case of a TIC Assumption, any entity constituting the defined term "Borrower" hereunder other than the Assuming Borrower or any other Borrower that is not transferring its interest in the Property to the Assuming Borrower shall be released from all liability under this Security Instrument, the Note and the Other Security Documents accruing after such transfer, and, in the case of a transfer hereunder other than a TIC Assumption, the Indemnitor under that certain Indemnity Agreement in favor of Lender relating hereto (the "**Indemnity Agreement**"), dated of even date herewith, shall be released from its obligations and liabilities thereunder accruing after such transfer provided that a new indemnitor approved by Lender, which approval shall be granted or withheld pursuant to Lender's customary underwriting procedures, enters into and delivers to Lender a new indemnity agreement in the form and content of the Indemnity Agreement. The foregoing release shall be effective upon the date of such transfer, but Lender agrees to provide written evidence thereof reasonably requested by Borrower; and

(m) Other than in connection with a TIC Assumption, Borrower's obligations under the contract of sale pursuant to which the transfer is proposed to occur shall expressly be subject to the satisfaction of the terms and conditions of this Section.

Any transfer made pursuant to and in accordance with the terms and provisions of this Section 8.4 shall not be deemed to be a Prohibited Transfer. A consent by Lender with respect to a transfer of the Property in its entirety to, and the related assumption of the Loan by, a Transferee pursuant to this Section shall not be construed to be a waiver of the right of Lender to consent to any subsequent transfer of the Property.

Section 8.5. LENDER'S RIGHTS. Lender reserves the right to condition the consent to a Prohibited Transfer requested hereunder upon (a) a modification of the terms hereof and an assumption of the Note and the other Loan Documents as so modified by the proposed Prohibited Transfer, (b) receipt of payment of a transfer fee equal to one percent (1%) of the outstanding principal balance of the Loan and all of Lender's expenses incurred in connection with such Prohibited Transfer, (c) receipt of written confirmation from the Rating Agencies (a **"Rating Agency Confirmation"**) that the Prohibited Transfer will not result in a downgrade, withdrawal or qualification of the initial, or if higher, then current ratings issued in connection

with a Securitization, or if a Securitization has not occurred, any ratings to be assigned in connection with a Securitization, (d) the proposed transferee's continued compliance with the covenants set forth in this Security Instrument (including, without limitation, the covenants in Sections 4.2 and 4.3) and the other Loan Documents, (e) a new manager for the Property and a new management agreement satisfactory to Lender, and (f) the satisfaction of such other conditions and/or legal opinions as Lender shall determine in its sole discretion to be in the interest of Lender. All expenses incurred by Lender shall be payable by Borrower whether or not Lender consents to the Prohibited Transfer. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Prohibited Transfer made without Lender's consent. This provision shall apply to each and every Prohibited Transfer, whether or not Lender has consented to any previous Prohibited Transfer.

Section 8.6. DEFINITIONS. As used in this Article 8 (and elsewhere in this Security Instrument), the following terms shall have the following meanings:

Section 11.3. RIGHT TO CURE DEFAULTS. Upon the occurrence of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 11.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the Other Security Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 11.4. ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 11.5. RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 11.6. EXAMINATION OF BOOKS AND RECORDS. Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower and each other "Indemnitor" under the Indemnity Agreement delivered in connection herewith which reflect upon their financial condition, at the Property or at any

office regularly maintained by Borrower or such other Indemnitor or where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower and such other Indemnitor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower and such other Indemnitor where the books and records are located.

Section 11.7. OTHER RIGHTS, ETC. (a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the Other Security Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the Other Security Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Trustee or Lender may resort for the payment of the Debt to any other security held by Trustee or Lender in such order and manner as Lender, in its discretion, may elect. Trustee or Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Trustee or Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Trustee or Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Trustee and Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity (except to the extent limited by the express terms and provisions hereof).

Section 11.8. RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 11.9. VIOLATION OF LAWS. If the Property is not in compliance with Applicable Laws, Lender may impose additional requirements upon Borrower in connection herewith including, without limitation, monetary reserves or financial equivalents.

Any failure of Borrower to perform its obligations pursuant to this Section 12.2 shall constitute bad faith waste with respect to the Property.

(II) With respect to the Environmental Agreement and the RAP (defined below), Borrower hereby covenants as follows: (a) Borrower shall not, without the prior consent of Lender (which such consent shall not be unreasonably withheld, conditioned or delayed), execute any amendments or modifications to the Environmental Agreement and/or the RAP if the same would have a Material Adverse Effect; (b) Borrower shall enforce, shall comply with, and shall use commercially reasonable efforts to cause each of the parties to the Environmental Agreement and the RAP to comply with all of the terms and conditions contained therein (including, without limitation, to continue to cause ARCADIS to (I) maintain the insurance coverages required under the Environmental Agreement for the term of the Environmental Agreement and (II) continue to include Lender as an additional insured on the Contractor's Pollution Liability insurance policy required to be maintained by ARCADIS pursuant to the Environmental Agreement); (c) Borrower shall deliver to Lender copies of all material notices sent by or delivered to Borrower pursuant to or otherwise in connection with the Environmental Agreement and/or the RAP; (d) Borrower shall not, without Lender's prior written consent (which such consent shall not be unreasonably withheld, conditioned or delayed), consent to or initiate any action under the RAP and/or the Environmental Agreement if the same would have a Material Adverse Effect and/or violate the terms of or otherwise impair the coverage provided by the Environmental Insurance; (e) Borrower shall, in good faith and in a timely manner, cause the remediation required under the RAP to be completed and paid for in full and a "No Further Action" letter or similar

confirmation of such completion issued by the applicable governmental authority; and (f) Borrower shall cause funds on deposit in the Remediation Account to be invested solely in Permitted Investments (as defined in the Cash Management Agreement). Lender's receipt of evidence reasonably satisfactory to Lender of Borrower satisfaction of the covenant contained in subsection (e) shall be referred to herein and in the other Loan Documents as the **"Remediation Completion"**.

Borrower shall cooperate with and provide access to Lender and any such person or entity designated by Lender. The costs and expenses of such assessments shall be borne by Lender except in instances where such report or assessment is performed due to Borrower's failure to comply with its obligations under Section 12.2(f), in which cases the costs and expenses of such assessments shall be paid for by Borrower.

Notwithstanding the foregoing, any Indemnified Parties may, if they reasonably believe that their interests are not properly being represented by the counsel selected by Borrower, engage their own attorneys and other professionals to defend them. Upon demand, Borrower shall pay or, in the sole and absolute discretion of the Indemnified Parties, reimburse, the Indemnified Parties for the payment of reasonable fees and disbursements of attorneys, engineers, environmental consultants, laboratories and other professionals in connection therewith.

Article 14. WAIVERS

Section 14.1. WAIVER OF COUNTERCLAIM. Borrower hereby waives the right to assert a counterclaim, other than a mandatory or compulsory counterclaim, in any action or proceeding brought against it by Lender arising out of or in any way connected with this Security Instrument, the Note, any of the Other Security Documents, or the Obligations. The foregoing shall not be deemed a waiver of Borrower's right to assert in a separate proceeding any claim against Lender which otherwise would constitute a defense, setoff, counterclaim or crossclaim of any nature arising from and after the date hereof.

Section 14.2. MARSHALLING AND OTHER MATTERS. Borrower hereby waives, to the extent permitted by law, the benefit of all appraisement, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Further, Borrower hereby expressly waives any and all rights of redemption from sale under any order or decree of foreclosure of this Security Instrument on behalf of Borrower, and on behalf of each and every person acquiring any interest in or title to the Property subsequent to the date of this Security Instrument and on behalf of all persons to the extent permitted by Applicable Law.

Section 14.3. WAIVER OF NOTICE. Borrower shall not be entitled to any notices of any nature whatsoever from Trustee or Lender except with respect to matters for which this Security Instrument, the Note, or the Other Security Documents specifically and expressly provides for the giving of notice by Trustee or Lender to Borrower and except with respect to matters for which Trustee or Lender is required by Applicable Law to give notice, and Borrower hereby expressly waives the right to receive any notice from Trustee or Lender with respect to any matter for which this Security Instrument does not specifically and expressly provide for the giving of notice by Trustee or Lender to Borrower or as required by law.

Section 14.4. DETERMINATIONS BY LENDER. Except as otherwise specifically set forth in the Note, this Security Instrument, or the Other Security Documents, wherever pursuant to this Security Instrument (i) Lender exercises any right given to it to approve or disapprove, (ii) any arrangement or term is to be satisfactory to Lender, or (iii) any other decision or determination is to be made by Lender, the decision of Lender to approve or disapprove, all decisions that arrangements or terms are satisfactory or not satisfactory, and all other decisions and determinations made by Lender, shall be in the reasonable determination of Lender applied in good faith. All approvals of or waivers by Lender in respect of any of the terms, conditions or requirements of this Security Instrument must be in writing. No waiver with respect to any condition, breach or other matter shall extend to or be taken in any manner whatsoever to affect any other condition, breach or matter or affect Lender's rights resulting therefrom.

Section 14.5. SURVIVAL. The indemnifications made pursuant to Sections 13.3 and 13.4 and the representations and warranties, covenants, and other obligations arising under Article 12, shall continue indefinitely in full force and effect and shall survive and shall in no way be impaired by: any satisfaction or other termination of this Security Instrument, any assignment or other transfer of all or any portion of this Security Instrument or Lender's interest in the Property (but, in such case, shall benefit both Indemnified Parties and any assignee or transferee), any exercise of Lender's rights and remedies pursuant hereto including but not limited to foreclosure or acceptance of a deed in lieu of foreclosure, any exercise of any rights and remedies pursuant to the Note or any of the Other Security Documents, any transfer of all or any portion of the Property (whether by Borrower or by Lender following foreclosure or acceptance of a deed in lieu of foreclosure or at any other time), any amendment to this Security Instrument, the Note or the Other Security Documents, and any act or omission that might otherwise be construed as a release or discharge of Borrower from the obligations pursuant hereto. Notwithstanding the foregoing, upon a transfer of Borrower's fee interest in the Property permitted pursuant to Article 8 hereof, the transferring Borrower shall be released from any liability thereafter accruing under any such indemnification provision (other than as to matters which have already occurred).

Section 14.6. WAIVER OF TRIAL BY JURY. BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN EVIDENCED BY THE NOTE, THE APPLICATION FOR THE LOAN EVIDENCED BY THE NOTE, THE NOTE, THIS SECURITY INSTRUMENT OR THE OTHER SECURITY DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.

Article 15. EXCULPATION

Section 15.1. EXCULPATION. All rights and remedies of Lender under this Security Instrument and the Other Security Documents are expressly made subject to the limitations and exculpations set forth in Article 14 of the Note, the provisions of which are incorporated herein by this reference.

Article 17. SERVICE OF PROCESS

Section 17.1. CONSENT TO SERVICE. (a) Borrower will maintain a place of business or an agent for service of process in San Diego County, California and give prompt notice to Lender of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate. Borrower further agrees that the failure of its agent for service of process to give it notice of any service of process will not impair or affect the validity of such

service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in San Diego County, California, then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to the first paragraph hereof.

Section 17.2. Borrower initially and irrevocably designates John W. Chamberlain with offices on the date hereof at 11455 El Camino Real, Suite 200, San Diego, California 92130, to receive for and on behalf of Borrower service of process with respect to this Security Instrument.

Article 18. APPLICABLE LAW

Section 18.1. CHOICE OF LAW. THIS SECURITY INSTRUMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF CALIFORNIA AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA AND APPLICABLE LAWS OF THE UNITED STATES OF AMERICA.

Section 18.2. USURY LAWS. This Security Instrument and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Debt at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by Applicable Law to contract or agree to pay. If by the terms of this Security Instrument or the Note, Borrower is at any time required or obligated to pay interest on the Debt at a rate in excess of such maximum rate, the rate of interest under the Security Instrument and the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

Section 18.3. PROVISIONS SUBJECT TO APPLICABLE LAW. All rights, powers and remedies provided in this Security Instrument may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Security Instrument invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any Applicable Law. If any term of this Security Instrument or any application thereof shall be invalid or unenforceable, the remainder of this Security Instrument and any other application of the term shall not be affected thereby.

Article 19. SECONDARY MARKET

Section 19.1. TRANSFER OF LOAN. Lender may, at any time, sell, transfer or assign the Note, this Security Instrument and the Other Security Documents, and any or all servicing rights with respect thereto, or grant participations therein or issue mortgage passthrough certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "**Securities**"). Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any Rating Agency rating such Securities (collectively, the "**Investor**") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt, Sponsor, Indemnitor and to Borrower, and the Property, whether furnished by Borrower, or otherwise, as Lender determines necessary or desirable. Borrower agrees to reasonably cooperate with Lender in connection with any transfer made or any Securities created pursuant to this Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower consents to Lender furnishing to such Investors or such prospective Investors or Rating Agency any and all information concerning the Property, the Leases, the financial condition of Borrower, Indemnitor or Sponsor as may be requested by Lender, any Investor or any prospective Investor or Rating Agency in connection with any sale, transfer or participation interest. Lender may retain or assign responsibility for servicing the Note, this Security Instrument, and the Other Security Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer or master servicer; provided, however, in the event Lender exercises its right to split the Loan into parts as permitted hereunder and deposits such parts into more than one securitized pool, (I) Borrower shall only be required to deal with one primary servicer with respect to any consents, approvals, notices, required from, or to, Lender pursuant to the Loan Documents (it being understood that such primary servicer may need to consult with other persons that hold a portion of Lender's rights and obligations under the Loan or with the Rating Agencies in connection with any such consent, approval or notice), (II) the time periods for Lender approvals under the Loan Documents (to the extent applicable) shall not be increased and Borrower shall not be required to pay multiple fees and expenses if more than one servicer is consulted by the primary servicer and (III) other than Borrower's right to refuse to deal with multiple servicers and/or to pay the fees of multiple servicers in accordance with the foregoing, the failure of Lender or any servicer to comply with the provisions of this sentence shall not otherwise waive, abrogate or otherwise effect Borrower's other obligations hereunder or any of the other Loan Documents. Lender may make such assignment or delegation on behalf of the Investors if the Note is sold or this Security Instrument or the Other Security Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

Section 19.2. CONVERSION TO REGISTERED FORM. At the request and the expense of Lender, Borrower shall appoint, as its agent, a registrar and transfer agent (the "**Registrar**") reasonably acceptable to Lender which shall maintain, subject to such reasonable regulations as it shall provide, such books and records as are necessary for the registration and transfer of the Note in a manner that shall cause the Note to be considered to be in registered form for purposes of Section 163(f) of the Code. The option to convert the Note into registered form once exercised may not be revoked. Any agreement setting out the rights and obligation of the Registrar shall be subject to the reasonable approval of Lender. Borrower may revoke the

appointment of any particular person as Registrar, effective upon the effectiveness of the appointment of a replacement Registrar. The Registrar shall not be entitled to any fee from Borrower or Lender or any other lender in respect of transfers of the Note and Security Instrument (other than Taxes and governmental charges and fees).

Section 19.3. COOPERATION. Borrower acknowledges that Lender and its successors and assigns may (a) sell this Security Instrument, the Note and Other Security Documents to one or more third parties as a whole loan, (b) participate the Loan secured by this Security Instrument to one or more third parties, (c) deposit, through one or a series of transactions, this Security Instrument, the Note and Other Security Documents with one or more trusts, which trusts may sell certificates to third parties evidencing an ownership interest in the trust assets or (d) otherwise sell the Loan or interest therein to third parties (The transaction referred to in clauses (a), (b), (c) and (d) shall hereinafter be referred to collectively as "**Secondary Market Transactions**" and the transactions referred to in clause (c) shall hereinafter be referred to as a "**Securitization**". Any certificates, notes or other securities issued in connection with a Securitization are hereinafter referred to as "**Securities**"). Borrower shall cooperate in good faith (provided such cooperation will not result in expense or additional potential liability to Borrower or any Indemnitor or diminish any of their rights in any material respect) with Lender in effecting any such Secondary Market Transaction and shall cooperate in good faith to implement all requirements imposed by any Rating Agency issuing any statistical rating in any Secondary Market Transaction or the requirements of potential investors in any Secondary Market Transaction. Borrower agrees to make upon Lender's written request, and at no material cost to Borrower, without limitation, all structural or other changes to the Loan (including delivery of one or more new component notes to replace any original Individual Note or modify any original Individual Note to reflect multiple components of the Loan and such new notes or modified note may have different interest rates and amortization schedules), modifications to any documents evidencing or securing the Loan, delivery of opinions of counsel acceptable to the Rating Agencies or potential investors and addressing such matters as the Rating Agencies or potential investors may require; provided, however, notwithstanding anything to the contrary in this Security Instrument, the Note, or the Other Security Documents, Borrower shall not be required to modify any documents evidencing or securing the Loan (or otherwise take any action) which would modify (i) the initial weighted average interest rate payable under the Note, (ii) the stated maturity of the Note, (iii) the aggregate amortization of principal of the Note, (iv) any other material economic term of the Loan, (v) decrease the time periods during which Borrower is permitted to perform its obligations under this Security Instrument or any of the Other Security Documents, or (vi) otherwise increase Borrower's or Indemnitor's obligations or decrease any of their rights under the Note, this Security Instrument or any of the other Security Documents (or subject them to greater potential liability) except as otherwise expressly permitted herein. Borrower shall provide such information and documents relating to Borrower, Indemnitor, Sponsor, the Property and any tenants of the Improvements as Lender may reasonably request in connection with a Secondary Market Transaction. Lender shall have the right to provide to prospective investors or Rating Agencies any information in its possession, including, without limitation, financial statements relating to Borrower, Sponsor, Indemnitor, the Property and any tenant of the Improvements. Borrower acknowledges that certain information regarding the Loan and the parties thereto, Sponsor and the Property may be included in disclosure documents in connection with the Securitization, including an offering circular, a prospectus, prospectus supplement, private placement memorandum or other offering document (each, an "**Disclosure**

Document") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and may be made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization.

Section 19.4. MEZZANINE OPTION. Lender shall have the right (the "**Mezzanine Option**") at any time to divide the loan into two parts, a mortgage loan and a mezzanine loan, provided, that (i) the total loan amounts for such mortgage loan and such mezzanine loan shall equal the then outstanding amount of the Loan immediately prior to Lender's exercise of the Mezzanine Option and (ii) the weighted average interest rate of such mortgage loan and mezzanine loan shall equal the Interest Rate. Borrower shall cooperate with Lender in Lender's exercise of the Mezzanine Option in good faith and in a timely manner, which such cooperation shall include, but not be limited to, (i) executing such amendments to the Loan Documents and Borrower or any SPE Component Entity's organizational documents as may be reasonably requested by Lender or requested by the Rating Agencies (which such amendments shall include, without limitation, (1) providing that the Equity Collateral (defined below) be certificated (such that the holder of such certificated Equity Collateral would have "protected purchaser" status under Article 8 of the Uniform Commercial Code) and/or (2) providing that any restrictions on the actions of Mezzanine Borrower, any SPE Component Entity and/or Borrower (such as the need to obtain the consent of any constituent parties of Mezzanine Borrower prior to taking any actions) shall be of no further force or effect upon a foreclosure of the Equity Collateral), (ii) creating a single purpose, bankruptcy remote entity satisfying the requirements of 4.3 hereof and of the Rating Agencies (the "**Mezzanine Borrower**"), which such Mezzanine Borrower shall (A) own, directly or indirectly, 100% of the equity ownership interests in Borrower (the "**Equity Collateral**"), and (B) together with such constituent equity owners of such Mezzanine Borrower or Borrower as may be designated by Lender, execute such agreements, instruments and other documents as may be required by Lender in connection with the mezzanine loan (including, without limitation, a promissory note evidencing the mezzanine loan and a pledge and security agreement pledging the Equity Collateral to Lender as security for the mezzanine loan); and (iii) delivering such opinions, title endorsements, UCC title insurance policies and other materials as may be required by Lender or the Rating Agencies. Lender hereby acknowledges and agrees that, notwithstanding anything to the contrary contained herein, (i) the exercise of the Mezzanine Option may not change the amount of aggregate amount of monthly debt service payments due under the Loan or the amortization term of the Loan and shall not require Borrower to further subdivide the Property, (ii) the institution of the Mezzanine Option (and the documentation relating thereto) may not diminish any of Borrower's (or Guarantor's) rights or increase any potential costs or liabilities of Borrower (or Guarantor) other than to the extent the aforesaid rights, costs or liabilities would be affected if the Loan were divided into a mortgage loan portion and a mezzanine loan portion (as contemplated hereby) as of the date of closing of the Loan and (iii) with respect to the foregoing provisions of this Section 19.4, the same are (A) restrictions and requirements customarily imposed by Lender in connection with commercial loans similar to the Loan and (B) intended to be restrictions and requirements which are "consistent with customary commercial lending practices" within the meaning of the applicable provisions of Revenue Procedure 2002-22. Lender will pay its own and Borrower's reasonable fees and expenses incurred in connection with the exercise of the Mezzanine Option.

Article 20. COSTS

Section 20.1. PERFORMANCE AT BORROWER'S EXPENSE. Borrower acknowledges and confirms that Lender may, subject to any express limitations contained herein and in the other Loan Documents, impose certain reasonable administrative, processing and/or commitment fees in connection with (a) the extension, renewal, modification, amendment and termination of its loan, (b) the release or substitution of collateral therefor, (c) if the servicer, in its reasonable determination, anticipates that there will occur an Event of Default and the Loan is transferred to a special servicer, (d) obtaining certain consents, waivers and approvals required hereunder (including, without limitation, Rating Agency Confirmations), and/or (e) the review of any Major Lease, proposed Major Lease or any other Lease for which Lender's approval is required hereunder or the preparation or review of any subordination, non disturbance agreement. Borrower further acknowledges and confirms that it shall be responsible for the payment of all costs of reappraisal of the Property or any part thereof required by law, regulation, any governmental or quasi governmental authority. Subject to the limitations on cost and expense in Section 19.3 above, Borrower hereby acknowledges and agrees to pay, immediately, with or without demand, all such reasonable fees (as the same may be increased or decreased from time to time), and any additional reasonable fees of a similar type or nature which may be imposed by Lender from time to time, upon the occurrence of any Event of Default. Wherever it is provided for herein that Borrower pay any costs and expenses, such costs and expenses shall include, but not be limited to, all reasonable legal fees and disbursements of Lender, whether retained firms, the reimbursement for the expenses of in house staff or otherwise. Whenever it is provided herein or in any other Loan Document that a Rating Agency Confirmation (or similar approval) by any Rating Agency is required hereunder (or under any other Loan Document), Borrower shall be responsible for the reasonable fees and other charges imposed by any Rating Agency in connection therewith as well as Lender's reasonable costs and expenses incurred in connection therewith.

Section 20.2. ATTORNEYS' FEES FOR ENFORCEMENT. (a) Borrower shall pay all reasonable legal fees incurred by Lender in connection with the items set forth in Section 20.1 above, and (b) Borrower shall pay to Trustee or Lender on demand any and all expenses, including legal expenses and attorneys' fees, reasonably incurred or paid by Trustee or Lender in protecting its interest in the Property or Personal Property or in collecting any amount payable hereunder or in enforcing its rights hereunder with respect to the Property or Personal Property, whether or not any legal proceeding is commenced hereunder or thereunder and whether or not any default or Event of Default shall have occurred and is continuing, together with interest thereon at the Default Rate from the date paid or incurred by Trustee or Lender until such expenses are paid by Borrower.

Note"; the word "Note" shall mean "the Note and any other evidence of indebtedness secured by this Security Instrument"; the word "person" shall include an individual, corporation, limited liability company, partnership, trust, unincorporated association, government, governmental authority, and any other entity, the word "Property" shall include any portion of the Property and any interest therein, and the phrases "attorneys' fees" and "counsel fees" shall include any and all reasonable attorneys', paralegal and law clerk fees and disbursements, including, but not limited to, fees and disbursements at the pre trial, trial and appellate levels incurred or paid by Lender in protecting its interest in the Property, the Leases and the Rents and enforcing its rights hereunder.

Article 22. MISCELLANEOUS PROVISIONS

Section 22.1. NO ORAL CHANGE. This Security Instrument, and any provisions hereof, may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

Section 22.2. LIABILITY. If there is more than one Borrower, the obligations and liabilities of each such person hereunder shall be joint and several. This Security Instrument shall be binding upon and inure to the benefit of Borrower and Lender and their respective successors and assigns forever.

Section 22.3. INAPPLICABLE PROVISIONS. If any term, covenant or condition of the Note or this Security Instrument is held to be invalid, illegal or unenforceable in any respect, the Note and this Security Instrument shall be construed without such provision.

Section 22.4. HEADINGS, ETC. The headings and captions of various Sections of this Security Instrument are for convenience of reference only and are not to be construed as defining or limiting, in any way, the scope or intent of the provisions hereof.

Section 22.5. DUPLICATE ORIGINALS; COUNTERPARTS. This Security Instrument may be executed in any number of duplicate originals and each duplicate original shall be deemed to be an original. This Security Instrument may be executed in several counterparts, each of which counterparts shall be deemed an original instrument and all of which together shall constitute a single Security Instrument. The failure of any party hereto to execute this Security Instrument, or any counterpart hereof, shall not relieve the other signatories from their obligations hereunder.

Section 22.6. NUMBER AND GENDER. Whenever the context may require, any pronouns used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns and pronouns shall include the plural and vice versa.

Section 22.7. SUBROGATION. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Lender shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are

not waived but rather are continued in full force and effect in favor of Lender and are merged with the lien and security interest created herein as cumulative security for the repayment of the Debt, the performance and discharge of Borrower's obligations hereunder, under the Note and the Other Security Documents and the performance and discharge of the Other Obligations.

Section 22.8. ENTIRE AGREEMENT. The Note, this Security Instrument and the Other Security Documents constitute the entire understanding and agreement between Borrower and Lender with respect to the transactions arising in connection with the Debt and supersede all prior written or oral understandings and agreements between Borrower and Lender with respect thereto. Borrower hereby acknowledges that, except as incorporated in writing in the Note, this Security Instrument and the Other Security Documents, there are not, and were not, and no persons are or were authorized by Lender to make, any representations, understandings, stipulations, agreements or promises, oral or written, with respect to the transaction which is the subject of the Note, this Security Instrument and the Other Security Documents.

Section 22.10. APPLICATION OF PROCEEDS. Notwithstanding anything to the contrary contained herein or in any other Loan Document, in the event that Lender or Trustee, in the exercise of its rights or remedies hereunder or under any other Loan Document, elects to apply any sums realized by Lender or Trustee as a result of such exercise of rights or remedies to any amounts due under the Note in accordance with the applicable terms and conditions hereof and of the other Loan Documents, such sums shall be deemed to be applied to each Individual Note in an amount equal to (1) the total amount of sums to be applied, *multiplied by* (2) the Proportionate Share (hereafter defined) allocated to such Individual Note. Section 22.12. SPECIAL STATE OF CALIFORNIA PROVISIONS.

(a) In the event of any conflict between the provisions of this Section 22.12 and any provision of this Security Instrument, then the provisions of this Section 22.12 shall control.

(b)

(i) Should Lender elect to foreclose by exercise of the power of sale contained herein, Lender shall notify Trustee and shall, if required, deposit with Trustee the Note, the original or a certified copy of this Security Instrument, and such other documents, receipts and evidences of expenditures made and secured hereby as Trustee may require. Upon receipt of such notice from Lender, Trustee shall cause to be recorded and delivered to Borrower such notice as may then be required by law and by this Security Instrument. Trustee shall, without demand on Borrower, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale has been given as required by law, sell the Property at the time and place of sale fixed by it in said notice of sale, either as a whole or in separate lots or parcels or items as Trustee shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to the purchaser or purchasers at such sale its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Borrower, Trustee or Lender, may purchase at such sale, and Borrower hereby covenants to warrant and defend the title of such purchaser or purchasers.

(ii) After deducting all costs, fees and expenses of Trustee and of this Security Instrument, including, without limitation, costs of evidence of title and actual and customary attorneys' fees of Trustee or Lender in connection with a sale as provided in subparagraph (a) above, Trustee shall apply the proceeds of such sale (i) first, to the payment of all sums expended by Lender under the terms of any of the Other Security Documents and not yet repaid, together with interest on such sums at the Default Rate as set forth in the Note, (ii) second, to the payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate of interest equal to the rate then in effect under the Note, or if the Note has been repaid, the rate that would have been in effect under the Note, (iii) third, to the payment of all other sums then secured hereby, and (iv) fourth, the remainder, if any, to the person or persons legally entitled thereto.

(c) Lender may from time to time rescind any Notice of Default or Notice of Sale before any Trustee's sale in accordance with the laws of the State of California. The exercise by Lender of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Lender to execute and deliver to Trustee, as above provided, other declarations or notices of default to satisfy the obligations of this Security Instrument or secured hereby, nor otherwise affect any provision, covenant or condition of any Loan Document or any of the rights, obligations or remedies of Trustee or Lender hereunder or thereunder.

(d) Upon written request of Lender stating that all sums secured hereby have been paid, upon surrender to Trustee of the Note and the original or a certified copy of this Security Instrument for cancellation and retention, and upon payment of its fees, Trustee shall fully re-convey, without warranty, the entire remaining Property then held hereunder. The recitals in such re-conveyance of any matters of facts shall be conclusive proof of the truthfulness thereof. The grantee in such re-conveyance may be described as "the person or persons legally entitled thereto."

(e) This Security Instrument constitutes a financing statement filed as a fixture filing pursuant to the provisions of Article 9 of the Uniform Commercial Code with respect to those portions of the Property consisting of goods which are or are to become fixtures relating to the Property.

(f) Borrower represents and warrants that the Property has not been designated as Border Zone Property under the provisions of California Health and Safety Code, Sections 25220 et seq. or any regulation adopted in accordance therewith, and there has been no occurrence or condition on any real property adjoining or in the vicinity of the Property that is reasonably likely to cause the Property or any part thereof to be designated as Border Zone Property.

(g) With respect to fixtures, Lender or Trustee may elect to treat same as either real property or personal property and proceed to exercise such rights and remedies applicable to the categorization so chosen. Lender may proceed against the items of real property and any items of Property separately or together in any order whatsoever, without in any way affecting or waiving Lender's rights and remedies under the Uniform Commercial Code, this Security Instrument or the Note. Borrower acknowledges and agrees that Lender's rights and remedies under this Security Instrument and the Note shall be cumulative and shall be in addition to every other right and remedy now or hereafter existing at law, in equity, by statute or by agreement of the parties.

(h) Borrower agrees that this Security Instrument constitutes a financing statement filed as a fixture filing in the Recorder's Office with respect to any and all fixtures included within the term "Land" or "Property" as used herein and with respect to any goods and other personal property that may now be or hereafter become fixtures. The names and mailing addresses of the debtor (Borrower) and the secured party (Lender) are set forth on the introductory paragraph of this Security Instrument. Borrower is the record owner of the Property. The personal property described above is the collateral covered by this financing statement. Any reproduction of this Security Instrument or any other security agreement or financing statement shall be sufficient as a financing statement.

(i) The following statutes are hereby deemed to be included in the definition of Environmental Law as that term is used throughout this Security Instrument: the Porter-Cologne Water Control Act; the Waste Management Act of 1980; the Toxic Pit Cleanup Act; the Underground Tank Act of 1984; the California Water Quality Improvement Act; and California Health and Safety Codes §§ 25117 and 25316.

(j) Borrower hereby requests that a copy of a Notice of Default and a copy of any Notice of Sale given pursuant to this Security Instrument be mailed to Borrower at the address set forth herein. Borrower may, from time to time, change the address to which Notice of Default and Notice of Sale hereunder shall be sent by both filing a request therefore, in the manner provided by California Civil Code, Section 2924b, and sending a copy of such request to Lender in accordance with the provisions of Article 16 hereof.

Article 23. TRUSTEE PROVISIONS

Section 23.1. CONCERNING THE TRUSTEE. Trustee shall be under no duty to take any action hereunder except as expressly required hereunder or by law, or to perform any act which would involve Trustee in any expense or liability or to institute or defend any suit in respect hereof, unless properly indemnified to Trustee's reasonable satisfaction. Trustee, by acceptance of this Security Instrument, covenants to perform and fulfill the trusts herein created, being liable, however, only for gross negligence or willful misconduct, and hereby waives any statutory fee and agrees to accept reasonable compensation, in lieu thereof, for any services rendered by Trustee in accordance with the terms hereof. Trustee may resign at any time upon giving thirty (30) days' notice to Borrower and to Lender. Lender may remove Trustee at any time or from time to time and select a successor trustee. In the event of the death, removal, resignation, refusal to act, or inability to act of Trustee, or in its sole discretion for any reason whatsoever Lender may, without notice and without specifying any reason therefor and without applying to any court, select and appoint a successor trustee, by an instrument recorded wherever this Security Instrument is recorded and all powers, rights, duties and authority of Trustee, as aforesaid, shall thereupon become vested in such successor. Such substitute trustee shall not be required to give bond for the faithful performance of the duties of Trustee hereunder unless required by Lender. The procedure provided for in this paragraph for substitution of Trustee shall be in addition to and not in exclusion of any other provisions for substitution, by law or otherwise.

Section 23.2. TRUSTEE'S FEES. Borrower shall pay all reasonable costs, fees and expenses incurred by Trustee and Trustee's agents and counsel in connection with the performance by Trustee of Trustee's duties hereunder and all such costs, fees and expenses shall be secured by this Security Instrument.

Section 23.3. CERTAIN RIGHTS. With the approval of Lender, Trustee shall have the right to take any and all of the following actions: (i) to select, employ, and advise with counsel (who may be, but need not be, counsel for Lender) upon any matters arising hereunder, including the preparation, execution, and interpretation of the Note, this Security Instrument or the Other Security Documents, and shall be fully protected in relying as to legal matters on the advice of counsel, (ii) to execute any of the trusts and powers hereof and to perform any duty hereunder either directly or through his/her agents or attorneys, (iii) to select and employ, in and about the execution of his/her duties hereunder, suitable accountants, engineers and other experts, agents and attorneys-in-fact, either corporate or individual, not regularly in the employ of Trustee, and Trustee shall not be answerable for any act, default, negligence, or misconduct of any such accountant, engineer or other expert, agent or attorney-in-fact, if selected with reasonable care, or for any error of judgment or act done by Trustee in good faith, or be otherwise responsible or

accountable under any circumstances whatsoever, except for Trustee's gross negligence or bad faith, and (iv) any and all other lawful action as Lender may instruct Trustee to take to protect or enforce Lender's rights hereunder. Trustee shall not be personally liable in case of entry by Trustee, or anyone entering by virtue of the powers herein granted to Trustee, upon the Property for debts contracted for or liability or damages incurred in the management or operation of the Property. Trustee shall have the right to rely on any instrument, document, or signature authorizing or supporting an action taken or proposed to be taken by Trustee hereunder, believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for actual expenses incurred by Trustee in the performance of Trustee's duties hereunder and to reasonable compensation for such of Trustee's services hereunder as shall be rendered.

Section 23.4. RETENTION OF MONEY. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by applicable law) and Trustee shall be under no liability for interest on any moneys received by Trustee hereunder.

Section 23.5. PERFECTION OF APPOINTMENT. Should any deed, conveyance, or instrument of any nature be required from Borrower by any Trustee or substitute trustee to more fully and certainly vest in and confirm to Trustee or substitute trustee such estates rights, powers, and duties, then, upon request by Trustee or substitute trustee, any and all such deeds, conveyances and instruments shall be made, executed, acknowledged, and delivered and shall be caused to be recorded and/or filed by Borrower.

Section 23.6. SUCCESSION INSTRUMENTS. Any substitute trustee appointed pursuant to any of the provisions hereof shall, without any further act, deed, or conveyance, become vested with all the estates, properties, rights, powers, and trusts of its or his/her predecessor in the rights hereunder with like effect as if originally named as Trustee herein; but nevertheless, upon the written request of Lender or of the substitute trustee, Trustee ceasing to act shall execute and deliver any instrument transferring to such substitute trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of Trustee so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such Trustee to the substitute trustee so appointed in Trustee's place.

"**Net Operating Income**" means for the 12-month period immediately preceding the date of calculation, (A) all sustainable Rents and other income received from the Property received from tenants during such 12-month period, less (B) all Operating Expenses for such 12-month period and any Extraordinary Expenses approved by Lender and applicable to such 12-month period.

"**Operating Expenses**" means the aggregate of the following items: (a) real estate taxes, general and special assessments or similar charges, other than Taxes; (b) sales, use and personal property taxes; (c) management fees of not less than 4% of the gross income derived from the operation of the Property and disbursements for management services whether such services are performed at the Property or off-site; (d) wages, salaries, pension costs and all fringe and other employee-related benefits and expenses, of all employees up to and including (but not above) the level of the on-site manager, engaged in the repair, operation and maintenance of the Property and service to tenants and on-site personnel engaged in audit and accounting functions performed by Borrower; (e) insurance premiums including, but not limited to, casualty, liability, rent and fidelity insurance premiums, other than Insurance Premiums; (f) cost of all electricity, oil, gas, water, steam, HVAC and any other energy, utility or similar item and overtime services, the cost of building and cleaning supplies, and all other administrative, management, ownership, operating, advertising, marketing and maintenance expenses incurred by Borrower (and not paid directly by any tenant) in connection with the operation of the Property; (g) costs of necessary cleaning, repair, replacement, maintenance, decoration or painting of existing improvements on the Property (including, without limitation, parking lots and roadways), of like kind or quality or such kind or quality which is necessary to maintain the Property to the same standards as competitive properties of similar size and location of the Property; (h) the cost of such other maintenance materials, HVAC repairs, parts and supplies, and all equipment to be used in the ordinary course of business, which is not capitalized in accordance with approved accounting method; (i) legal, accounting and other professional expenses incurred in connection with the Property; (j) casualty losses to the extent not reimbursed by a third party; and (k) to the extent not already included in any of (f)-(h) above, a reserve for structural repairs, normalized leasing commissions and tenant improvements equal to the minimum requirements of any Rating Agency therefore. The Operating Expenses shall be based on the above-described items actually incurred or payable on an accrual basis in accordance with the Approved Accounting Method by Borrower during the twelve (12) month period ending one month prior to the date on which the Net Operating Income is to be calculated, with customary adjustments for items such as taxes and insurance which accrue but are paid periodically, as adjusted by Lender to reflect projected adjustments for only those items which are definitively ascertainable and of a fixed amount (for example, real estate taxes) for the subsequent twelve (12) month period beginning on the date on which the Net Operating Income is to be calculated. Notwithstanding the foregoing, the term "Operating Expenses" shall not include (i) depreciation or amortization or any other non-cash item of expense unless approved by Lender, (ii) interest, principal, fees, costs and expense

reimbursements of Lender in administering the Loan or exercising remedies under the Note, this Security Instrument or the Other Security Documents; or (iii) any expenditure properly treated as a capital item under the Approved Accounting Method.

"**Extraordinary Expenses**" means expenses incurred in connection with necessary capital improvements or operating expenses of the Property which were not reasonably anticipated in the annual budget for the Property, in each case as reasonably approved by Lender; provided, that, Borrower shall promptly deliver to Lender a reasonably detailed explanation of such proposed Extraordinary Expense prior to Lender's approval thereof.

SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT (this "**Agreement**") is made as of the _____ day of _____, 200[__] by and among **[_____]** (together with its successors and assigns, "**Lender**"), [_____] ("**Tenant**") and **[_____] ("Landlord"**).

RECITALS:

A. Lender is the present owner and holder of a certain Deed of Trust and Security Agreement (the "**Security Instrument**") given by Landlord to Lender which encumbers the fee estate of Landlord in certain premises described in Exhibit A attached hereto (the "**Property**") and which secures the payment of certain indebtedness owed by Landlord to Lender evidenced by the Note (as defined in the Security Instrument);

B. Tenant is the holder of a leasehold estate in a portion of the Property under and pursuant to the provisions of a certain [Lease] dated [_____, 200[__] between Landlord, as landlord, and Tenant, as tenant (the "**Lease**"); and

C. Tenant has agreed to subordinate the Lease to the Security Instrument and Lender has agreed to grant non-disturbance to Tenant under the Lease on the terms and conditions hereinafter set forth.

AGREEMENT:

For good and valuable consideration, Tenant, Lender and Landlord agree as follows:

1. Subordination. The Lease and all of the terms, covenants and provisions thereof and all rights, remedies and options of Tenant thereunder are and shall at all times continue to be subject and subordinate to the lien and terms of the Security Instrument, including without limitation, all renewals, increases, modifications, spreaders, consolidations, replacements and extensions thereof and to all sums secured thereby and advances made thereunder with the same force and effect as if the Security Instrument had been executed, delivered and recorded prior to the execution and delivery of the Lease.

2. Non-Disturbance. If any action or proceeding is commenced by Lender for the foreclosure of the Security Instrument or the sale of the Property, Tenant shall not be named as a party therein unless such joinder shall be required by law, provided, however, such joinder shall not result in the termination of the Lease or disturb the Tenant's possession or use of the premises demised thereunder, and the sale of the Property in any such action or proceeding and the exercise by Lender of any of its other rights under the Note or the Security Instrument shall be made subject to all rights of Tenant under the Lease, provided that at the time of the commencement of any such action or proceeding or at the time of any such sale or exercise of any such other rights (a) the term of the Lease shall have commenced pursuant to the provisions thereof, (b) Tenant shall be in possession of the premises demised under the Lease, (c) the Lease

shall be in full force and effect and (d) Tenant shall not be in default beyond any applicable notice and cure period under any of the terms, covenants or conditions of the Lease or of this Agreement on Tenant's part to be observed or performed.

3. Attornment. If Lender or any other subsequent purchaser of the Property shall become the owner of the Property by reason of the foreclosure of the Security Instrument or the acceptance of a deed or assignment in lieu of foreclosure or by reason of any other enforcement of the Security Instrument (Lender or such other purchaser being hereinafter referred as "**Purchaser**"), and the conditions set forth in Section 2 above have been met at the time Purchaser becomes owner of the Property, the Lease shall not be terminated or affected thereby but shall continue in full force and effect as a direct lease between Purchaser and Tenant upon all of the terms, covenants and conditions set forth in the Lease and in that event, Tenant agrees to attorn to Purchaser and Purchaser by virtue of such acquisition of the Property shall be deemed to have agreed to accept such attornment, provided, however, that Purchaser shall not be (a) liable for the failure of any prior landlord (any such prior landlord, including Landlord and any successor landlord, being hereinafter referred to as a "**Prior Landlord**") to perform any of its obligations under the Lease which have accrued prior to the date on which Purchaser shall become the owner of the Property, provided that the foregoing shall not limit Purchaser's obligations under the Lease to correct any conditions of a continuing nature that (i) existed as of the date Purchaser shall become the owner of the Property and (ii) violate Purchaser's obligations as landlord under the Lease; provided further, however, that Purchaser shall have received written notice of such omissions, conditions or violations and has had a reasonable opportunity to cure the same, all pursuant to the terms and conditions of the Lease, (b) subject to any offsets, defenses, abatements or counterclaims which shall have accrued in favor of Tenant against any Prior Landlord prior to the date upon which Purchaser shall become the owner of the Property, except for those that are specifically provided for in the Lease, (c) liable for the return of rental security deposits, if any, paid by Tenant to any Prior Landlord in accordance with the Lease unless such sums are actually received by Purchaser, (d) bound by any payment of rents, additional rents or other sums which Tenant may have paid more than one (1) month in advance to any Prior Landlord unless (i) such sums are actually received by Purchaser or (ii) such prepayment shall have been expressly approved of by Purchaser, (e) unless set forth in any instrument or document provided to Lender prior to Lender's execution hereof, bound by any agreement terminating or amending or modifying the rent, term, commencement date or other material term of the Lease, or any voluntary surrender of the premises demised under the Lease, made without Lender's or Purchaser's prior written consent prior to the time Purchaser succeeded to Landlord's interest (provided, however, Purchaser's consent is not required for a termination of the Lease exercised pursuant to the original terms of the Lease) or (f) bound by any assignment of the Lease or sublease of the Property, or any portion thereof, made prior to the time Purchaser succeeded to Landlord's interest other than if pursuant to the provisions of the Lease. In the event that any liability of Purchaser does arise pursuant to this Agreement, such liability shall be limited and restricted to Purchaser's interest in the Property and shall in no event exceed such interest. Alternatively, upon the written request of Lender or its successors or assigns, Tenant shall enter into a new lease of the Premises with Lender or such successor or assign for the then remaining term of the Lease, upon the same terms and conditions as contained in the Lease (including without limitation any renewal options), except as otherwise specifically provided in this Agreement.

4. Notice to Tenant. After notice is given to Tenant by Lender that the Landlord is in default under the Note and the Security Instrument and that the rentals under the Lease should be paid to Lender pursuant to the terms of the assignment of leases and rents executed and delivered by Landlord to Lender in connection therewith, Tenant shall thereafter pay to Lender or as directed by the Lender, all rentals and all other monies due or to become due to Landlord under the Lease and Landlord hereby expressly authorizes Tenant to make such payments to Lender and hereby releases and discharges Tenant from any liability to Landlord on account of any such payments.

5. Intentionally Omitted.

6. Notice to Lender and Right to Cure. Tenant shall notify Lender of any default by Landlord under the Lease if the default is of such a nature as to give Tenant a right to terminate the Lease, reduce the rent or to credit or offset any amounts against future rents, and agrees that, notwithstanding any provisions of the Lease to the contrary, no notice of cancellation thereof or of an abatement shall be effective unless Lender shall have received notice of default giving rise to such cancellation or abatement and (i) in the case of any such default that can be cured by the payment of money, until thirty (30) days shall have elapsed following the giving of such notice or (ii) in the case of any other such default, until a reasonable period for remedying such default shall have elapsed following the giving of such notice, provided Lender, with reasonable diligence, shall have commenced and continued to remedy such default or cause the same to be remedied. Notwithstanding the foregoing, (i) Lender shall have no obligation to cure any such default and (ii) in the event that any aforesaid default cannot, by its nature, be cured by Lender prior to Lender's gaining possession of Landlord's interest in the Property, the aforesaid "reasonable period for remedying such default" shall be deemed to include such time as is required for Lender to gain possession of Tenant's interest in the Property.

7. Notices. All notices or other written communications hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) one (1) Business Day (hereinafter defined) after having been deposited for one (1) day overnight delivery with any reputable overnight courier service, or (iii) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

The term “Property” as used herein shall mean the Property, the improvements now or hereafter located thereon and the estates therein encumbered by the Security Instrument.

13. Limitations on Purchaser’s Liability. In no event shall the Purchaser, nor any heir, legal representative, successor, or assignee of the Purchaser have any personal liability for the obligations of Landlord under the Lease and should the Purchaser succeed to the interests of the Landlord under the Lease, Tenant shall look only to the estate and property of any such Purchaser in the Property for the satisfaction of Tenant’s remedies for the collection of a judgment (or other judicial process) requiring the payment of money in the event of any default by any Purchaser as landlord under the Lease, and no other property or assets of any Purchaser shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant’s remedies under or with respect to the Lease; provided, however, that the Tenant may exercise any other right or remedy provided thereby or by law in the event of any failure by Landlord to perform any such material obligation. Notwithstanding the foregoing, Tenant may offset against rent due under the Lease the amount of any judgment obtained against any Purchaser.

14. Estoppel Certificate. Tenant, shall, from time to time, within ten (10) Business Days after request by Lender, execute, acknowledge and deliver to Lender a statement by Tenant certifying (a) that the Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) the amounts of fixed rent, additional rent, or other sums, if any, which are payable in respect of the Lease and the commencement date and expiration date of the Lease, (c) the dates to which the fixed rent, additional rent, and other sums which are payable in respect to the Lease have been paid, (d) whether or not Tenant is entitled to any then presently accrued credits or offsets against rent, and, if so, the reasons therefor and the amount thereof, (e) that to Tenant's actual knowledge (without investigation) it is not in default in the performance of any of its obligations under the Lease and no event has occurred which, with the giving of notice or the passage of time, or both, would constitute such a default or, if so, specifying the nature of such default, (f) whether or not, to the actual knowledge (without investigation) of the person certifying on behalf of Tenant, Landlord is in default in the performance of any of its obligations under the Lease, and, if so, specifying the same, and (g) whether or not, to the actual knowledge (without investigation) of such person, Tenant has any then presently accrued claims, defenses or counterclaims against Landlord under the Lease, and, if so, specifying the same, it being intended that any such statement delivered pursuant hereto shall be deemed a certification by Tenant to be relied upon by Lender and by others with whom Lender may be dealing. Tenant also shall include in any such statement such other information concerning the status of the Lease as Lender may reasonably request.

$[_____]

San Diego, California

ARTICLE 1: PAYMENT TERMS

(a) A payment on the date hereof on account of all interest that will accrue on the principal amount of the Loan from and after the date hereof through and including the [____] ([__]) day of June, 2005;

(b) A payment (the "**Monthly Payment**") equal to the amount of interest which has accrued during the preceding Interest Accrual Period (defined below) computed at the Applicable Interest Rate (defined below) on the [____] ([__]) day of August, 2005 and on the **[____] ([__]**) day of each calendar month thereafter (each such date to be hereinafter referred to as a "**Monthly Payment Date**") up to and including the [____] ([__]) day of June, 2015, with each Monthly Payment to be applied to the payment of interest which has accrued during the preceding Interest Accrual Period;

(c) The balance of the principal sum and all interest thereon shall be due and payable on July [__], 2015 (the "**Maturity Date**").

(d) Interest on the principal sum of this Note shall be calculated by multiplying the actual number of days elapsed in the period for which interest is being calculated by a daily rate based on a 360-day year.

(e) As used herein, the term **"Interest Accrual Period"** shall mean (i) for the first such period, the period beginning on the date hereof and ending on (but including) the [____] ([__]) day of July, 2005, and (ii) with respect subsequent period beginning with the period immediately following the period described in subsection (i) above, the period beginning on the [____] ([__]) day of each calendar month during the term hereof and ending on (but including) the [____] ([__]) day of the following calendar month.

(f)

ARTICLE 2: INTEREST

The term "**Applicable Interest Rate**" for the purposes hereof and each other Loan Document shall mean an interest rate equal to 4.9256% per annum.

ARTICLE 3: DEFAULT AND ACCELERATION

(a) The whole of the principal sum of this Note and the Other Note (defined below), (b) interest, default interest, late charges and other sums, as provided in this Note, the Other Note, the Security Instrument or the Other Security Documents (defined below), (c) all other monies agreed or provided to be paid by Borrower in this Note, the Other Note, the Security Instrument or the Other Security Documents, (d) all sums advanced pursuant to the provisions of the Security Instrument to protect and preserve the Property (defined below) and the lien and the security interest created thereby, and (e) all reasonable sums advanced and costs and expenses incurred by Lender pursuant to the provisions of this Note, the Other Note, the Security Instrument or the Other Security Documents in connection with the Debt (defined below) or any part thereof, any renewal, extension or change of or substitution for the Debt or any part thereof, or the acquisition or perfection of the security therefor, whether made or incurred at the request of Borrower or Lender (all the sums referred to in (a) through (e) above shall collectively be referred to as the "**Debt**") shall without notice become immediately due and payable at the option of Lender if (i) any payment required in this Note or the Other Note is not paid on or before the date the same is due, or (ii) Borrower commits any other default, and fails to cure same prior to the expiration of any applicable notice and grace periods, herein or under the terms of the Security Instrument or any of the Other Security Documents (collectively, an "**Event of Default**").

ARTICLE 4: DEFAULT INTEREST

Borrower does hereby agree that upon the occurrence of an Event of Default, Lender shall be entitled to receive and Borrower shall pay interest on the entire unpaid principal sum at a rate equal to the lesser of (a) four percent (4%) plus the Applicable Interest Rate and (b) the maximum interest rate which Borrower may by law pay (the "**Default Rate**"). The Default Rate shall be computed from the occurrence of the Event of Default until the earlier of the date upon which the Event of Default is cured or waived or the date upon which the Debt is paid in full. Interest calculated at the Default Rate shall be added to the Debt, and shall be deemed secured by the Security Instrument. This clause, however, shall not be construed as an agreement or privilege to extend the date of the payment of the Debt, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default. Notwithstanding the foregoing, in the event Borrower becomes liable for interest at the Default Rate under this Article 4 due to the occurrence of an Event of Default which cannot reasonably be cured by Borrower and which, in Lender's good faith, reasonable determination, (i) was not committed intentionally and knowingly by Borrower to circumvent the requirements of this Note, the Security Instrument, and/or the other Loan Documents, and (ii) does not have a Material Adverse Effect (as defined in the Security Instrument), Borrower shall only be liable for interest at such Default Rate for a period not to exceed six (6) months unless Lender is in the process of actively pursuing a foreclosure action (or non-judicial foreclosure) as a result of such Event of Default.

ARTICLE 5: PREPAYMENT; DEFEASANCE

Except as otherwise expressly permitted by this Article 5, no voluntary prepayments, whether in whole or in part, of the Loan or any other amount at any time due and owing under this Note or the Other Note can be made by Borrower or any other Person without the express written consent of Lender.

(a) Lockout Period. Borrower has no right to make, and Lender shall have no obligation to accept, any voluntary prepayment, whether in whole or in part, of the Loan during the Lockout Period (defined below). Notwithstanding the foregoing, if either (i) Lender, in its sole and absolute discretion, accepts a full or partial voluntary prepayment during the Lockout Period or (ii) there is an involuntary prepayment during the Lockout Period, then, in either case, Borrower shall, in addition to any portion of the Loan prepaid (together with all interest accrued and unpaid thereon), pay to Lender a prepayment premium in an amount calculated in accordance with subsection (c) below. The term "**Lockout Period**" shall mean the period commencing on the date hereof and ending on the Monthly Payment Date first occurring after the date which is six (6) months prior to the Maturity Date.

(b) Defeasance.

(i) Notwithstanding any provisions of this Article 5 to the contrary, including, without limitation, subsection (a) of this Article 5, at any time other than during a REMIC Prohibition Period (defined below), Borrower may cause the release of the Property from the lien of the Security Instrument and the other Loan Documents (and, subject to Borrower's satisfaction of clause (iii) under this subsection (b), a release of Borrower and Indemnitor (as defined in that certain Indemnity Agreement dated as of the date hereof among Borrower, American Assets, Inc. and Lender (the **"Indemnity Agreement"**)) from any further liability or obligation under this Note, the Security Instrument or the Other Security Documents other than a liability or obligation in connection with a provision of this Note, the Security Instrument or Other Security Document which expressly states that it is to survive termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Security Instrument upon the satisfaction of the following conditions:

(A) no Event of Default shall exist under any of the Loan Documents;

(B) not less than sixty (60) (or such shorter period as may be agreed to by Lender in its reasonable discretion) (but not more than ninety (90)) days prior written notice shall be given to Lender specifying a date on which the Defeasance Collateral (as hereinafter defined) is to be delivered (the "**Release Date**"), such date being on a Monthly Payment Date; provided, however, that Borrower shall have the right (i) to cancel such notice by providing Lender with notice of cancellation ten (10) days prior to the scheduled Release Date, or (ii) to extend the

scheduled Release Date until the next Monthly Payment Date; provided that in each case, Borrower shall pay all of Lender's costs and expenses incurred as a result of such cancellation or extension;

(C) all accrued and unpaid interest and all other sums due under this Note, the Other Note, the Security Instrument and under the Other Security Documents up to the Release Date, including, without limitation, all reasonable fees, costs and expenses incurred by Lender and its agents in connection with such release (including, without limitation, legal fees and expenses for the review and preparation of the Defeasance Security Agreement (as hereinafter defined) and of the other materials described in subsection (b)(i)(D) below and any related documentation, and any servicing fees, Rating Agency (as defined in the Security Instrument) fees or other reasonable costs related to such release), shall be paid in full on or prior to the Release Date;

(D) Borrower shall deliver to Lender on or prior to the Release Date:

(1) a pledge and security agreement, in form and substance satisfactory to a prudent lender, creating a first priority security interest in favor of Lender in the Defeasance Collateral (the "**Defeasance Security Agreement**"), which shall provide, among other things, that any excess amounts received by Lender from the Defeasance Collateral over the amounts payable by Borrower on a given Monthly Payment Date, which excess amounts are not required to cover all or any portion of amounts payable on a future Monthly Payment Date, shall be refunded to Borrower (which may be the original Borrower hereunder provided Successor Borrower affirmatively assigns such receivable rights in writing to such original Borrower) promptly after each such Monthly Payment Date;

(2) direct non-callable obligations of the United States of America or other obligations which are "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act of 1940 (to the extent the applicable Rating Agencies rating the Securities have confirmed in writing that the same will not cause a downgrade, withdrawal or qualification of the initial, or, if higher, then applicable ratings of the Securities) that provide for payments prior and as close as possible to (but in no event later than) all successive Monthly Payment Dates occurring after the Release Date, with each such payment being equal to or greater than the amount of the corresponding Monthly Payment required to be paid under this Note and the Other Note (including all amounts due on the Maturity Date) for the balance of the term hereof (the "**Defeasance Collateral**"), each of which shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance wholly satisfactory to Lender in its sole discretion (including, without limitation, such certificates, documents and instruments as may be required by the depository institution holding such securities or the issuer thereof, as the case may be, to effectuate book-entry

transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the Defeasance Security Agreement the first priority security interest therein in favor of Lender in conformity with all applicable state and federal laws governing granting of such security interests;

(3) a certificate of Borrower certifying that all of the requirements set forth in this subsection (b)(i) have been satisfied;

(4) one or more opinions of counsel for Borrower in form and substance and delivered by counsel which would be satisfactory to a prudent lender stating, among other things, that (i) Lender has a perfected first priority security interest in the Defeasance Collateral and that the Defeasance Security Agreement is enforceable against Borrower in accordance with its terms, (ii) in the event of a bankruptcy proceeding or similar occurrence with respect to Borrower, none of the Defeasance Collateral nor any proceeds thereof will be property of Borrower's estate under Section 541 of the U.S. Bankruptcy Code or any similar statute and the grant of security interest therein to Lender should not constitute an avoidable preference under Section 547 of the U.S. Bankruptcy Code or applicable state law, (iii) the release of the lien of the Security Instrument and the pledge of Defeasance Collateral will not directly or indirectly result in or cause any "real estate mortgage investment conduit" within the meaning of Section 860D of the Internal Revenue Code that holds this Note and the Other Note (a "**REMIC Trust**") to fail to maintain its status as a REMIC Trust and (iv) the defeasance will not cause any REMIC Trust to be an "investment company" under the Investment Company Act of 1940;

(5) a certificate in form and scope acceptable to Lender in its sole discretion from an Acceptable Accountant (defined below) certifying that the Defeasance Collateral will generate amounts sufficient to make all payments of principal and interest due under this Note and the Other Note (including the scheduled outstanding principal balance of the Loan due on the Maturity Date). The term "**Acceptable Accountant**" shall mean a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender; and

(6) such other certificates, documents and instruments as Lender may reasonably require; and

(E) in the event the Loan is held by a REMIC Trust, Lender has received written confirmation from each Rating Agency rating any Securities (as defined in the Security Instrument) that substitution of the Defeasance Collateral will not result in a downgrade, withdrawal, or qualification of the ratings then assigned to any of the Securities.

(ii) Upon compliance with the requirements of subsection (b)(i), the Property shall be released from the lien of the Security Instrument and the Other Security Documents, and the Defeasance Collateral shall constitute the sole collateral which shall secure this Note and the Other Note and all other obligations under the Loan Documents. Lender will, at Borrower's expense, execute and deliver any agreements reasonably requested by Borrower to release the lien of the Security Instrument and the Other Security Documents from the Property and will, subject to Borrower's satisfaction of clause (iii) under this subsection (b), cause a release of Borrower and Indemnitor from any further liability or obligation under this Note, the Security Instrument or the Other Security Documents other than a liability or obligation in connection with a provision of this Note, the Security Instrument or Other Security Document which expressly states that it is to survive termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Security Instrument.

(iii) Upon the release of the Property in accordance with this subsection (b), Borrower shall assign all its obligations and rights under this Note and the Other Note, together with the pledged Defeasance Collateral, to a successor entity designated and approved by Lender in its reasonable discretion ("**Successor Borrower**"). Successor Borrower shall execute an assignment and assumption agreement (the "**Defeasance Assumption Agreement**") in form and substance satisfactory to Lender in its sole and absolute discretion pursuant to which it shall assume Borrower's obligations under this Note, the Other Note and the Defeasance Security Agreement. As conditions to such assignment and assumption, Borrower shall (A) deliver to Lender one or more opinions of counsel in form and substance and delivered by counsel which would be satisfactory to a prudent Lender stating, among other things, that such Defeasance Assumption Agreement is enforceable against Borrower and the Successor Borrower in accordance with its terms and that this Note, the Other Note, the Defeasance Security Agreement and the other Loan Documents, as so assigned and assumed, are enforceable against the Successor Borrower in accordance with their respective terms, and opining to such other matters relating to Successor Borrower and its organizational structure as Lender may reasonably require, and (B) pay all fees, costs and expenses incurred by Lender or its agents in connection with such assignment and assumption (including, without limitation, legal fees and expenses and for the review of the proposed transferee and the preparation of the assignment and assumption agreement and related certificates, documents and instruments and any fees payable to any Rating Agencies and their counsel in connection with the issuance of the confirmation referred to in subsection (b)(i)(E) above). Upon such assignment and assumption, Borrower and Indemnitor shall be relieved of their obligations under this Note, under the Other Note, under the other Loan Documents and under the Defeasance Security Agreement, except for any liability or obligation in connection with a provision of this Note, the Other Note, the Security Instrument or any Other Security Document which expressly states that it is to survive termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Security Instrument.

(iv) For purposes of this Article 5, "**REMIC Prohibition Period**" means the period commencing on the date hereof and ending on the earlier to occur of (i) the first

Monthly Payment Date occurring after the second anniversary of the "startup day" within the meaning of Section 860G(a)(9) of the Code of any REMIC Trust that holds this Note and the Other Note and (ii) the first Monthly Payment date occurring after the fourth anniversary of the date hereof. In no event shall Lender have any obligation to notify Borrower that a REMIC Prohibition Period is in effect with respect to the Loan, except that Lender shall notify Borrower if any REMIC Prohibition Period is in effect with respect to the Loan after receiving any notice described in subsection (b)(i)(B); provided, however, that the failure of Lender to so notify Borrower shall not impose any liability on Lender or grant Borrower any right to defease the Loan during any such REMIC Prohibition Period.

(c) Involuntary Prepayment During the Lockout Period. During the Lockout Period, in the event of any involuntary prepayment of the Loan or any other amount under this Note, whether in whole or in part, in connection with or following Lender's acceleration of this Note and the Other Note or otherwise, and whether the Security Instrument is satisfied or released by foreclosure (whether by power of sale or judicial proceeding), deed in lieu of foreclosure or by any other means, including, without limitation, repayment of the Loan by Borrower or any other Person pursuant to any statutory or common law right of redemption, Borrower shall, in addition to any portion of the principal balance of the Loan prepaid (together with all interest accrued and unpaid thereon and in the event the prepayment is made on a date other than a Monthly Payment Date, a sum equal to the amount of interest which would have accrued under this Note and the Other Note on the amount of such prepayment if such prepayment had occurred on the next Monthly Payment Date), pay to Lender a prepayment premium in an amount equal to the Yield Maintenance Premium (hereafter defined). As used above, the term **"Yield Maintenance Premium"** shall mean an amount equal to the greater of (i) 1% of the principal amount of the Loan being prepaid and (ii) an amount equal to the excess of (A) the sum of the present values of a series of payments payable at the times and in the amounts equal to the debt service payments (including, but not limited to the principal and interest payable on the Maturity Date) which would have been scheduled to be payable relative to the principal amount of the Loan being prepaid after the date of such tender under the Loan had the Notes not been prepaid, with each such payment discounted to its present value at the date of such tender at the rate which when compounded monthly is equivalent to the Prepayment Rate (as hereinafter defined), over (B) the principal amount of the Loan being prepaid. The term "**Prepayment Rate**" shall mean the bond equivalent yield (in the secondary market) on the United States Treasury Security that as of the Prepayment Rate Determination Date (hereinafter defined) has a remaining term to maturity closest to, but not exceeding, the remaining term to the Maturity Date, as most recently published in the "Treasury Bonds, Notes and Bills" section in The Wall Street Journal as of the date of the related tender of payment. If more than one issue of United States Treasury Securities has the remaining term to the Maturity Date referred to above, the "**Prepayment Rate**" shall be the yield on the United States Treasury Security most recently issued as of such date. The term "**Prepayment Rate Determination Date**" shall mean the date which is five (5) Business Days prior to the prepayment date. The rate so published shall control absent manifest error. If the publication of the Prepayment Rate in The Wall Street Journal is discontinued, Lender shall determine the Prepayment Rate on the basis of "Statistical Release H.15 (519), Selected Interest Rates," or any successor publication, published by the Board of Governors of the Federal Reserve System, or on the basis of such other publication or statistical guide as Lender may reasonably select.

(d) Insurance and Condemnation Proceeds; Excess Interest. Notwithstanding any other provision herein to the contrary, and provided no Event of Default exists, Borrower shall not be required to pay any prepayment premium in connection with any prepayment occurring solely as a result of (i) the application of insurance proceeds or condemnation proceeds pursuant to the terms of the Loan Documents, (ii) the application of any interest in excess of the maximum rate permitted by applicable law to the reduction of the Loan, or (iii) the exercise by Lender of any other right under the Loan Documents to apply an amount received by Lender to the principal balance of this Note or the Other Note, other than any exercise in connection with an Event of Default, which shall be controlled by the preceding paragraph (c).

(e) Intentionally Omitted.

(f) Limitation on Partial Prepayments. In no event shall Lender have any obligation to accept a partial prepayment.

(g) Prepayment and Defeasance of this Note and the Other Note. Notwithstanding anything to the contrary contained herein, any defeasance or prepayment permitted hereunder and consummated in accordance with the terms and conditions contained herein must occur simultaneously with a defeasance or prepayment permitted by (and consummated in accordance with the applicable terms and conditions of) the Other Note. Lender shall have no obligation to accept any payment or defeasance of this Note in accordance with the terms and provisions of this Note unless the Other Note is simultaneously prepaid or defeased, as applicable, in accordance with the terms and conditions of the Other Note.

ARTICLE 6: SECURITY

This Note is secured by the Security Instrument and the Other Security Documents. The term "**Security Instrument**" as used in this Note and the Other Note shall mean the Deed of Trust and Security Agreement dated as of the date hereof given by Borrower (among others) to Lender covering the fee simple estate of Borrower in certain premises located in Monterey, California, and other property, as more particularly described therein (collectively, the "**Property**") and intended to be duly recorded in the county in which the Property is located. The term "**Other Security Documents**" as used in this Note shall mean all and any of the documents other than this Note, the Other Note or the Security Instrument now or hereafter executed by Borrower and/or others and by or in favor of Lender, which wholly or partially secure or guarantee payment of this Note. Whenever used, the singular number shall include the plural, the plural number shall include the singular, and the words "Lender" and "Borrower" shall include their respective successors, assigns, heirs, executors and administrators. The term "**Other Note**" as used herein shall refer, individually or collectively (as the context requires), to each Individual Note (as defined in the Security Instrument) other than this Note. Lender by acceptance of this Note hereby agrees to pursue its remedies under each Note executed by Borrower jointly and in a manner which is not more detrimental to Borrower than if Borrower executed only one Note.

All of the terms, covenants and conditions contained in the Other Note, the Security Instrument and the Other Security Documents are hereby made part of this Note to the same extent and with the same force as if they were fully set forth herein.

ARTICLE 7: SAVINGS CLAUSE

This Note is subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance due hereunder at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by applicable law to contract or agree to pay. If by the terms of this Note, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of such maximum rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to such maximum rate and all previous payments in excess of the maximum rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

ARTICLE 8: LATE CHARGE

If any monthly installment of principal and interest payable under this Note is not paid on the date on which it was due, Borrower shall pay to Lender upon demand an amount equal to the lesser of two and one half percent (2.5%) of the unpaid sum or the maximum amount permitted by applicable law to defray the expenses incurred by Lender in handling and processing the delinquent payment and to compensate Lender for the loss of the use of the delinquent payment and the amount shall be secured by the Security Instrument and the Other Security Documents.

ARTICLE 9: NO ORAL CHANGE

This Note may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

ARTICLE 10: JOINT AND SEVERAL LIABILITY

If there is more than one Borrower, the obligations and liabilities of each such person or party shall be joint and several.

ARTICLE 11: WAIVERS

Except as otherwise provided herein, in the Other Note, in the Security Instrument, or in the Other Security Documents, Borrower and all others who may become liable for the payment of all or any part of the Debt do hereby severally waive presentment and demand for payment, notice of dishonor, protest and notice of protest and non-payment and all other notices of any kind. No release of any security for the Debt or extension of time for payment of this Note or any installment hereof or the Other Note or any installment thereof, and no alteration, amendment or waiver of any provision of this Note, the Other Note, the Security Instrument or the Other Security Documents made by agreement between Lender or any other person or party

shall release, modify, amend, waive, extend, change, discharge, terminate or affect the liability of Borrower, and any other person or entity who may become liable for the payment of all or any part of the Debt, under this Note, the Other Note, the Security Instrument or the Other Security Documents. No notice to or demand on Borrower shall be deemed to be a waiver of the obligation of Borrower or of the right of Lender to take further action without further notice or demand as provided for in this Note, the Other Note, the Security Instrument or the Other Security Documents. If Borrower is a partnership, the agreements herein contained shall remain in force and applicable, notwithstanding any changes in the individuals comprising the partnership. If Borrower is a corporation, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the shareholders comprising, or the officers and directors relating to, the corporation. If Borrower is a limited liability company, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the members comprising, or the managers, officers or agents relating to, the limited liability company. The term "Borrower", as used herein, shall include any alternate or successor partnership, corporation, limited liability company or other entity or person to the Borrower named herein, but any predecessor partnership (and their partners), corporation, limited liability company, other entity or person shall not thereby be released from any liability except as otherwise provided in the Security Instrument or Other Security Documents. Nothing in this Article 11 shall be construed as a consent to, or a waiver of, any prohibition or restriction on transfers of interests in such partnership which may be set forth in the Security Instrument or any Other Security Document.

ARTICLE 12: INTENTIONALLY OMITTED

ARTICLE 13: WAIVER OF TRIAL BY JURY

BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN EVIDENCED BY THIS NOTE AND THE OTHER NOTE, THE APPLICATION FOR THE LOAN EVIDENCED BY THIS NOTE AND THE OTHER NOTE, THIS NOTE, THE OTHER NOTE THE SECURITY INSTRUMENT OR THE OTHER SECURITY DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.

ARTICLE 14: EXCULPATION

(a) Notwithstanding any contrary provisions contained herein or in the Other Note, the Security Instrument or the Other Security Documents (other than a provision herein or therein which expressly states that it is intended to override any exculpatory provisions of this Note or the Other Note), Lender shall not enforce the liability and obligation of Borrower, to perform and observe the obligations contained in this Note, the Other Note, the Security Instrument or the Other Security Documents by any action or proceeding wherein a money judgment shall be sought against Borrower or any partner or member of Borrower, except that Lender may bring a foreclosure action (where no deficiency judgment is sought against Borrower or any partner or member of Borrower), an action for specific performance or any

other appropriate action or proceeding to enable Lender to enforce and realize upon this Note, the Other Note, the Security Instrument, the Other Security Documents, and the interests in the Property; and any other collateral given to Lender pursuant to the Security Instrument and the Other Security Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall not be enforceable against Borrower (or any partner or member of Borrower) except to the extent of Borrower's interest in the Property and in any other collateral given to Lender as security, and Lender, by accepting this Note, the Security Instrument and the Other Security Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower (or any partner or member of Borrower) in any such action or proceeding, under or by reason of or in connection with this Note, the Other Note, the Security Instrument or the Other Security Documents. The provisions of this paragraph shall not, however, (1) constitute a waiver, release or impairment of any obligation evidenced or secured by this Note, the Other Note, the Security Instrument or the Other Security Documents; (2) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Security Instrument, where Lender is required to do so in order to properly pursue such action (and subject to the above-described prohibition on suing for, seeking or demanding any deficiency judgment); (3) affect the validity or enforceability of any guaranty or indemnity made in connection with this Note, the Other Note, the Security Instrument or the Other Security Documents; (4) impair the right of Lender to obtain the appointment of a receiver; (5) impair the enforcement of any assignment; or (6) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any losses suffered by Lender arising out of the following:

(i) fraud or intentional misrepresentation by Borrower in connection with this Note, the Other Note, the Security Instrument or the Other Security Documents;

(ii) any material inaccuracy, error or omission contained in the rent roll of the Property certified to by Borrower in that certain Borrower's Certification executed in connection with the Loan

(iii) the failure of Borrower or Sponsor to remedy (after thirty (30) days notice thereof from Lender referencing this provision) any failure to provide financial information when and as required by the Security Instrument;

(iv) Willful Misconduct (as defined below) of Borrower in connection with Borrower's operation of the Property. (b) Borrower hereby agrees to pay sums due under the Note as follows: An initial payment of $793,429.29 is due on the Closing Date for interest from the Closing Date through and including the last day of the month in which the Closing Date occurs. Thereafter, except as may be adjusted in accordance with the last sentence of Section 2.2(c), consecutive monthly installments of principal and interest in an amount equal $1,111,000.97 shall be payable pursuant to the terms of Section 2.2(d) (the "**Monthly Payment Amount**") on the first (1st) day of each month beginning on October 1, 2005 (each a "**Scheduled Payment Date**") until the entire indebtedness evidenced hereby is fully paid, except that any remaining indebtedness, if not sooner paid, shall be due and payable on the Maturity Date.

(c) The Monthly Payment Amount shall mean the amount of interest and principal which would be due in order to fully amortize the principal amount of the Loan, over an amortization term of 28.5 years assuming an annual interest rate equal to the Note Rate, computed on the basis of a three hundred sixty (360) day year consisting of twelve (12) months of thirty (30) days each. Borrower expressly understands and agrees that such computation of interest based on a three hundred sixty (360) day year consisting of twelve (12) months of thirty (30) days each is solely for the purpose of determining the Monthly Payment Amount, and, notwithstanding such computation, interest shall accrue on the outstanding principal amount of the Loan as provided in Section 2.2(a) above. Borrower understands and acknowledges that such interest accrual requirement results in more interest accruing on the Loan than if either a thirty (30) day month and a three hundred sixty (360) day year or the actual number of days and a three hundred sixty-five (365) day year were used to compute the accrual of interest on the Loan. Borrower recognizes that such interest accrual requirement will not fully amortize the Loan within the amortization period set forth

above. Following any partial prepayment occurring solely as a result of the application of Insurance Proceeds or Awards pursuant to the terms of this Agreement, Lender may, in its sole and absolute discretion, adjust the Monthly Payment Amount to give effect to any such partial prepayment, provided, however, that in no event will any such adjustment result in any such installment becoming due and payable on any date after the Maturity Date.

(d) Each payment by Borrower hereunder or under the Note shall be payable at P.O. Box 65585, Charlotte, North Carolina 28265-0585, or by wire transfer to Bank of America, N.A., ABA #111000025, Account #4782779943 for credit to CMSG, Loan #59227, or at such other place as the Lender may designate from time to time in writing, on the date such payment is due, to Lender by deposit to such account as Lender may designate by written notice to Borrower. Whenever any payment hereunder or under the Note shall be stated to be due on a day which is not a Business Day, such payment shall be made on the first Business Day preceding such scheduled due date.

(e) Prior to the occurrence of an Event of Default, all monthly payments made as scheduled under this Agreement and the Note prior to the Anticipated Prepayment Date shall be applied first to the payment of interest computed at the Note Rate, and the balance toward the reduction of the principal amount of the Note. All voluntary and involuntary prepayments on the Note shall be applied, to the extent thereof, to accrued but unpaid interest on the amount prepaid, to the remaining principal amount, and any other sums due and unpaid to Lender in connection with the Loan, in such manner and order as Lender may elect in its sole and absolute discretion, including, but not limited to, application to principal installments in inverse order of maturity. Following the occurrence and during the continuance of an Event of Default, any payment made on the Note shall be applied to accrued but unpaid interest, late charges, accrued fees, the unpaid principal amount of the Note, and any other sums due and unpaid to Lender in connection with the Loan, in such manner and order as Lender may elect in its sole and absolute discretion.

(f) All payments made by Borrower hereunder or under the Note or the other Loan Documents shall be made irrespective of, and without any deduction for, any setoff, defense or counterclaims.

(g) From and after the Anticipated Prepayment Date, interest in excess of the Initial Note Rate shall accrue and be added to the Debt and shall earn interest at the Revised Note Rate to the extent permitted by applicable law ("**Accrued Interest**"). All of the unpaid principal balance of the Note, including, without limitation, any Accrued Interest, shall be due and payable on the Maturity Date.

(h) Provided no Event of Default has occurred, from and after the Anticipated Prepayment Date (i) each Monthly Payment Amount made as scheduled herein shall be applied first to the payment of interest computed at the Initial Note Rate, and the balance toward the reduction of the principal amount of the Note, and (ii) each payment of Excess Cash made as required herein shall be applied first to the reduction of the principal amount of the Note until paid in full, and the balance to Accrued Interest until paid in full.

(i) Nothing in this Article 2 shall limit, reduce or otherwise affect Borrower's obligations to make payments of the Monthly Payment Amount, payments to the Reserve Accounts and payments of other amounts due hereunder and under the other Loan Documents, whether or not Rents are available to make such payments.

Section 2.3. Late Payment Charge.

If any principal or interest payment is not paid by Borrower on or before the date after the same is due, Borrower shall pay to Lender upon demand an amount equal to the lesser of four percent (4%) of such unpaid sum or the maximum amount permitted by applicable law in order to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment. Any such amount shall be secured by the Mortgage and the other Loan Documents to the extent permitted by applicable law.

Section 2.4. Prepayment; Defeasance.

Except as otherwise expressly permitted by this Section 2.4 no voluntary prepayments, whether in whole or in part, of the Loan or any other amount at any time due and owing under the Note can be made by Borrower or any other Person without the express written consent of Lender.

(a) Lockout Period. Borrower has no right to make, and Lender shall have no obligation to accept, any voluntary prepayment, whether in whole or in part, of the Loan during the Lockout Period. Notwithstanding the foregoing, if either (i) Lender, in its sole and absolute discretion, accepts a full or partial voluntary prepayment during the Lockout Period or (ii) there is an involuntary prepayment during the Lockout Period, then, in either case, Borrower shall, in addition to any portion of the Loan prepaid (together with all interest accrued and unpaid thereon), pay to Lender a prepayment premium in an amount calculated in accordance with Section 2.4(c) hereof.

(b) Defeasance.

(i) Notwithstanding any provisions of this Section 2.4 to the contrary, including, without limitation, subsection (a) of this Section 2.4, at any time prior to the Anticipated Prepayment Date, other than during a REMIC Prohibition Period, Borrower may cause the release of the Property from the lien of the Mortgage and the other Loan Documents upon the satisfaction of the following conditions:

(A) no default shall exist under any of the Loan Documents;

(B) not less than sixty (60) (but not more than ninety (90)) days prior written notice shall be given to Lender specifying a date on which the Defeasance Collateral (as hereinafter defined) is to be delivered (the "Release Date"), such date being on a Scheduled Payment Date; provided, however, that Borrower shall have the right (i) to cancel such notice by providing Lender with notice of cancellation ten (10) days prior to the scheduled Release Date, or (ii) to extend the scheduled Release Date until the next Scheduled Payment Date; provided that in each case, Borrower shall pay all of Lender's costs and expenses incurred as a result of such cancellation or extension;

(C) all accrued and unpaid interest and all other sums due under the Note, this Agreement and under the other Loan Documents up to the Release Date, including, without limitation, all fees, costs and expenses incurred by Lender and its agents in connection with such release (including, without limitation, legal fees and expenses for the review and preparation of the

Defeasance Security Agreement (as hereinafter defined) and of the other materials described in Section 2.4(b)(i)(D) below and any related documentation, and any servicing fees, Rating Agency fees or other costs related to such release), shall be paid in full on or prior to the Release Date;

(D) Borrower shall deliver to Lender on or prior to the Release Date:

(1) a pledge and security agreement, in form and substance satisfactory to a prudent lender, creating a first priority security interest in favor of Lender in the Defeasance Collateral, as defined herein (the "Defeasance Security Agreement"), which shall provide, among other things, that any excess amounts received by Lender from the Defeasance Collateral over the amounts payable by Borrower on a given Scheduled Payment Date, which excess amounts are not required to cover all or any portion of amounts payable on a future Scheduled Payment Date, shall be refunded to Borrower promptly after each such Scheduled Payment Date;

(2) direct non-callable obligations of the United States of America or other obligations which are "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, to the extent the applicable Rating Agencies rating the Securities have confirmed in writing will not cause a downgrade, withdrawal or qualification of the initial, or, if higher, then applicable ratings of the Securities, that provide for payments prior and as close as possible to (but in no event later than) all successive Scheduled Payment Dates occurring after the Release Date, with each such payment being equal to or greater than the amount of the corresponding Monthly Payment Amount required to be paid under this Agreement and the Note (including all amounts due on the Maturity Date) for the balance of the term hereof (the "Defeasance Collateral"), each of which shall be duly endorsed by the holder thereof as directed by Lender or accompanied by a written instrument of transfer in form and substance wholly satisfactory to Lender in its sole discretion (including, without limitation, such certificates, documents and instruments as may be required by the depository institution holding such securities or the issuer thereof, as the case may be, to effectuate book- entry transfers and pledges through the book-entry facilities of such institution) in order to perfect upon the delivery of the Defeasance Security Agreement the first priority security interest therein in favor of Lender in conformity with all applicable state and federal laws governing granting of such security interests;

(3) a certificate of Borrower certifying that all of the requirements set forth in this Section 2.4(b)(i) have been satisfied;

(4) one or more opinions of counsel for Borrower in form and substance and delivered by counsel which would be satisfactory to a prudent lender stating, among other things, that (i) Lender has a perfected first priority security interest in the Defeasance Collateral

and that the Defeasance Security Agreement is enforceable against Borrower in accordance with its terms, (ii) in the event of a bankruptcy proceeding or similar occurrence with respect to Borrower, none of the Defeasance Collateral nor any proceeds thereof will be property of Borrower's estate under Section 541 of the U.S. Bankruptcy Code or any similar statute and the grant of security interest therein to Lender shall not constitute an avoidable preference under Section 547 of the U.S. Bankruptcy Code or applicable state law, (iii) the release of the lien of the Mortgage and the pledge of Defeasance Collateral will not directly or indirectly result in or cause any REMIC Trust that then holds the Note to fail to maintain its status as a REMIC Trust and (iv) the defeasance will not cause any REMIC Trust to be an "investment company" under the Investment Company Act of 1940;

(5) a certificate in form and scope reasonably acceptable to Lender from an Acceptable Accountant certifying that the Defeasance Collateral will generate amounts sufficient to make all payments of principal and interest due under the Note (including the scheduled outstanding principal balance of the Loan due on the Maturity Date); and

(6) such other certificates, documents and instruments as Lender may in its sole discretion require; and

(E) in the event the Loan is held by a REMIC Trust, Lender has received written confirmation from any Rating Agency rating any Securities that substitution of the Defeasance Collateral will not result in a downgrade, withdrawal, or qualification of the ratings then assigned to any of the Securities.

(ii) Upon compliance with the requirements of Section 2.4(b)(i), the Property shall be released from the lien of the Mortgage and the other Loan Documents, and the Defeasance Collateral shall constitute collateral which shall secure the Note and all other obligations under the Loan Documents. Lender will, at Borrower's expense, execute and deliver any agreements reasonably requested by Borrower to release the lien of the Mortgage and the other Loan Documents from the Property.

(iii) Upon the release of the Property in accordance with this Section 2.4(b), Borrower shall (at Lender's sole and absolute discretion) assign all its obligations and rights under the Note, together with the pledged Defeasance Collateral, to a successor entity designated by Borrower and approved by Lender in its reasonable discretion ("Successor Borrower"). Successor Borrower shall execute an assignment and assumption agreement in form and substance satisfactory to Lender in its sole and absolute discretion pursuant to which it shall assume Borrower's obligations under the Note and the Defeasance Security Agreement. As conditions to such assignment and assumption, Borrower shall (A) deliver to Lender one or more opinions of counsel in form and substance and delivered by counsel which would be satisfactory to a prudent Lender stating, among other things, that such assignment and assumption agreement is enforceable against Borrower and the Successor Borrower in accordance with its terms and that the Note, the Defeasance Security Agreement and

the other Loan Documents, as so assigned and assumed, are enforceable against the Successor Borrower in accordance with their respective terms, and opining to such other matters relating to Successor Borrower and its organizational structure as Lender may reasonably require, and (B) pay all fees, costs and expenses incurred by Lender or its agents in connection with such assignment and assumption (including, without limitation, legal fees and expenses and for the review of the proposed transferee and the preparation of the assignment and assumption agreement and related certificates, documents and instruments and any fees payable to any Rating Agencies and their counsel in connection with the issuance of the confirmation referred to in subsection (b)(i)(E) above). Upon such assignment and assumption, Borrower shall be relieved of its obligations hereunder, under the Note, under the other Loan Documents and under the Defeasance Security Agreement, except as expressly set forth in the assignment and assumption agreement.

(iv) For purposes of this Section 2.4, "REMIC Prohibition Period" means the earlier to occur of (A) two-year period commencing with the "startup day" within the meaning of Section 860G(a)(9) of the Code of any REMIC Trust that holds the Note and (B) the period commencing on the date hereof and ending on the date which is three (3) years after the first Scheduled Payment Date following the date hereof. In no event shall Lender have any obligation to notify Borrower that a REMIC Prohibition Period is in effect with respect to the Loan, except that Lender shall notify Borrower if any REMIC Prohibition Period is in effect with respect to the Loan after receiving any notice described in Section 2.4(b)(i)(B); provided, however, that the failure of Lender to so notify Borrower shall not impose any liability on Lender or grant Borrower any right to defease the Loan during any such REMIC Prohibition Period.

(c) Involuntary Prepayment During the Lockout Period. During the Lockout Period, in the event of any involuntary prepayment of the Loan or any other amount under the Note, whether in whole or in part, in connection with or following Lender's acceleration of the Note or otherwise, and whether the Mortgage is satisfied or released by foreclosure (whether by power of sale or judicial proceeding), deed in lieu of foreclosure or by any other means, including, without limitation, repayment of the Loan by Borrower or any other Person pursuant to any statutory or common law right of redemption, Borrower shall, in addition to any portion of the principal balance of the Loan prepaid (together with all interest accrued and unpaid thereon and in the event the prepayment is made on a date other than a Scheduled Payment Date, a sum equal to the amount of interest which would have accrued under the Note on the amount of such prepayment if such prepayment had occurred on the next Scheduled Payment Date), pay to Lender a prepayment premium in an amount calculated in accordance with this Section 2.4(c). Such prepayment premium shall be in an amount equal to the greater of:

(i) 1% of the portion of the Loan being prepaid; or

(ii) the product obtained by multiplying:

(A) the portion of the Loan being prepaid, times;

(B) the difference obtained by subtracting (I) the Yield Rate from (II) the Note Rate, times;

(C) the present value factor calculated using the following formula:

$$\frac{1-(1+r)^{-n}}{r}$$

r = Yield Rate
n = the number of years and any fraction thereof, remaining between the date the prepayment is made and the Maturity Date of the Note.

As used herein, "Yield Rate" means the yield rate for the 4.125% U.S. Treasury Security due May 15, 2015, as reported in The Wall Street Journal on the fifth Business Day preceding the Prepayment Calculation Date. If the Yield Rate is not published for the such U.S. Treasury Security, then the "Yield Rate" shall mean the yield rate for the nearest equivalent U.S. Treasury Security (as selected at Lender's sole and absolute discretion) as reported in The Wall Street Journal on the fifth Business Day preceding the Prepayment Calculation Date. If the publication of such Yield Rate in The Wall Street Journal is discontinued, Lender shall determine such Yield Rate from another source selected by Lender in Lender's sole and absolute discretion. The "Prepayment Calculation Date" shall mean, as applicable, the date on which (i) Lender applies any partial prepayment to the reduction of the outstanding principal amount the Note, in the case of a voluntary partial prepayment which is accepted by Lender, (ii) Lender accelerates the Loan, in the case of a prepayment resulting from acceleration, or (iii) Lender applies funds held under any Reserve Account, in the case of a prepayment resulting from such an application (other than in connection with acceleration of the Loan).

(d) Insurance and Condemnation Proceeds; Excess Interest. Notwithstanding any other provision herein to the contrary, and provided no Event of Default exists, Borrower shall not be required to pay any prepayment premium in connection with any prepayment occurring solely as a result of (i) the application of Insurance Proceeds or Condemnation Proceeds pursuant to the terms of the Loan Documents, or (ii) the application of any interest in excess of the maximum rate permitted by applicable law to the reduction of the Loan.

(e) After the Anticipated Prepayment Date, (x) prepayment of the Debt shall be permitted in whole or in part at any time without payment of any penalty or premium; provided that any prepayment that occurs on a date that is not a Scheduled Payment Date shall also include interest due through the end of the related monthly interest period on the portion prepaid and (y) all excess amounts remaining on deposit in the Cash Management Account after the payment of items (i) through and including (viii) of Section 10.2 hereof shall be applied to prepay the outstanding Debt without payment of any penalty or premium.

Section 2.5. Payments after Default.

Upon the occurrence and during the continuance of an Event of Default, interest on the outstanding principal balance of the Loan and, to the extent permitted by law, overdue interest and other amounts due in respect of the Loan, (a) shall accrue at the Default Rate, and (b) Lender shall be entitled to receive and Borrower shall pay to Lender all cash flow from the Property in accordance with the terms of the Cash Management Agreement,

such amount to be applied by Lender to the payment of the Debt in such order as Lender shall determine in its sole discretion, including, without limitation, alternating applications thereof between interest and principal. Interest at the Default Rate shall be computed from the occurrence of the Event of Default until the earlier of (i) the actual receipt and collection of the Debt (or that portion thereof that is then due) and (ii) the cure of such Event of Default. To the extent permitted by applicable law, interest at the Default Rate shall be added to the Debt, shall itself accrue interest at the same rate as the Loan and shall be secured by the Mortgage. This paragraph shall not be construed as an agreement or privilege to extend the date of the payment of the Debt, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default; the acceptance of any payment from Borrower shall not be deemed to cure or constitute a waiver of any Event of Default; and Lender retains its rights under this Agreement to accelerate and to continue to demand payment of the Debt upon the happening of and during the continuance any Event of Default, despite any payment by Borrower to Lender.

Section 2.6. Usury Savings.

This Agreement and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance of the Loan at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the Maximum Legal Rate. If, by the terms of this Agreement or the other Loan Documents, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of the Maximum Legal Rate, the Note Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to the Maximum Legal Rate and all previous payments in excess of the Maximum Legal Rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the sums due under the Loan shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Loan until payment in full so that the rate or amount of interest on account of the Loan does not exceed the Maximum Legal Rate of interest from time to time in effect and applicable to the Loan for so long as the Loan is outstanding.

Borrower's principal place of business and chief executive office, and the place where Borrower keeps its books and records, including recorded data of any kind or nature, regardless of the medium of recording, including software, writings, plans, specifications and schematics, has been for the preceding four months (or, if less, the entire period of the existence of Borrower) the address of Borrower set forth on the first page of this Agreement. Borrower's organizational identification number, if any, assigned by the state of incorporation or organization is 3991779.

Section 4.3. Validity of Documents.

Borrower and Borrower Principal have taken all necessary action to authorize the execution, delivery and performance of this Agreement and the other Loan Documents to which they are parties. This Agreement and such other Loan Documents have been duly

executed and delivered by or on behalf of Borrower and Borrower Principal and constitute the legal, valid and binding obligations of Borrower and Borrower Principal enforceable against Borrower and Borrower Principal in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting rights of creditors generally, and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

Section 4.4. No Conflicts.

The execution, delivery and performance of this Agreement and the other Loan Documents by Borrower and Borrower Principal will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance (other than pursuant to the Loan Documents) upon any of the property or assets of Borrower or Borrower Principal pursuant to the terms of any agreement or instrument to which Borrower or Borrower Principal is a party or by which any of Borrower's or Borrower Principal's property or assets is subject, nor will such action result in any violation of the provisions of any statute or any order, rule or regulation of any Governmental Authority having jurisdiction over Borrower or Borrower Principal or any of Borrower's or Borrower Principal's properties or assets, and any consent, approval, authorization, order, registration or qualification of or with any Governmental Authority required for the execution, delivery and performance by Borrower or Borrower Principal of this Agreement or any of the other Loan Documents has been obtained and is in full force and effect.

Section 4.5. Litigation.

There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Borrower's or Borrower Principal's knowledge, threatened against or affecting Borrower, Borrower Principal, Manager or the Property, which actions, suits or proceedings, if determined against Borrower, Borrower Principal, Manager or the Property, would materially adversely affect the condition (financial or otherwise) or business of Borrower or Borrower Principal or the condition or ownership of the Property.

Section 4.6. Agreements.

Borrower is not a party to any agreement or instrument or subject to any restriction which would materially and adversely affect Borrower or the Property, or Borrower's business, properties or assets, operations or condition, financial or otherwise. Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any agreement or instrument to which it is a party or by which Borrower or the Property is bound. Borrower has no material financial obligation under any agreement or instrument to which Borrower is a party or by which Borrower or the Property is otherwise bound, other than (a) obligations incurred in the ordinary course of the operation of the Property and (b) obligations under the Loan Documents.

Section 4.7. Solvency.

Borrower and Borrower Principal have (a) not entered into the transaction or executed the Note, this Agreement or any other Loan Documents with the actual intent to

hinder, delay or defraud any creditor and (b) received reasonably equivalent value in exchange for their obligations under such Loan Documents. Giving effect to the Loan, the fair saleable value of the assets of Borrower and Borrower Principal exceeds and will, immediately following the making of the Loan, exceed the total liabilities of Borrower and Borrower Principal, including, without limitation, subordinated, unliquidated, disputed and contingent liabilities. No petition in bankruptcy has been filed against Borrower, Borrower Principal, the sole member of Borrower or Affiliated Manager in the last ten (10) years, and neither Borrower nor Borrower Principal, the sole member of Borrower or Affiliated Manager in the last ten (10) years has made an assignment for the benefit of creditors or taken advantage of any Creditors Rights Laws. Neither Borrower nor Borrower Principal, the sole member of Borrower or Affiliated Manager is contemplating either the filing of a petition by it under any Creditors Rights Laws or the liquidation of all or a major portion of Borrower's assets or property, and Borrower has no knowledge of any Person contemplating the filing of any such petition against Borrower or Borrower Principal, the sole member of Borrower or Affiliated Manager.

Section 4.8. Full and Accurate Disclosure.

No statement of fact made by or on behalf of Borrower or Borrower Principal in this Agreement or in any of the other Loan Documents or in any other document or certificate delivered by or on behalf of Borrower or Borrower Principal contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained herein or therein not misleading. There is no material fact presently known to Borrower or Borrower Principal which has not been disclosed to Lender which adversely affects, nor as far as Borrower or Borrower Principal can reasonably foresee, might adversely affect, the Property or the business, operations or condition (financial or otherwise) of Borrower or Borrower Principal.

Section 4.9. No Plan Assets.

Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3-101. In addition, (a) Borrower is not a "governmental plan" within the meaning of Section 3(32) of ERISA and (b) transactions by or with Borrower are not subject to state statutes regulating investment of, and fiduciary obligations with respect to, governmental plans similar to the provisions of Section 406 of ERISA or Section 4975 of the Internal Revenue Code currently in effect, which prohibit or otherwise restrict the transactions contemplated by this Agreement.

Section 4.10. Not a Foreign Person.

Neither Borrower nor Borrower Principal is a foreign corporation, foreign partnership, foreign trust, foreign estate or nonresident alien or a disregarded entity owned by any of them (as those terms are defined in the Internal Revenue Code of 1986), and if requested by Lender, Borrower or Borrower Principal will so certify (or in the case of a disregarded entity, its owner will certify) to Lender or a person designated by Lender under penalties of perjury to the accuracy of this representation, and will provide in such certification such additional information as Lender may reasonably request.

Section 4.11. Enforceability.

The Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower, including the defense of usury, nor would the operation of any of the terms of the Loan Documents, or the exercise of any right thereunder, render the Loan Documents unenforceable, subject to the qualifications set forth in Section 4.3 hereof, and neither Borrower nor Borrower Principal has asserted any right of rescission, set-off, counterclaim or defense with respect thereto. No Default or Event of Default exists under or with respect to any Loan Document.

Section 4.12. Business Purposes.

The Loan is solely for the business purpose of Borrower, and is not for personal, family, household, or agricultural purposes.

Section 4.13. Compliance.

Except as expressly disclosed by Borrower to Lender in writing in connection with the closing of the Loan, Borrower and the Property, and the use and operation thereof, comply in all material respects with all Legal Requirements, including, without limitation, building and zoning ordinances and codes and the Americans with Disabilities Act. To Borrower's knowledge, Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority and Borrower has received no written notice of any such default or violation. There has not been committed by Borrower or, to Borrower's knowledge, any other Person in occupancy of or involved with the operation or use of the Property any act or omission affording any Governmental Authority the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents.

Section 4.14. Financial Information.

All financial data, including, without limitation, the balance sheets, statements of cash flow, statements of income and operating expense and rent rolls, that have been delivered to Lender in respect of Borrower, Borrower Principal and/or the Property (a) are true, complete and correct in all material respects, (b) accurately represent in all material respects the financial condition of Borrower, Borrower Principal or the Property, as applicable, as of the date of such reports, and (c) to the extent prepared or audited by an independent certified public accounting firm, have been prepared in accordance with GAAP throughout the periods covered, except as disclosed therein. Borrower does not have any contingent liabilities, liabilities for taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments that are known to Borrower and reasonably likely to have a material adverse effect on the Property or the current and/or intended operation thereof, except as referred to or reflected in said financial statements. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of Borrower or Borrower Principal from that set forth in said financial statements.

Section 4.15. Condemnation.

No Condemnation or other proceeding has been commenced or, to Borrower's best knowledge, is threatened or contemplated with respect to all or any portion of the Property or for the relocation of roadways providing access to the Property.

Section 4.16. Utilities and Public Access; Parking.

The Property has adequate rights of access to public ways and is served by water, sewer, sanitary sewer and storm drain facilities adequate to service the Property for full utilization of the Property for its intended uses. All public utilities necessary to the full use and enjoyment of the Property as currently used and enjoyed are located either in the public right-of- way abutting the Property (which are connected so as to serve the Property without passing over other property) or in recorded easements serving the Property and such easements are set forth in and insured by the Title Insurance Policy. All roads necessary for the use of the Property for its current purposes have been completed and dedicated to public use and accepted by all Governmental Authorities. The Property has, or is served by, parking to the extent required to comply with all Legal Requirements.

Section 4.17. Separate Lots.

The Property is assessed for real estate tax purposes as one or more wholly independent tax lot or lots, separate from any adjoining land or improvements not constituting a part of such lot or lots, and no other land or improvements is assessed and taxed together with the Property or any portion thereof.

Section 4.18. Assessments.

To Borrower's knowledge, there are no pending or proposed special or other assessments for public improvements or otherwise affecting the Property, nor are there any contemplated improvements to the Property that may result in such special or other assessments.

Section 4.19. Insurance.

Borrower has obtained and has delivered to Lender certified copies of all Policies or, to the extent such Policies are not available as of the Closing Date, certificates of insurance with respect to all such Policies reflecting the insurance coverages, amounts and other requirements set forth in this Agreement. No claims have been made under any of the Policies, and to Borrower's knowledge, no Person, including Borrower, has done, by act or omission, anything which would impair the coverage of any of the Policies.

Section 4.20. Use of Property.

The Property is used exclusively for commercial office purposes and other appurtenant and related uses.

Section 4.21. Certificate of Occupancy; Licenses.

All certifications, permits, licenses and approvals, including, without limitation, certificates of completion or occupancy and any applicable liquor license required for the legal use, occupancy and operation of the Property for the purpose intended herein,

have been obtained and are valid and in full force and effect. Borrower shall keep and maintain (or cause to be kept and maintained) all licenses necessary for the operation of the Property for the purpose intended herein. The use being made of the Property is in conformity with the final certificate of occupancy (or compliance, if applicable) and any other permits or licenses issued for the Property.

Section 4.22. Flood Zone.

None of the Improvements on the Property are located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards, or, if any portion of the Improvements is located within such area, Borrower has obtained the insurance prescribed in Section 8.1(a)(i).

Section 4.23. Physical Condition.

Except as set forth in the Property Condition Report, to Borrower's knowledge, the Property, including, without limitation, all buildings, improvements, parking facilities, sidewalks, storm drainage systems, roofs, plumbing systems, HVAC systems, fire protection systems, electrical systems, equipment, elevators, exterior sidings and doors, landscaping, irrigation systems and all structural components, are in good condition, order and repair in all material respects. Except as set forth in the Property Condition Report, to Borrower's knowledge, there exists no structural or other material defects or damages in the Property, as a result of a Casualty or otherwise, and whether latent or otherwise. Borrower has not received notice from any insurance company or bonding company of any defects or inadequacies in the Property, or any part thereof, which, to Borrower's knowledge, would adversely affect the insurability of the same or cause the imposition of extraordinary premiums or charges thereon or the termination or threatened termination of any policy of insurance or bond.

Section 4.24. Boundaries; Survey.

To Borrower's knowledge, (a) none of the Improvements which were included in determining the appraised value of the Property lie outside the boundaries and building restriction lines of the Property to any material extent, and (b) no improvements on adjoining properties encroach upon the Property and no easements or other encumbrances upon the Property encroach upon any of the Improvements so as to materially affect the value or marketability of the Property. To Borrower's knowledge, the Survey for the Property delivered to Lender in connection with this Agreement has been prepared in accordance with the provisions of Section 3.2(c) hereof, and to the knowledge of Borrower does not fail to reflect any material matter affecting the Property or the title thereto.

Section 4.25. Leases and Rent Roll.

Borrower has delivered to Lender a true, correct and complete rent roll for the Property (a "Rent Roll") which includes all Leases affecting the Property (including schedules for all executed Leases for Tenants not yet in occupancy or under which the rent commencement date has not occurred). Except as set forth in the Rent Roll (as same has been updated by written notice thereof to Lender) and estoppel certificates delivered to Lender on or prior to the Closing Date: (a) each Lease is in full force and effect; (b) the premises demised under the Leases have been completed and the Tenants under the Leases have accepted possession of and are in occupancy of all of their respective demised premises;

(c) the Tenants under the Leases have commenced the payment of rent under the Leases, there are no offsets, claims or defenses to the enforcement thereof, and Borrower has no monetary obligations to any Tenant under any Lease; (d) all Rents due and payable under the Leases have been paid and no portion thereof has been paid for any period more than thirty (30) days in advance; (e) the rent payable under each Lease is the amount of fixed rent set forth in the Rent Roll, and there is no claim or basis for a claim by the Tenant thereunder for an offset or adjustment to the rent; (f) no Tenant has made any written claim of a material default against the landlord under any Lease which remains outstanding nor has Borrower or Manager received, by telephonic, in-person, e-mail or other communication, any notice of a material default under any Lease; (g) to Borrower's knowledge there is no present material default by the Tenant under any Lease; (h) all security deposits under the Leases have been collected by Borrower; (i) Borrower is the sole owner of the entire landlord's interest in each Lease; (j) each Lease is the valid, binding and enforceable obligation of Borrower and the applicable Tenant thereunder and there are no agreements with the Tenants under the Leases other than as expressly set forth in the Leases; (k) no Person has any possessory interest in, or right to occupy, the Property or any portion thereof except under the terms of a Lease; (l) none of the Leases contains any option or offer to purchase or right of first refusal to purchase the Property or any part thereof; (m) neither the Leases nor the Rents have been assigned, pledged or hypothecated except to Lender, and no other Person has any interest therein except the Tenants thereunder; and (n) no conditions exist which now give any Tenant or party the right to "go dark" pursuant to the provision of its Lease and/or the REA.

Section 4.26. Filing and Recording Taxes.

All mortgage, mortgage recording, stamp, intangible or other similar tax required to be paid by any Person under applicable Legal Requirements currently in effect in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Loan Documents, including, without limitation, the Mortgage, have been paid or will be paid, and, under current Legal Requirements, the Mortgage is enforceable in accordance with its terms by Lender (or any subsequent holder thereof).

Section 4.27. Management Agreement.

The Management Agreement is in full force and effect and there is no default thereunder by any party thereto and, to Borrower's knowledge, no event has occurred that, with the passage of time and/or the giving of notice would constitute a default thereunder. No management fees under the Management Agreement are accrued and unpaid.

Section 4.28. Illegal Activity.

No portion of the Property has been or will be purchased with proceeds of any illegal activity, and no part of the proceeds of the Loan will be used in connection with any illegal activity.

Section 4.29. Construction Expenses.

All costs and expenses of any and all labor, materials, supplies and equipment used in the construction maintenance or repair of the Improvements have been paid in full. To Borrower's knowledge, there are no claims for payment for work, labor or materials affecting the Property which are or may become a lien prior to, or of equal priority with, the Liens created by the Loan Documents.

Section 4.30. Personal Property.

Borrower has paid in full for, and is the owner of, all Personal Property (other than tenants' property) used in connection with the operation of the Property, free and clear of any and all security interests, liens or encumbrances, except for Permitted Encumbrances and the Lien and security interest created by the Loan Documents.

Section 4.31. Taxes.

Borrower and Borrower Principal have filed all federal, state, county, municipal, and city income, personal property and other tax returns required to have been filed by them and have paid all taxes and related liabilities which have become due pursuant to such returns or pursuant to any assessments received by them. Neither Borrower nor Borrower Principal knows of any basis for any additional assessment in respect of any such taxes and related liabilities for prior years.

Section 4.32. Permitted Encumbrances.

None of the Permitted Encumbrances, individually or in the aggregate, materially interferes with the benefits of the security intended to be provided by the Loan Documents, materially and adversely affects the value of the Property, impairs the use or the operation of the Property or impairs Borrower's ability to pay its obligations in a timely manner.

Section 4.33. Federal Reserve Regulations.

Borrower will use the proceeds of the Loan for the purposes set forth in Section 2.1(d) hereof and not for any illegal activity. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements or prohibited by the terms and conditions of this Agreement or the other Loan Documents.

Section 4.34. Investment Company Act.

Borrower is not (a) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; (b) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (c) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money.

Section 4.35. Reciprocal Easement Agreements.

(a) Neither Borrower, nor, to Borrower's knowledge, any other party to the REA is currently in default (nor has any notice been given or received with respect to an alleged or current default) under any of the terms and conditions of the REA, and the REA remains unmodified and in full force and effect;

(b) All easements granted pursuant to the REA which were to have survived the site preparation and completion of construction (to the extent that the same has been completed), remain in full force and effect and have not been released, terminated, extinguished or discharged by agreement or otherwise;

(c) All sums due and owing by Borrower to the other parties to the REA (or by the other parties to the REA to the Borrower) pursuant to the terms of the REA, including without limitation, all sums, charges, fees, assessments, costs, and expenses in connection with any taxes, site preparation and construction, non-shareholder contributions, and common area and other property management activities have been paid, are current, and no lien has attached on the Property (or threat thereof been made) for failure to pay any of the foregoing;

(d) The terms, conditions, covenants, uses and restrictions contained in the REA do not conflict in any manner with any terms, conditions, covenants, uses and restrictions contained in any Lease or in any agreement between Borrower and occupant of any peripheral parcel, including without limitation, conditions and restrictions with respect to kiosk placement, tenant restrictions (type, location or exclusivity), sale of certain goods or services, and/or other use restrictions; and

(e) The terms, conditions, covenants, uses and restrictions contained in each Lease do not conflict in any manner with any terms, conditions, covenants, uses and restrictions contained in the REA, any other Lease or in any agreement between Borrower and occupant of any peripheral parcel, including without limitation, conditions and restrictions with respect to kiosk placement, tenant restrictions (type, location or exclusivity), sale of certain goods or services, and/or other use restrictions.

Section 4.36. No Change in Facts or Circumstances; Disclosure.

All information submitted by Borrower or its agents to Lender and in all financial statements, rent rolls, reports, certificates and other documents submitted in connection with the Loan or in satisfaction of the terms thereof and all statements of fact made by Borrower in this Agreement or in any other Loan Document, are accurate, complete and correct in all material respects. There has been no material adverse change in any condition, fact, circumstance or event that would make any such information inaccurate, incomplete or otherwise misleading in any material respect or that otherwise materially and adversely affects or might materially and adversely affect the Property or the business operations or the financial condition of Borrower. Borrower has disclosed to Lender all material facts and has not failed to disclose any material fact that could cause any representation or warranty made herein to be materially misleading.

Section 4.37. Intellectual Property.

All trademarks, trade names and service marks necessary to the business of Borrower as presently conducted or as Borrower contemplates conducting its business are in good standing and, to the extent of Borrower's actual knowledge, uncontested. Borrower has not infringed, is not infringing, and has not received notice of infringement with respect to asserted trademarks, trade names and service marks of others. To Borrower's knowledge, there is no infringement by others of trademarks, trade names and service marks of Borrower.

Section 4.38. Compliance with Anti-Terrorism Laws.

None of Borrower, Borrower Principal or any Person who Controls Borrower or Borrower Principal currently is identified by the Office of Foreign Assets Control, Department of the Treasury ("**OFAC**") or otherwise qualifies as a Embargoed Person, and Borrower has implemented procedures to ensure that no Person who now or hereafter owns a direct or indirect equity interest in Borrower is an Embargoed Person or is Controlled by an Embargoed Person. None of Borrower or Borrower Principal is in violation of any applicable law relating to anti money laundering or antiterrorism, including, without limitation, those related to transacting business with Embargoed Persons or the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, U.S. Public Law 107-56, and the related regulations issued thereunder, including temporary regulations (collectively, as the same may be amended from time to time, the "**Patriot Act**"). To the best of Borrower's knowledge, no tenant at the Property is currently identified by OFAC or otherwise qualifies as an Embargoed Person, or is owned or Controlled by an Embargoed Person. Borrower has determined that Manager has implemented procedures approved by Borrower to ensure that no tenant at the Property is currently identified by OFAC or otherwise qualifies as an Embargoed Person, or is owned or Controlled by an Embargoed Person.

Section 4.39. Patriot Act.

Neither Borrower nor Borrower Principal shall (a) be or become subject at any time to any law, regulation, or list of any government agency (including, without limitation, the list maintained by OFAC and accessible through the OFAC website) that prohibits or limits any lender from making any advance or extension of credit to Borrower or from otherwise conducting business with Borrower and Borrower Principal, or (b) fail to provide documentary and other evidence of Borrower's identity as may be requested by any lender at any time to enable any lender to verify Borrower's identity or to comply with any applicable law or regulation, including, without limitation, the Patriot Act. In addition, Borrower hereby agrees to provide to Lender any additional information that Lender deems necessary from time to time in order to ensure compliance with all applicable laws concerning money laundering and similar activities.

Section 4.40. Survival.

Borrower agrees that, unless expressly provided otherwise, all of the representations and warranties of Borrower set forth in this Article 4 and elsewhere in this Agreement and in the other Loan Documents shall survive for so long as any portion of the Debt remains owing to Lender. All representations, warranties, covenants and agreements made in this Agreement or in the other Loan Documents by Borrower shall be deemed to have been relied upon by Lender notwithstanding any investigation heretofore or hereafter made by Lender or on its behalf.

ARTICLE 5
BORROWER COVENANTS

From the date hereof and until repayment of the Debt in full and performance in full of all obligations of Borrower under the Loan Documents or the earlier release of the Lien of the Mortgage (and all related obligations) in accordance with the terms of this Agreement and the other Loan Documents, Borrower hereby covenants and agrees with Lender that:

Section 5.1. Existence; Compliance with Legal Requirements.

(a) Borrower shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its existence, rights, licenses, permits and franchises and comply with all Legal Requirements applicable to it and the Property. Borrower hereby covenants and agrees not to commit, permit or suffer to exist any act or omission affording any Governmental Authority the right of forfeiture as against the Property or any part thereof or any monies paid in performance of Borrower's obligations under any of the Loan Documents. Borrower shall at all times maintain, preserve and protect all franchises and trade names used in connection with the operation of the Property.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the Legal Requirements affecting the Property, provided that (i) no Default or Event of Default has occurred and is continuing; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower or the Property is subject and shall not constitute a default thereunder; (iii) neither the Property, any part thereof or interest therein, any of the tenants or occupants thereof, nor Borrower shall be affected in any material adverse way as a result of such proceeding; (iv) non-compliance with the Legal Requirements shall not impose civil or criminal liability on Borrower or Lender; (v) Borrower shall have furnished the security as may be required in the proceeding or by Lender to ensure compliance by Borrower with the Legal Requirements; and (vi) Borrower shall have furnished to Lender all other items reasonably requested by Lender.

Section 5.2. Maintenance and Use of Property.

Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements and the Personal Property shall not be removed, demolished or other than in accordance with the provisions of Section 5.21, materially altered (except for tenant improvements required under a Lease and normal replacement of the Personal Property) without the prior written consent of Lender. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Borrower will not cause or permit the nonconforming use to be discontinued or the nonconforming Improvement to be abandoned without the express written consent of Lender.

Section 5.3. Waste.

Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or give cause for cancellation of any Policy, or do or permit to be done thereon anything that may in any way impair the value of the Property or the security for the Loan. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Property, regardless of the depth thereof or the method of mining or extraction thereof.

Section 5.4. Taxes and Other Charges.

(a) Borrower shall pay all Taxes and Other Charges now or hereafter levied or assessed or imposed against the Property or any part thereof as the same become due and payable; provided, however, Borrower's obligation to directly pay Taxes shall be suspended for so long as Borrower complies with the terms and provisions of Section 9.6 hereof. Borrower shall furnish to Lender receipts for the payment of the Taxes and the Other Charges prior to the date the same shall become delinquent (provided, however, that Borrower is not required to furnish such receipts for payment of Taxes as long as Borrower complies with the terms and conditions set forth in Section 9.6 hereof). Borrower shall not suffer and shall promptly cause to be paid and discharged any Lien or charge whatsoever which may be or become a Lien or charge against the Property, and shall promptly pay for all utility services provided to the Property.

(b) After prior written notice to Lender, Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any Taxes or Other Charges, provided that (i) no Default or Event of Default has occurred and remains uncured; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable Legal Requirements; (iii) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost; (iv) Borrower shall promptly upon final determination thereof pay the amount of any such Taxes or Other Charges, together with all costs, interest and penalties which may be payable in connection therewith; (v) such proceeding shall suspend the collection of such contested Taxes or Other Charges from the Property; and (vi) Borrower shall furnish such security as may be required in the proceeding, or deliver to Lender such reserve deposits as may be requested by Lender, to insure the payment of any such Taxes or Other Charges, together with all interest and penalties thereon (unless Borrower has paid all of the Taxes or Other Charges under protest). Lender may pay over any such cash deposit or part thereof held by Lender to the claimant entitled thereto at any time when, in the judgment of Lender, the entitlement of such claimant is established or the Property (or part thereof or interest therein) shall be in danger of being sold, forfeited, terminated, canceled or lost or there shall be any danger of the Lien of the Mortgage being primed by any related Lien.

Section 5.5. Litigation.

Borrower shall give prompt written notice to Lender of any litigation or governmental proceedings pending or threatened in writing against Borrower which might materially adversely affect Borrower's condition (financial or otherwise) or business or the Property.

Section 5.6. Access to Property.

Subject to the rights of Tenants under Leases, Borrower shall permit agents, representatives and employees of Lender to inspect the Property or any part thereof at reasonable hours upon reasonable advance notice.

Section 5.7. Notice of Default.

Borrower shall promptly advise Lender of any material adverse change in the condition (financial or otherwise) of Borrower, Borrower Principal or the Property or of the occurrence of any Default or Event of Default of which Borrower has knowledge.

Section 5.8. Cooperate in Legal Proceedings.

Borrower shall at Borrower's expense cooperate fully with Lender with respect to any proceedings before any court, board or other Governmental Authority which may in any way affect the rights of Lender hereunder or any rights obtained by Lender under any of the other Loan Documents and, in connection therewith, permit Lender, at its election, to participate in any such proceedings.

Section 5.9. Performance by Borrower.

Borrower shall in a timely manner observe, perform and fulfill each and every covenant, term and provision to be observed and performed by Borrower under this Agreement and the other Loan Documents and any other agreement or instrument affecting or pertaining to the Property and any amendments, modifications or changes thereto.

Section 5.10. Awards; Insurance Proceeds.

Borrower shall cooperate with Lender in obtaining for Lender the benefits of any Awards or Insurance Proceeds lawfully or equitably payable in connection with the Property, and Lender shall be reimbursed for any expenses incurred in connection therewith (including reasonable, actual attorneys' fees and disbursements, and the payment by Borrower of the expense of an appraisal on behalf of Lender in case of a Casualty or Condemnation affecting the Property or any part thereof) out of such Awards or Insurance Proceeds.

Section 5.11. Financial Reporting.

(a) Borrower and Borrower Principal shall keep adequate books and records of account in accordance with GAAP, or in accordance with other methods acceptable to Lender in its sole discretion, consistently applied and shall furnish to Lender in a form reasonably satisfactory to Lender:

(i) to the extent that the FFIC Lease is no longer in full force and effect, monthly certified rent rolls signed and dated by Borrower, detailing the names of all Tenants of the Improvements, the portion of Improvements (in terms of square footage) occupied by each Tenant, the base rent, additional rent and any other charges payable under each Lease (including annual store sales required to be reported by Tenant under any Lease), and the term of each Lease, including the commencement and expiration dates and any tenant extension, expansion or renewal options, the extent to which any Tenant is in default under any Lease, and any other information as is reasonably required by Lender, within forty-five (45) days after the end of each calendar month, forty-five (45) days after the end of each fiscal quarter or one hundred twenty (120) days after the close of each fiscal year of Borrower, as applicable;

(iv) the annual 10-K financial statements of Borrower Principal; and

(v) an Annual Budget not later than thirty (30) days prior to the commencement of each fiscal year of Borrower in form reasonably satisfactory to Lender. In the event that Lender objects to a proposed Annual Budget submitted by Borrower, Lender shall advise Borrower of such objections within fifteen (15) days after receipt thereof (and deliver to Borrower a reasonably detailed description of such objections) and Borrower shall promptly revise such Annual Budget and resubmit the same to Lender. Lender shall advise Borrower of any objections to such revised Annual Budget within ten (10) days after receipt thereof (and deliver to Borrower a reasonably detailed description of such objections) and Borrower shall promptly revise the same in accordance with the process described in this subsection until Lender approves the Annual Budget. Until such time that Lender approves a proposed Annual Budget, which approval shall not be unreasonably withheld, conditioned or delayed, the most recent Annual Budget shall apply; provided that, such approved Annual Budget shall be adjusted to reflect actual increases in Taxes, Insurance Premiums, utilities expenses and expenses under the Management Agreement.

(c) Borrower shall comply with the following:

(i) If requested by Lender, Borrower shall provide Lender, promptly upon request, with the following financial statements if, at the time a Disclosure Document is being prepared for a Securitization, it is expected that the principal amount of the Loan when combined with the principal amount of any Affiliated Loans at the time of Securitization may, or if the principal amount of the Loan when combined with the principal amount of any Affiliated Loans at any time during which the Loan and any Affiliated Loans are included in a Securitization does, equal or exceed 20% of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization:

(A) A balance sheet with respect to the Property for the two most recent fiscal years, meeting the requirements of Section 210.3-01 of Regulation S-X of the Securities Act and statements of income and statements of cash flows with respect to the Property for the three most recent fiscal years, meeting the requirements of Section 210.3-02 of Regulation S-X, and, to the extent that such balance sheet is more than 135 days old as of the date of the document in which such financial statements are included, interim financial statements of the Property meeting the requirements of Section 210.3-01 and 210.3-02 of Regulation S-X (all of such financial statements, collectively, the “Standard Statements”); provided, however, that with respect to a Property (other than properties that are hotels, nursing homes, or other properties that would be deemed to constitute a business and not real estate under Regulation S-X or other legal requirements) that has been acquired by Borrower from an unaffiliated third party (such Property, “Acquired Property”), as to which the other conditions set forth in Section 210.3-14 of Regulation S-X for provision of financial statements in accordance with such Section have been met, in lieu of the Standard Statements otherwise required by this section, Borrower shall instead provide the financial statements required by such Section 210.3-14 of Regulation S-X (“Acquired Property Statements”).

(B) Not later than forty-five (45) days after the end of each fiscal quarter following the date hereof, a balance sheet of the Property as of the end of such fiscal quarter, meeting the requirements of Section 210.3-01 of Regulation S-X, and statements of income and statements of cash flows of the Property for the period commencing following the last day of the most recent fiscal year and ending on the date of such balance sheet and for the corresponding period of the most recent fiscal year, meeting the requirements

of Section 210.3-02 of Regulation S-X (provided, that if for such corresponding period of the most recent fiscal year Acquired Property Statements were permitted to be provided hereunder pursuant to subsection (i) above, Borrower shall instead provide Acquired Property Statements for such corresponding period).

(C) Not later than 120 days after the end of each fiscal year following the date hereof, a balance sheet of the Property as of the end of such fiscal year, meeting the requirements of Section 210.3-01 of Regulation S-X, and statements of income and statements of cash flows of the Property for such fiscal year, meeting the requirements of Section 210.3-02 of Regulation S-X.

(D) Within ten Business Days after notice from Lender in connection with the Securitization of this Loan, such additional financial statements, such that, as of the date (each an "Offering Document Date") of each Disclosure Document, Borrower shall have provided Lender with all financial statements as described in subsection (f)(i) above; provided that the fiscal year and interim periods for which such financial statements shall be provided shall be determined as of such Offering Document Date.

(ii) If requested by Lender, Borrower shall provide Lender, promptly upon request, with summaries of the financial statements referred to in Section 5.11(c) hereof if, at the time a Disclosure Document is being prepared for a Securitization, it is expected that the principal amount of the Loan and any Affiliated Loans at the time of Securitization may, or if the principal amount of the Loan and any Affiliated Loans at any time during which the Loan and any Affiliated Loans are included in a Securitization does, equal or exceed 10% (but is less than 20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in a Securitization. Such summaries shall meet the requirements for "summarized financial information," as defined in Section 210.1-02(bb) of Regulation S-X, or such other requirements as may be determined to be necessary or appropriate by Lender.

(iii) All financial statements provided by Borrower hereunder pursuant to Section 5.11(c)(i) and (ii) hereof shall be prepared in accordance with GAAP, and shall meet the requirements of Regulation S-X and other applicable legal requirements. All financial statements referred to in Section 5.11(c)(i)(A) and (C) above shall be audited by Acceptable Accountants in accordance with Regulation S-X and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation S-X and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the Acceptable Accountants, in form and substance acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such Acceptable Accountants and the reference to such Acceptable Accountants as "experts" in any Disclosure Document and Exchange Act Filing (as defined below), all of which shall be provided at the same time as the related financial statements are required to be provided. All financial statements (audited or unaudited) provided by Borrower under this Section 5.11 shall be certified by the chief financial officer or administrative member of Borrower, which certification shall state that such financial statements meet the requirements set forth in the first sentence of this Section 5.11 (c)(iii).

(iv) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall determine to be required pursuant to Regulation S- X or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any filing under or pursuant to the Exchange Act in connection with or relating to a Securitization (hereinafter an "Exchange Act Filing") or as shall otherwise be reasonably requested by Lender.

(v) In the event Lender determines, in connection with a Securitization, that the financial statements required in order to comply with Regulation S-X or other legal requirements are other than as provided herein, then notwithstanding the provisions of Section 5.11(c) hereof, Lender may request, and Borrower shall promptly provide, such combination of Acquired Property Statement and/or Standard Statements or such other financial statements as Lender determines to be necessary or appropriate for such compliance.

(vi) Any reports, statements or other information required to be delivered under this Agreement shall be delivered in paper form and in the event that Lender requires financial statements in connection with subsection (c) above because the Loan when combined with the principal amount of any Affiliated Loans equal or exceed 20% of the aggregate principal amount of all mortgage loans included in a Securitization (defined below), Borrower shall deliver such reports, statements and other information (A) on a diskette, and (B) if requested by Lender and within the capabilities of Borrower's data systems without change or modification thereto, in electronic form and prepared using Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files).

(d) Borrower and Borrower Principal shall furnish Lender with such other additional financial or management information (including state and federal tax returns) as may, from time to time, be reasonably required by Lender in form and substance satisfactory to Lender (including, without limitation, any financial reports required to be delivered by any Tenant or any guarantor of any Lease pursuant to the terms of such Lease), and shall furnish to Lender and its agents convenient facilities for the examination and audit of any such books and records.

(e) Without limiting any other rights available to Lender under this Loan Agreement or any of the other Loan Documents, in the event Borrower shall fail to timely furnish Lender any financial document or statement in accordance with this Section 5.11, Borrower shall promptly pay to Lender a non-refundable charge in the amount of $250.00 for each such failure. The payment of such amount shall not be construed to relieve Borrower of any Event of Default hereunder arising from such failure.

(f) All items requiring the certification of Borrower shall, except where Borrower is an individual, require a certificate executed by the general partner, managing member or chief executive officer of Borrower, as applicable (and the same rules shall apply to any sole shareholder, general partner or managing member which is not an individual).

Section 5.12. Estoppel Statement.

(a) After request by Lender, Borrower shall within ten (10) Business Days furnish Lender with a statement, duly acknowledged and certified, setting forth (i) the amount of the original principal amount of the Note, (ii) the rate of interest on the Note, (iii) the unpaid principal amount of the Note, (iv) the date installments of interest and/or principal were last paid, (v) any offsets or defenses to the payment of the Debt, if any, and (vi) that the Note, this Agreement, the Mortgage and the other Loan Documents are valid, legal and binding obligations and have not been modified or if modified, giving particulars of such modification.

(b) Borrower shall use commercially reasonable efforts to deliver to Lender, promptly upon request, duly executed estoppel certificates from any one or more Tenants as required by Lender attesting to such facts regarding the related Lease as Lender may require, including, but not limited to attestations that each Lease covered thereby is in full force and effect with no defaults thereunder on the part of any party, that none of the Rents have been paid more than one month in advance, except as security, and that the Tenant claims no defense or offset against the full and timely performance of its obligations under the Lease.

Section 5.13. Leasing Matters.

(a) Borrower may enter into a proposed Lease (including the renewal or extension of an existing Lease (a "**Renewal Lease**")) without the prior written consent of Lender, provided such proposed Lease or Renewal Lease (i) provides for rental rates and terms comparable to existing local market rates and terms (taking into account the type and quality of the tenant) as of the date such Lease is executed by Borrower (unless, in the case of a Renewal Lease, the rent payable during such renewal, or a formula or other method to compute such rent, is provided for in the original Lease), (ii) is an arm's- length transaction with a bona fide, independent third party tenant, (iii) does not have a materially adverse effect on the value of the Property taken as a whole, (iv) is subject and subordinate to the Mortgage and the Tenant thereunder agrees to attorn to Lender and Lender agrees not to disturb such Tenant as long as such Tenant is not in default under its Lease, (v) does not contain any option, offer, right of first refusal, or other similar right to acquire all or any portion of the Property; provided, however, that to the extent that Borrower enters into a Renewal Lease with FFIC, such Renewal Lease may contain the same right of first refusal appearing in the FFIC Lease, (vi) has a base term of less than fifteen (15) years including options to renew, (vii) has no rent credits, free rents or concessions granted thereunder not consistent with local market rates and terms, and (viii) is written on the standard form of lease approved by Lender, which approval shall not be unreasonably withheld, conditioned or delayed. All proposed Leases which do not satisfy the requirements set forth in this subsection shall be subject to the prior approval of Lender and its counsel, at Borrower's expense. Borrower shall promptly deliver to Lender copies of all Leases which are entered into pursuant to this subsection together with Borrower's certification that it has satisfied all of the conditions of this Section.

(b) Borrower (i) shall observe and perform all the obligations imposed upon the landlord under the Leases and shall not do or permit to be done anything to impair the value of any of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Borrower shall send or receive thereunder; (iii) shall enforce all of the material terms, covenants and conditions contained in the Leases upon the

part of the tenant thereunder to be observed or performed; (iv) shall not collect any of the Rents more than one (1) month in advance (except security deposits shall not be deemed Rents collected in advance); (v) shall not execute any other assignment of the landlord's interest in any of the Leases or the Rents; and (vi) shall not consent to any assignment of or subletting under any Leases not in accordance with their terms, without the prior written consent of Lender.

(c) Borrower may, without the prior written consent of Lender, amend, modify or waive the provisions of any Lease or terminate, reduce Rents under, accept a surrender of space under, or shorten the term of, any Lease (including any guaranty, letter of credit or other credit support with respect thereto) provided that such action (taking into account, in the case of a termination, reduction in rent, surrender of space or shortening of term, the planned alternative use of the affected space) does not have a materially adverse effect on the value of the Property taken as a whole, and provided that such Lease, as amended, modified or waived, is otherwise in compliance with the requirements of this Agreement and any subordination agreement binding upon Lender with respect to such Lease. A termination of a Lease with a tenant who is in default beyond applicable notice and grace periods shall not be considered an action which has a materially adverse effect on the value of the Property taken as a whole. Any amendment, modification, waiver, termination, rent reduction, space surrender or term shortening which does not satisfy the requirements set forth in this subsection shall be subject to the prior approval of Lender (not to be unreasonably withheld or delayed) and its counsel, at Borrower's expense. Borrower shall promptly deliver to Lender copies of amendments, modifications and waivers which are entered into pursuant to this subsection together with Borrower's certification that it has satisfied all of the conditions of this subsection.

(d) Notwithstanding anything contained herein to the contrary, Borrower shall not, without the prior written consent of Lender, enter into, renew, extend, amend, modify, waive any material provisions of, terminate, reduce Rents under, accept a surrender of space under, or shorten the term of any Major Lease (other than extensions and renewals pursuant to options set forth in such Major Lease).

Section 5.14. Property Management.

(a) In the event that the FFIC Lease is no longer in full force and effect, the Property shall be managed by a Qualified Manager pursuant to a Management Agreement.

(b) Borrower shall (i) promptly perform and observe all of the covenants required to be performed and observed by it under the Management Agreement and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any default under the Management Agreement of which it is aware; (iii) promptly deliver to Lender a copy of any notice of default or other material notice received by Borrower under the Management Agreement; (iv) promptly give notice to Lender of any notice or information that Borrower receives which indicates that the Manager is terminating the Management Agreement or that the Manager is otherwise discontinuing its management of the Property; and (v) promptly enforce the performance and observance of all of the covenants required to be performed and observed by Manager under the Management Agreement. Notwithstanding the foregoing, Borrower shall not be permitted to pay the Manager a management fee in excess of five percent (5%) of the gross revenues of the Property under the Management Agreement for the Property, unless and until Borrower has

paid to Lender all amounts then due and owing by Borrower under the Loan Documents. Borrower shall execute and deliver to Lender an Assignment of Management Agreement simultaneously with the execution of any Management Agreement, and to the extent that any Manager under any Management Agreement is an Affiliated Manager, Borrower shall deliver to Lender a revised substantive non-consolidation opinion with respect to such Affiliated Manager.

(c) If at any time, (i) Manager shall become insolvent or a debtor in a bankruptcy proceeding; (ii) an Event of Default has occurred and is continuing and Lender has accelerated the Debt; or (iii) a default by Manager has occurred and is continuing under the Management Agreement beyond any notice and cure period provided in the Management Agreement, Borrower shall, at the request of Lender, terminate the Management Agreement upon thirty (30) days prior notice to Manager and replace Manager with a Qualified Manager approved by Lender on terms and conditions satisfactory to Lender, it being understood and agreed that the management fee for such replacement manager shall not exceed then prevailing market rates.

(d) (intentionally deleted).

(e) Borrower shall not, without the prior written consent of Lender (which consent shall not be unreasonably withheld, conditioned or delayed): (i) surrender, terminate or cancel the Management Agreement or otherwise replace Manager or enter into any other management agreement with respect to the Property; (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; or (iv) otherwise modify, change, supplement, alter or amend, or waive or release any of its rights and remedies under, the Management Agreement in any material respect. In the event that Borrower engages or replaces Manager at any time during the term of Loan pursuant to this subsection, such Manager shall be a Qualified Manager.

Section 5.15. Liens.

Subject to Borrower's right to contest same pursuant to the terms of the Mortgage, Borrower shall not, without the prior written consent of Lender, create, incur, assume or suffer to exist any Lien on any portion of the Property or permit any such action to be taken, except Permitted Encumbrances.

Section 5.16. Debt Cancellation.

Borrower shall not cancel or otherwise forgive or release any claim or debt (other than termination of Leases in accordance herewith) owed to Borrower by any Person, except for adequate consideration and in the ordinary course of Borrower's business.

Section 5.17. Zoning.

Borrower shall not initiate or consent to any zoning reclassification of any portion of the Property or seek any variance under any existing zoning ordinance or use or permit the use of any portion of the Property in any manner that could result in such use becoming a non- conforming use under any zoning ordinance or any other applicable land use law, rule or regulation, without the prior written consent of Lender.

Section 5.18. ERISA.

(a) Borrower shall not engage in any transaction which would cause any obligation, or action taken or to be taken, hereunder (or the exercise by Lender of any of its rights under the Note, this Agreement or the other Loan Documents) to be a non-exempt (under a statutory or administrative class exemption) prohibited transaction under ERISA.

(b) Borrower further covenants and agrees to deliver to Lender such certifications or other evidence from time to time throughout the term of the Loan, as requested by Lender in its sole discretion, that (i) Borrower is not and does not maintain an "employee benefit plan" as defined in Section 3(3) of ERISA, which is subject to Title I of ERISA, or a "governmental plan" within the meaning of Section 3(3) of ERISA; (ii) Borrower is not subject to state statutes regulating investments and fiduciary obligations with respect to governmental plans; and (iii) one or more of the following circumstances is true:

(A) Equity interests in Borrower are publicly offered securities, within the meaning of 29 C.F.R. §2510.3-101(b)(2);

(B) Less than twenty-five percent (25%) of each outstanding class of equity interests in Borrower are held by "benefit plan investors" within the meaning of 29 C.F.R. §2510.3-101(f)(2); or

(C) Borrower qualifies as an "operating company" or a "real estate operating company" within the meaning of 29 C.F.R. §2510.3-101(c) or (e).

Section 5.19. No Joint Assessment.

Borrower shall not suffer, permit or initiate the joint assessment of the Property with (a) any other real property constituting a tax lot separate from the Property, or (b) any portion of the Property which may be deemed to constitute personal property, or any other procedure whereby the Lien of any taxes which may be levied against such personal property shall be assessed or levied or charged to the Property.

Section 5.20. Reciprocal Easement Agreements.

Borrower shall not enter into, terminate or modify any REA without Lender's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Borrower shall enforce, comply with, and cause each of the parties to the REA to comply with all of the material economic terms and conditions contained in the REA.

Section 5.21. Alterations.

Lender's prior approval shall be required in connection with any alterations to any Improvements, exclusive of alterations to tenant spaces required under any Lease, (a) that may have a material adverse effect on the Property, (b) that are structural in nature or (c) that, together with any other alterations undertaken at the same time (including any related alterations, improvements or replacements), are reasonably anticipated to have a cost in excess of the Alteration Threshold. If the total unpaid amounts incurred and to be incurred with respect to such alterations to the Improvements shall at any time exceed the Alteration Threshold, Borrower shall promptly deliver to Lender as security for the payment of such amounts and as additional security for Borrower's obligations under the Loan Documents any of the following: (i) cash, (ii) direct non-callable obligations of the United States of America

or other obligations which are "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, to the extent acceptable to the applicable Rating Agencies, (iii) other securities acceptable to Lender and the Rating Agencies, or (iv) a completion bond, provided that such completion bond is acceptable to the Lender and the Rating Agencies. Such security shall be in an amount equal to the excess of the total unpaid amounts incurred and to be incurred with respect to such alterations to the Improvements over the Alteration Threshold.

(c) In the event Borrower is a single member Delaware limited liability company, the limited liability company agreement of Borrower (the "**LLC Agreement**") shall provide that (i) upon the occurrence of any event that causes the sole member of Borrower ("**Member**") to cease to be the member of Borrower (other than (A) upon an assignment by Member of all of its limited liability company interest in Borrower and the admission of the transferee in accordance with the Loan Documents and the LLC Agreement, or (B) the resignation of Member and the admission of an additional member of Borrower in accordance with the terms of the Loan Documents and the LLC Agreement), any person acting as Independent Director of Borrower shall, without any action of any other Person and simultaneously with the Member ceasing to be the member of Borrower, automatically be admitted to Borrower ("**Special Member**") and shall continue Borrower without dissolution and (ii) Special Member may not resign from Borrower or transfer its rights as Special Member unless (A) a successor Special Member has been admitted to Borrower as Special Member in accordance with requirements of Delaware law and (B) such successor Special Member has also accepted its appointment as an Independent Director. In order to implement the admission to Borrower of Special Member, Special Member shall execute a counterpart to the LLC Agreement. Prior to its admission to Borrower as Special Member, Special Member shall not be a member of Borrower.

Upon the occurrence of any event that causes the Member to cease to be a member of Borrower, to the fullest extent permitted by law, the personal representative of Member shall, within ninety (90) days after the occurrence of the event that terminated the continued membership of Member in Borrower, agree in writing (i) to continue Borrower and (ii) to the admission of the personal representative or its nominee or designee, as the case may be, as a substitute member of Borrower, effective as of the occurrence of the event that terminated the continued membership of Member of Borrower in Borrower. Any action initiated by or brought against Member or Special Member under any Creditors Rights Laws shall not cause Member or Special Member to cease to be a member of Borrower and upon the occurrence of such an event, the business of Borrower shall continue without dissolution. The LLC Agreement shall provide that each of Member and Special Member waives any right it might have to agree in writing to dissolve Borrower upon the occurrence of any action initiated by or brought against Member or Special Member under any Creditors Rights Laws, or the occurrence of an event that causes Member or Special Member to cease to be a member of Borrower.

Section 6.2. Change of Name, Identity or Structure.

Borrower shall not change or permit to be changed (a) Borrower's name, (b) Borrower's identity (including its trade name or names), (c) Borrower's principal place of business set forth on the first page of this Agreement, (d) the corporate, partnership or other organizational structure of Borrower, the sole member of Borrower, or Borrower Principal, (e) Borrower's state of organization, or (f) Borrower's organizational identification number, without in each case notifying Lender of such change in writing at least thirty (30) days prior to the effective date of such change and, in the case of a change in Borrower's structure, without first obtaining the prior written consent of Lender. In addition, Borrower shall not change or permit to be changed any organizational documents of Borrower or the sole member of Borrower if such change would adversely impact the covenants set forth in Section 6.1 and Section 6.4 hereof. Borrower authorizes Lender to file any financing statement or financing statement amendment required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Lender, Borrower shall execute a certificate in form satisfactory to Lender listing the trade names under which Borrower intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property. If Borrower does not now have an organizational identification number and later obtains one, or if the organizational identification number assigned to Borrower subsequently changes, Borrower shall promptly notify Lender of such organizational identification number or change.

Section 6.3. Business and Operations.

Borrower will qualify to do business and will remain in good standing under the laws of the State as and to the extent the same are required for the ownership, maintenance, management and operation of the Property.

Section 6.4. Independent Director.

(a) The organizational documents of Borrower shall provide that at all times there shall be, and Borrower shall cause there to be, at least two duly appointed members of the board of directors (each an "**Independent Director**") of Borrower reasonably satisfactory to Lender each of whom are not at the time of such individual's initial appointment, and shall not have been at any time during the preceding five (5) years, and shall not be at any time while serving as a manager of Borrower, either (i) a shareholder (or other equity owner) of, or an officer, director, partner, manager, member (other than as a Special Member in the case of single member Delaware limited liability companies), employee, attorney or counsel of, Borrower, the sole member of Borrower or any of their respective shareholders, partners, members, subsidiaries or affiliates; (ii) a customer or creditor of, or supplier to, Borrower or any of its respective shareholders, partners, members, subsidiaries or affiliates who derives any of its purchases or revenue from its activities with Borrower or the sole member of Borrower or any Affiliate of any of them; (iii) a Person who Controls or is under common Control with any such shareholder, officer, director, partner, manager, member, employee, supplier, creditor or customer; or (iv) a member of the immediate family of any such shareholder, officer, director, partner, manager, member, employee, supplier, creditor or customer.

(b) The organizational documents of Borrower shall provide that the board of directors of Borrower shall not take any action which, under the terms of any certificate of incorporation, by-laws or equivalent organizational documents, as applicable, or any voting trust agreement with respect to any common stock, requires an unanimous vote of the board of directors of Borrower unless at the time of such action there shall be at least two members of the board of directors who are Independent Directors. Borrower will not, without the unanimous written consent of its board of managers including each Independent Director, (i) file or consent to the filing of any petition, either voluntary or involuntary, to take advantage of any applicable Creditors Rights Laws; (ii) seek or consent to the appointment of a receiver, liquidator or any similar official; (iii) take any action that might cause such entity to become insolvent; or (iv) make an assignment for the benefit of creditors.

Section 7.2. No Sale/Encumbrance.

(a) Borrower shall not cause or permit a Sale or Pledge of the Property or any part thereof or any legal or beneficial interest therein nor permit a Sale or Pledge of an interest in any Restricted Party (in each case, a "**Prohibited Transfer**"), other than pursuant to Leases of space in the Improvements to Tenants in accordance with the provisions of Section 5.13, without the prior written consent of Lender.

(b) A Prohibited Transfer shall include, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to any Leases or any Rents; (iii) if a Restricted Party is a corporation, any merger, consolidation or Sale or Pledge of such corporation's stock or the creation or issuance of new stock in one or a series of transactions; (iv) if a Restricted Party is a limited or general partnership or joint venture, any merger or consolidation or the change, removal, resignation or addition of a general partner or the Sale or Pledge of the partnership interest of any general or limited partner or any profits or proceeds relating to such partnership interests or the creation or issuance of new partnership interests; (v) if a Restricted Party is a limited liability company, any merger or consolidation or the change, removal, resignation or addition of a managing member or non-member manager (or if no managing member, any member) or the Sale or Pledge of the membership interest of any member or any profits or proceeds relating to such membership interest; (vi) if a Restricted Party is a trust or nominee trust, any merger, consolidation or the Sale or Pledge of the legal or beneficial interest in a Restricted Party or the creation or issuance of new legal or beneficial interests; or (vii) the removal or the resignation of Manager (including, without limitation, an Affiliated Manager) other than in accordance with Section 5.14.

Section 7.3. Permitted Transfers.

(a) Notwithstanding the provisions of Section 7.2 hereof, Lender's prior written consent shall not be required (nor shall an processing fee or assumption fee be payable) with respect to (i) transfers of direct or indirect ownership interests in Borrower, provided that (A) no default under the Loan Documents shall exist, (B) Lender shall have received thirty (30) days prior written notice of such transfer (unless such transfer results from devise, descent or operation of law upon the death or demise of a direct or indirect holder of ownership interests in Borrower), (C) after taking into account all prior transfers that occur hereunder, no such transfer shall pertain to more than 49% of the direct and/or indirect ownership interests in Borrower or result in the proposed transferee owning, directly and/or indirectly, more than 49% of the ownership interests in Borrower (except with respect to transfers to an Affiliate which was included in the substantive non-consolidation opinion delivered to Lender at closing or for which a new acceptable substantive non-consolidation opinion has been delivered to Lender), (D) Lender shall have received evidence that the single-purpose, bankruptcy remote nature of Borrower shall remain in accordance with rating agency standards, (E) Borrower Principal shall, directly and/or indirectly, own at least a 5 1 % interest in Borrower and Control Borrower and (F) the Property shall continue to be managed by a Qualified Manager and (ii) the (A) transfer by any shareholder of its shares in AFRT or the causing or permitting of its interest in AFRT to be redeemed or (B) transfer by any limited partner of Borrower Principal of its limited partnership interest in Borrower Principal or causing or permitting of its limited partnership interest in Borrower Principal to

be redeemed, in each case provided that the common shares of AFRT remain traded on the New York Stock Exchange and that any such transfer or redemption in connection with a merger, consolidation or reorganization of AFRT or Borrower Principal where AFRT or Borrower Principal will not be the surviving entity shall be subject to Section 7.3(b) hereof.

(b) Any transfer of the direct and/or indirect interests in Borrower, Borrower Principal or AFRT other than as permitted above shall require the consent of Lender, which may be granted in its sole and absolute discretion; provided, that in the event that all or any portion of the Debt is subject to a Securitization, Lender's consent shall not be required in connection with a merger, consolidation or reorganization of AFRT or Borrower Principal where AFRT or Borrower Principal shall not be the surviving entity, if (i) Borrower shall have delivered to Lender an additional substantive, non-consolidation opinion in form and substance satisfactory to Lender and (ii) either (A) Lender shall have received written confirmation from each of the Rating Agencies that the transfer shall not result in any adverse ratings affect upon any certificates issued or to be issued in connection with a Securitization or (B) the surviving party following such merger, consolidation or reorganization (1) has a net worth of $500,000,000 or more (exclusive of the Property), (2) has total assets of $1,500,000,000 or more (exclusive of the Property) and (3) has a substantial portion of its business involving the ownership and operation of institutional office and related properties, as reasonably determined by Lender and the Rating Agencies.

Section 7.4. Lender's Rights.

Lender reserves the right to condition the consent to a Prohibited Transfer requested hereunder upon (a) a modification of the terms hereof and an assumption of the Note and the other Loan Documents as so modified by the proposed Prohibited Transfer, (b) receipt of payment of a transfer fee equal to one half percent (0.5%) of the outstanding principal balance of the Loan and all of Lender's expenses incurred in connection with such Prohibited Transfer, (c) receipt of written confirmation from the Rating Agencies that the Prohibited Transfer will not result in a downgrade, withdrawal or qualification of the initial, or if higher, then current ratings issued in connection with a Securitization, or if a Securitization has not occurred, any ratings to be assigned in connection with a Securitization, (d) the proposed transferee's continued compliance with the covenants set forth in this Agreement (including, without limitation, the covenants in Article 6) and the other Loan Documents, (e) if following such Prohibited Transfer the property manager that is managing the Property prior to such Prohibited Transfer will not continue to be the property manager of the Property, a new manager for the Property and a new management agreement satisfactory to Lender, and (f) the satisfaction of such other conditions and/or legal opinions as Lender shall determine in its sole discretion to be in the interest of Lender. All expenses incurred by Lender shall be payable by Borrower whether or not Lender consents to the Prohibited Transfer. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Prohibited Transfer made without Lender's consent. This provision shall apply to each and every Prohibited Transfer, whether or not Lender has consented to any previous Prohibited Transfer. In the event an opinion letter pertaining to substantive consolidation was delivered to Lender and the Rating Agencies in connection with the closing of the Loan, and if any Sale or Pledge permitted under this Article 7 results in any Person and its Affiliates owning in excess of forty-nine percent (49%) of the ownership interests in a Restricted Party, Borrower shall, prior to such transfer, and in addition to any other requirement for Lender consent contained herein, deliver a revised opinion letter

pertaining to substantive consolidation to Lender reflecting such Prohibited Transfer, which opinion shall be in form, scope and substance acceptable in all respects to Lender and the Rating Agencies.

Section 7.5. Assumption.

(a) Notwithstanding the foregoing provisions of this Article 7, following the date which is six (6) months from the Closing Date, Lender shall not unreasonably withhold consent to a transfer of the Property in its entirety to, and the related assumption of the Loan by, any Person (a "**Transferee**") provided that each of the following terms and conditions are satisfied:

(i) no Default or Event of Default has occurred and is continuing;

(ii) Borrower shall have (A) delivered written notice to Lender of the terms of such prospective transfer not less than forty- five (45) days before the date on which such transfer is scheduled to close and, concurrently therewith, at Borrower's expense, all such information concerning the proposed Transferee as Lender shall reasonably require, including, without limitation, (1) acceptable credit and financial information about the proposed Transferee and the ownership of such Transferee and (2) evidence that the Property shall continue to be managed by a Qualified Manager and (B) concurrently with the delivery of such notice, paid to Lender a non-refundable processing fee in the amount of $15,000.00. Lender shall have the right to approve or disapprove the proposed transfer based on its then current underwriting and credit requirements for similar loans secured by similar properties which loans are sold in the secondary market, such approval not to be unreasonably withheld, conditioned or delayed. In determining whether to give or withhold its approval of the proposed transfer, Lender shall consider the experience and track record of Transferee and its principals in owning and operating facilities similar to the Property, the financial strength of Transferee and its principals, the general business standing of Transferee and its principals and Transferee's and its principals' relationships and experience with contractors, vendors, tenants, lenders and other business entities; provided, however, that, notwithstanding Lender's agreement to consider the foregoing factors in determining whether to give or withhold such approval, such approval shall be given or withheld based on what Lender determines to be commercially reasonable and, if given, may be given subject to such conditions as Lender may deem reasonably appropriate;

(iii) Borrower shall have paid to Lender, (A) upon assumption approval, a non refundable assumption fee in an amount equal to one half percent (0.5 %) of the then outstanding principal balance of the Note, and (B) concurrently with the closing of such transfer, all reasonable out-of-pocket costs and expenses, including reasonable attorneys' fees, incurred by Lender in connection with the transfer;

(iv) (A) Transferee shall have assumed and agreed to pay the Debt as and when due subject to the provisions of Article 15 hereof and, prior to or concurrently with the closing of such transfer, Transferee and its constituent partners, members or shareholders as Lender may require, shall have executed, without any cost or expense to Lender, such documents, certificates and agreements as Lender shall reasonably require to evidence and effectuate said assumption and (B) if required by Lender, a Person affiliated with Transferee and acceptable to Lender shall have assumed the

obligations of Borrower Principal under the Loan Documents with respect to all acts and events occurring or arising after the transfer of the Property pursuant to this Section 7.5;

(v) Borrower and Transferee, without any cost to Lender, shall furnish any information requested by Lender for the preparation of, and shall authorize Lender to file, new financing statements and financing statement amendments and other documents to the fullest extent permitted by applicable law, and shall execute any additional documents reasonably requested by Lender;

(vi) Borrower shall have delivered to Lender, without any cost or expense to Lender, such endorsements to Lender's Title Insurance Policy insuring that fee simple or leasehold title to the Property, as applicable, is vested in Transferee (subject to Permitted Encumbrances), hazard insurance endorsements or certificates and other similar materials as Lender may deem necessary at the time of the transfer, all in form and substance satisfactory to Lender;

(vii) Transferee shall have furnished to Lender, if Transferee is a corporation, partnership, limited liability company or other entity, all appropriate papers evidencing Transferee's organization and good standing, and the qualification of the signers to execute the assumption of the Debt, which papers shall include certified copies of all documents relating to the organization and formation of Transferee and of the entities, if any, which are partners or members of Transferee. Transferee and such constituent partners, members or shareholders of Transferee (as the case may be), as Lender shall require, shall comply with the covenants set forth in Article 6 hereof;

(viii) Transferee shall assume the obligations of Borrower under any Management Agreement or provide a new management agreement with a new manager which meets with the requirements of Section 5.14 hereof and shall assign to Lender as additional security such new management agreement;

(ix) Transferee shall furnish an opinion of counsel satisfactory to Lender and its counsel (A) that Transferee's formation documents provide for the matters described in subparagraph (vii) above, (B) that the assumption of the Debt has been duly authorized, executed and delivered, and that the Note, the Mortgage, this Agreement, the assumption agreement and the other Loan Documents are valid, binding and enforceable against Transferee in accordance with their terms, (C) that Transferee and any entity which is a controlling stockholder, member or general partner of Transferee, have been duly organized, and are in existence and good standing, and (D) with respect to such other matters as Lender may reasonably request;

(x) Lender shall have received confirmation in writing from each of the Rating Agencies that rate the Securities to the effect that the transfer will not result in a qualification, downgrade or withdrawal of any rating initially assigned or to be assigned to the Securities;

(xi) Borrower's obligations under the contract of sale pursuant to which the transfer is proposed to occur shall expressly be subject to the satisfaction of the terms and conditions of this Section 7.5; and

(xii) Transferee shall, prior to such transfer, deliver a substantive non-consolidation opinion to Lender, which opinion shall be in form, scope and substance acceptable in all respects to Lender and the Rating Agencies;

Notwithstanding the foregoing provisions of this Section 7.5(a), in no event shall Lender consent to any transfer or assumption occurring prior to the end of the twelfth (12th) full calendar month following the Closing Date, if the consideration to be paid to Borrower by the proposed Transferee, as determined by Lender, is less than the appraised value of the Property, as determined in connection with Lender's underwriting of the Loan.

(b) Notwithstanding the foregoing provisions of this Article 7, including subsection (a) above, in connection with a one-time transfer of the Property to, and the simultaneous assumption of the Debt by, an entity meeting the requirements of Article 6 hereof and wholly owned and controlled by a Permitted Transferee, Lender's consent shall not be required in connection therewith; provided, however, that (i) no default under the Loan Documents shall have occurred and be continuing, (ii) Borrower shall have paid all reasonable out-of-pocket costs and expenses incurred by Lender in connection with the transfer and assumption (such amounts shall not include the assumption fee under Section 7.5(a)(iii) hereof), (iii) Lender shall have received such documents, certificates and legal opinions as it may reasonably request, including, without limitation, an acceptable substantive non-consolidation opinion, and (iv) the Property shall continue to be managed by a Qualified Manager reasonably acceptable to Lender and acceptable to the Rating Agencies.

(c) A consent by Lender with respect to a transfer of the Property in its entirety to, and the related assumption of the Loan by, a Transferee pursuant to this Section 7.5 shall not be construed to be a waiver of the right of Lender to consent to any subsequent Sale or Pledge of the Property. Upon the transfer of the Property pursuant to this Section 7.5, Borrower and Borrower Principal shall be relieved of all liability under the Loan Documents for acts, events, conditions, or circumstances occurring or arising after the date of such transfer, except to the extent that such acts, events, conditions, or circumstances are the proximate result of acts, events, conditions, or circumstances that existed prior to the date of such transfer, whether or not discovered prior or subsequent to the date of such transfer.

ARTICLE 8
INSURANCE; CASUALTY; CONDEMNATION; RESTORATION

Section 8.1. Insurance.

(a) Borrower shall obtain and maintain, or cause to be maintained, at all times insurance for Borrower and the Property providing at least the following coverages:

(i) comprehensive "special causes of loss" form of insurance (or its equivalent) on the Improvements and the Personal Property (A) in an amount equal to not less than one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings); (B) written on a replacement cost basis and containing either an agreed amount endorsement with respect to the Improvements and Personal Property or a waiver of all co- insurance provisions; (C) providing for no deductible in excess of $10,000 for all such insurance coverage, except that the deductible for flood insurance may not exceed $50,000 and the deductible for earthquake insurance may not exceed $25,000; (D) at all times

insuring against at least those hazards that are commonly insured against under a "special causes of loss" form of policy, as the same shall exist on the date hereof, and together with any increase in the scope of coverage provided under such form after the date hereof; and (E) if any of the Improvements or the use of the Property shall at any time constitute legal non- conforming structures or uses, providing coverage for contingent liability from Operation of Building Laws, Demolition Costs and Increased Cost of Construction Endorsements and containing an "Ordinance or Law Coverage" or "Enforcement" endorsement. In addition, Borrower shall obtain: (y) if any portion of the Improvements is currently or at any time in the future located in a "special flood hazard area" designated by the Federal Emergency Management Agency, flood hazard insurance in an amount equal to the maximum amount of such insurance available under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended; and (z) earthquake insurance in amounts and in form and substance reasonably satisfactory to Lender, provided that the insurance pursuant to clauses (y) and (z) hereof shall be on terms consistent with the special causes of loss form required under this subsection (i);

(ii) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, with such insurance (A) to be on the so-called "occurrence" form with a general aggregate limit of not less than $2,000,000 and a per occurrence limit of not less than $1,000,000; (B) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; and (C) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations; (3) independent contractors; (4) blanket contractual liability; and (5) contractual liability covering the indemnities contained in Article 12 and Article 14 hereof to the extent the same is available;

(iii) loss of rents insurance or business income insurance, as applicable, (A) with loss payable to Lender; (B) covering all risks required to be covered by the insurance provided for in subsection (i) above; and (C) which provides that after the physical loss to the Improvements and Personal Property occurs, the loss of rents or income, as applicable, will be insured until completion of Restoration or the expiration of twenty-four (24) months, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period; and (D) which contains an extended period of indemnity endorsement which provides that after the physical loss to the Improvements and Personal Property has been repaired, the continued loss of income will be insured until such income either returns to the same level it was at prior to the loss, or the expiration of twelve (12) months from the date that the Property is repaired or replaced and operations are resumed, whichever first occurs, and notwithstanding that the policy may expire prior to the end of such period. The amount of such loss of rents or business income insurance, as applicable, shall be determined prior to the date hereof and at least once each year thereafter based on Borrower's reasonable estimate of the gross income from the Property for the succeeding period of coverage required above. All proceeds payable to Lender pursuant to this subsection shall be held by Lender and shall be applied to the obligations secured by the Loan Documents from time to time due and payable hereunder and under the Note; provided, however, that nothing herein contained shall

be deemed to relieve Borrower of its obligations to pay the obligations secured by the Loan Documents on the respective dates of payment provided for in the Note, this Agreement and the other Loan Documents except to the extent such amounts are actually paid out of the proceeds of such loss of rents or business income insurance, as applicable;

(iv) at all times during which structural construction, repairs or alterations are being made with respect to the Improvements, and only if the Property coverage form does not otherwise apply, (A) owner's contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in subsection (i) above written in a so-called Builder's Risk Completed Value form (1) on a non-reporting basis, (2) against "special causes of loss" insured against pursuant to subsection (i) above, (3) including permission to occupy the Property, and (4) with an agreed amount endorsement waiving co- insurance provisions;

(v) workers' compensation, subject to the statutory limits of the State, and employer's liability insurance in respect of any work or operations on or about the Property, or in connection with the Property or its operation (if applicable);

(vi) comprehensive boiler and machinery insurance, if applicable, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(vii) excess liability insurance in an amount not less than $50,000,000 per occurrence on terms consistent with the commercial general liability insurance required under subsection (ii) above; and

(viii) upon sixty (60) days' written notice, such other reasonable insurance and in such reasonable amounts as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around the region in which the Property is located, provided, however, such other insurance shall be limited to the maximum amount of coverage that Borrower can obtain by paying an annual premium that is twenty percent (20%) of the Borrower's premium for the insurance maintained pursuant to clauses (i) through (vii) above.

The Policies required to be maintained pursuant to clauses (i) through (viii) above shall not contain exclusions for acts of terrorism or similar acts of sabotage (with respect to either Certified Coverage or Non-Certified Coverage), but may exclude acts of war and nuclear, chemical and biological acts ("**Acts of Terror**"), or alternatively, Borrower shall have obtained and shall maintain throughout the term of Loan affirmative coverage thereunder insuring against Acts of Terror satisfactory to Lender in all respects and in the amounts and subject to the deductibles described in Sections 8.1(a)(i) and 8.1(a)(iii) above (the "**Terrorism Coverage**"). Notwithstanding anything to the contrary contained herein, (i) if, after the Closing Date and at the expiration of any applicable Policy, it is no longer customary for Qualified Insurers insuring properties similar to the Property to (1) exclude acts of war and/or nuclear, chemical and/or biological acts, the Borrower shall obtain and maintain Terrorism Coverage without each of such referenced exclusions which are no longer customarily excluded by such Qualified Insurers and (2) exclude Acts of Terror from such

Policies, then Borrower shall obtain and maintain said Policies without said exclusion and (ii) in the event that TRIA is no longer in effect, the Terrorism Coverage for acts similar to acts included within the Certified Coverage under TRIA shall be maintained in the amount of full replacement cost and business income as provided in this Section 8.1. Notwithstanding the requirement in this Section 8.1(a) for coverage against Acts of Terror for the full replacement cost and required business interruption amount, Borrower shall not be required to spend per annum more than 250% of the Agreed Terrorism Premium for such coverage.

(b) All insurance provided for in Section 8.1(a) shall be obtained under valid and enforceable policies (collectively, the "**Policies**" or in the singular, the "**Policy**"), and shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds. The Policies shall be issued by financially sound and responsible insurance companies authorized to do business in the State and meeting the following syndicate carrier ratings requirements: (i) if 5 or more members, (A) at least 60% of coverage (and 100% of first layer) shall be provided by carriers having a claims paying ability rating of "A" or better by two Rating Agencies (including S&P) and (B) of the remaining 40% of coverage, (1) 30% shall be provided by carriers having a claims paying ability rating of "BBB" or better by 2 Rating Agencies (including S&P) and (2) the bottom 10% shall be provided by carriers having a general policy rating of "A" or better and a financial class of "XII" or better by A.M. Best, or (ii) if 4 or fewer members, (A) at least 75% of coverage (and 100% of first layer) shall be provided by carriers having a claims paying ability rating of "A" or better by 2 Rating Agencies (including S&P) and (B) of the remaining 25% of coverage, (1) 15% shall be provided by carriers having a claims paying ability rating of "BBB" or better by 2 Rating Agencies (including S&P) and (2) the bottom 10% shall be provided by carriers having a general policy rating of "A" or better and a financial class of "XII" or better by A.M. Best. The Policies described in Section 8.1(a) and all insurance policies maintained by FFIC pursuant to the FFIC Lease shall designate Lender and its successors and assigns as additional insureds, mortgagees and/or loss payee as deemed appropriate by Lender. To the extent such Policies are not available as of the Closing Date, Borrower shall deliver to Lender prior to the Closing Date an Acord 28 or similar certificate of insurance evidencing the coverages and amounts required hereunder and, upon request of Lender as soon as available after the Closing Date, certified copies of all Policies. Not less than five (5) days prior to the expiration dates of any insurance coverage in place with respect to the Property, Borrower shall deliver to Lender an Acord 28 or similar certificate, accompanied by evidence satisfactory to Lender of payment of the premiums due in connection therewith (the "**Insurance Premiums**"), and, as soon as available thereafter, certified copies of all renewal Policies.

(c) Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 8.1(a).

(d) All Policies provided for or contemplated by Section 8.1(a), except for the Policy referenced in Section 8.1(a)(v), shall name Borrower as the insured and Lender as the additional insured, as its interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies provided for in Section 8.1(a) shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any Tenant or other occupant, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policies shall not be materially changed (other than to increase the coverage provided thereby) or canceled by the insurer without at least thirty (30) days' (ten (10) days' in the case of non-payment of premium) prior written notice to Lender and any other party named therein as an additional insured;

(iii) the issuers thereof shall give written notice to Lender if the Policies have not been renewed thirty (30) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is in receipt of written evidence that all insurance required hereunder is not in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, obtaining such insurance coverage as Lender in its sole discretion deems appropriate. All premiums incurred by Lender in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by Borrower to Lender upon demand and, until paid, shall be secured by the Mortgage and shall bear interest at the Default Rate.

(g) Notwithstanding the foregoing provisions of this Section 8.1, so long as (i) the FFIC Lease is in full force and effect with no material defaults existing thereunder and (ii) FFIC has elected to self- insure pursuant to the terms and provisions of the FFIC Lease and is in compliance therewith, Borrower shall not be required to procure and maintain the insurance coverage otherwise required pursuant to this Section 8.1.

Section 8.2. Casualty.

If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty (a "**Casualty**"), Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the Restoration of the Property in accordance with Section 8.4, provided that Lender makes any Net Proceeds available pursuant to Section 8.4. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. Lender may, but shall not be obligated to make proof of loss if not made promptly by Borrower. Borrower shall adjust all claims for Insurance Proceeds in consultation with, and approval of, Lender; provided, however, if an Event of Default has occurred and is continuing, Lender shall have the exclusive right to participate in the adjustment of all claims for Insurance Proceeds.

Section 8.3. Condemnation.

Borrower shall promptly give Lender notice of the actual or threatened commencement of any proceeding for the Condemnation of the Property of which Borrower has knowledge and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender may participate in any such proceedings, and Borrower shall from time to time deliver to Lender all instruments requested by it to permit such participation. Borrower shall, at its expense, diligently prosecute any such proceedings, and shall consult with Lender, its attorneys and experts, and cooperate with them in the carrying on or defense of any such proceedings. Notwithstanding any taking by any public or quasi-public authority through Condemnation or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Agreement and the Debt shall not be reduced until any Award shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the Award by the condemning authority but shall be entitled to receive out of the Award interest at the rate or rates provided herein or in the Note. If the Property or any portion thereof is taken by a condemning authority, Borrower shall promptly commence and diligently prosecute the Restoration of the Property and otherwise comply with the provisions of Section 8.4, provided that Lender makes any Net Proceeds available pursuant to Section 8.4. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the Award, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to receive the Award, or a portion thereof sufficient to pay the Debt.

Section 8.4. Restoration.

The following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds shall be less than $300,000 and the costs of completing the Restoration shall be less than $300,000, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that all of the conditions set forth in Section 8.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Agreement.

(b) If the Net Proceeds are equal to or greater than $300,000 or the costs of completing the Restoration are equal to or greater than $300,000, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Section 8.4. The term "**Net Proceeds**" for purposes of this Section 8.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Section 8.1(a)(i), (iv), (vi) and (viii) as a result of a Casualty, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same ("**Insurance Proceeds**"), or (ii) the net amount of the Award as a result of a Condemnation, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same ("**Condemnation Proceeds**"), whichever the case may be.

(i) Unless the terms of the FFIC Lease require that the Net Proceeds be used for the Restoration of the Property, the Net Proceeds shall be made available to Borrower for Restoration provided that each of the following conditions are met:

(A) no Event of Default shall have occurred and be continuing;

(B) (1) in the event the Net Proceeds are Insurance Proceeds, less than thirty percent (30%) of the total floor area of the Improvements on the Property has been damaged, destroyed or rendered unusable as a result of a Casualty and the amount of damage does not exceed thirty percent (30%) of the Property's fair market value immediately prior to the occurrence of such Casualty, or (2) in the event the Net Proceeds are Condemnation Proceeds, less than ten percent (10%) of the land constituting the Property is taken, such land is located along the perimeter or periphery of the Property, and less than fifteen percent (15%) of the aggregate floor area of the Improvements is taken and the taking does not exceed fifteen percent (15%) of the Property's fair market value immediately prior to the occurrence of such taking;

(C) Leases covering in the aggregate at least seventy-five percent (75%) of the total rentable space in the Property which has been demised under executed and delivered Leases in effect as of the date of the occurrence of such Casualty or Condemnation, whichever the case may be, and each Major Lease in effect as of such date shall remain in full force and effect during and after the completion of the Restoration without abatement of rent beyond the time required for Restoration;

(D) Borrower shall commence the Restoration as soon as reasonably practicable (but in no event later than ninety (90) days after such Casualty or Condemnation, whichever the case may be, occurs) and shall diligently pursue the same to satisfactory completion;

(E) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note, which will be incurred with respect to the Property as a result of the occurrence of any such Casualty or Condemnation, whichever the case may be, will be covered out of the insurance coverage referred to in Section 8.1(a)(iii) above;

(F) Lender shall be satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date, (2) the earliest date required for such completion under the terms of any Leases or material agreements affecting the Property, (3) such time as may be required under applicable zoning law, ordinance, rule or regulation, or (4) the expiration of the insurance coverage referred to in Section 8.1(a)(iii);

(G) the Property and the use thereof after the Restoration will be in compliance with and permitted under all Legal Requirements;

(H) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with all applicable Legal Requirements;

(I) such Casualty or Condemnation, as applicable, does not result in the loss of access to the Property or the Improvements;

(J) Borrower shall deliver, or cause to be delivered, to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, which budget shall be acceptable to Lender; and

(K) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable judgment to cover the cost of the Restoration.

(ii) The Net Proceeds shall be held by Lender until disbursements commence, and, until disbursed in accordance with the provisions of this Section 8.4, shall constitute additional security for the Debt and other obligations under the Loan Documents. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower from time to time during the course of the Restoration, upon receipt of evidence satisfactory to Lender that (A) all the conditions precedent to such advance, including those set forth in Section 8.4(b)(i), have been satisfied, (B) all materials installed and work and labor performed (except to the extent that they are to be paid for out of the requested disbursement) in connection with the related Restoration item have been paid for in full, and (C) there exist no notices of pendency, stop orders, mechanic's or materialman's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property which have not either been fully bonded to the satisfaction of Lender and discharged of record or in the alternative fully insured to the satisfaction of Lender by the title company issuing the Title Insurance Policy. Notwithstanding the foregoing, Business Interruption Proceeds shall be controlled by Lender at all times, shall not be subject to the provisions of this Section 8.4 and shall be used solely for the payment of the obligations under the Loan Documents, including the payment of Actual Operating Expenses

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "Restoration Consultant"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts in excess of $300,000 under which they have been engaged, shall be subject to prior review and acceptance by Lender and the Restoration Consultant. All costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration, including, without limitation, reasonable counsel fees and disbursements and the Restoration Consultant's fees, shall be paid by Borrower.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Restoration Consultant, minus the Restoration Retainage. The term "Restoration Retainage" shall mean an amount equal to ten percent (10%) of the costs actually incurred for work in place as part of the Restoration, as certified by the Restoration Consultant, until the

Restoration has been completed. The Restoration Retainage shall be reduced to five percent (5%) of the costs incurred upon receipt by Lender of satisfactory evidence that fifty percent (50%) of the Restoration has been completed. The Restoration Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Section 8.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Restoration Retainage shall not be released until the Restoration Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 8.4(b) and that all approvals necessary for the re-occupancy and use of the Property have been obtained from all appropriate Governmental Authorities, and Lender receives evidence satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Restoration Retainage; provided, however, that Lender will release the portion of the Restoration Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Restoration Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company issuing the Title Insurance Policy, and Lender receives an endorsement to the Title Insurance Policy insuring the continued priority of the lien of the Mortgage and evidence of payment of any premium payable for such endorsement. If required by Lender, the release of any such portion of the Restoration Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender in consultation with the Restoration Consultant, be sufficient to pay in full the balance of the costs which are estimated by the Restoration Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "Net Proceeds Deficiency") with Lender before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Section 8.4(b) shall constitute additional security for the Debt and other obligations under the Loan Documents.

(vii) The excess, if any, of the Net Proceeds and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Restoration Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Section 8.4(b), and the receipt by Lender of evidence satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under the Note, this Agreement or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Section 8.4(b)(vii) may (x) be retained and applied by Lender toward the payment of the Debt whether or not then due and payable in such order, priority and proportions as Lender in its sole discretion shall deem proper, or, (y) at the sole discretion of Lender, the same may be paid, either in whole or in part, to Borrower for such purposes and upon such conditions as Lender shall designate. If, pursuant to this Section 8.4, Lender shall receive and retain Net Proceeds, (i) the lien of the Mortgage shall be reduced only by the amount thereof received and retained by Lender and actually applied by Lender in reduction of the Debt; and (ii) notwithstanding any other provisions hereof, Borrower shall not be required to repair or restore the portion of the Property affected by such Casualty or Condemnation to the condition or character the Property was in immediately prior to such Casualty or Condemnation so long as no Event of Default exists, but Borrower shall be required to remove all debris with respect to the portion of the Property not required to be restored in a manner that is safe and is not dangerous to health or other property and is in compliance with all applicable laws.

(d) In the event of foreclosure of the Mortgage, or other transfer of title to the Property in extinguishment in whole or in part of the Debt, all right, title and interest of Borrower in and to the Policies then in force concerning the Property and all proceeds payable thereunder shall thereupon vest in the purchaser at such foreclosure, Lender or other transferee in the event of such other transfer of title.

ARTICLE 9
RESERVE FUNDS

Section 9.1. Required Repairs.

Borrower shall use its best efforts to cause FFIC to complete the repairs and improvements to the Property set forth on Schedule I and as more particularly described in the Property Condition Report prepared in connection with the closing of the Loan in a good and workmanlike manner on or before the date that is twelve (12) months from the date hereof.

Section 9.2. Replacements.

(a) On an ongoing basis throughout the term of the Loan, Borrower shall make, or shall cause FFIC to make, to the extent FFIC is required to do so under the FFIC Lease, capital repairs, replacements and improvements necessary to keep the Property in good order and repair and in a good marketable condition or prevent deterioration of the Property, including, but not limited to, those repairs, replacements and improvements more particularly described in (i) the Property Condition Report prepared in connection with the closing of the Loan and (ii) Schedule II attached hereto (collectively, the "**Replacements**"). Borrower shall complete, or shall cause FFIC to complete, to the extent FFIC is required to maintain the physical condition of the Property under the FFIC Lease, all Replacements in a good and workmanlike manner as soon as commercially reasonable after commencing to make each such Replacement.

(b) Borrower shall establish on the date hereof an Eligible Account with Lender or Lender's agent to fund the Replacements (the "**Replacement Reserve Account**") into which Borrower shall deposit $1,657.44 (the "**Replacement Reserve Monthly Deposit**") into the Replacement Reserve Account on each Scheduled Payment Date. Amounts so deposited shall hereinafter be referred to as "**Replacement Reserve Funds**." Lender may, in its reasonable discretion, adjust the Replacement Reserve Monthly Deposit from time to time to an amount sufficient to maintain the proper maintenance and operation of the Property. In the event Lender shall at any time increase the Replacement Reserve Monthly Deposit, Borrower may, at its election, request that Lender obtain, at the sole cost and expense of Borrower, a Property Condition Report prepared by an engineer selected by Lender in its reasonable discretion, in which case the Replacement Reserve Monthly Deposit shall be adjusted by Lender based on the results of such report, provided that in no event shall such amounts be reduced below the initial amount of the Replacement Reserve Monthly Deposit set forth in herein. Notwithstanding the foregoing, provided that (x) the FFIC Lease or Substitute Lease obligates FFIC or Substitute Tenant to maintain the physical condition of the Property in good and marketable condition and (y) the FFIC Lease or Substitute Lease remains in full force and effect with no material defaults thereunder, then Borrower shall not be required to make Replacement Reserve Monthly Deposits other than for those items that are not the responsibility of FFIC or Substitute Tenant under the FFIC Lease or the Substitute Lease, as applicable.

Section 9.3. Termination Fee Deposits.

Borrower shall deposit with Lender into an Eligible Account established with Lender or Lender's agent to fund Tenant Improvements and Leasing Commissions (the "**Leasing Reserve Account**") any sum or termination fee payable to Borrower in connection with any early termination option contained in its respective lease of space at the Property (the "**Termination Fee Deposit**") on the date of Borrower's receipt thereof. Amounts so deposited shall hereinafter be referred to as the "**Leasing Reserve Funds**."

Section 9.4. Required Work.

Borrower shall diligently pursue all Replacements (the "**Required Work**") to completion in accordance with the following requirements:

(a) Lender reserves the right, at its option, to approve all contracts or work orders with materialmen, mechanics, suppliers, subcontractors, contractors or other parties providing labor or materials in connection with the Required Work to the extent such contracts or work orders exceed $50,000. Upon Lender's request, Borrower shall assign any contract or subcontract to Lender.

(b) In the event Lender determines in its reasonable discretion that any Required Work is not being or has not been performed in a workmanlike or timely manner, and such failure continues for thirty (30) days after Borrower receives written notice from Lender, Lender shall have the option to withhold disbursement for such unsatisfactory Required Work and to proceed under existing contracts or to contract with third parties to complete such Required Work and to apply the Replacement Reserve Funds, as applicable, toward the labor and materials necessary to complete such Required Work, without providing any prior notice to Borrower and to exercise any and all other remedies available to Lender upon the occurrence and during the continuance of an Event of Default hereunder.

(c) In order to facilitate Lender's completion of the Required Work, Borrower grants Lender the right to enter onto the Property and perform any and all work and labor necessary to complete the Required Work and/or employ watchmen to protect the Property from damage. All sums so expended by Lender, to the extent not from the Reserve Funds, shall be deemed to have been advanced under the Loan to Borrower and secured by the Mortgage. For this purpose Borrower constitutes and appoints Lender its true and lawful attorney- in- fact with full power of substitution to complete or undertake the Required Work in the name of Borrower to the extent permitted pursuant to Section 9.4(b). Such power of attorney shall be deemed to be a power coupled with an interest and cannot be revoked. Borrower empowers said attorney- in- fact as follows: (i) to use any of the Reserve Funds for the purpose of making or completing the Required Work; (ii) to make such additions, changes and corrections to the Required Work as shall be necessary or desirable to complete the Required Work; (iii) to employ such contractors, subcontractors, agents, architects and inspectors as shall be required for such purposes; (iv) to pay, settle or compromise all existing bills and claims which are or may become Liens against the Property, or as may be necessary or desirable for the completion of the Required Work, or for clearance of title; (v) to execute all applications and certificates in the name of Borrower which may be required by any of the contract documents; (vi) to prosecute and defend all actions or proceedings in connection with the Property or the rehabilitation and repair of the Property; and (vii) to do any and every act which Borrower might do on its own behalf to fulfill the terms of this Agreement.

(d) Nothing in this Section 9.4 shall: (i) make Lender responsible for making or completing the Required Work; (ii) require Lender to expend funds in addition to the Reserve Funds to make or complete any Required Work; (iii) obligate Lender to proceed with the Required Work; or (iv) obligate Lender to demand from Borrower additional sums to make or complete any Required Work.

(e) Borrower shall permit Lender and Lender's agents and representatives (including, without limitation, Lender's engineer, architect, or inspector) or third parties performing Required Work pursuant to this Section 9.4 to enter onto the Property during normal business hours (subject to the rights of tenants under their Leases) to inspect the progress of any Required Work and all materials being used in connection therewith, to examine all plans and shop drawings relating to such Required Work which are or may be kept at the Property, and to complete any Required Work made pursuant to this Section 9.4. Borrower shall cause all contractors and subcontractors to cooperate with Lender and Lender's representatives or such other persons described above in connection with inspections described in this Section 9.4 or the completion of Required Work pursuant to this Section 9.4.

(f) Lender may, to the extent any Required Work would reasonably require an inspection of the Property, inspect the Property at Borrower's expense prior to making a disbursement of the Reserve Funds in order to verify completion of the Required Work for which reimbursement is sought. Borrower shall pay Lender a reasonable inspection fee not exceeding $250.00 for each such inspection. Lender may require that such inspection be conducted by an appropriate independent qualified professional selected by Lender and/or may require a copy of a certificate of completion by an independent qualified professional acceptable to Lender prior to the disbursement of the Reserve Funds. Borrower shall pay the expense of the inspection as required hereunder, whether such inspection is conducted by Lender or by an independent qualified professional.

(g) The Required Work and all materials, equipment, fixtures, or any other item comprising a part of any Required Work shall be constructed, installed or completed, as applicable, free and clear of all mechanic's, materialman's or other Liens (except for Permitted Encumbrances).

(h) Before each disbursement of the Reserve Funds, Lender may require Borrower to provide Lender with a search of title to the Property effective to the date of the disbursement, which search shows that no mechanic's or materialmen's or other Liens of any nature have been placed against the Property since the date of recordation of the Mortgage and that title to the Property is free and clear of all Liens (except for Permitted Encumbrances).

(i) All Required Work shall comply with all Legal Requirements and applicable insurance requirements including, without limitation, applicable building codes, special use permits, environmental regulations, and requirements of insurance underwriters.

(j) Borrower hereby collaterally assigns to Lender all rights and claims Borrower may have against all Persons supplying labor or materials in connection with the Required Work; provided, however, that Lender may not pursue any such rights or claims unless an Event of Default has occurred and remains uncured.

Section 9.5. Release of Reserve Funds.

(a) Upon written request from Borrower and satisfaction of the requirements set forth in this Section 9.5, Lender shall disburse to Borrower amounts from (i) the Replacement Reserve Account to the extent necessary to reimburse Borrower for the actual costs of any approved Replacements, or (ii) the Leasing Reserve Account to the extent necessary to reimburse Borrower for the actual costs of Tenant Improvements and/or Leasing Commissions incurred in connection with Leases entered into in accordance with the Loan Documents or those Leases entered into with FFIC, provided that (A) such Leasing Commissions are reasonable and customary for properties similar to the Property and the portion of the Property leased for which such Leasing Commissions are due, and (B) the amount of such Leasing Commissions are determined pursuant to arm's- length transactions between Borrower and any leasing agent to which a Leasing Commission is due, and excluding any Leasing Commissions which shall be due any member, general partner or shareholder of Borrower or any affiliate of Borrower. Notwithstanding the preceding sentence, in no event shall Lender be required to (x) disburse funds from any of the Reserve Accounts if an Event of Default exists, or (y) disburse funds from the Replacement Reserve Account to reimburse Borrower for the costs of routine repairs or maintenance to the Property or for costs which are to be reimbursed from funds held for Tenant Improvements and Leasing Commissions.

(b) With each request for disbursement, Borrower shall certify in writing to Lender that all Required Work has been performed in accordance with all Legal Requirements and that all such Required Work has been completed lien free and paid for in full or will be paid for in full upon disbursement of the requested funds. In addition, each request for disbursement in excess of $50,000 shall be on a form provided or approved by Lender and shall (i) include copies of invoices for all items or materials purchased and all labor or services provided, (ii) specify (A) the Required Work for which the disbursement is requested, (B) the quantity and price of each item purchased, if the Required Work includes the purchase or replacement of specific items, (C) the price of all materials (grouped by type

or category) used in any Required Work other than the purchase or replacement of specific items, and (D) the cost of all contracted labor or other services applicable to each Required Work for which such request for disbursement is made, (iii) if requested by Lender, conditional lien waivers from each contractor, supplier, materialman, mechanic or subcontractor with respect to the completion of its work or delivery of its materials, and (iv) include, if such request for disbursement is in connection with Tenant Improvements, a certificate from the Tenant(s) for which the Tenant Improvements have been performed stating that such Tenant Improvements have been completed in a manner satisfactory and acceptable to such Tenant(s) and (unless disbursement is requested pursuant to Section 9.5(d)), such Tenant(s) has accepted the premises demised under the applicable Lease(s), and containing such other information as Lender may require, in form and substance reasonably satisfactory to Lender, and/or if such request for disbursement is in connection with Leasing Commissions, a certificate from the leasing agent that no further sums are due to it in connection with the applicable Lease]. Except as provided in Section 9.5(d), each request for disbursement shall be made only after completion of the Replacement or Tenant Improvement (or the portion thereof completed in accordance with Section 9.5(d)), or the full performance by the leasing agent of its obligations (in the case of Leasing Commissions), as applicable, for which disbursement is requested. Borrower shall provide Lender evidence satisfactory to Lender in its reasonable judgment of such completion or performance.

(c) Any lien waiver delivered hereunder shall conform to all Legal Requirements and shall cover all work performed and materials supplied (including equipment and fixtures) for the Property by that contractor, supplier, subcontractor, mechanic or materialman through the date covered by the current disbursement request. In the case of Leasing Commissions, payment shall be made to any leasing agent to which a Leasing Commission is due in the amount of invoices submitted by such leasing agent, provided all of the other conditions for disbursements for such Leasing Commissions are satisfied in the judgment of Lender.

(d) If (i) the cost of any item of Required Work exceeds $50,000, (ii) the contractor performing such Required Work requires periodic payments pursuant to terms of a written contract, and (iii) Lender has approved in writing in advance such periodic payments, a request for disbursement from the Reserve Accounts may be made after completion of a portion of the work under such contract, provided (A) such contract requires payment upon completion of such portion of work, (B) the materials for which the request is made are on site at the Property and are properly secured or have been installed in the Property, (C) all other conditions in this Agreement for disbursement have been satisfied, and (D) in the case of a Replacement, funds remaining in the Replacement Reserve Account are, in Lender’s judgment, sufficient to complete such Replacement and other Replacements when required.

(e) Borrower shall not make a request for, nor shall Lender have any obligation to make, any disbursement from any Reserve Account more frequently than once in any calendar month and (except in connection with the final disbursement) in any amount less than the lesser of (i) $10,000 or (ii) the total cost of the Required Work or Leasing Commission for which the disbursement is requested.

(f) Intentionally Omitted.

(g) In the event any Borrower requests a disbursement from the Replacement Reserve Account to pay for or to reimburse Borrower for the actual cost of labor or materials used in connection with repairs or improvements other than the

Replacements specified in the Property Condition Report prepared in connection with the closing of the Loan (an "Additional Replacement"), Borrower shall disclose in writing to Lender the reason why funds in the Replacement Reserve Account should be used to pay for such Additional Replacement. If Lender determines, in the exercise of Lender's reasonable judgment, that (i) such Additional Replacement is of the type intended to be covered by the Replacement Reserve Account, (ii) costs for such Additional Replacement are reasonable, (iii) the funds in the Replacement Reserve Account are sufficient to pay for such Additional Replacement and all other Replacements for the Property specified in the Property Condition Report, and (iv) all other conditions for disbursement under this Agreement have been met, Lender may disburse funds from the Replacement Reserve Account.

(h) Lender's disbursement of any Reserve Funds or other acknowledgment of completion of any Required Work in a manner satisfactory to Lender shall not be deemed a certification or warranty by Lender to any Person that the Required Work has been completed in accordance with Legal Requirements.

(i) If the funds in any Reserve Account should exceed the amount of payments actually applied by Lender for the purposes of the account, Lender in its sole discretion shall either return any excess to Borrower or credit such excess against future payments to be made to that Reserve Account. If at any time Lender reasonably determines that the Reserve Funds are not or will not be sufficient to make the required payments, Lender shall notify Borrower of such determination and Borrower shall pay to Lender any amount necessary to make up the deficiency within ten (10) Business Days after notice from Lender to Borrower requesting payment thereof.

(j) The insufficiency of any balance in any of the Reserve Accounts shall not relieve Borrower from its obligation to fulfill all preservation and maintenance covenants in the Loan Documents.

(k) Intentionally Omitted.

(l) Upon payment in full of the Debt, Lender shall return all amounts remaining on deposit, if any, in the Replacement Reserve Account, if any, to Borrower or the Person shown on Lender's records as being the owner of the Property and no other party shall have any right or claim thereto.

(m) Upon the earlier to occur of (i) the completion of all Tenant Improvements and the full performance by the leasing agent of its obligations with respect to any Leasing Commissions, as verified by Lender in its reasonable discretion, or (ii) the payment in full of the Debt, all amounts remaining on deposit, if any, in the Leasing Reserve Account shall be returned to Borrower or the Person shown on Lender's records as being the owner of the Property and no other party shall have any right or claim thereto.

Section 9.6. Tax and Insurance Reserve Funds.

(a) Borrower shall establish on the date hereof an Eligible Account with Lender or Lender's agent sufficient to discharge Borrower's obligations for the payment of Taxes and Insurance Premiums pursuant to Section 5.4 and Section 8.1 hereof (the "**Tax and Insurance Reserve Account**") into which Borrower shall deposit on each Scheduled Payment Date (a) one-twelfth of the Taxes that Lender estimates will be payable during the next ensuing twelve (12) months or such higher amount necessary to accumulate with Lender

sufficient funds to pay all such Taxes at least thirty (30) days prior to the earlier of (i) the date that the same will become delinquent and (ii) the date that additional charges or interest will accrue due to the non-payment thereof, and (b) except to the extent Lender has waived the insurance escrow because the insurance required hereunder is maintained under a blanket insurance Policy acceptable to Lender in accordance with Section 8.1(c), one-twelfth of the Insurance Premiums that Lender estimates will be payable during the next ensuing twelve (12) months for the renewal of the coverage afforded by the Policies upon the expiration thereof or such higher amount necessary to accumulate with Lender sufficient funds to pay all such Insurance Premiums at least thirty (30) days prior to the expiration of the Policies (said amounts in (a) and (b) above hereinafter called the "**Tax and Insurance Reserve Funds**"). Lender will apply the Tax and Insurance Reserve Funds to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Section 5.4 and Section 8.1 hereof. In making any disbursement from the Tax and Insurance Reserve Account, Lender may do so according to any bill, statement or estimate procured from the appropriate public office or tax lien service (with respect to Taxes) or insurer or agent (with respect to Insurance Premiums), without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof. If the amount of the Tax and Insurance Reserve Funds shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Section 5.4 and Section 8.1 hereof, Lender shall, in its sole discretion, return any excess to Borrower or credit such excess against future payments to be made to the Tax and Insurance Reserve Account. In allocating any such excess, Lender may deal with the person shown on Lender's records as being the owner of the Property. Upon payment in full of the Debt, lender shall return any amount remaining in the Tax and Insurance Reserve Account to Borrower or the person shown on Lender's records as being the owner of the Property and no other party shall have any right or claim thereto. If at any time Lender reasonably determines that the Tax and Insurance Reserve Funds are not or will not be sufficient to pay Taxes and Insurance Premiums by the dates set forth in (a) and (b) above, Lender shall notify Borrower of such determination and Borrower shall pay to Lender any amount necessary to make up the deficiency within ten (10) Business Days after notice from Lender to Borrower requesting payment thereof.

(b) Notwithstanding the foregoing, (i) for so long as (A) the FFIC Lease obligates FFIC to pay the real estate taxes directly to the governmental authority and (B) the FFIC Lease remains in full force and effect with no material defaults thereunder, then Borrower shall not be required to make reserve deposits for real estate taxes and (ii) for so long as (A) the FFIC Lease obligates FFIC to maintain and pay for acceptable insurance coverage directly to the applicable insurer (or FFIC is self-insuring pursuant to the FFIC Lease)) and (B) the FFIC Lease remains in full force and effect with no material defaults thereunder, then Borrower shall not be required to make reserve deposits for insurance premiums.

Section 9.7. Intentionally Omitted.

Section 9.8. Intentionally Omitted.

Section 9.9. Reserve Funds Generally.

(a) (i) Except for the Replacement Reserve Account, no earnings or interest on the Reserve Accounts shall be payable to Borrower. Neither Lender nor any loan servicer that at any time holds or maintains such non-interest-bearing Reserve Accounts shall have any obligation to keep or maintain such Reserve Accounts or any funds deposited

therein in interest-bearing accounts. If Lender or any such loan servicer elects in its sole and absolute discretion to keep or maintain any non-interest-bearing Reserve Account or any funds deposited therein in an interest-bearing account, the account shall be an Eligible Account and (A) such funds shall not be invested except in Permitted Investments, and (B) all interest earned or accrued thereon shall be for the account of and be retained by Lender or such loan servicer.

(ii) Funds deposited in the Replacement Reserve Account shall be held in an interest-bearing business savings account and interest shall be credited to Borrower. In no event shall Lender or any loan servicer that at any time holds or maintains the Replacement Reserve Account be required to select any particular interest-bearing account or the account that yields the highest rate of interest, provided that selection of the account shall be consistent with the general standards at the time being utilized by Lender or the loan servicer, as applicable, in establishing similar accounts for loans of comparable type. All such interest shall be and become part of the Replacement Reserve Account and shall be disbursed in accordance with Section 9.5 above; provided, however, that Lender may, at its election, retain any such interest for its own account during the occurrence and continuance of an Event of Default. Borrower agrees that it shall include all interest on Replacement Reserve Funds as the income of Borrower (and, if Borrower is a partnership or other pass-through entity, the partners, members or beneficiaries of Borrower, as the case may be), and shall be the owner of the Replacement Reserve Funds for federal and applicable state and local tax purposes, except to the extent that Lender retains any interest for its own account during the occurrence and continuance of an Event of Default as provided herein.

(b) Borrower grants to Lender a first-priority perfected security interest in, and assigns and pledges to Lender, each of the Reserve Accounts and any and all Reserve Funds now or hereafter deposited in the Reserve Accounts as additional security for payment of the Debt. Until expended or applied in accordance herewith, the Reserve Accounts and the Reserve Funds shall constitute additional security for the Debt. The provisions of this Section 9.9 are intended to give Lender or any subsequent holder of the Loan “control” of the Reserve Accounts within the meaning of the UCC.

(c) The Reserve Accounts and any and all Reserve Funds now or hereafter deposited in the Reserve Accounts shall be subject to the exclusive dominion and control of Lender, which shall hold the Reserve Accounts and any or all Reserve Funds now or hereafter deposited in the Reserve Accounts subject to the terms and conditions of this Agreement. Borrower shall have no right of withdrawal from the Reserve Accounts or any other right or power with respect to the Reserve Accounts or any or all of the Reserve Funds now or hereafter deposited in the Reserve Accounts, except as expressly provided in this Agreement.

(d) Lender shall furnish or cause to be furnished to Borrower, without charge, an annual accounting of each Reserve Account in the normal format of Lender or its loan servicer, showing credits and debits to such Reserve Account and the purpose for which each debit to each Reserve Account was made.

(e) As long as no Event of Default has occurred and is continuing, Lender shall make disbursements from the Reserve Accounts in accordance with this Agreement. All such disbursements shall be deemed to have been expressly pre-authorized by Borrower,

and shall not be deemed to constitute the exercise by Lender of any remedies against Borrower unless an Event of Default has occurred and is continuing and Lender has expressly stated in writing its intent to proceed to exercise its remedies as a secured party, pledgee or lienholder with respect to the Reserve Accounts.

(f) If any Event of Default occurs, Borrower shall immediately lose all of its rights to receive disbursements from the Reserve Accounts until the earlier to occur of (i) the date on which such Event of Default is cured to Lender's satisfaction, or (ii) the payment in full of the Debt. In addition, at Lender's election, Borrower shall lose all of its rights to receive interest on the Replacement Reserve Account during the occurrence and continuance of an Event of Default. Upon the occurrence and during the continuance of any Event of Default, Lender may exercise any or all of its rights and remedies as a secured party, pledgee and lienholder with respect to the Reserve Accounts. Without limitation of the foregoing, upon the occurrence and during the continuance of any Event of Default, Lender may use and disburse the Reserve Funds (or any portion thereof) for any of the following purposes: (A) repayment of the Debt, including, but not limited to, principal prepayments and the prepayment premium applicable to such full or partial prepayment (as applicable); (B) reimbursement of Lender for all losses, fees, costs and expenses (including, without limitation, reasonable legal fees) suffered or incurred by Lender as a result of such Event of Default; (C) payment of any amount expended in exercising any or all rights and remedies available to Lender at law or in equity or under this Agreement or under any of the other Loan Documents; (D) payment of any item from any of the Reserve Accounts as required or permitted under this Agreement; or (E) any other purpose permitted by applicable law; provided, however, that any such application of funds shall not cure or be deemed to cure any Event of Default. Without limiting any other provisions hereof, each of the remedial actions described in the immediately preceding sentence shall be deemed to be a commercially reasonable exercise of Lender's rights and remedies as a secured party with respect to the Reserve Funds and shall not in any event be deemed to constitute a setoff or a foreclosure of a statutory banker's lien. Nothing in this Agreement shall obligate Lender to apply all or any portion of the Reserve Funds to effect a cure of any Event of Default, or to pay the Debt, or in any specific order of priority. The exercise of any or all of Lender's rights and remedies under this Agreement or under any of the other Loan Documents shall not in any way prejudice or affect Lender's right to initiate and complete a foreclosure under the Mortgage.

(g) The Reserve Funds shall not constitute escrow or trust funds and may be commingled with other monies held by Lender. Notwithstanding anything else herein to the contrary, Lender may commingle in one or more Eligible Accounts any and all funds controlled by Lender, including, without limitation, funds pledged in favor of Lender by other borrowers, whether for the same purposes as the Reserve Accounts or otherwise. Without limiting any other provisions of this Agreement or any other Loan Document, the Reserve Accounts may be established and held in such name or names as Lender or its loan servicer, as agent for Lender, shall deem appropriate, including, without limitation, in the name of Lender or such loan servicer as agent for Lender. In the case of any Reserve Account which is held in a commingled account, Lender or its loan servicer, as applicable, shall maintain records sufficient to enable it to determine at all times which portion of such account is related to the Loan. The Reserve Accounts are solely for the protection of Lender. With respect to the Reserve Accounts, Lender shall have no responsibility beyond the allowance of due credit for the sums actually received by Lender or beyond the reimbursement or payment of the costs and expenses for which such accounts were established in accordance with their terms. Upon assignment of the Loan by Lender, any Reserve Funds shall be turned over to

the assignee and any responsibility of Lender as assignor shall terminate. The requirements of this Agreement concerning Reserve Accounts in no way supersede, limit or waive any other rights or obligations of the parties under any of the Loan Documents or under applicable law.

(h) Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in the Reserve Accounts or the Reserve Funds deposited therein or permit any Lien to attach thereto, except for the security interest granted in this Section 9.9, or any levy to be made thereon, or any UCC Financing Statements, except those naming Lender as the secured party, to be filed with respect thereto.

(i) Borrower will maintain the security interest created by this Section 9.9 as a first priority perfected security interest and will defend the right, title and interest of Lender in and to the Reserve Accounts and the Reserve Funds against the claims and demands of all Persons whomsoever. At any time and from time to time, upon the written request of Lender, and at the sole expense of Borrower, Borrower will promptly and duly execute and deliver such further instruments and documents and will take such further actions as Lender reasonably may request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted.

ARTICLE 10
CASH MANAGEMENT

Section 10.1. Lockbox Account and Cash Management Account.

(a) Borrower acknowledges and confirms that Borrower has established, and Borrower covenants that it shall maintain, (i) pursuant to the Lockbox Agreement, an Eligible Account into which Borrower shall, and shall cause Manager to, deposit or cause to be deposited, all Rents and other revenue from the Property (such account, all funds at any time on deposit therein and any proceeds, replacements or substitutions of such account or funds therein, are referred to herein as the "**Lockbox Account**"), and (ii) an Eligible Account into which funds in the Lockbox Account shall be transferred pursuant to the terms of Section 10.2(b) hereof, named "First States Investors 239, LLC for the benefit of Bank of America N.A.", with account number 12354-65879 (such account, the sub-accounts thereof, all funds at any time on deposit therein and any proceeds, replacements or substitutions of such account or funds therein, are referred to herein as the "**Cash Management Account**"); provided, however, that so long as the FFIC Lease remains in full force and effect with no material defaults thereunder, then (x) Borrower need not establish or maintain the Lockbox Account and (y) the deposits required pursuant to subsection (i) of this Section 10.1(a) shall be made directly to the Cash Management Account. In the event that the FFIC Lease is terminated or a material default thereunder has occurred and is continuing beyond any grace period set forth in the FFIC Lease, upon request by Lender, Borrower shall establish and maintain the Lockbox Account as provided herein within thirty (30) calendar days of Lender's request.

(b) The Lockbox Account and Cash Management Account shall each be in the name of Borrower for the benefit of Lender, provided that Borrower shall be the owner of all funds on deposit in such accounts for federal and applicable state and local tax purposes (except to the extent Lender retains any interest earned on the Cash Management Account for its own account following the occurrence and during the continuance of an Event of Default). Sums on deposit in the Cash Management Account shall not be invested except in such

Permitted Investments as determined and directed by Lender and all income earned thereon shall be the income of Borrower and be applied to and become part of the Cash Management Account, to be disbursed in accordance with this Article 10. Neither Lockbox Bank nor Lender shall have any liability for any loss resulting from the investment of funds in Permitted Investments in accordance with the terms and conditions of this Agreement.

(c) The Lockbox Account and Cash Management Account shall be subject to the exclusive dominion and control of Lender and, except as otherwise expressly provided herein, and as long as the Loan (or any portion thereof) is outstanding, neither Borrower, Manager nor any other party claiming on behalf of, or through, Borrower or Manager, shall have any right of withdrawal therefrom or any other right or power with respect thereto.

(d) Borrower agrees to pay the customary fees and expenses of Lockbox Bank (incurred in connection with maintaining the Lockbox Account) and Lender (incurred in connection with maintaining the Lockbox Account) and any successors thereto in connection with the maintenance of the Lockbox Account, as separately agreed by them from time to time.

(e) Lender shall be responsible for the performance only of such duties with respect to the Cash Management Account as are specifically set forth herein, and no duty shall be implied from any provision hereof. Lender shall not be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies. Borrower shall indemnify and hold Lender and its directors, employees, officers and agents harmless from and against any loss, cost or damage (including, without limitation, reasonable attorneys' fees and disbursements) incurred by such parties in connection with the Cash Management Account other than such as result from the gross negligence or willful misconduct of Lender or intentional nonperformance by Lender of its obligations under this Agreement.

Section 10.2. Deposits and Withdrawals.

(a) Borrower represents, warrants and covenants that:

(i) Concurrently with the execution of this Agreement with respect to all Leases existing on the date hereof, and concurrently with the execution of any new Lease with respect to any new Lease, Borrower shall notify and advise each Tenant under each Lease (whether such Lease is presently effective or executed after the date hereof) to send directly to the Cash Management Account (or if the Lockbox Account has been established pursuant to Section 10.1(a) hereof, to the Lockbox Account) all payments of Rents or any other item payable under such Leases pursuant to an instruction letter, including the wiring instructions for the Cash Management Account (or the Lockbox Account, as applicable) appearing in such letter, in the form of Exhibit E attached hereto (a "**Tenant Direction Letter**"). If Borrower fails to provide any such notice (and without prejudice to Lender's rights with respect to such default), Lender shall have the right, and Borrower hereby grants to Lender a power of attorney (which power of attorney shall be coupled with an interest and irrevocable so long as any portion of the Debt remains outstanding), to sign and deliver a Tenant Direction Letter;

(ii) Borrower shall, and shall cause Manager to, instruct all Persons that maintain open accounts with Borrower or Manager with respect to the Property or

with whom Borrower or Manager does business on an "accounts receivable" basis with respect to the Property to deliver all payments due under such accounts to the Lockbox. Neither Borrower nor Manager shall direct any such Person to make payments due under such accounts in any other manner;

(iii) All Rents or other income from the Property shall (A) be deemed additional security for payment of the Debt and shall be held in trust for the benefit, and as the property, of Lender, (B) not be commingled with any other funds or property of Borrower or Manager, and (C) if received by Borrower or Manager notwithstanding the delivery of a Tenant Direction Letter, be deposited in the Lockbox Account within one (1) Business Day of receipt;

(iv) Without the prior written consent of Lender, so long as any portion of the Debt remains outstanding, neither Borrower nor Manager shall terminate, amend, revoke or modify any Tenant Direction Letter in any manner whatsoever or direct or cause any Tenant to pay any amount in any manner other than as provided in the related Tenant Direction Letter; and

(v) So long as any portion of the Debt remains outstanding, neither Borrower, Manager nor any other Person shall open or maintain any accounts other than the Lockbox Account into which revenues from the ownership and operation of the Property are deposited. The foregoing shall not prohibit Borrower from utilizing one or more separate accounts for the disbursement or retention of funds that have been transferred to Borrower pursuant to the express terms of this Agreement.

(b) Borrower hereby irrevocably authorizes Lender to transfer, or cause to be transferred, and Lender shall transfer, on each Business Day by wire transfer or other method of transfer mutually agreeable to Lockbox Bank and Lender of immediately available funds, all collected and available balances in the Lockbox Account to the Cash Management Account to be held until disbursed by Lender pursuant to Section 10.2(c).

(c) on each Scheduled Payment Date (and if such day is not a Business Day, then the immediately preceding day which is a Business Day) commencing the month during which the first Scheduled Payment Date occurs, Borrower hereby irrevocably authorizes Lender to withdraw or allocate to the sub-accounts of the Cash Management Account, as the case may be, amounts received in the Cash Management Account, in each case to the extent that sufficient funds remain therefor:

(i) *first*, funds sufficient to pay the monthly deposits to the Tax and Insurance Reserve Account, if applicable, shall be allocated to the Tax and Insurance Reserve Account to be held and disbursed in accordance with Section 9.6;

(ii) *second*, funds sufficient to pay the Monthly Payment Amount shall be withdrawn and paid to Lender;

(iii) *third*, funds sufficient to pay the Actual Operating Expenses of the Property pursuant to the Annual Budget, to the extent not paid by FFIC pursuant to the FFIC Lease;

(iv) *fourth*, funds sufficient to pay the Replacement Reserve Monthly Deposit, if applicable, shall be allocated to the Replacement Reserve Account to be held and disbursed in accordance with Section 9.5;

(v) *fifth*, funds sufficient to pay any interest accruing at the Default Rate, late payment charges, if any, and any other sums due and payable to Lender under any of the Loan Documents, shall be withdrawn and paid to Lender and applied against such items;

(vi) *sixth*, funds sufficient to pay Lockbox Bank for all costs and expenses incurred by Lockbox Bank in connection with the maintenance and administration of the Lockbox Account;

(vii) *seventh*, funds sufficient to pay capital expenses of the Property pursuant to the Annual Budget, to the extent not paid by FFIC pursuant to the FFIC Lease;

(viii) *eighth*, funds sufficient to pay Extraordinary Expenses approved by Lender;

(ix) *ninth*, (A) prior to the Anticipated Prepayment Date, funds in an amount equal to the balance (if any) remaining on deposit in the Cash Management Account after the foregoing withdrawals and allocations shall be transferred to Borrower's Account or (B) on or subsequent to the Anticipated Prepayment Date, such balance of funds ("**Excess Cash**") shall be applied by Lender to prepay the Debt in accordance with Section 2.2(h) hereof. Such prepayments pursuant to this Section 10.2(c)(ix)(B) shall be made without payment of any premium or penalty.

(d) Notwithstanding anything to the contrary herein, Borrower acknowledges that Borrower is responsible for monitoring the sufficiency of funds deposited in the Cash Management Account and that Borrower is liable for any deficiency in available funds, irrespective of whether Borrower has received any account statement, notice or demand from Lender or Lender's servicer. If the amount on deposit in the Cash Management Account is insufficient to make all of the withdrawals and allocations described in Section 10.2(c)(i) through (viii) above, Borrower shall deposit such deficiency into the Cash Management Account within five (5) days (provided that such five day period shall not constitute a grace period for any default or Event of Default under this Agreement or any other Loan Document based on a failure to satisfy any monetary obligation provided in any Loan Document).

(e) If an Event of Default shall have occurred and be continuing, Borrower hereby irrevocably authorizes Lender to make any and all withdrawals from the Lockbox Account and Cash Management Account and transfers between any of the Reserve Accounts as Lender shall determine in Lender's sole and absolute discretion and Lender may use all funds contained in any such accounts for any purpose, including but not limited to repayment of the Debt in such order, proportion and priority as Lender may determine in its sole and absolute discretion. Lender's right to withdraw and apply funds as stated herein shall be in addition to all other rights and remedies provided to Lender under this Agreement, the Note, the Mortgage and the other Loan Documents.

Section 10.3. Security Interest.

(a) To secure the full and punctual payment of the Debt and performance of all obligations of Borrower now or hereafter existing under this Agreement and the other Loan Documents, Borrower hereby grants to Lender a first-priority perfected security interest in each of the Accounts and the Account Collateral. Furthermore, Borrower shall not, without obtaining the prior written consent of Lender, further pledge, assign or grant any security interest in any of the foregoing or permit any Lien to attach thereto or any levy to be made thereon or any UCC Financing Statements to be filed with respect thereto. Borrower will maintain the security interest created by this Section 10.3(a) as a first priority perfected security interest and will defend the right, title and interest of Lender in and to each of the Accounts and the Account Collateral against the claims and demands of all Persons whomsoever.

(b) Borrower authorizes Lender to file any financing statement or statements required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein in connection with the Lockbox Account and Cash Management Account. Borrower agrees that at any time and from time to time, at the expense of Borrower, Borrower will promptly and duly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that Lender may reasonably request, in order to perfect and protect any security interest granted or purported to be granted hereby (including, without limitation, any security interest in and to any Permitted Investments) or to enable Lender to exercise and enforce its rights and remedies hereunder.

(c) Upon the occurrence of an Event of Default, Lender may exercise any or all of its rights and remedies as a secured party, pledgee and lienholder with respect to the Accounts and the Account Collateral. Without limitation of the foregoing, upon any Event of Default, Lender may use the Accounts and the Account Collateral for any of the following purposes: (A) repayment of the Debt, including, but not limited to, principal prepayments and the prepayment premium applicable to such full or partial prepayment (as applicable); (B) reimbursement of Lender for all losses, fees, costs and expenses (including, without limitation, reasonable legal fees) suffered or incurred by Lender as a result of such Event of Default; (C) payment of any amount expended in exercising any or all rights and remedies available to Lender at law or in equity or under this Agreement or under any of the other Loan Documents; (D) payment of any item as required or permitted under this Agreement; or (E) any other purpose permitted by applicable law; provided, however, that any such application of funds shall not cure or be deemed to cure any Event of Default. Without limiting any other provisions hereof, each of the remedial actions described in the immediately preceding sentence shall be deemed to be a commercially reasonable exercise of Lender's rights and remedies as a secured party with respect to the Accounts and the Account Collateral and shall not in any event be deemed to constitute a setoff or a foreclosure of a statutory banker's lien. Nothing in this Agreement shall obligate Lender to apply all or any portion of the Accounts and the Account Collateral to effect a cure of any Event of Default, or to pay the Debt, or in any specific order of priority. The exercise of any or all of Lender's rights and remedies under this Agreement or under any of the other Loan Documents shall not in any way prejudice or affect Lender's right to initiate and complete a foreclosure under the Mortgage.

(d) Definitions. Notwithstanding anything to the contrary contained herein, For purposes of this Article 10 only, Business Day shall mean a day on which Lender

and Lockbox Bank are both open for the conduct of substantially all of their respective banking business at the office in the city in which the Note is payable, with respect to Lender and at the office in the city where the Lockbox Account is maintained, with respect to Lockbox Bank (in both instances, excluding Saturdays and Sundays).

ARTICLE 11
EVENTS OF DEFAULT; REMEDIES

Section 11.1. Event of Default.

The occurrence of any one or more of the following events shall constitute an "**Event of Default**":

(a) if any portion of the Debt is not paid on or prior to the date the same is due or if the entire Debt is not paid on or before the Maturity Date; provided, however, Borrower shall not be in default so long as there is sufficient money in the Cash Management Account for payment of all amounts then due and payable (including any deposits into Reserve Accounts) and Lender's access to such money has not been constrained or constricted in any manner;

(b) except as otherwise expressly provided in the Loan Documents, if any of the Taxes or Other Charges are not paid when the same are due and payable, unless there is sufficient money in the Tax and Insurance Reserve Account for payment of amounts then due and payable and Lender's access to such money has not been constrained or restricted in any manner;

(c) if (i) the Policies are not kept in full force and effect, (ii) the Acord 28 (or similar) certificate is not delivered to Lender in accordance with Section 8.1 or (iii) certified copies of the Policies are not delivered to Lender upon request, provided such copies are available;

(d) if Borrower breaches any covenant with respect to itself contained in Article 6 or any covenant contained in Article 7 hereof;

(e) if any representation or warranty of, or with respect to, Borrower, Borrower Principal, the sole member of Borrower, or any member, general partner, principal or beneficial owner of any of the foregoing, made herein, in any other Loan Document, or in any certificate, report, financial statement or other instrument or document furnished to Lender at the time of the closing of the Loan or during the term of the Loan shall have been false or misleading in any material respect when made;

(f) if (i) Borrower, or any managing member or general partner of Borrower, Borrower Principal, or the sole member of Borrower shall commence any case, proceeding or other action (A) under any Creditors Rights Laws, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or Borrower, any managing member or general partner of Borrower, Borrower Principal, or the sole member of Borrower shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Borrower, any managing member or general partner of Borrower, Borrower Principal, or the sole member of Borrower any case, proceeding or other action of a

nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) there shall be commenced against Borrower, any managing member or general partner of Borrower, Borrower Principal, or the sole member of Borrower any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of any order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (iv) Borrower, any managing member or general partner of Borrower, Borrower Principal, or the sole member of Borrower shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) Borrower, any managing member or general partner of Borrower, Borrower Principal, or the sole member of Borrower shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;

(g) if Borrower shall be in default beyond applicable notice and grace periods under any other mortgage, deed of trust, deed to secure debt or other security agreement covering any part of the Property, whether it be superior or junior in lien to the Mortgage;

(h) if the Property becomes subject to any mechanic's, materialman's or other Lien other than a Lien for any Taxes or Other Charges not then due and payable and the Lien shall remain undischarged of record (by payment, bonding or otherwise) for a period of thirty (30) days;

(i) if any federal tax lien is filed against Borrower, any member or general partner of Borrower, Borrower Principal, or the sole member of Borrower or the Property and same is not discharged of record within thirty (30) days after same is filed;

(j) if a judgment is filed against the Borrower in excess of $10,000 which is not vacated or discharged within 30 days;

(k) if any default occurs under any guaranty or indemnity executed in connection herewith and such default continues after the expiration of applicable grace periods, if any;

(l) if Borrower shall permit any event within its control to occur that would cause any REA to terminate without notice or action by any party thereto or would entitle any party to terminate any REA and the term thereof by giving notice to Borrower; or any REA shall be surrendered, terminated or canceled for any reason or under any circumstance whatsoever except as provided for in such REA; or any term of any REA shall be modified or supplemented without Lender's prior written consent; or Borrower shall fail, within ten (10) Business Days after written demand by Lender, to exercise its option to renew or extend the term of any REA or shall fail or neglect to pursue diligently all actions necessary to exercise such renewal rights pursuant to such REA except as provided for in such REA; or

(m) if Borrower shall continue to be in default under any other term, covenant or condition of this Agreement or any of the Loan Documents for more than ten (10) days after Borrower's receipt of written notice from Lender in the case of any default which can be cured by the payment of a sum of money or for thirty (30) days after receipt of

written notice from Lender in the case of any other default, provided that if such default cannot reasonably be cured within such thirty (30) day period and Borrower shall have commenced to cure such default within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as it shall require Borrower in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of sixty (60) days.

Section 11.2. Remedies.

(a) Upon the occurrence and during the continuance of an Event of Default (other than an Event of Default described in Section 11.1(f) above) and at any time thereafter Lender may, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents or at law or in equity, take such action, without notice or demand, that Lender deems advisable to protect and enforce its rights against Borrower and in the Property, including, without limitation, declaring the Debt to be immediately due and payable, and Lender may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and the Property, including, without limitation, all rights or remedies available at law or in equity; and upon any Event of Default described in Section 11.1(f) above, the Debt and all other obligations of Borrower hereunder and under the other Loan Documents shall immediately and automatically become due and payable, without notice or demand, and Borrower hereby expressly waives any such notice or demand, anything contained herein or in any other Loan Document to the contrary notwithstanding.

(b) Upon the occurrence and during the continuance of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed and delivered by, or applicable to, Borrower or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any of the Debt shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to the Property. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singularly, successively, together or otherwise, at such time and in such order as Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents.

ARTICLE 12
ENVIRONMENTAL PROVISIONS

Section 12.1. Environmental Representations and Warranties.

Borrower represents and warrants, based upon an Environmental Report of the Property and information that Borrower knows that: (a) there are no Hazardous Materials or underground storage tanks in, on, or under the Property, except those that are both (i) in compliance with Environmental Laws and with permits issued pursuant thereto (if such permits are required), if any, and (ii) either (A) in the case of Hazardous Materials, in amounts not in excess of that necessary to operate the Property for the purposes set forth herein or (B) fully disclosed to and approved by Lender in writing pursuant to an Environmental Report; (b) there are no past, present or threatened Releases of Hazardous

Materials in violation of any Environmental Law or which would require remediation by a Governmental Authority in, on, under or from the Property except as described in the Environmental Report; (c) there is no threat of any Release of Hazardous Materials migrating to the Property except as described in the Environmental Report; (d) there is no past or present non-compliance with Environmental Laws, or with permits issued pursuant thereto, in connection with the Property except as described in the Environmental Report; (e) Borrower does not know of, and has not received, any written or oral notice or other communication from any Person relating to Hazardous Materials in, on, under or from the Property; (f) the Property is free of Mold; and (g) Borrower has truthfully and fully provided to Lender, in writing, any and all information relating to environmental conditions in, on, under or from the Property known to Borrower or contained in Borrower's files and records, including but not limited to any reports relating to Hazardous Materials in, on, under or migrating to or from the Property and/or to the environmental condition of or the presence of Mold at the Property.

Section 12.2. Environmental Covenants.

Borrower covenants and agrees that so long as Borrower owns, manages, is in possession of, or otherwise controls the operation of the Property: (a) all uses and operations on or of the Property, whether by Borrower or any other Person, shall be in compliance with all Environmental Laws and permits issued pursuant thereto; (b) there shall be no Releases of Hazardous Materials in, on, under or from the Property; (c) there shall be no Hazardous Materials in, on, or under the Property, except those that are both (i) in compliance with all Environmental Laws and with permits issued pursuant thereto, if and to the extent required, and (ii) (A) in amounts not in excess of that necessary to operate the Property for the purposes set forth herein or (B) fully disclosed to and approved by Lender in writing or (C) with respect to Mold, not in a condition, location, or of a type which may pose a risk to human health or safety or the environment or which may result in damage to or would adversely affect or impair the value or marketability of the Property; (d) Borrower shall keep the Property free and clear of all Environmental Liens; (e) Borrower shall, at its sole cost and expense, fully and expeditiously cooperate in all activities pursuant to Section 12.4 below, including but not limited to providing all relevant information and making knowledgeable persons available for interviews; (f) Borrower shall, at its sole cost and expense, perform any environmental site assessment or other investigation of environmental conditions in connection with the Property, pursuant to any reasonable written request of Lender, upon Lender's reasonable belief that the Property is not in full compliance with all Environmental Laws, and share with Lender the reports and other results thereof, and Lender and other Indemnified Parties shall be entitled to rely on such reports and other results thereof; (g) Borrower shall keep the Property free of Mold; and (h) Borrower shall, at its sole cost and expense, comply with all reasonable written requests of Lender to (i) reasonably effectuate remediation of any Hazardous Materials in, on, under or from the Property; and (ii) comply with any Environmental Law; (i) Borrower shall not allow any tenant or other user of the Property to violate any Environmental Law; and (j) Borrower shall immediately notify Lender in writing after it has become aware of (A) any presence or Release or threatened Release of Hazardous Materials in, on, under, from or migrating towards the Property; (B) any non-compliance with any Environmental Laws related in any way to the Property; (C) any actual or potential Environmental Lien against the Property; (D) any required or proposed remediation of environmental conditions relating to the Property; and (E) any written or oral notice or other communication of which Borrower becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Materials. Any failure of Borrower to perform its obligations pursuant to this Section 12.2 shall constitute bad faith waste with respect to the Property.

Section 12.3. Lender's Rights.

Lender and any other Person designated by Lender, including but not limited to any representative of a Governmental Authority, and any environmental consultant, and any receiver appointed by any court of competent jurisdiction, shall have the right, but not the obligation, to enter upon the Property at all reasonable times to assess any and all aspects of the environmental condition of the Property and its use, including but not limited to conducting any environmental assessment or audit (the scope of which shall be determined in Lender's sole discretion) and taking samples of soil, groundwater or other water, air, or building materials, and conducting other invasive testing. Borrower shall cooperate with and provide access to Lender and any such person or entity designated by Lender.

Section 12.4. Operations and Maintenance Programs.

Without limiting the generality of the preceding sentence, Lender may require (a) periodic notices or reports to Lender in form, substance and at such intervals as Lender may specify, (b) an amendment to such operations and maintenance program to address changing circumstances, laws or other matters, (c) at Borrower's sole expense, supplemental examination of the Property by consultants specified by Lender, (d) access to the Property by Lender, its agents or servicer, to review and assess the environmental condition of the Property and Borrower's compliance with any operations and maintenance program, and (e) variation of the operations and maintenance program in response to the reports provided by any such consultants.

Section 12.5. Environmental Definitions.

ARTICLE 13
SECONDARY MARKET

Section 13.1. Transfer of Loan.

Lender may, at any time, sell, transfer or assign the Loan Documents, or grant participations therein ("**Participations**") or syndicate the Loan ("**Syndication**") or issue mortgage pass-through certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement ("**Securities**") (a Syndication or the issuance of Participations and/or Securities, a "**Securitization**"). Lender may separate the Debt into two or more separate notes (or components) that correspond to one or more traunches of the certificates/securities created in a Securitization. Such notes (or components) may be assigned different interest rates, so long as the initial weighted average of such interest rates equals the Note Rate as of the Closing Date.

Section 13.2. Delegation of Servicing.

At the option of Lender, the Loan may be serviced by a servicer/trustee selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to such servicer/trustee pursuant to a servicing agreement between Lender and such servicer/trustee. Bank of America, N.A. acknowledges its current intention to (a) service the Loan upon closing, (b) enter into satisfactory documentation upon a Securitization involving the Loan to act as the primary servicer and (c) endeavor to remain the primary servicer throughout the term of the Loan.

Section 13.3. Dissemination of Information.

Lender may forward to each purchaser, transferee, assignee, or servicer of, and each participant, or investor in, the Loan, or any Participations and/or Securities or any of their respective successors (collectively, the "**Investor**") or any Rating Agency rating the Loan, or any Participations and/or Securities, each prospective Investor, and any organization maintaining databases on the underwriting and performance of commercial mortgage loans, all documents and information which Lender now has or may hereafter acquire relating to the Debt and to Borrower, any managing member or general partner thereof, Borrower Principal, the sole member of Borrower and the Property, including financial statements, whether furnished by Borrower or otherwise, as Lender determines necessary or desirable. Borrower irrevocably waives any and all rights it may have under applicable Legal Requirements to prohibit such disclosure, including but not limited to any right of privacy.

Section 13.4. Cooperation.

At the request of the holder of the Note and, to the extent not already required to be provided by Borrower under this Agreement, Borrower and Borrower Principal shall use reasonable efforts to provide information not in the possession of the holder of the Note in order to satisfy the market standards to which the holder of the Note customarily adheres or which may be reasonably required in the marketplace or by the Rating Agencies in connection with such sales or transfers, including, without limitation, to:

(a) promptly provide updated financial, budget and other information with respect to the Property, Borrower, Borrower Principal and Manager and provide modifications and/or updates to the appraisals, market studies, environmental reviews and reports (Phase I reports and, if appropriate, Phase II reports) and engineering reports of the Property obtained in connection with the making of the Loan (all of the foregoing being referred to as the "**Provided Information**"), together, if customary, with appropriate verification and/or consents of the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to Lender and the Rating Agencies;

(b) make changes to the organizational documents of Borrower, the sole member of Borrower and their respective principals;

(c) at Borrower's expense, cause counsel to render or update existing opinion letters as to enforceability and non-consolidation, and a 10b-5 comfort letter, which may be relied upon by the holder of the Note, the Rating Agencies and their respective counsel, which shall be dated as of the closing date of the Securitization;

(d) permit site inspections, appraisals, market studies and other due diligence investigations of the Property, as may be reasonably requested by the holder of the Note or the Rating Agencies or as may be necessary or appropriate in connection with the Securitization;

(e) make the representations and warranties with respect to the Property, Borrower, Borrower Principal and the Loan Documents as are made in the Loan Documents and such other representations and warranties as may be reasonably requested by the holder of the Note or the Rating Agencies;

(f) execute such amendments to the Loan Documents as may be reasonably requested by the holder of the Note or the Rating Agencies or otherwise to effect the Securitization including, without limitation, bifurcation of the Loan into two or more components and/or separate notes and/or creating a senior/subordinate note structure; provided, however, that Borrower shall not be required to modify or amend any Loan Document if such modification or amendment would (i) change the interest rate, the stated maturity or the amortization of principal set forth in the Note, except in connection with a bifurcation of the Loan which may result in varying fixed interest rates and amortization schedules, but which shall have the same initial weighted average coupon of the original Note, or (ii) in the reasonable judgment of Borrower, modify or amend any other material economic term of the Loan, or (iii) in the reasonable judgment of Borrower, materially increase Borrower's obligations, or materially decrease Borrower's rights, and liabilities under the Loan Documents;

(g) deliver to Lender and/or any Rating Agency, (i) one or more certificates executed by an officer of the Borrower certifying as to the accuracy, as of the closing date of the Securitization, of all representations made by Borrower in the Loan Documents as of the Closing Date in all relevant jurisdictions or, if such representations are no longer accurate, certifying as to what modifications to the representations would be required to make such representations accurate as of the closing date of the Securitization, and (ii) certificates of the relevant Governmental Authorities in all relevant jurisdictions indicating the good standing and qualification of Borrower as of the date of the closing date of the Securitization;

(h) have reasonably appropriate personnel (including senior management of Borrower and/or Borrower Principal) participate in a bank meeting and/or presentation for the Rating Agencies or Investors; and

(i) cooperate with and assist Lender in obtaining ratings of the Securities from two (2) or more of the Rating Agencies.

All reasonable third party costs and expenses incurred by Borrower and Borrower Principal in connection with Borrower's and Borrower Principal's complying with requests made under this Section 13.4 shall be paid by Borrower and Borrower Principal and all third party costs and expenses incurred by Lender in connection with Borrower's and Borrower Principal's complying with requests made under this Section 13.4 (including, without limitation, the fees and expenses of the Rating Agencies) shall be paid by Lender; provided, however, that the reasonable out-of-pocket costs and expenses incurred by Borrower and Borrower's Principal to third parties under this Section 13.4 shall not exceed $25,000 in the aggregate, and all such reasonable out-of-pocket costs and expenses incurred by Borrower and Borrower's Principal to third parties under this Section 13.4 in excess of $25,000 shall be paid by Lender.

In the event that Borrower requests any consent or approval hereunder and the provisions of this Agreement or any Loan Documents require the receipt of written confirmation from each Rating Agency with respect to the rating on the Securities, or, in accordance with the terms of the transaction documents relating to a Securitization, such a rating confirmation is required in order for the consent of Lender to be given, Borrower shall pay all of the costs and expenses of Lender, Lender's servicer and each Rating Agency in connection therewith, and, if applicable, shall pay any fees imposed by any Rating Agency as a condition to the delivery of such confirmation.

Section 13.5. Securitization Indemnification.

(a) Borrower and Borrower Principal understand that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including, without limitation, a prospectus, prospectus supplement, offering memorandum or private placement memorandum (each, a "**Disclosure Document**") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act or the Exchange Act, or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower and Borrower Principal will cooperate with the holder of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) Borrower and Borrower Principal agree to provide in connection with each of (i) a preliminary and a final offering memorandum or private placement memorandum or similar document (including any Investor or Rating Agency "term sheets" or presentations relating to the Property and/or the Loan) or (ii) a preliminary and final prospectus or prospectus supplement, as applicable, an indemnification certificate (A) certifying that Borrower and Borrower Principal have carefully examined such memorandum or prospectus or other document (including any Investor or Rating Agency "term sheets" or presentations relating to the Property and/or the Loan), as applicable, including without limitation, the sections entitled "Special Considerations," and/or "Risk Factors," and "Certain Legal Aspects of the Mortgage Loan," or similar sections, and all sections relating to Borrower, Borrower Principal, Manager, their Affiliates, the Loan, the Loan Documents and the Property, and any risks or special considerations relating thereto, and that, to the best of Borrower's knowledge, such sections (and any other sections reasonably requested) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading, (B) indemnifying Lender (and for purposes of this Section 13.5, Lender hereunder shall include its officers and directors) and the Affiliate of Lender that (i) has filed the registration statement, if any, relating to the Securitization and/or (ii) which is acting as issuer, depositor, sponsor and/or a similar capacity with respect to the Securitization (any Person described in (i) or (ii), an "**Issuer Person**"), and each director and officer of any Issuer Person, and each Person or entity who controls any Issuer Person within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "**Issuer Group**"), and each Person which is acting as an underwriter, manager, placement agent, initial purchaser or similar capacity with respect to the Securitization, each of its directors and officers and each Person who controls any such Person within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the "**Underwriter Group**") for any Losses to which Lender, the Issuer Group or the Underwriter Group may become subject insofar as the Losses arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in such sections (including any Investor or Rating Agency "term sheets" or presentations relating to the Property and/or the Loan) or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such sections (including any Investor or Rating Agency "term sheets" or presentations relating to the Property and/or the Loan) or necessary in order to make the statements in such sections (including any Investor or Rating Agency "term sheets" or presentations relating to the Property and/or the Loan) or in light of the circumstances under which they were made, not misleading (collectively the "**Securities Liabilities**") and (C) agreeing to reimburse Lender, the Issuer Group and the Underwriter Group for any legal or other expenses reasonably incurred by Lender and Issuer Group in connection with investigating or defending the Securities Liabilities; provided, however, that Borrower will be liable in any such case under clauses (B) or (C) above only to the extent that any such Securities Liabilities arise out of or is based upon any such untrue statement or omission made therein in reliance upon and in conformity with information furnished to Lender or any member of the Issuer Group or Underwriter Group by or on behalf of Borrower or Borrower Principal in connection with the preparation of the memorandum or prospectus or other document (including any Investor or Rating Agency "term sheets" or presentations relating to the Property and/or the Loan) or in connection with the underwriting of the Loan, including, without limitation, financial statements of Borrower or Borrower Principal, operating statements, rent rolls, environmental site assessment reports and Property condition reports with respect to the Property. This indemnity agreement will be in addition to any liability which Borrower and Borrower Principal may otherwise have. Moreover, the

indemnification provided for in Clauses (B) and (C) above shall be effective whether or not an indemnification certificate described in (A) above is provided and shall be applicable based on information previously provided by Borrower and Borrower Principal or their Affiliates if Borrower or Borrower Principal do not provide the indemnification certificate.

(c) In connection with filings under the Exchange Act or any information provided to holders of Securities on an ongoing basis, Borrower and Borrower Principal agree to indemnify (i) Lender, the Issuer Group and the Underwriter Group for Losses to which Lender, the Issuer Group or the Underwriter Group may become subject insofar as the Securities Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in light of the circumstances under which they were made not misleading and (ii) reimburse Lender, the Issuer Group or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, the Issuer Group or the Underwriter Group in connection with defending or investigating the Securities Liabilities.

(d) Promptly after receipt by an indemnified party under this Section 13.5 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 13.5, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Section 13.5 the indemnifying party shall be responsible for any reasonable legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. The indemnifying party shall not be liable for the expenses of more than one such separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreements provided for in Section 13.5(c) or Section 13.5(d) is or are for any reason held to be unenforceable by an indemnified party in respect of any losses, claims, damages or liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 13.5(c) or Section 13.5(d), the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such

losses, claims, damages or liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11 (f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified party's, Borrower's and Borrower Principal's relative knowledge and access to information concerning the matter with respect to which claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender, Borrower and Borrower Principal hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) The liabilities and obligations of Borrower, Borrower Principal and Lender under this Section 13.5 shall survive the satisfaction of this Agreement and the satisfaction and discharge of the Debt.

ARTICLE 14
INDEMNIFICATIONS

Section 14.1. General Indemnification.

Borrower shall indemnify, defend and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any Indemnified Parties and directly or indirectly arising out of or in any way relating to any one or more of the following: (a) any accident, injury to or death of persons or loss of or damage to property occurring in, on or about the Property or any part thereof or on the adjoining sidewalks, curbs, adjacent property or adjacent parking areas, streets or ways; (b) any use, nonuse or condition in, on or about the Property or any part thereof or on the adjoining sidewalks, curbs, adjacent property or adjacent parking areas, streets or ways; (c) performance of any labor or services or the furnishing of any materials or other property in respect of the Property or any part thereof; (d) any failure of the Property to be in compliance with any applicable Legal Requirements; (e) any and all claims and demands whatsoever which may be asserted against Lender by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants, or agreements contained in any Lease; (f) the holding or investing of the Reserve Accounts or the performance of the Required Work or Additional Replacements, or (g) the payment of any commission, charge or brokerage fee to anyone which may be payable in connection with the funding of the Loan (collectively, the "**Indemnified Liabilities**"); provided, however, that Borrower shall not have any obligation to any Indemnified Party hereunder to the extent that such Indemnified Liabilities arise from the gross negligence, illegal acts, fraud or willful misconduct of such Indemnified Party. To the extent that the undertaking to indemnify, defend and hold harmless set forth in the preceding sentence may be unenforceable because it violates any law or public policy, Borrower shall pay the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Lender.

Section 14.2. Mortgage and Intangible Tax Indemnification.

Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any Indemnified Parties and directly or

indirectly arising out of or in any way relating to any tax on the making and/or recording of the Mortgage, the Note or any of the other Loan Documents, but excluding any income, franchise or other similar taxes.

Section 14.3. ERISA Indemnification.

Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses (including, without limitation, reasonable attorneys' fees and costs incurred in the investigation, defense, and settlement of Losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA that may be required, in Lender's sole discretion) that Lender may incur, directly or indirectly, as a result of a default under Section 4.9 or Section 5.18 of this Agreement.

Section 14.4. Survival.

The obligations and liabilities of Borrower under this Article 14 shall fully survive indefinitely notwithstanding any termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Mortgage.

ARTICLE 15
EXCULPATION

Section 15.1. Exculpation.

(a) Except as otherwise provided herein or in the other Loan Documents, Lender shall not enforce the liability and obligation of Borrower or Borrower Principal, as applicable, to perform and observe the obligations contained herein or in the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower or Borrower Principal, except that Lender may bring a foreclosure action, action for specific performance or other appropriate action or proceeding to enable Lender to enforce and realize upon this Agreement, the Note, the Mortgage and the other Loan Documents, and the interest in the Property, the Rents and any other collateral given to Lender created by this Agreement, the Note, the Mortgage and the other Loan Documents; provided, however, that any judgment in any such action or proceeding shall be enforceable against Borrower or Borrower Principal, as applicable, only to the extent of Borrower's or Borrower Principal's interest in the Property, in the Rents and in any other collateral given to Lender. Lender, by accepting this Agreement, the Note, the Mortgage and the other Loan Documents, agrees that it shall not, except as otherwise provided in this Section 15.1, sue for, seek or demand any deficiency judgment against Borrower or Borrower Principal in any such action or proceeding, under or by reason of or under or in connection with this Agreement, the Note, the Mortgage or the other Loan Documents. The provisions of this Section 15.1 shall not, however, (i) constitute a waiver, release or impairment of any obligation evidenced or secured by this Agreement, the Note, the Mortgage or the other Loan Documents; (ii) impair the right of Lender to name Borrower or Borrower Principal as a party defendant in any action or suit for judicial foreclosure and sale under this Agreement and the Mortgage; (iii) affect the validity or enforceability of any indemnity (including, without limitation, those contained in the Environmental Indemnity and Section 13.5 and Article 14 of this Agreement), guaranty, master lease or similar instrument made in connection with this

Agreement, the Note, the Mortgage and the other Loan Documents; (iv) impair the right of Lender to obtain the appointment of a receiver; (v) impair the enforcement of the assignment of leases provisions contained in the Mortgage; or (vi) impair the right of Lender to obtain a deficiency judgment or other judgment on the Note against Borrower or Borrower Principal if necessary to obtain any Insurance Proceeds or Awards to which Lender would otherwise be entitled under this Agreement; provided however, Lender shall only enforce such judgment to the extent of the Insurance Proceeds and/or Awards.

(b) Notwithstanding the provisions of this Section 15.1 to the contrary, Borrower and Borrower Principal shall be personally liable to Lender on a joint and several basis for Losses to Lender due to:

(i) fraud or intentional misrepresentation by Borrower, Borrower Principal or any other Affiliate of Borrower or Borrower Principal or any agent of any of them, in connection with the execution and the delivery of this Agreement, the Note, the Mortgage, any of the other Loan Documents, or any certificate, report, financial statement or other instrument or document furnished to Lender at the time of the closing of the Loan or during the term of the Loan;

(ii) after an Event of Default, Borrower's misapplication or misappropriation of Rents received by Borrower;

(iii) Borrower's misapplication or misappropriation of tenant security deposits or Rents collected in advance;

(iv) the misapplication or the misappropriation of Insurance Proceeds or Awards;

(v) Borrower's failure to pay Taxes, Other Charges (except to the extent that sums sufficient to pay such amounts have been deposited in escrow with Lender pursuant to the terms hereof and there exists no impediment to Lender's utilization thereof), charges for labor or materials or other charges that can create liens on the Property beyond any applicable notice and cure periods specified herein;

(vi) Borrower's failure to return or to reimburse Lender for all Personal Property taken from the Property by or on behalf of Borrower and not replaced with Personal Property of the same utility and of the same or greater value;

(vii) any act of actual waste, arson, gross negligence or willful misconduct by Borrower, any principal, Affiliate, member or general partner thereof or by Borrower Principal, any principal, Affiliate, member or general partner thereof; or

(viii) Borrower's failure following the occurrence and during the continuance of any Event of Default to deliver to Lender upon demand all Rents and books and records relating to the Property.

(c) Notwithstanding the foregoing, the agreement of Lender not to pursue recourse liability as set forth in subsection (a) above SHALL BECOME NULL AND VOID and shall be of no further force and effect and the Debt shall be fully recourse to Borrower and Borrower Principal on a joint and several basis in the event (i) of a breach by Borrower, Borrower Principal of any of the covenants set forth in Article 6 hereof, to the extent that (A)

such breach is considered by a court as a factor in the court's finding for the substantive consolidation of Borrower with Borrower Principal or any other Person or (B) as a result thereof, Lender suffers any material damage, cost, liability or expense (including reasonable attorneys' fees and disbursements, whether or not litigation has commenced); provided, however, that in the absence of an actual consolidation, recourse may be had only to the extent of losses incurred for its failure to comply with such covenants, (ii) of a breach of any of the covenants set forth in Article 7 hereof, (iii) Borrower, the sole member of Borrower, Borrower Principal or any Affiliate, officer, director, or representative which controls, directly or indirectly, Borrower, the sole member of Borrower, or Borrower Principal files, or joins in the filing of, a voluntary or an involuntary petition against Borrower under any Creditors Rights Laws, or solicits or causes to be solicited petitioning creditors for any involuntary petition against Borrower from any Person; (iv) Borrower files an answer consenting to or otherwise acquiescing in or joining in any involuntary petition filed against it, by any other Person under any Creditors Rights Laws, or solicits or causes to be solicited petitioning creditors for any involuntary petition from any Person; or (v) any Affiliate, officer, director, or representative which controls Borrower consents to or acquiesces in or joins in an application for the appointment of a custodian, receiver, trustee, or examiner for Borrower or any portion of the Property.

(d) Nothing herein shall be deemed to be a waiver of any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provision of the U.S. Bankruptcy Code to file a claim for the full amount of the indebtedness secured by the Mortgage or to require that all collateral shall continue to secure all of the indebtedness owing to Lender in accordance with this Agreement, the Note, the Mortgage or the other Loan Documents.

(e) Subject to the terms of the Environmental Indemnity, upon payment in full of the Loan, Borrower Principal shall be relieved of its obligations under this Article 15.

FURTHER ASSURANCES

Section 17.1. Replacement Documents.

Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record: (i) with respect to any Loan Document other than the Note, Borrower will issue, in lieu thereof, a replacement of such other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Loan Document in the same principal amount thereof and otherwise of like tenor and (ii) with respect to the Note, (a) Borrower will execute a reaffirmation of the Debt as evidenced by such Note acknowledging that Lender has informed Borrower that the Note was lost, stolen destroyed or mutilated and that such Debt continues to be an obligation and liability of the Borrower as set forth in the Note, a copy of which shall be attached to such reaffirmation and (b) if requested by Lender, Borrower will execute a replacement note and Lender or Lender's custodian (at Lender's option) shall provide to Borrower Lender's (or Lender's custodian's) then standard form of lost note affidavit and indemnity, which such form shall be reasonably acceptable to Borrower.

Section 17.2. Recording of Mortgage, etc.

Borrower forthwith upon the execution and delivery of the Mortgage and thereafter, from time to time, will cause the Mortgage and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all expenses incident to the preparation, execution, acknowledgment and/or recording of the Note, the Mortgage, the other Loan Documents, any note, deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state, county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Mortgage, any deed of trust or mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law so to do.

Section 17.3. Further Acts, etc.

Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every further acts, deeds, conveyances, deeds of trust, mortgages, assignments, security agreements, control agreements, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, deeded, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred or intended now or hereafter so to be, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Agreement or for filing, registering or recording the Mortgage, or for complying with all Legal Requirements. Borrower hereby authorizes Lender to file one or more financing statements

and financing statement amendments to evidence more effectively, perfect and maintain the priority of the security interest of Lender in the Property. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender at law and in equity, including without limitation, such rights and remedies available to Lender pursuant to this Section 17.3.

Section 17.4. Changes in Tax, Debt, Credit and Documentary Stamp Laws.

(a) If any law is enacted or adopted or amended after the date of this Agreement which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury then Lender shall have the option by written notice of not less than one hundred twenty (120) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of the Mortgage or the Debt. If such claim, credit or deduction shall be required by law, Lender shall have the option, by written notice of not less than one hundred twenty (120) days, to declare the Debt immediately due and payable.

If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, the Mortgage, or any of the other Loan Documents or impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 17.5. Expenses.

Borrower covenants and agrees to pay or, if Borrower fails to pay, to reimburse, Lender upon receipt of written notice from Lender for all reasonable costs and expenses (including reasonable, actual attorneys' fees and disbursements and the allocated costs of internal legal services and all actual disbursements of internal counsel) reasonably incurred by Lender in accordance with this Agreement in connection with (a) the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents and the consummation of the transactions contemplated hereby and thereby and all the costs of furnishing all opinions by counsel for Borrower (including without limitation any opinions requested by Lender as to any legal matters arising under this Agreement or the other Loan Documents with respect to the Property); (b) Borrower's ongoing performance of and compliance with Borrower's respective agreements and covenants contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date, including, without limitation, confirming compliance with environmental and insurance requirements; (c) following a request by Borrower, Lender's ongoing performance and compliance with all agreements and conditions contained in this Agreement and the other Loan Documents on its part to be performed or complied with after the Closing Date; (d) the negotiation, preparation, execution, delivery and administration of any consents, amendments, waivers or other modifications to this Agreement and the other Loan

Documents and any other documents or matters requested by Lender; (e) securing Borrower's compliance with any requests made pursuant to the provisions of this Agreement; (f) the filing and recording fees and expenses, title insurance and reasonable fees and expenses of counsel for providing to Lender all required legal opinions, and other similar expenses incurred in creating and perfecting the Lien in favor of Lender pursuant to this Agreement and the other Loan Documents; (g) enforcing or preserving any rights, in response to third party claims or the prosecuting or defending of any action or proceeding or other litigation, in each case against, under or affecting Borrower, this Agreement, the other Loan Documents, the Property, or any other security given for the Loan; and (h) enforcing any obligations of or collecting any payments due from Borrower under this Agreement, the other Loan Documents or with respect to the Property or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "work-out" or of any insolvency or bankruptcy proceedings; provided, however, that Borrower shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts, fraud or willful misconduct of Lender.

ARTICLE 18
WAIVERS

Section 18.1. Remedies Cumulative; Waivers.

The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower or Borrower Principal pursuant to this Agreement or the other Loan Documents, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singularly, concurrently or otherwise, at such time and in such order as Lender may determine in Lender's sole discretion. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Default or Event of Default with respect to Borrower shall not be construed to be a waiver of any subsequent Default or Event of Default by Borrower or to impair any remedy, right or power consequent thereon.

Section 18.2. Modification, Waiver in Writing.

No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement, or of the Note, or of any other Loan Document, nor consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to, or demand on Borrower, shall entitle Borrower to any other or future notice or demand in the same, similar or other circumstances.

Section 18.3. Delay Not a Waiver.

Neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under the Note or under any other Loan Document, or any

other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

Section 18.4. Trial by Jury.

BORROWER, BORROWER PRINCIPAL AND LENDER EACH HEREBY AGREES NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THE LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY BORROWER, BORROWER PRINCIPAL AND LENDER, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. EACH OF LENDER, BORROWER PRINCIPAL AND BORROWER IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY BORROWER, BORROWER PRINCIPAL AND LENDER.

Section 18.5. Waiver of Notice.

Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or the other Loan Documents specifically and expressly provide for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents do not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 18.6. Remedies of Borrower.

In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, Borrower agrees that neither Lender nor its agents shall be liable for any monetary damages, and Borrower's sole remedies shall be limited to commencing an action seeking injunctive relief or declaratory judgment. The parties hereto agree that any action or proceeding to determine whether Lender has acted reasonably shall be determined by an action seeking declaratory judgment. Lender agrees that, in such event, it shall cooperate in expediting any action seeking injunctive relief or declaratory judgment.

Section 18.7. Waiver of Marshalling of Assets.

To the fullest extent permitted by law, Borrower, for itself and its successors and assigns, waives all rights to a marshalling of the assets of Borrower, Borrower's partners and others with interests in Borrower, and of the Property, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of the Property for the collection of the Debt without any prior or different resort for collection or of the right of Lender to the payment of the Debt out of the net proceeds of the Property in preference to every other claimant whatsoever.

Section 18.8. Waiver of Statute of Limitations.

Borrower hereby expressly waives and releases, to the fullest extent permitted by law, the pleading of any statute of limitations as a defense to payment of the Debt or performance of its Other Obligations.

Section 18.9. Waiver of Counterclaim.

Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 18.10. Gradsky Waivers.

Borrower and Borrower Principal, as applicable, hereby waive each of the following:

(a) Any rights of Borrower Principal of subrogation, reimbursement, indemnification, and/or contribution against Borrower or any other person or entity, and any other rights and defenses that are or may become available to Borrower Principal or any other person or entity by reasons of Sections 2787-2855, inclusive of the California Civil Code;

(b) Any rights or defenses that may be available by reason of any election of remedies by Lender (including, without limitation, any such election which in any manner impairs, effects, reduces, releases, destroys or extinguishes Borrower Principal's subrogation rights, rights to proceed against Borrower for reimbursement, or any other rights of Borrower Principal to proceed against any other person, entity or security, including but not limited to any defense based upon an election of remedies by Lender under the provisions of Section 580(d) of the California Code of Civil Procedure or any similar law of California or of any other State or of the United Sates); and

(c) Any rights or defenses Borrower Principal may have because its obligations under this Agreement (the "**Borrower Principal Obligations**") are secured by real property or any estate for years. These rights or defenses include, but are not limited to, any rights or defenses that are based upon, directly or indirectly, the application of Section 580(a), Section 580(b), Section 580(d) or Section 726 of the California Code of Civil Procedure to the Borrower Principal Obligations.

The provisions of this subsection (c) mean, among other things:

(y) Lender may collect from Borrower Principal without first foreclosing on any real or personal property collateral pledged by Borrower for the Debt; and

(z) If Lender forecloses on a real property pledged by Borrower:

(1) The Borrower Principal Obligations shall not be reduced by the price for which the collateral sold at the foreclosure sale or the value of the collateral at the time of the sale.

(2) Lender may collect from Borrower Principal even if Lender, by foreclosing on the real property collateral, has destroyed any right of Borrower Principal to collect from Borrower. Further, the provisions of this Agreement constitute an unconditional and irrevocable waiver of any rights and defenses Borrower Principal may have because Borrower's obligations are secured by real property. These rights and defenses, include, but are not limited to, any rights or defenses based upon Section 580(a), Section 580(b), Section 580(d) or Section 726 of the California Code of Civil Procedure.

ARTICLE 19
GOVERNING LAW

Section 19.1. Choice of Law.

This Agreement shall be deemed to be a contract entered into pursuant to the laws of the State of New York and shall in all respects be governed, construed, applied and enforced in accordance with the laws of the State of New York, provided however, (a) that with respect to the creation, perfection, priority and enforcement of any Lien created by the Loan Documents, and the determination of deficiency judgments, the laws of the state where the Property is located shall apply, and (b) with respect to the security interest in each of the Reserve Accounts, the Cash Management Account and the Lockbox Account, the laws of the state where each such account is located shall apply.

Section 19.2. Severability.

Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 19.3. Preferences.

Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder. To the extent Borrower makes a payment or payments to Lender, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any Creditors Rights Laws, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

ARTICLE 20
MISCELLANEOUS

Section 20.1. Survival.

This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by Lender of the Loan and the execution and delivery to Lender of the Note, and shall continue in full force and effect so long as all or any of the Debt is outstanding and unpaid unless a longer period is expressly set forth herein or in the other Loan Documents. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the legal representatives, successors and assigns of such party. All covenants, promises and agreements in this Agreement, by or on behalf of Borrower, shall inure to the benefit of the legal representatives, successors and assigns of Lender.

Section 20.2. Lender's Discretion.

Whenever pursuant to this Agreement, Lender exercises any right given to it to approve or disapprove, or any arrangement or term is to be satisfactory to Lender, the decision of Lender to approve or disapprove or to decide whether arrangements or terms are satisfactory or not satisfactory shall (except as is otherwise specifically herein provided) be in the sole discretion of Lender and shall be final and conclusive.

Section 20.3. Headings.

The Article and/or Section headings and the Table of Contents in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 20.4. Cost of Enforcement.

In the event (a) that the Mortgage is foreclosed in whole or in part, (b) of the bankruptcy, insolvency, rehabilitation or other similar proceeding in respect of Borrower or any of its constituent Persons or an assignment by Borrower or any of its constituent Persons for the benefit of its creditors, or (c) Lender exercises any of its other remedies under this Agreement or any of the other Loan Documents, Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including attorneys' fees and costs, incurred by Lender or Borrower in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, together with all required service or use taxes.

Section 20.5. Schedules Incorporated.

The Schedules annexed hereto are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 20.6. Offsets, Counterclaims and Defenses.

Any assignee of Lender's interest in and to this Agreement, the Note and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to such documents which Borrower may otherwise have against any assignor of such documents, and no such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon such documents and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 20.7. No Joint Venture or Partnership; No Third Party Beneficiaries.

(a) Borrower and Lender intend that the relationships created hereunder and under the other Loan Documents be solely that of borrower and lender. Nothing herein or therein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower and Lender nor to grant Lender any interest in the Property other than that of mortgagee, beneficiary or lender.

(b) This Agreement and the other Loan Documents are solely for the benefit of Lender and Borrower and the other parties thereto and nothing contained in this Agreement or the other Loan Documents shall be deemed to confer upon anyone other than Lender and Borrower and the other parties thereto any right to insist upon or to enforce the performance or observance of any of the obligations contained herein or therein. All conditions to the obligations of Lender to make the Loan hereunder are imposed solely and exclusively for the benefit of Lender and no other Person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that Lender will refuse to make the Loan in the absence of strict compliance with any or all thereof and no other Person shall under any circumstances be deemed to be a beneficiary of such conditions, any or all of which may be freely waived in whole or in part by Lender if, in Lender's sole discretion, Lender deems it advisable or desirable to do so.

(c) The general partners, members, principals and (if Borrower is a trust) beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

(d) Notwithstanding anything to the contrary contained herein, Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(e) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Agreement, the Mortgage, the Note or the other Loan Documents, including, without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

(f) Borrower recognizes and acknowledges that in accepting this Agreement, the Note, the Mortgage and the other Loan Documents, Lender is expressly and primarily relying on the truth and accuracy of the representations and warranties set forth in Article 4 of this Agreement without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof, that the warranties and representations are a material inducement to Lender in making the Loan; and that Lender would not be willing to make the Loan and accept this Agreement, the Note, the Mortgage and the other Loan Documents in the absence of the warranties and representations as set forth in Article 4 of this Agreement.

Section 20.8. Publicity.

All news releases, publicity or advertising by Borrower or its Affiliates through any media intended to reach the general public which refers to the Loan, Lender, Banc of America Securities LLC, or any of their Affiliates shall be subject to the prior written approval of Lender, not to be unreasonably withheld. Lender shall be permitted to make any news, releases, publicity or advertising by Lender or its Affiliates through any media intended to reach the general public which refers to the Loan, the Property, Borrower, Borrower Principal and their respective Affiliates without the approval of Borrower or any such Persons. Borrower also agrees that Lender may share any information pertaining to the Loan with Bank of America Corporation, including its bank subsidiaries, Banc of America Securities LLC and any other Affiliates of the foregoing, in connection with the sale or transfer of the Loan or any Participations and/or Securities created.

Section 20.9. Conflict; Construction of Documents; Reliance.

In the event of any conflict between the provisions of this Agreement and any of the other Loan Documents, the provisions of this Agreement shall control. The parties hereto acknowledge that they were represented by competent counsel in connection with the negotiation, drafting and execution of the Loan Documents and that such Loan Documents shall not be subject to the principle of construing their meaning against the party which drafted same. Borrower acknowledges that, with respect to the Loan, Borrower shall rely solely on its own judgment and advisors in entering into the Loan without relying in any manner on any statements, representations or recommendations of Lender or any parent, subsidiary or Affiliate of Lender. Lender shall not be subject to any limitation whatsoever in the exercise of any rights or remedies available to it under any of the Loan Documents or any other agreements or instruments which govern the Loan by virtue of the ownership by it or any parent, subsidiary or Affiliate of Lender of any equity interest any of them may acquire in Borrower, and Borrower hereby irrevocably waives the right to raise any defense or take any action on the basis of the foregoing with respect to Lender's exercise of any such rights or remedies. Borrower acknowledges that Lender engages in the business of real estate financings and other real estate transactions and investments which may be viewed as adverse to or competitive with the business of Borrower or its Affiliates.

Section 20.10. Entire Agreement.

This Agreement and the other Loan Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written between Borrower and Lender are superseded by the terms of this Agreement and the other Loan Documents.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their duly authorized representatives, all as of the day and year first above written.

Prior Owner, Prior Guarantor, Borrower and New Guarantor (individually, a “Borrower Party” and collectively, the “Borrower Parties”), hereby jointly and severally, unconditionally and irrevocably, finally and completely RELEASE AND FOREVER DISCHARGE Former Lender and Lender, and their respective successors, assigns, affiliates, subsidiaries, parents, officers, shareholders, directors, employees, attorneys and agents, past, present and future (collectively and individually, “Lender Parties”), of and from any and all claims, controversies, disputes, liabilities, obligations, demands, damages, debts, liens, actions and causes of action of any and every nature whatsoever, known or unknown, whether at law, by statute or in equity, in contract or in tort, under state or federal jurisdiction, and whether or not the economic effects of such alleged matters arise or are discovered in the future, which Borrower Parties have as of the Effective Date or may claim to have against Lender Parties arising out of or with respect to any and all transactions relating the Loan, the Prior Owner’s Loan Documents or the Loan Documents occurring on or before the Effective Date, including any loss, cost or damage of any kind or character arising out of or in any way connected with or in any way resulting from the acts, actions or omissions of Lender Parties occurring on or before

the Effective Date. The foregoing release is intended to be, and is, a full, complete and general release in favor of Lender Parties with respect to all claims, demands, actions, causes of action and other matters described therein, including specifically, without limitation, any claims, demands or causes of action based upon allegations of breach of fiduciary duty, breach of any alleged duty of fair dealing in good faith, economic coercion, usury, or any other theory, cause of action, occurrence, matter or thing which might result in liability upon Lender Parties arising or occurring on or before the Effective Date. Borrower Parties understand and agree that the foregoing general release is in consideration for the agreements of Lender contained herein and that they will receive no further consideration for such release. Each Borrower Party for itself represents and warrants to Lender that such Borrower Party has not previously assigned or transferred to any person or entity any matter released hereunder, and such Borrower Party agrees to indemnify, protect and hold the Lender Parties harmless from and against any and all claims based on or arising out of any breach of the foregoing representation and warranty by such Borrower Party.

7. Default. Any default by Borrower in the performance of its obligations herein contained, or any material inaccuracy in the representations and warranties made by Borrower herein, shall constitute a default under the Loan Documents and shall entitle Lender to exercise all of its rights and remedies set forth in the Loan Documents.

8. Lift of Bankruptcy Stay. Notwithstanding any provision in the Loan Documents to the contrary, in the event Borrower shall make application for or seek relief or protection under any of the sections or chapters of the United States Bankruptcy Code (the "Code"), or in the event that any involuntary petition is filed against Borrower under any section of the Code, Borrower will not oppose Lender's application for immediate relief from any automatic stay imposed by Sec. 362 of the Code, or otherwise, or on or against the exercise of the rights and remedies otherwise available to Lender pursuant to the Loan Documents and as otherwise provided by law.

9. Fees. Borrower and Lender have agreed that, simultaneously with the execution hereof, all reasonable fees, costs, and charges arising in connection with the execution of this Agreement, including without limitation, all reasonable attorneys' fees, title company fees, title insurance premiums, recording costs, and other dosing costs reasonably incurred by Lender in connection with this Agreement, will be paid by Borrower or Prior Owner as of the Effective Date, and that Lender shall have no obligation whatsoever for payment thereof.

10. No Offsets or Defenses. Borrower hereby acknowledges, confirms and warrants to Lender that as of the Effective Date, Borrower neither has nor claims any offset, defense, claim, right of set-off or counterclaim against Lender under, arising out of or in connection with this Agreement, the Notes, the Mortgage or any other Loan Document. Borrower covenants and agrees with Lender that if any offset, defense, claim, right of set-off or counterclaim exists as of the Effective Date, Borrower does hereby irrevocably and expressly waive the right to assert such matter. If from any circumstance whatsoever, fulfillment of any provisions of this Agreement or the Loan Documents at the time performance of such provisions shall be due would involve transcending the limit of validity prescribed by law, then, automatically, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any circumstance Lender should ever receive anything of value deemed interest by applicable law which would exceed the Maximum Rate, such excessive interest shall be applied to the reduction of the principal amount owing with respect to the Loan or on account of the other indebtedness secured by the Loan Documents or Borrower's Loan Documents and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance of the Loan and such other indebtedness, such excess shall be refunded to Borrower. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of the Loan and other indebtedness of Borrower to Lender shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the actual rate of interest on account of all such indebtedness is uniform throughout the actual term of the Loan and does not exceed the Maximum Rate throughout the entire term of the Loan, as appropriate. The terms and provisions of this Section 12 shall control every other provision of this Agreement and all other agreements between Borrower and Lender.

13. Modifications, Waiver. No waiver, modification, amendment, discharge, or change of any of the Loan Documents shall be valid unless the same is in writing and signed by the party against which the enforcement of such modification, waiver, amendment, discharge, or change is sought.

14. No Novation. THE PARTIES DO NOT INTEND THIS AGREEMENT NOR THE TRANSACTIONS CONTEMPLATED HEREBY TO BE, AND THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL NOT BE CONSTRUED TO BE, A NOVATION OF ANY OF THE OBLIGATIONS OWING BY THE BORROWER UNDER OR IN CONNECTION WITH THE LOAN DOCUMENTS. 15. Recitals True. Borrower, New Guarantor, Prior Owner, Prior Guarantor and Lender each hereby approve the recitations set forth in the preamble of this Agreement and agree that said recitations are true and correct in all respects. excess shall be deemed to have been applied toward payment of the principal of any and all then outstanding indebtedness of Borrower to Lender, or if there is no such indebtedness, shall immediately be returned to Borrower.

ARTICLE 5

Notwithstanding the provisions of this Section to the contrary, if any Event of Default as described in Section 11.1(f) of the Loan Agreement shall occur, the entire unpaid Debt shall be automatically due and payable, without any further notice, demand or other action by Lender or Beneficiary.

Section 8.3 Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make any payment or do any act required of Borrower hereunder in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender or Trustee is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 8.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender or Trustee in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to

the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the other Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

Lender or Trustee has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 8.5 Recovery of Sums Required to be Paid. Subject to Article 15 of the Loan Agreement, Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 8.6 Other Rights, Etc. (a) The failure of Lender, Beneficiary or Trustee to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender, Beneficiary or Trustee to comply with any request of Borrower or any guarantor or indemnitor with respect to the Loan to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in the value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief if any such possession is requested or obtained with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender or Trustee may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender or Trustee thereafter to foreclose this Security Instrument. The rights of Lender or Trustee under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender, Beneficiary or Trustee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Neither Lender, Beneficiary nor Trustee shall be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 8.7 Right to Release any Portion of the Property. Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 8.8 Right of Entry. Upon reasonable notice to Borrower, Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

Section 8.9 Bankruptcy. (a) Upon or at any time after the occurrence and during the continuance of an Event of Default, Lender shall have the right to proceed in its own name or in the name of Borrower in respect of any claim, suit, action or proceeding relating to the rejection of any Lease, including, without limitation, the right to file and prosecute, to the exclusion of Borrower, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect of the lessee under such Lease under the Bankruptcy Code.

(b) If there shall be filed by or against Borrower a petition under 11 U.S.C. §101 et seq., as the same may be amended from time to time (the "Bankruptcy Code"), and Borrower, as lessor under any Lease, shall determine to reject such Lease pursuant to Section 365(a) of the Bankruptcy Code, then Borrower shall give Lender not less than ten (10) days' prior notice of the date on which Borrower shall apply to the bankruptcy court for authority to reject the Lease. Lender shall have the right, but not the obligation, to serve upon Borrower within such ten-day period a notice stating that (i) Lender demands that Borrower assume and assign the Lease to Lender pursuant to Section 365 of the Bankruptcy Code and (ii) Lender covenants to cure or provide adequate assurance of future performance under the Lease. If Lender serves upon Borrower the notice described in the preceding sentence, Borrower shall not seek to reject the Lease and shall comply with the demand provided for in clause (i) of the preceding sentence within thirty (30) days after the notice shall have been given, subject to the performance by Lender of the covenant provided for in clause (ii) of the preceding sentence.

Section 8.10 Subrogation. If any or all of the proceeds of the Note have been used to extinguish, extend or renew any indebtedness heretofore existing against the Property, then, to the extent of the funds so used, Lender shall be subrogated to all of the rights, claims, liens, titles, and interests existing against the Property heretofore held by, or in favor of, the holder of such indebtedness and such former rights, claims, liens, titles, and interests, if any, are not waived but rather are continued in full force and effect in favor of Lender and are merged with the lien and security interest created herein as cumulative security for the repayment of the Debt, the performance and discharge of Borrower's obligations hereunder, under the Loan Agreement, the Note and the other Loan Documents and the performance and discharge of the Other Obligations.

ARTICLE 17

STATE-SPECIFIC PROVISIONS

Section 17.1 Principles of Construction. In the event of any inconsistencies between the terms and conditions of this Article 17 and the terms and conditions of this Security Instrument, the terms and conditions of this Article 17 shall control and be binding.

Section 17.2 Certain Matters Relating to Property Located in the State of California. With respect to the Property which is located in the State of California, notwithstanding anything contained herein to the contrary:

(a) General. (i) Full Reconveyance. Upon written request of Lender stating that all sums secured hereby have been paid, that Borrower has well and truly abided by and complied with each and every covenant and condition set forth herein and in the Note and the other Loan Documents, and upon surrender to Trustee of the Note and the original or a certified copy of this Security Instrument for cancellation and retention, and upon payment of its fees, Trustee shall fully reconvey, without warranty, the entire remaining Property then held hereunder. The recitals in such reconveyance of any matters of facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

(ii) Dwellings. No portion of the proceeds of the Loan shall be used by Borrower to finance the purchase or construction of real property containing four (4) or fewer residential units or on which four (4) or fewer residential units are to be constructed. As of the date hereof, Borrower represents, warrants and covenants that no portion of the Property is or will be a "dwelling" within the meaning of Section 10240.1 or Section 10240.2 of the California Business and Professions Code.

(iii) Civil Code. Borrower represents, warrants and acknowledges that the Loan is not subject to the provisions of Chapter 3, Title IV, Part 4, Division Third of the Civil Code of the State of California (Civil Code Sections 1912 et seq.) other than Section 1916.1 thereof.

(iv) Indemnity; Expenses. Borrower will pay or reimburse the Trustee, Beneficiary and Lender for all reasonable attorneys' fees, costs and expenses incurred by any of them in any suit, action, legal proceeding or dispute of any kind in which any of them is made a party or appears as party plaintiff or defendant, affecting the Debt, this Security Instrument or the interest created herein, or the Property, or any appeal thereof, including, but not limited to, activities related to enforcement of the remedies of Beneficiary or Lender, activities related to protection of Beneficiary's or Lender's collateral, any foreclosure action or exercise of the power of sale, any condemnation action involving the Property or any action to protect the security hereof, any bankruptcy or other insolvency proceeding commenced by or against Borrower, and any such amounts paid or incurred by the Trustee, Beneficiary or Lender shall be added to the Debt and shall be secured by this Security Instrument. The agreements of this subsection shall expressly survive in perpetuity satisfaction of this Security Instrument and repayment of the Debt, any release, reconveyance, discharge of foreclosure of this Security Instrument, conveyance by deed in lieu of foreclosure, sale, and any subsequent transfer by trustee's conveyance of the Property.

(v) Supplemental Environmental Provisions. In the event that any portion of the Property is determined to be "environmentally impaired" (as "environmentally impaired" is defined in California Code of Civil Procedure Section 726.5(e)(3)) or to be an "affected parcel" (as "affected parcel" is defined in California Code of Civil Procedure Section 726.5(e)(1)), then, without otherwise limiting or in any way affecting Beneficiary's, Lender's or Trustee's rights and remedies under this Security Instrument, Beneficiary or Lender may elect to exercise its right under California Code of Civil Procedure Section 726.5(a) to (i) waive its lien on such environmentally impaired or affected portion of the Property, and (ii) exercise the rights and remedies of an unsecured creditor, including reduction of its claim against Borrower to judgment and any other rights and remedies permitted by law. For purposes of determining Beneficiary's or Lender's right to proceed as an unsecured creditor under California Code of Civil Procedure Section 726.5(a), Borrower shall be deemed to have willfully permitted or acquiesced in a release or threatened release of hazardous materials, within the meaning of California Code of Civil Procedure Section 726.5(d)(1), if the release or threatened release of hazardous materials was knowingly or negligently caused or contributed to by any lessee, occupant or user of any portion of the Property and Borrower knew or should have known of the activity by such lessee, occupant or user which caused or contributed to the release or threatened release. Beneficiary and Lender shall have the right to allocate amounts recovered on the Debt first to those portions thereof other than damages and other amounts recoverable under California Code of Civil Procedure Section 736, and thereafter to damages and other amounts recoverable hereunder.

(vi) Foreclosure By Power of Sale. (A) Should Beneficiary or Lender elect to foreclose by exercise of the power of sale herein contained, Beneficiary or Lender shall deliver to Trustee a written declaration of default and demand for sale, and shall deposit with Trustee this Security Instrument and the Note and such receipts and evidence of expenditures made and secured hereby as Trustee may require.

(B) Upon receipt of notice from Beneficiary or Lender, Trustee shall cause to be recorded, published and delivered to Borrower such notice of default and election to sell as is then required by law. Trustee shall, without demand on Borrower, after lapse of such time as may then be required by law and after recordation of such notice of default and after notice of sale having been given as required by law, sell the Property at the time and place of sale fixed by it in said notice of sale, either as a whole, or in separate lots or parcels or items and in such order as Beneficiary or Lender may direct Trustee so to do, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matter or fact shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Borrower, Trustee, Beneficiary, or Lender may purchase at such sale, and Borrower hereby covenants to warrant and defend the title of such purchaser or purchasers.

(C) Subject to applicable law, Trustee may postpone the sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time thereafter may postpone such sale by public announcement or subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new notice of sale.

(vii) Separate Sales. The Property may be sold in one or more parcels and in such manner and order as Beneficiary or Lender, in its respective sole discretion, may direct Trustee so to do. A sale of less than the whole of the Property or any defective or irregular sale made hereunder shall not exhaust the power of sale provided for herein, and subsequent sales may be made hereunder until all obligations secured hereby have been satisfied, or the entire Property sold, without defect or irregularity.

(viii) Release of and Resort to Collateral. Beneficiary or Lender may release, regardless of consideration and without the necessity for any notice to a consent by the holder of any subordinate lien on the Property, any part of the Property without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interests created in or evidenced by the Loan Documents or their stature as a first and prior lien and security interest in and to the Property. For payment of the Debt, Beneficiary or Lender may resort to any other security in such order and manner as Beneficiary or Lender may elect.

(ix) Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Borrower hereby irrevocably and unconditionally waives and releases (i) all benefit that might accrue to Borrower by virtue of any present or future statute of limitations or law or judicial decision exempting the Property from attachment, levy or sale on execution or providing for any appraisement, valuation, stay of execution, exemption from civil process, redemption or extension of time for payment, (ii) all notices of any Event of Default or of Trustee's election to exercise or his actual exercise of any right, remedy or recourse provided for under the Loan Documents, and (iii) any right to a marshalling of assets or a sale in inverse order of alienation.

(x) Discontinuance of Proceedings. If Beneficiary or Lender shall have proceeded to invoke any right, remedy or recourse permitted under the Loan Documents and shall thereafter elect to discontinue or abandon it for any reason, Beneficiary or Lender, as applicable, shall have the unqualified right to do so and, in such an event, Borrower, Beneficiary and Lender shall be restored to their former positions with respect to the Debt, the obligations secured by this Security Instrument, the Loan Documents, the Property and otherwise, and the rights, remedies, recourses and powers of Beneficiary and Lender shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Beneficiary or Lender thereafter to exercise any right, remedy or recourse under the Loan Documents for such Event of Default.

(xi) No Beneficiary in Possession. Neither the enforcement of any of the remedies under this Security Instrument nor any other remedies afforded to Beneficiary or Lender under the Loan Documents, at law or in equity, shall cause Beneficiary, Lender or Trustee to be deemed or construed to be a mortgagee in possession of the Property, to obligate Beneficiary, Lender or Trustee to lease the Property or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 18

DEED OF TRUST PROVISIONS

Section 18.1 Concerning the Trustee. Trustee shall be under no duty to take any action hereunder except as expressly required hereunder or by law, or to perform any act which would involve Trustee in any expense or liability or to institute or defend any suit in respect hereof, unless properly indemnified to Trustee's reasonable satisfaction. Trustee, by acceptance of this Security Instrument, covenants to perform and fulfill the trusts herein created, being liable, however, only for gross negligence or willful misconduct, and hereby waives any statutory fee and agrees to accept reasonable compensation, in lieu thereof, for any services rendered by Trustee in accordance with the terms hereof. Trustee may resign at any time upon giving thirty (30) days' notice to Borrower, Beneficiary and Lender. Lender may remove Trustee at any time or from time to time and select a successor trustee. In the event of the death, removal, resignation, refusal to act, or inability to act of Trustee, or in its sole discretion for any reason whatsoever Lender may, without notice and without specifying any reason therefor and without applying to any court, select and appoint a successor trustee, by an instrument recorded wherever this Security Instrument is recorded and all powers, rights, duties and authority of Trustee, as aforesaid, shall thereupon become vested in such successor. Such substitute trustee shall not be required to give bond for the faithful performance of the duties of Trustee hereunder unless required by Lender. The procedure provided for in this paragraph for substitution of Trustee shall be in addition to and not in exclusion of any other provisions for substitution, by law or otherwise.

Section 18.2 Trustee's Fees. Borrower shall pay all reasonable costs, fees and expenses incurred by Trustee and Trustee's agents and counsel in connection with the performance by Trustee of Trustee's duties hereunder and all such costs, fees and expenses shall be secured by this Security Instrument.

Section 18.3 Certain Rights. With the approval of Lender, Trustee shall have the right to take any and all of the following actions: (i) to select, employ, and advise with counsel (who may be, but need not be, counsel for Lender) upon any matters arising hereunder, including the preparation, execution, and interpretation of the Note, this Security Instrument or the Other Security Documents, and shall be fully protected in relying as to legal matters on the advice of counsel, (ii) to execute any of the trusts and powers hereof and to perform any duty hereunder either directly or through his/her agents or attorneys, (iii) to select and employ, in and about the execution of his/her duties hereunder, suitable accountants, engineers and other experts, agents and attorneys-in-fact, either corporate or individual, not regularly in the employ of Trustee, and Trustee shall not be answerable for any act, default, negligence, or misconduct of any such accountant, engineer or other expert, agent or attorney-in-fact, if selected with reasonable care, or for any error of judgment or act done by Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence or bad faith, and (iv) any and all other lawful action as Lender and Beneficiary may instruct Trustee to take to protect or enforce Lender's and Beneficiary's rights hereunder. Trustee shall not be

personally liable in case of entry by Trustee, or anyone entering by virtue of the powers herein granted to Trustee, upon the Property for debts contracted for or liability or damages incurred in the management or operation of the Property. Trustee shall have the right to rely on any instrument, document, or signature authorizing or supporting an action taken or proposed to be taken by Trustee hereunder, believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for actual expenses incurred by Trustee in the performance of Trustee's duties hereunder and to reasonable compensation for such of Trustee's services hereunder as shall be rendered.

Section 18.4 Retention of Money. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by applicable law) and Trustee shall be under no liability for interest on any moneys received by Trustee hereunder.

Section 18.5 Perfection of Appointment. Should any deed, conveyance, or instrument of any nature be required from Borrower by any Trustee or substitute trustee to more fully and certainly vest in and confirm to Trustee or substitute trustee such estates rights, powers, and duties, then, upon request by Trustee or substitute trustee, any and all such deeds, conveyances and instruments shall be made, executed, acknowledged, and delivered and shall be caused to be recorded and/or filed by Borrower.

Section 18.6 Succession Instruments. Any substitute trustee appointed pursuant to any of the provisions hereof shall, without any further act, deed, or conveyance, become vested with all the estates, properties, rights, powers, and trusts of its or his/her predecessor in the rights hereunder with like effect as if originally named as Trustee herein; but nevertheless, upon the written request of Lender or of the substitute trustee, Trustee ceasing to act shall execute and deliver any instrument transferring to such substitute trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of Trustee so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such Trustee to the substitute trustee so appointed in Trustee's place.

Any blanket Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 3.3(a). Borrower shall pay the premiums for such Policies (the "**Insurance Premiums**") as the same become due and payable and shall furnish to Lender evidence of the renewal of each of the new Policies with receipts for the payment of the Insurance Premiums or other evidence of such payment reasonably satisfactory to Lender (provided that such Insurance Premiums have not been paid to Lender or Lender's servicing agent pursuant to Section 3.5 hereof). If Borrower does not furnish such evidence and receipts at least twenty (20) days prior to the expiration of any apparently expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, taking into consideration changes in the value of money over time, changes in liability laws, changes in prudent customs and practices, and the like; provided, however, such increased coverages shall not be requested more frequently than once every three years, and shall only be requested if such coverage is commercially available at commercially reasonable rates and such rates are consistent with those paid in respect of comparable properties in comparable locations, and Lender also reasonably determines that

either (I) prudent owners of real estate comparable to the Property are maintaining same or (II) prudent institutional lenders (including, without limitation, investment banks) to such owners are generally requiring that such owners maintain such insurance.

(c) If the Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice of such damage to Lender and shall promptly commence and diligently prosecute the completion of the repair and restoration of the Property as nearly as possible to the condition the Property was in immediately prior to such fire or other casualty, with such alterations as may be approved by Lender (the "**Restoration**") and otherwise in accordance with Section 4.4 of this Security Instrument. Borrower shall pay all costs of such Restoration whether or not such costs are covered by insurance. In case of loss covered by Policies, Lender may either (1) settle and adjust any claim, or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that (A) provided no Event of Default shall have occurred and be continuing, Borrower may adjust losses aggregating not in excess of the Threshold Amount (defined below) if such adjustment is carried out in a competent and timely manner and (B) if no Event of Default shall have occurred and be continuing, Lender shall not settle or adjust any such claim under clause (1), above, without the consent of Borrower, which consent shall not be unreasonably withheld or delayed. In any case Lender shall and is hereby authorized to collect and receipt for any such insurance proceeds; and the reasonable expenses incurred by Lender in the adjustment and collection of insurance proceeds shall become part of the Debt and be secured hereby and shall be reimbursed by Borrower to Lender upon demand.

Section 3.4. PAYMENT OF TAXES, ETC. (a) Subject to the provisions of Sections 3.4(b) and 3.5 hereof, Borrower shall pay all taxes, assessments, water rates, sewer rents, governmental impositions, and other charges, including without limitation vault charges and license fees for the use of vaults, chutes and similar areas adjoining the Land, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "**Taxes**"), all ground rents (including, without limitation, any rents or other charges payable under the FHB Sublease), Assessments (defined below), maintenance charges and similar charges, now or hereafter levied or assessed or imposed against the Property or any part thereof (the "**Other Charges**"), and all charges for utility services provided to the Property prior to the same becoming delinquent. Borrower will deliver to Lender, promptly upon Lender's written request, evidence satisfactory to Lender that the Taxes, Other Charges and utility service charges have been so paid or are not then delinquent. Borrower shall not suffer and shall promptly cause to be paid and discharged any lien or charge against the Property arising out of such Taxes, Other Charges and utility service charges. Except to the extent sums sufficient to pay all Taxes and Other Charges have been deposited with Lender in accordance with the terms of this Security Instrument, Borrower shall furnish to Lender, promptly upon Lender's written request, paid receipts for the payment of the Taxes and Other Charges.

(b) Borrower, at its own expense, may contest by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any of the Taxes, provided that (i) no Event of Default has occurred and is continuing under the Note, this Security Instrument or any of the other Loan Documents, (ii) Borrower is permitted to do so under the provisions of any other mortgage, deed of trust or deed to secure debt affecting the Property, (iii) such proceeding shall suspend the

collection of the Taxes from Borrower and from the Property or Borrower shall have paid all of the Taxes under protest, (iv) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder, (v) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited, terminated, canceled or lost, (vi) Borrower shall have deposited with Lender adequate reserves for the payment of the Taxes, together with all interest and penalties thereon, unless Borrower has paid all of the Taxes under protest, and (vii) Borrower shall have furnished the security as may be required in the proceeding to insure the payment of any contested Taxes, together with all interest and penalties thereon.

Section 3.5. ESCROW FUND. In addition to any initial deposits to the Escrow Fund (defined below) on the date hereof (if any), except as provided below, Borrower shall pay to Lender on the first day of each calendar month (a) one twelfth of an amount which would be sufficient to pay the Taxes payable, or reasonably estimated by Lender to be payable, during the next ensuing twelve (12) months and (b) one twelfth of an amount which would be sufficient to pay the Insurance Premiums due for the renewal of the coverage afforded by the Policies upon the expiration thereof (the amounts in (a) and (b) above shall be called the "**Escrow Fund**"). Borrower agrees to notify Lender immediately of any changes to the amounts, schedules and instructions for payment of any Taxes and Insurance Premiums of which it has obtained knowledge and authorizes Lender or its agent to obtain the bills for Taxes and Other Charges directly from the appropriate taxing authority. The Escrow Fund and the payments of interest or principal or both, payable pursuant to the Note shall be added together and shall be paid as an aggregate sum by Borrower to Lender. Provided no Event of Default has occurred and is continuing, Lender will timely apply the Escrow Fund to payments of Taxes and Insurance Premiums required to be made by Borrower pursuant to Sections 3.3 and 3.4 hereof. If the amount of the Escrow Fund shall exceed the amounts due for Taxes and Insurance Premiums pursuant to Sections 3.3 and 3.4 hereof, Lender shall, provided no Event of Default has occurred and is continuing, promptly return any excess to Borrower. In disbursing such excess, Lender may deal with the person shown on the records of Lender to be the owner of the Property. If the Escrow Fund is not sufficient to pay the items set forth in (a) and (b) above, Borrower shall promptly pay to Lender, upon demand, an amount which Lender shall estimate as sufficient to make up the deficiency. The Escrow Fund shall not constitute a trust fund and may be commingled with other monies held by Lender. No earnings or interest on the Escrow Fund shall be payable to Borrower. Notwithstanding the foregoing, Borrower shall not be required to make deposits to the Escrow Fund for Insurance Premiums pursuant to this Section 3.5 so long as (i) no Event of Default occurs and is continuing hereunder, (ii) Borrower pays all Insurance Premiums by no later than ten (10) Business Days prior to the delinquency thereof, and (iii) Borrower provides Lender paid receipts for the payment of the Insurance Premiums by no later than one (1) Business Day prior to the delinquency thereof. Upon the occurrence of a failure of any of the conditions specified in clauses (i) through (iii) above, Borrower shall, upon Lender's written demand therefor, commence making the deposits to the Escrow Fund for Insurance Premiums required pursuant to this Section 3.5 commencing with the next Monthly Payment Date (as defined in the Note), which payments shall continue until Borrower corrects each such failure (at which time any funds remaining in the Escrow Fund and attributable to Insurance Premiums will be promptly released to Borrower provided no Event of Default is continuing). Borrower shall provide Lender with evidence of the payment of Taxes attributable to the entirety of the FHB Tax Parcel prior to the delinquency thereof. To the extent that Lender is at any time

not in receipt of said evidence, Lender may, at its option, (A) pay such sums and/or (B) require Borrower to increase any applicable monthly deposits to the Escrow Fund such that sums on deposit therein are sufficient to pay Taxes attributable to the entirety of the FHB Tax Parcel. Any such sums so paid by Lender pursuant to subsection (A) above shall be deemed protective advances hereunder and shall be added to the Debt

Section 3.6. CONDEMNATION. Borrower shall promptly give Lender notice of the actual or threatened commencement of any condemnation or eminent domain proceeding affecting the Land and/or the Improvements and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender is hereby irrevocably appointed as Borrower's attorney in fact coupled with an interest, with exclusive powers to collect, receive and apply to the Debt (or provide to Borrower to pay for Restoration) any award or payment for any taking accomplished through a condemnation or eminent domain proceeding and, at any time during which an Event of Default has occurred and is continuing, to make any compromise or settlement in connection therewith. All condemnation awards or proceeds shall be either (a) paid to Lender for application against the Debt or (b) applied to Restoration of the Property in accordance with Section 4.4 hereof. Notwithstanding any taking by any public or quasi public authority through eminent domain or otherwise (including but not limited to any transfer made in lieu of or in anticipation of the exercise of such taking), Borrower shall continue to pay the Debt at the time and in the manner provided for its payment in the Note and in this Security Instrument and the Debt shall not be reduced until any award or payment therefor shall have been actually received and applied by Lender, after the deduction of expenses of collection, to the reduction or discharge of the Debt. Lender shall not be limited to the interest paid on the award by the condemning authority but shall be entitled to receive out of the award interest at the rate or rates provided herein or in the Note. Any award or payment to be applied to the reduction or discharge of the Debt or any portion thereof may be so applied whether or not the Debt or such portion thereof is then due and payable. If the Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of the award or payment, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been or may be sought, recovered or denied, to receive the award or payment, or a portion thereof sufficient to pay the unpaid portion of the Debt.

Notwithstanding anything contained in this Section 3.6 or this Security Instrument to the contrary, but subject to the provisions of Section 4.4, below, Lender may elect to (y) apply the net proceeds of any condemnation award (after deduction of Lender's reasonable costs and expenses, if any, in collecting the same) in reduction of the Debt in such order and manner as Lender may elect, whether due or not, or (z) make the proceeds available to Borrower for the restoration or repair of the Property. Any implied covenant in this Security Instrument restricting the right of Lender to make such an election is waived by Borrower. In addition, Borrower hereby waives the provisions of any law prohibiting Lender from making such an election.

Section 3.7. LEASES AND RENTS. (a) All Leases entered into after the date hereof shall be written on (i) the standard form of lease which has been approved by Lender or (ii) an Acceptable Chain Tenant Form (defined below). Commercially reasonable changes may be made to the Lender-approved standard lease or an Acceptable Chain Tenant Form without the prior written consent of Lender in the ordinary course of Borrower's business. All Leases

(including any Acceptable Chain Tenant Form) shall provide that they are subordinate to this Security Instrument (subject to Lender's agreement (by Lender's acceptance of this Security Instrument hereby given) not to disturb such tenant's tenancies while they are in compliance with the terms of their Lease) and that the tenant thereunder agrees to attorn to Lender. As used herein, the term "**Acceptable Chain Tenant Form**" shall mean the form of lease promulgated by a prospective national or regional chain tenant that generally insists, on a programmatic or institutional basis (although an occasional exception to such requirement shall not cause this provision to fail), on using its own form of lease; provided, that, the provisions contained in such form of lease (A) are commercially reasonably for properties similar to the Property, (B) do not contain any rights, options (including, without limitation, rights to purchase the Property or any interest therein) or obligations that would be unacceptable to a prudent secondary market lender substantially similar to Lender and (C) do not have a Material Adverse Effect (defined below). As used herein, the term "**Material Adverse Effect**" shall mean a material adverse effect on (1) the Property, (2) the business, profits, prospects, management, operations or condition (financial or otherwise) of Borrower, Guarantor or the Property, (3) the enforceability, validity, perfection or priority of the lien of this Security Instrument or the other Loan Documents, or (4) the ability of Borrower to perform its obligations under this Security Instrument or the other Loan Documents.

(b) Borrower (i) shall observe and perform all material obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to impair the value of the Leases as security for the Debt; (ii) shall promptly send copies to Lender of all notices of default which Borrower shall receive thereunder; (iii) shall not collect any of the Rents more than one (1) month in advance (other than security deposits and prepaid first and last month's rent collected in the ordinary course of Borrower's business); and (iv) shall not execute any other assignment of the lessor's interest in the Leases or the Rents. Borrower (A) shall enforce all material terms, covenants and conditions contained in the Leases upon the part of the lessees thereunder to be observed or performed, short of termination thereof and short of instituting litigation (provided, that, Borrower (1) shall be obligated to so institute litigation if the failure to do so would have a Material Adverse Effect and (2) may terminate a Lease only in the event of (aa) a monetary event of default under such Lease or (bb) a material non-monetary default under such Lease where the tenant fails to cure such event of default (i) to the extent the Sponsorship Condition remains satisfied, beyond the cure period set forth in the subject Lease or (ii) to the extent the Sponsorship Condition is not satisfied, within thirty (30) days beyond the cure period set forth in the subject Lease); (B) may alter, modify or change the terms of the Leases in any material respect without the prior written consent of Lender, provided that such alterations, modifications or changes are commercially reasonable alterations, modifications or changes agreed to in the ordinary course of Borrower's business; (C) shall not, without Lender's consent, convey or transfer or suffer or permit a conveyance or transfer of the Property or of any interest therein so as to effect a merger of the estates and rights, or a termination or material diminution of the obligations of, tenants under the Leases; (D) may approve or consent to any assignment of or subletting under the Leases in accordance with the terms of such Leases, without the prior written consent of Lender; and (E) shall not cancel the Leases or accept a surrender thereof, except that any Lease may be canceled if at the time of the cancellation thereof a new Lease is entered into on substantially the same terms or more favorable terms than those contained in the canceled Lease.

(c) Borrower, as the lessor thereunder, may enter into proposed lease renewals and new leases without the prior written consent of Lender, provided each such proposed lease: (i) shall have an initial term of not less than three (3) years or greater than ten (10) years; (ii) shall provide for rental rates (including rates during any renewal or option term or rates applicable to any expansion space) comparable to then existing local market rates that would be agreed to in an arm's length transaction; (iii) shall be to a tenant which Borrower reasonably determines to be capable and reputable; and (iv) shall comply with the provisions of subsection (a) above (except that any lease renewals may be on the same form as the original lease). Borrower may enter into a proposed lease which does not satisfy all of the conditions set forth in clauses (i) through (iv) immediately above, provided Lender consents in writing to such proposed lease, such consent not to be unreasonably withheld or delayed. Borrower expressly understands that any and all proposed leases are included in the definition of "Lease" or "Leases" as such terms may be used throughout this Security Instrument, the Note and the other Loan Documents. Borrower shall furnish Lender with executed copies of all Leases and any amendments or other agreements pertaining thereto.

(d) Notwithstanding anything to the contrary contained herein or in any other Loan Document, Borrower shall not, without the prior written consent of Lender, enter into, renew, extend, terminate (for reasons other than non-payment of rent (provided, that, with respect to the Master Lease, the same shall not be terminated without Lender's prior written consent unless in connection with a Permitted ML Termination (defined below))), reduce rents under (which shall not be deemed to include any rent reductions explicitly provided for under the terms and conditions of said Lease occurring automatically and not requiring Borrower or any other party's consent thereto or approval thereof), permit an assignment or subleasing of (other than in accordance with its express terms) or otherwise amend, modify or waive any material or economic provisions of, accept a surrender of space under, or shorten the term of, any Major Lease or any instrument guaranteeing or providing credit support for any Major Lease. As used herein, the term "**Major Lease**" shall mean (i) the Master Lease, (ii) any Lease which, individually or when aggregated with all other Leases at the Property with the same tenant or any Affiliate (defined below) of such tenant, demises 5,000 square feet or more of the Property's net rentable square footage, (iii) any Lease which contains any option, offer, right of first refusal or other similar entitlement to purchase all or any portion of the Property (which such rights shall be deemed to be exclusive of any rights under any Lease to extend the term thereof or to lease additional space at the Property) or (iv) any instrument guaranteeing or providing credit support for any Lease meeting the requirements of (i), (ii) or (iii) above. As used above, the term "**Affiliate**" shall mean, with respect to any tenant under any Lease at the Property, any affiliate of such tenant, unless such affiliate (A) operates under a separate trade name and under a separate corporate or other similar division from such tenant and (B) is otherwise treated as a separate tenant under a separate Lease by Borrower. Notwithstanding the foregoing or anything to the contrary contained herein or in the other Loan Documents, Borrower shall be entitled to terminate the Master Lease without Lender's prior consent with respect to any portion of the space leased thereunder (the "**Master Lease Space**") which is hereafter leased pursuant to a Qualifying MLS Lease (hereafter defined). As used herein, a "**Qualifying MLS Lease**" shall mean a Lease entered into in accordance with the terms hereof (which may be an amendment to the QS Lease (defined below) (whether contained in a formal amendment or in such other agreement amending the QS Lease as may be reasonably acceptable to Lender (such as an SNDA)) providing for each of the following) which, in each case (1) leases all or any portion of

the Master Lease Space, (2) has a term of not less than the term of the current Lease (the "**QS Lease**") of the QS Space (as defined in the Note), (3) provides for base rent per square foot equal to or greater than that of the QS Lease and (4) does not also lease, provides that it is independent and exclusive of any sub-sublease for the FHB Space or provides that such Lease will continue following any termination of any sub-sublease for the FHB Space such that, in each such case, any termination of such tenant's rights (if any) to the FHB Space shall not allow such tenant to terminate or withhold or reduce Rent payable under the applicable Qualifying MLS Lease. Any termination of the Master Lease with respect to all or any portion of the Master Lease Space as permitted and in accordance with the terms and conditions above shall be herein referred to as a "**Permitted ML Termination**".

(e) Notwithstanding anything to the contrary contained herein, to the extent Lender's prior approval is required for any leasing matters set forth in this Section, Lender shall have ten (10) Business Days from receipt of written request and all reasonably required information and documentation relating thereto in which to approve or disapprove such matter, provided that such request to Lender is marked in bold lettering with the following language: "LENDER'S RESPONSE IS REQUIRED WITHIN TEN (10) BUSINESS DAYS OF RECEIPT OF THIS NOTICE PURSUANT TO THE TERMS OF A MORTGAGE BETWEEN THE UNDERSIGNED AND LENDER". In the event that Lender fails to respond to the leasing matter in question within such time, Lender's approval shall be deemed given for all purposes. Borrower shall provide Lender with such information and documentation as may be reasonably required by Lender, including, without limitation, lease comparables and other market information as reasonably required by Lender. Lender shall not be entitled to any fee or reimbursement in connection with any such review and approval process in excess of the reasonable fees or reimbursements customarily charged by lenders or servicers of secondary market loans similar to the Loan for actions similar to the foregoing.

(f) Within ten (10) Business Days after receipt of written request therefor and a copy of the executed corresponding Lease, Lender shall execute and deliver to Borrower a subordination, non-disturbance and attornment agreement (an "**SNDA**") with respect to any Lease approved or deemed approved hereunder or otherwise entered into in accordance with the terms and provisions hereof. If the form of the SNDA shall be prescribed by the Lease in question, and Lender shall have approved (or been deemed to have approved) such Lease (including all of the Leases reflected on the Rent Roll delivered by Borrower to Lender in connection with the making of the Loan - it being understood that all of the Leases on the rent roll of the Property as of the date hereof are deemed approved), Lender shall execute and deliver the SNDA in the form prescribed by such Lease. In the case of any other Lease or any Lease as to which Lender's approval is not required pursuant to the terms hereof where such tenant thereunder requests an SNDA, the SNDA to be executed and delivered by Lender shall be in substantially the form attached hereto as Exhibit B, as such form may be modified to reflect reasonable changes thereto negotiated by Lender and such tenant. Lender agrees to negotiate in good faith the terms of the SNDA with any tenant under any Lease. All reasonable attorneys' fees and disbursements incurred by Lender in connection with the negotiation of material changes to such form SNDA shall be payable by Borrower within ten (10) Business Days after Lender's written request therefor, whether or not the SNDA is ultimately executed and/or recorded. No attorney's fees will be charged for merely conforming such SNDA to the terms of the Lease in question (as opposed to material changes to the substantive content thereof).

Section 3.8. MAINTENANCE OF PROPERTY. Borrower shall cause the Property to be maintained in a good and safe condition and repair. The Improvements and the Personal Property shall not be removed, demolished or materially altered (except for normal replacement of the Personal Property) without the consent of Lender. Borrower shall promptly repair, replace or rebuild any part of the Property which may be destroyed by any casualty, or become damaged, worn or dilapidated or which may be affected by any proceeding of the character referred to in Section 3.6 hereof and shall complete and pay for any structure at any time in the process of construction or repair on the Land. Borrower shall not initiate, join in, acquiesce in, or consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting or defining the uses which may be made of the Property or any part thereof which may have a Material Adverse Effect. If under applicable zoning provisions the use of all or any portion of the Property is or shall become a nonconforming use, Borrower will not cause or permit the nonconforming use to be discontinued or abandoned without the express written consent of Lender.

Section 3.9. WASTE. Borrower shall not commit or suffer any waste of the Property or make any change in the use of the Property which will in any way materially increase the risk of fire or other hazard arising out of the operation of the Property, or take any action that might invalidate or give cause for cancellation of any Policy, or do or permit to be done thereon anything that may in any way impair the value of the Property or the security of this Security Instrument. Borrower will not, without the prior written consent of Lender, permit any drilling or exploration for or extraction, removal, or production of any minerals from the surface or the subsurface of the Land, regardless of the depth thereof or the method of mining or extraction thereof.

Section 3.10. COMPLIANCE WITH LAWS. Borrower shall promptly comply with all existing and future federal, state and local laws, orders, ordinances, governmental rules and regulations or court orders affecting or which may be interpreted to affect Borrower, the Property or the use of the Property, including, without limitation, the Prescribed Laws (defined below) ("**Applicable Laws**"). Borrower shall from time to time, upon Lender's request, based on Lender's belief, in the exercise of Lender's reasonable judgment, that the Property or Borrower is in violation of any Applicable Law, provide Lender with evidence satisfactory to Lender that the Property or Borrower (as applicable) complies with the Applicable Laws which Lender believes the Property or Borrower (as applicable) is in violation of or is exempt from compliance with such Applicable Laws. Borrower shall give prompt notice to Lender of the receipt by Borrower of any notice related to a violation of any Applicable Laws and of the commencement of any proceedings or investigations which relate to compliance with Applicable Laws. As used herein, the term "**Prescribed Laws**" shall mean, collectively, (a) the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Public Law 107-56) (The USA PATRIOT Act), (b) Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001, and relating to Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism, (c) the International Emergency Economic Power Act, 50 U.S.C. §1701 et. seq. and (d) all other Applicable Laws relating to money laundering or terrorism.

Section 3.11. BOOKS AND RECORDS. (a) Borrower shall keep adequate books and records of account in accordance with Borrower's current methods (which such methods are tax

basis accounting) or such other comprehensive basis of accounting as may be acceptable to Lender in its reasonable discretion, in each case consistently applied (each or any of the foregoing, the "**Approved Accounting Method**") and furnish to Lender:

(i) prior to Securitization (defined below), monthly (but in no event for a period of more than two (2) years from the date hereof) and, thereafter, quarterly, rent rolls signed, dated and certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) to be true and complete to the best knowledge of such person, detailing the names of all tenants of the Improvements, the portion of Improvements occupied by each tenant, the base rent and any other charges payable under each Lease and the term of each Lease, including the expiration date, and any other information as is reasonably required by Lender, within thirty (30) days after the end of each calendar month or quarter (as applicable);

(ii) prior to Securitization (defined below), monthly (but in no event for a period of more than two (2) years from the date hereof) and, thereafter, quarterly, operating statements of the Property certified by Borrower (or an officer, general partner or principal of Borrower if Borrower is not an individual) to be true and complete to the best knowledge of such person, detailing the total revenues received, total expenses incurred, total capital expenditures (including, but not limited to, all capital improvements (including, but not limited to, tenant improvements)), leasing commissions and other leasing costs, total debt service and total cash flow, and if available, any quarterly operating statement prepared by an independent certified public accountant, within thirty (30) days after the close of each calendar month or quarter (as applicable); and

(iii) an annual balance sheet and profit and loss statement of Borrower, prepared and certified by Borrower, and, if available, any financial statements prepared by an independent certified public accountant within ninety (90) days after the close of each fiscal year of Borrower.

(b) Upon request from Lender, Borrower shall furnish to Lender: (1) an accounting of all security deposits held in connection with any Lease of any part of the Property; and (2) an annual operating budget presented on a monthly basis consistent with the annual operating statement described above for the Property and all proposed capital replacements and improvements.

(c) Borrower shall furnish Lender with such other additional financial or management information regarding Borrower and/or the Property as may, from time to time, be reasonably required by Lender.

(d) If, at the time a Disclosure Document (defined below) is being prepared for a Securitization (defined below), Lender expects that Borrower alone or Borrower and one or more affiliates of Borrower collectively, or the Property alone or the Property and Related Properties (defined below) collectively, will be a Significant Obligor (defined below), Borrower shall furnish to Lender upon request (i) the selected financial data or, if applicable, net operating income, required under Item 1112(b)(1) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans (defined below) as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans

as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed ten percent (10%) (but less than twenty percent (20%)) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization, or (ii) the financial statements required under Item 1112(b)(2) of Regulation AB, if Lender expects that the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization may, or if the principal amount of the Loan together with any Related Loans as of the cut-off date for such Securitization and at any time during which the Loan and any Related Loans are included in a Securitization does, equal or exceed twenty percent (20%) of the aggregate principal amount of all mortgage loans included or expected to be included, as applicable, in the Securitization. Such financial data or financial statements shall be furnished to Lender (A) within ten (10) Business Days after notice from Lender in connection with the preparation of Disclosure Documents for the Securitization, (B) not later than thirty (30) days after the end of each fiscal quarter of Borrower and (C) not later than seventy-five (75) days after the end of each fiscal year of Borrower; provided, however, that Borrower shall not be obligated to furnish financial data or financial statements pursuant to clauses (B) or (C) of this sentence with respect to any period for which a filing pursuant to the Exchange Act in connection with or relating to the Securitization (an "**Exchange Act Filing**") is not required. If requested by Lender, Borrower shall furnish to Lender financial data and/or financial statements for any tenant of the Property if, in connection with a Securitization, Lender expects there to be, with respect to such tenant or group of affiliated tenants, a concentration within all of the mortgage loans included or expected to be included, as applicable, in the Securitization such that such tenant or group of affiliated tenants would constitute a Significant Obligor.

(e) All financial data and financial statements provided by Borrower hereunder pursuant to Section 3.11(d) hereof shall be prepared in accordance with GAAP, and shall meet the requirements of Regulation AB and other applicable legal requirements. All financial statements referred to in Section 3.11(d) above shall be audited by independent accountants of Borrower acceptable to Lender in accordance with Regulation AB and all other applicable legal requirements, shall be accompanied by the manually executed report of the independent accountants thereon, which report shall meet the requirements of Regulation AB and all other applicable legal requirements, and shall be further accompanied by a manually executed written consent of the independent accountants, in form and substance acceptable to Lender, to the inclusion of such financial statements in any Disclosure Document and any Exchange Act Filing and to the use of the name of such independent accountants and the reference to such independent accountants as "experts" in any Disclosure Document and Exchange Act Filing, all of which shall be provided at the same time as the related financial statements are required to be provided. All financial data and financial statements (audited or unaudited) provided by Borrower under Section 3.11(d) shall be accompanied by an executed certificate of a responsible officer of Borrower, which certification shall state that such financial statements meet the requirements set forth in the first sentence of this Section 3.11(e).

(f) If requested by Lender, Borrower shall provide Lender, promptly upon request, with any other or additional financial statements, or financial, statistical or operating information, as Lender shall determine to be required pursuant to Regulation AB or any amendment, modification or replacement thereto or other legal requirements in connection with any Disclosure Document or any Exchange Act Filing or as shall otherwise be reasonably requested by Lender.

(g) In the event Lender determines, in connection with a Securitization, that the financial data and financial statements required in order to comply with Regulation AB or any amendment, modification or replacement thereto or other legal requirements are other than as provided herein, then notwithstanding the provisions of this Section, Lender may request, and Borrower shall promptly provide, such other financial data and financial statements as Lender determines to be necessary or appropriate for such compliance.

(h) Any reports, statements or other information required to be delivered under this Agreement shall be delivered (i) in paper form, (ii) on a diskette, and (iii) if requested by Lender and within the capabilities of Borrower's data systems without change or modification thereto, in electronic form and prepared using a Microsoft Word for Windows or WordPerfect for Windows files (which files may be prepared using a spreadsheet program and saved as word processing files). Borrower agrees that Lender may disclose information regarding the Property and Borrower that is provided to Lender pursuant to this Section in connection with the Securitization to such parties requesting such information in connection with such Securitization.

(i) As used above, the following defined terms have the following meanings:

(i) "**Regulation AB**" shall mean Regulation AB under the Securities Act and the Exchange Act, as such Regulation may be amended from time to time.

(ii) "**Related Loan**" shall mean a loan to an affiliate of Borrower or secured by a Related Property, that is included in a Securitization with the Loan.

(iii) "**Related Property**" shall mean a parcel of real property, together with improvements thereon and personal property related thereto, that is "related" within the meaning of the definition of Significant Obligor, to the Property.

(iv) "**Significant Obligor**" shall have the meaning set forth in Item 1101(k) of Regulation AB under the Securities Act.

Section 3.12. PAYMENT FOR LABOR AND MATERIALS. Nothing contained herein shall, however, affect or impair Borrower's ability to diligently and in good faith contest any lien or bill for labor or materials, provided that any lien placed upon the Property must be fully and irrevocably discharged (by bond or otherwise) at least 30 days prior to the date such lien could otherwise be foreclosed upon pursuant to Applicable Law.

Borrower shall observe and perform each and every term to be observed or performed by Borrower pursuant to the terms of any agreement or recorded instrument affecting or pertaining to the Property, or given by Borrower to Lender for the purpose of further securing an obligation secured hereby and any amendments, modifications or changes thereto.

Section 3.14. PROPERTY MANAGEMENT.

(a) Borrower shall (i) promptly perform and observe all of the covenants required to be performed and observed by it under the agreement between Manager and Borrower pursuant to which the property manager of the Property (the "**Manager**") is employed to perform management services for the Property (the "**Management Agreement**") and do all things necessary to preserve and to keep unimpaired its material rights thereunder; (ii) promptly notify Lender of any default under the Management Agreement of which it is aware; (iii) promptly deliver to Lender a copy of any notice of default or other material notice received by Borrower under the Management Agreement; (iv) promptly give notice to Lender of any notice or information that Borrower receives which indicates that Manager is terminating the Management Agreement or that Manager is otherwise discontinuing its management of the Property; and (v) promptly enforce the performance and observance of all of the material covenants required to be performed and observed by Manager under the Management Agreement. Subject to the last sentence of this subsection, Borrower shall not, without the prior written consent of Lender (which consent shall not be unreasonably withheld, conditioned or delayed): (i) surrender, terminate or cancel the Management Agreement or otherwise replace Manager or enter into any other management agreement with respect to the Property (provided, that, the foregoing shall not be deemed to prohibit Manager from sub-contracting some of its responsibilities under the Management Agreement provided that Manager retains responsibility and control of all material management decisions); (ii) reduce or consent to the reduction of the term of the Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Management Agreement; or (iv) otherwise modify, change, supplement, alter or amend, or waive or release any of its rights and remedies under, the Management Agreement in any material respect. In the event that Borrower replaces Manager at any time during the term of Loan, such Manager shall be a Qualified Manager (defined below). Borrower may terminate any Manager without Lender's consent, provided, that, Borrower provides Lender (A) ten (10) days prior written notice of such termination, (B) evidence that a Qualified Manager has been engaged to manage the Property pursuant to a Replacement Management Agreement (defined below) effective as of the date of termination of the terminated Manager, (C) a duly executed copy of the Replacement Management Agreement, (D) to the extent such replacement Manager is an Affiliated Manager, a New Non-Consolidation Opinion and (E) evidence reasonably acceptable to Lender that either (I) no termination or similar fees are due in connection with the termination of the then current Manager or (II) Borrower has sufficient sums to pay any such fees without adversely impacting the cash flow of the Property and/or Borrower ability to perform hereunder or under the other Loan Documents.

In the event Lender directs Borrower to engage a professional third party property manager or such manager is otherwise engaged in accordance with the terms and conditions hereof, then Borrower shall engage such a property manager pursuant to an agreement reasonably acceptable to Lender, and Borrower and such manager shall execute an agreement acceptable to Lender conditionally assigning Borrower's interest in such management agreement to Lender and subordinating manager's right to receive fees and expenses under such agreement while the Debt remains outstanding (such replacement management agreement and such assignment and subordination thereof in favor of Lender, collectively, the "**Replacement Management Agreement**"). In no event shall Lender or Borrower be liable for any termination, severance or other fees to Manager or others resulting from any termination of any property management agreement (including, without limitation the Management Agreement).

(c) As used herein, (1) the term "**Qualified Manager**" shall mean (I) American Assets, Inc. or Outrigger Enterprises, Inc**.** (unless such entity (A) is the entity being replaced as property manager or (B) has suffered a material adverse change in its general business standing or reputation from that as exists as of the date hereof (as reasonably determined by Lender)), or (II) a reputable and experienced professional management organization (a) which manages, together with its affiliates, at least 2,000,000 square feet of gross leasable area (including all anchor space), exclusive of the Property (or such lesser amount as may be reasonably acceptable to Lender) and (b) approved by Lender, which approval may not unreasonably be withheld or delayed, and for which Lender shall have received written confirmation from the Rating Agencies (as defined in the Cash Management Agreement) that the employment of such manager will not result in a downgrade, withdrawal or qualification of the initial, or if higher, then current ratings issued in connection with a Securitization, or if a Securitization has not occurred, any ratings to be assigned in connection with a Securitization and (2) the term "**Manager Termination Event**" shall be an event occurring upon (i) the occurrence of an Event of Default (which such Manager Termination Event shall continue until Borrower's cure, if applicable, of the applicable Event of Default and Lender's acceptance of such cure (whether voluntarily or required by law), provided, that, so long as Manager is one of the entities referenced in clause (I) of this paragraph, Lender shall provide notice to Borrower and Manager of the applicable Event of Default and shall give Borrower an opportunity to cure such Event of Default within ten (10) days of such notice before such Event of Default will constitute a Manager Termination Event), (ii) Manager becoming insolvent or a debtor in a proceeding under any applicable Insolvency Laws (as defined in the Note), or (iii) the occurrence and continuance of a material default under the Management Agreement by Manager beyond any applicable grace, notice or cure periods.

Section 3.15. REA COVENANTS. Borrower agrees that without the prior consent of Lender, Borrower will not enter into any new REA or execute modifications to any existing REA if such new REA or such modifications will have a Material Adverse Effect. Borrower shall enforce, shall comply with, and shall use commercially reasonable efforts to cause each of the parties to each REA to comply with all of the terms and conditions contained in such REA. As used herein, "**REA**" shall mean, individually or collectively (as the context requires), each reciprocal easement or similar agreement affecting the Property as more particularly described on Schedule 3 hereto (if any) and any future reciprocal easement or similar agreement affecting the Property entered into in accordance with the applicable terms and conditions hereof.

Subject to the last sentence of this subsection, Borrower shall not, without the prior written consent of Lender (which consent shall not be unreasonably withheld, conditioned or delayed): (i) surrender, terminate or cancel the Parking Management Agreement or otherwise replace Parking Manager or enter into any other parking management agreement with respect to the Property; (ii) reduce or consent to the reduction of the term of the Parking Management Agreement; (iii) increase or consent to the increase of the amount of any charges under the Parking Management Agreement; or (iv) otherwise modify, change, supplement, alter or amend, or waive or release any of its rights and remedies under, the Parking Management Agreement in any material respect. In the event that Borrower replaces Parking Manager at any time during the term of Loan, such Parking Manager shall be a Qualified Parking Manager (defined below). Notwithstanding anything to the contrary contained herein or in the other Loan Documents, Lender's receipt of a New Non-Consolidation Opinion shall be a condition precedent to any appointment of an Affiliated Manager (defined below) as Parking Manager for the Property. Borrower may terminate any Parking Manager without Lender's consent, provided, that, Borrower provides Lender (A) ten (10) days prior written notice of such termination, (B) evidence that a Qualified Parking Manager has been engaged to manage the Property pursuant to a Replacement Parking Management Agreement (defined below) effective as of the date of termination of the terminated Parking Manager, (C) a duly executed copy of the Replacement Parking Management Agreement, (D) to the extent such replacement Parking Manager is an Affiliated Manager, a New Non-Consolidation Opinion and (E) evidence reasonably acceptable to Lender that either (I) no termination or similar fees are due in connection with the termination of the then current Parking Manager or (II) Borrower has sufficient sums to pay any such fees without adversely impacting the cash flow of the Property and/or Borrower ability to perform hereunder or under the other Loan Documents.

(b) During the existence of a Parking Manager Termination Event (defined below), Borrower shall, at Lender's direction, immediately terminate the Parking Management Agreement and enter into a new parking management agreement reasonably acceptable to Lender with a parking management company reasonably acceptable to Lender, which such new parking management company must (i) be a Qualified Parking Manager, (ii) not be an affiliate of, or controlled by, Lender, and (iii) have not provided (nor agreed to provide) Lender (or its affiliates) with any compensation for being so named. In the event Lender directs Borrower to

engage a professional third party parking manager or such parking manager is otherwise engaged in accordance with the terms and conditions hereof, then Borrower shall engage such a parking manager pursuant to an agreement reasonably acceptable to Lender, and Borrower and such parking manager shall execute an agreement acceptable to Lender conditionally assigning Borrower's interest in such parking management agreement to Lender and subordinating parking manager's right to receive fees and expenses under such agreement while the Debt remains outstanding (such replacement parking management agreement and such assignment and subordination thereof in favor of Lender, collectively, the "**Replacement Parking Management Agreement**"). In no event shall Lender or Borrower be liable for any termination, severance or other fees to Parking Manager or others resulting from any termination of any parking management agreement (including, without limitation the Parking Management Agreement).

(c) (i) The organizational documents of each SPE Component Entity (if any) or Borrower (to the extent Borrower is a Delaware single member limited liability company or a corporation) shall provide that at all times there shall be, and Borrower shall cause there to be, at least one duly appointed member of the board of directors or managers (an "**Independent Director**") of such SPE Component Entity or Borrower (as applicable) reasonably satisfactory to Lender each of whom are not at the time of such individual's initial appointment, and shall not have been at any time during the preceding five (5) years, and shall not be at any time while serving as a director of such SPE Component Entity or Borrower (as applicable), either (i) a shareholder (or other equity owner) of, or an officer, director, partner, manager, member (other than as a Special Member in the case of Acceptable Delaware LLC's), employee, attorney or counsel of, Borrower, such SPE Component Entity or any of their respective shareholders, partners, members, subsidiaries or affiliates; (ii) a customer or creditor of, or supplier to, Borrower or any of its respective shareholders, partners, members, subsidiaries or affiliates who derives any of its purchases or revenue from its activities with Borrower or such SPE Component Entity or any affiliate of any of them; (iii) a Person who Controls (defined below) or is under common Control with any such shareholder, officer, director, partner, manager, member, employee, supplier, creditor or customer; or (iv) a member of the immediate family of any such shareholder, officer, director, partner, manager, member, employee, supplier, creditor or

In addition, Borrower shall not change or permit to be changed any organizational documents of Borrower or any SPE Component Entity (if any) if such change would adversely impact the

covenants set forth in this Section 4.3. Borrower authorizes Lender to file any financing statement or financing statement amendment required by Lender to establish or maintain the validity, perfection and priority of the security interest granted herein. At the request of Lender, Borrower shall execute a certificate in form satisfactory to Lender listing the trade names under which Borrower intends to operate the Property, and representing and warranting that Borrower does business under no other trade name with respect to the Property. Borrower shall cause its (or the applicable SPE Component Entity's) organizational documents to be amended to be consistent with the foregoing. Borrower's compliance with the foregoing shall be at Borrower's sole cost and expense. (g) Borrower hereby represents that WBW has complied with the single purpose, bankruptcy remote representations and covenants (the "**WBW SPE Requirements**") contained in each of the Pledge Agreement and WBW's Organizational Documents (as defined in the Pledge Agreement). Borrower shall cause WBW to comply with the WBW SPE Requirements and shall not permit WBW to take any Material Action without Lender's prior written consent.

Section 4.4. RESTORATION AFTER CASUALTY/CONDEMNATION. In the event of a casualty or a taking by eminent domain, the following provisions shall apply in connection with the Restoration of the Property:

(a) If the Net Proceeds (defined below) shall be less than the Threshold Amount (defined below) and the costs of completing the Restoration shall be less than the Threshold Amount, the Net Proceeds will be disbursed by Lender to Borrower upon receipt, provided that

all of the conditions set forth in Subsection 4.4(b)(i) are met and Borrower delivers to Lender a written undertaking to expeditiously commence and to satisfactorily complete with due diligence the Restoration in accordance with the terms of this Security Instrument. As used herein, the term "**Threshold Amount**" shall mean (i) for any period that the Sponsorship Condition (defined below) remains satisfied, an amount equal to seven percent (7%) of the original aggregate principal amount of the Loan and (ii) for any period that the Sponsorship Condition is not satisfied, an amount equal to five percent (5%) of the original aggregate principal amount of the Loan. As used herein, the term "**Sponsorship Condition**" shall mean a condition which shall be deemed satisfied so long as Sponsor owns a 51% direct and/or indirect interest in Borrower and Controls Borrower.

(b) If the Net Proceeds are equal to or greater than the Threshold Amount or the costs of completing the Restoration is equal to or greater than the Threshold Amount, Lender shall make the Net Proceeds available for the Restoration in accordance with the provisions of this Subsection 4.4(b); provided, that, with the exception of Section 4.4(b)(i), the following subsections of this Section 4.4(b) shall not be deemed to apply to any Net Proceeds to be disbursed pursuant to Section 4.4(a) above. The term "**Net Proceeds**" for purposes of this Section 4.4 shall mean: (i) the net amount of all insurance proceeds received by Lender pursuant to Subsection 3.3(a)(i), (iii), (iv) and (ix) of this Security Instrument as a result of such damage or destruction, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same or (ii) the net amount of all awards and payments received by Lender with respect to a taking referenced in Section 3.6 of this Security Instrument, after deduction of its reasonable costs and expenses (including, but not limited to, reasonable counsel fees), if any, in collecting the same, whichever the case may be.

(i) The Net Proceeds shall be made available to Borrower for the Restoration provided that each of the following conditions are met: (A) no Event of Default shall have occurred and be continuing under the Note, this Security Instrument or any of the other Loan Documents or an event which after the passage of time or the giving of notice would constitute an Event of Default; (B) Borrower shall deliver or cause to be delivered to Lender a signed detailed budget approved in writing by Borrower's architect or engineer stating the entire cost of completing the Restoration, reasonably satisfactory to Lender; (C) the Net Proceeds together with any cash or cash equivalent deposited by Borrower with Lender are sufficient in Lender's reasonable discretion to cover the cost of the Restoration; (D) Borrower shall deliver to Lender, at its expense, the proceeds of the insurance described in Subsection 3.3(a)(ii) hereof (which such proceeds shall be held and disbursed in accordance with Subsection 3.3(a)(ii) hereof); (E) Borrower shall commence the Restoration as soon as reasonably practicable and shall diligently pursue the same to satisfactory completion; (F) Lender shall be satisfied that any operating deficits, including all scheduled payments of principal and interest under the Note at the Applicable Interest Rate (as defined in the Note), which will be incurred with respect to the Property as a result of the occurrence of any such fire or other casualty or taking, whichever the case may be, will be covered out of (1) the Net Proceeds, (2) the insurance coverage referred to in Subsection 3.3(a)(ii), if applicable, or (3) by other funds of Borrower which are deposited with Lender prior to the commencement of the Restoration; (G) Lender shall be satisfied that, upon the completion of the Restoration and following a rent-up period from the time such Restoration is complete through the date which is three (3) months prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above, the (1) fair

market value of the Property, as reasonably determined by Lender, is equal to or greater than the fair market value of the Property immediately prior to the casualty or condemnation, and (2) gross cash flow and the net cash flow of the Property will be restored to a level sufficient to cover all carrying costs and operating expenses of the Property, including, without limitation, a Debt Service Coverage Ratio of at least 1.00 to 1.00; (H) Lender shall be reasonably satisfied that the Restoration will be completed on or before the earliest to occur of (1) six (6) months prior to the Maturity Date (as defined in the Note), (2) one (1) year after the occurrence of such fire or other casualty or taking, whichever the case may be, or (3) such time as may be required under (I) the Property Documents and (II) applicable zoning laws, ordinances, rules or regulations in order to repair and restore the Property to the condition it was in immediately prior to such fire or other casualty or to as nearly as possible the condition it was in immediately prior to such taking, as applicable; (I) the Property and the use thereof after the Restoration will be in compliance with and permitted under (I) the Property Documents and (II) all applicable zoning laws, ordinances, rules and regulations; (J) the Restoration shall be done and completed by Borrower in an expeditious and diligent fashion and in compliance with (I) the Property Documents and (II) all applicable governmental laws, rules and regulations (including, without limitation, all applicable Environmental Laws (defined below)); (K) such fire or other casualty or taking, as applicable, does not result in a loss of access to the Property or the Improvements which will exist following Restoration; (L) (1) in the event the Net Proceeds are insurance proceeds, less than thirty-five percent (35%) of each of (i) fair market value of the Property as reasonably determined by Lender, and (ii) rentable area of the Property has been damaged, destroyed or rendered unusable as a result of a casualty or (2) in the event the Net Proceeds are condemnation proceeds, less than fifteen percent (15%) of each of (i) the fair market value of the Property as reasonably determined by Lender and (ii) rentable area of the Property is taken and such land is located along the perimeter or periphery of the Property; (M) the Required Leases (defined below) shall remain in full force and effect during and after the completion of the Restoration and (N) the Property Documents will remain in full force and effect during and after the Restoration and a Property Document Event shall not occur as a result of the applicable casualty, condemnation and/or Restoration. Lender agrees to use due diligence and good faith efforts to process its determination of Borrower's compliance with the requirements of this Paragraph 4.4(b)(i) as promptly as possible, recognizing the need for a quick determination in order to avoid delay in Restoration of the Property. As used above, the term "**Required Leases**" shall mean Leases encumbering, in the aggregate, 65% of the rentable square footage at the Property.

(ii) The Net Proceeds shall be held by Lender, and until disbursed in accordance with the provisions of this Subsection 4.4(b), shall constitute additional security for the Obligations. The Net Proceeds shall be disbursed by Lender to, or as directed by, Borrower on a monthly basis during the course of the Restoration, upon receipt of evidence reasonably satisfactory to Lender that (A) all materials installed and work and labor performed to date (except to the extent that they are to be paid for out of the requested disbursement) in connection with the Restoration have been paid for in full, and (B) there exist no notices of pendency, stop orders, mechanic's or materialmen's liens or notices of intention to file same, or any other liens or encumbrances of any nature whatsoever on the Property (other than items being disputed by Borrower in accordance with Borrower's contest rights contained in Section 3.12 hereof) arising out of the Restoration which have not either been fully bonded to the reasonable satisfaction of Lender and discharged of record or in the alternative fully insured to the reasonable satisfaction of Lender by the title company insuring the lien of this Security Instrument.

(iii) All plans and specifications required in connection with the Restoration shall be subject to prior reasonable review and acceptance in all respects by Lender and by an independent consulting engineer selected by Lender (the "**Casualty Consultant**"). Lender shall have the use of the plans and specifications and all permits, licenses and approvals required or obtained in connection with the Restoration. The identity of the contractors, subcontractors and materialmen engaged in the Restoration, as well as the contracts under which they have been engaged, shall be subject to prior reasonable review and acceptance by Lender and the Casualty Consultant. All reasonable costs and expenses incurred by Lender in connection with making the Net Proceeds available for the Restoration including, without limitation, the Casualty Consultant's fees, shall be paid by Borrower. Lender shall not require Borrower to pay attorney's fees and expenses in connection therewith unless such process involves unusual circumstances that cannot reasonably be handled by Lender (or its Servicer) in-house and which otherwise reasonably justify the need for counsel.

(iv) In no event shall Lender be obligated to make disbursements of the Net Proceeds under this Subsection 4.4(b) in excess of an amount equal to the costs actually incurred from time to time for work in place as part of the Restoration, as certified by the Casualty Consultant, minus the Casualty Retainage. The term "**Casualty Retainage**" as used in this Subsection 4.4(b) shall mean an amount equal to 10% of the costs actually incurred for work in place as part of the Restoration, as certified by the Casualty Consultant, until such time as the Casualty Consultant certifies to Lender that 50% of the required Restoration has been completed. There shall be no Casualty Retainage with respect to costs actually incurred by Borrower for work in place in completing the last 50% of the required Restoration. The Casualty Retainage shall in no event, and notwithstanding anything to the contrary set forth above in this Subsection 4.4(b), be less than the amount actually held back by Borrower from contractors, subcontractors and materialmen engaged in the Restoration. The Casualty Retainage shall not be released until the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b) and that all approvals necessary for the re occupancy and use of the Property have been obtained from all appropriate governmental and quasi governmental authorities, and Lender receives evidence reasonably satisfactory to Lender that the costs of the Restoration have been paid in full or will be paid in full out of the Casualty Retainage, provided, however, that Lender will release the portion of the Casualty Retainage being held with respect to any contractor, subcontractor or materialman engaged in the Restoration as of the date upon which the Casualty Consultant certifies to Lender that the contractor, subcontractor or materialman has satisfactorily completed all work and has supplied all materials in accordance with the provisions of the contractor's, subcontractor's or materialman's contract, and the contractor, subcontractor or materialman delivers the lien waivers and evidence of payment in full of all sums due to the contractor, subcontractor or materialman as may be reasonably requested by Lender or by the title company insuring the lien of this Security Instrument. If required by Lender, the release of any such portion of the Casualty Retainage shall be approved by the surety company, if any, which has issued a payment or performance bond with respect to the contractor, subcontractor or materialman.

(v) Lender shall not be obligated to make disbursements of the Net Proceeds more frequently than once every calendar month.

(vi) If at any time the Net Proceeds or the undisbursed balance thereof shall not, in the reasonable opinion of Lender, be sufficient to pay in full the balance of the costs which are estimated by the Casualty Consultant to be incurred in connection with the completion of the Restoration, Borrower shall deposit the deficiency (the "**Net Proceeds Deficiency**") with Lender in an interest-bearing account before any further disbursement of the Net Proceeds shall be made. The Net Proceeds Deficiency deposited with Lender shall be held by Lender and shall be disbursed for costs actually incurred in connection with the Restoration on the same conditions applicable to the disbursement of the Net Proceeds, and until so disbursed pursuant to this Subsection 4.4(b) shall constitute additional security for the Obligations.

(vii) With respect to Restorations related to casualties, the excess, if any, of the Net Proceeds, and the remaining balance, if any, of the Net Proceeds Deficiency deposited with Lender after the Casualty Consultant certifies to Lender that the Restoration has been completed in accordance with the provisions of this Subsection 4.4(b), and the receipt by Lender of evidence reasonably satisfactory to Lender that all costs incurred in connection with the Restoration have been paid in full, shall be remitted by Lender to Borrower, provided no Event of Default shall have occurred and shall be continuing under the Note, this Security Instrument or any of the other Loan Documents.

(c) All Net Proceeds not required (i) to be made available for the Restoration or (ii) to be returned to Borrower as excess Net Proceeds pursuant to Subsection 4.4(b)(vii) may, at Lender's election, be retained and applied by Lender toward the payment of the principal balance of the Debt whether or not then due and payable, either in whole or in part, or disbursed to Borrower. If Lender shall receive and retain Net Proceeds, as permitted above, the lien of this Security Instrument shall be reduced only by the amount thereof received and retained by Lender and actually applied by Lender in reduction of the Debt. Notwithstanding the foregoing, if Lender does not make the Net Proceeds available for Restoration, Lender shall allow Borrower to prepay the Debt in whole (but not in part) at par, without penalty or premium, provided, that, (A) such prepayment is made by Borrower by no later than the date which is sixty (60) days prior to the expiration of the rental loss insurance coverage maintained by Borrower pursuant to Section 3.3(a)(ii) above, (B) no Event of Default is continuing and (C) if such prepayment is made on a date other than a Monthly Payment Date, Borrower pays Lender, concurrently with such prepayment, a sum equal to the amount of interest which would have accrued on the Note if such prepayment had occurred on the next occurring Monthly Payment Date.

Section 5.24. PRESERVATION SITE. With respect to that certain portion of the Property designated a "preservation site" under Applicable Law due to the human remains uncovered therein (the "**Preservation Site**"**),** Borrower hereby represents and warrants that (i) upon the initial discovery thereof and at all times subsequent thereto, all actions required under Applicable Law with respect to the Preservation Site have been taken, (ii) all required governmental filings, approvals and consents related to the Preservation Site have been made and granted and (iii) the Property and the Preservation Site are both in compliance with all Applicable Laws related thereto.

Article 6. OBLIGATIONS AND RELIANCES

Section 6.1. RELATIONSHIP OF BORROWER AND LENDER. The relationship between Borrower and Lender is solely that of debtor and creditor, and Lender has no fiduciary or other special relationship with Borrower, and no term or condition of any of the Note, this Security Instrument and the other Loan Documents shall be construed so as to deem the relationship between Borrower and Lender to be other than that of debtor and creditor.

Section 6.2. NO RELIANCE ON LENDER. The general partners, shareholders, members, principals or other beneficial owners of Borrower are experienced in the ownership and operation of properties similar to the Property, and Borrower and Lender are relying solely upon such expertise and business plan in connection with the ownership and operation of the Property. Borrower is not relying on Lender's expertise, business acumen or advice in connection with the Property.

Section 6.3. NO LENDER OBLIGATIONS. (a) Notwithstanding any of the provisions of this Security Instrument (including, but not limited to, the provisions of Subsections 1.1(f) and (l), or Section 1.2 or Section 3.7), Lender is not undertaking the performance of (i) any obligations under the Leases; or (ii) any obligations with respect to such agreements, contracts, certificates, instruments, franchises, permits, trademarks, licenses and other documents.

(b) By accepting or approving anything required to be observed, performed or fulfilled or to be given to Lender pursuant to this Security Instrument, the Note or the other Loan Documents, including without limitation, any officer's certificate, balance sheet, statement of profit and loss or other financial statement, survey, appraisal, or insurance policy, Lender shall not be deemed to have warranted, consented to, or affirmed the sufficiency, the legality or effectiveness of same, and such acceptance or approval thereof shall not constitute any warranty or affirmation with respect thereto by Lender.

Section 6.4. RELIANCE. Borrower recognizes and acknowledges that in accepting the Note, this Security Instrument and the other Loan Documents, Lender is expressly and primarily relying on the truth and accuracy of the warranties and representations set forth in Article 5 without any obligation to investigate the Property and notwithstanding any investigation of the Property by Lender; that such reliance existed on the part of Lender prior to the date hereof; that the warranties and representations are a material inducement to Lender in accepting the Note, this Security Instrument and the other Loan Documents; and that Lender would not be willing to make the loan evidenced by the Note, this Security Instrument and the other Loan Documents and accept this Security Instrument in the absence of the warranties and representations as set forth in Article 5.

Article 7. FURTHER ASSURANCES

Section 7.1. RECORDING OF SECURITY INSTRUMENT, ETC. Borrower forthwith upon the execution and delivery of this Security Instrument and thereafter, from time to time, will cause this Security Instrument and any of the other Loan Documents creating a lien or security interest or evidencing the lien hereof upon the Property and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect and perfect the lien or security interest hereof upon, and the interest of Lender in, the Property. Borrower will pay all taxes, filing, registration or recording fees, and all reasonable expenses (the "**Expenses**") incident to the preparation, execution, acknowledgment and/or recording of the Note, this Security Instrument, the other Loan Documents, any note or mortgage supplemental hereto, any security instrument with respect to the Property and any instrument of further assurance, and any modification or amendment of the foregoing documents, and all federal, state,

county and municipal taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Security Instrument, any mortgage supplemental hereto, any security instrument with respect to the Property or any instrument of further assurance, and any modification or amendment of the foregoing documents, except where prohibited by law to do so.

Section 7.2. FURTHER ACTS, ETC. Borrower will, at the cost of Borrower, and without expense to Lender, do, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, assignments, notices of assignments, transfers and assurances as Lender shall, from time to time, reasonably require, for the better assuring, conveying, assigning, transferring, and confirming unto Lender the property and rights hereby mortgaged, granted, bargained, sold, conveyed, confirmed, pledged, assigned, warranted and transferred, or which Borrower may be or may hereafter become bound to convey or assign to Lender, or for carrying out the intention or facilitating the performance of the terms of this Security Instrument or for filing, registering or recording this Security Instrument, or for complying with all Applicable Laws. Borrower, on demand, will execute and deliver and hereby authorizes Lender to execute in the name of Borrower or without the signature of Borrower to the extent Lender may lawfully do so, one or more financing statements, chattel mortgages or other instruments, to evidence more effectively the security interest of Lender in the Property. Borrower grants to Lender an irrevocable power of attorney coupled with an interest for the purpose of exercising and perfecting any and all rights and remedies available to Lender pursuant to this Section 7.2.

Section 7.3. CHANGES IN TAX, DEBT, CREDIT AND DOCUMENTARY STAMP LAWS. (a) If any law is enacted or adopted or amended after the date of this Security Instrument which deducts the Debt from the value of the Property for the purpose of taxation or which imposes a tax, either directly or indirectly, on the Debt or Lender's interest in the Property, Borrower will pay the tax, with interest and penalties thereon, if any. If Lender is advised by counsel chosen by it that the payment of tax by Borrower would be unlawful or taxable to Lender or unenforceable or provide the basis for a defense of usury, then Lender shall have the option by written notice of not less than ninety (90) days to declare the Debt immediately due and payable.

(b) Borrower will not claim or demand or be entitled to any credit or credits on account of the Debt for any part of the Taxes or Other Charges assessed against the Property, or any part thereof, and no deduction shall otherwise be made or claimed from the assessed value of the Property, or any part thereof, for real estate tax purposes by reason of this Security Instrument or the Debt. If such claim, credit or deduction shall be required by law, Lender shall have the option, by written notice of not less than ninety (90) days, to declare the Debt immediately due and payable.

(c) If at any time the United States of America, any State thereof or any subdivision of any such State shall require revenue or other stamps to be affixed to the Note, this Security Instrument, or any of the other Loan Documents or impose any other tax or charge on the same, Borrower will pay for the same, with interest and penalties thereon, if any.

Section 7.4. ESTOPPEL CERTIFICATES. (a) After request by Lender, Borrower, within ten (10) Business Days, shall furnish Lender or any proposed assignee or Investor (as

defined in Section 19.1) with a statement, duly acknowledged and certified, setting forth (i) the amount of the original principal amount of the Loan, (ii) the unpaid principal amount of the Note, (iii) the rate of interest of the Note, (iv) the terms of payment and maturity date of the Note, (v) the date installments of interest and/or principal were last paid, (vi) that, except as provided in such statement, to Borrower's Knowledge, there exist no defaults or events which with the passage of time or the giving of notice or both, would constitute an event of default under the Note or the Security Instrument, (vii) that the Note and this Security Instrument are valid, legal and binding obligations (except as may be limited by (A) bankruptcy, insolvency or other similar laws affecting the rights of creditors generally and (B) general principles of equity) and have not been modified or if modified, giving particulars of such modification, (viii) whether, to Borrower's Knowledge, any offsets or defenses exist against the obligations secured hereby and, if any are alleged to exist, a detailed description thereof, (ix) that all Leases are in full force and effect, (x) the date to which the Rents thereunder have been paid pursuant to the Leases, (xi) whether or not, to Borrower's Knowledge, any of the lessees under the Leases are in default under the Leases, and, if any of the aforesaid lessees are in default, setting forth the specific nature of all such defaults, (xii) the amount of security deposits held by Borrower under each Lease and that such amounts are consistent with the amounts required under each Lease, and (xiii) as to any other factual matters reasonably requested by Lender and reasonably related to the Leases, the obligations secured hereby, the Property or this Security Instrument.

(b) Borrower shall use its commercially reasonable good faith efforts to deliver to Lender, promptly upon request (provided such request is not made more than once in any calendar year other than any request by Lender made in connection with the securitization of the Loan or following an Event of Default), duly executed estoppel certificates from any one or more lessees as required by Lender attesting to such facts regarding the Lease as Lender may require, including but not limited to attestations that each Lease covered thereby is in full force and effect (and to the best of lessee's knowledge) with no defaults thereunder on the part of any party, that none of the Rents have been paid more than one month in advance, and that the lessee claims no defense or offset against the full and timely performance of its obligations under the Lease.

(c) Lender, by its acceptance of this Security Instrument, agrees to deliver to Borrower promptly upon Borrower's request therefor (provided such request is not made more than twice in any calendar year) a written statement setting forth the unpaid principal amount of the Note, the accrued and unpaid interest thereon, the date on which an installment of interest and/or principal were last paid thereunder and whether there are any Events of Default which currently exist and are actually known to Lender.

(d) Borrower shall use its commercially reasonable best efforts to deliver to Lender, promptly upon request (provided such request is not made more than once in any calendar year other than any request by Lender made in connection with the securitization of the Loan or following an Event of Default), duly executed estoppel certificates from any one or more parties to the Property Documents as reasonably required by Lender attesting to such facts regarding the Property Documents as Lender may reasonably require.

Section 7.5. FLOOD INSURANCE. After Lender's request, Borrower shall deliver evidence satisfactory to Lender that no portion of the Improvements is situated in a federally designated "special flood hazard area." or, if any of the Improvements are located within any such area Borrower will obtain and maintain the insurance required prescribed in Section 3.3 hereof, if required under the terms of that section.

Section 7.6. SPLITTING OF SECURITY INSTRUMENT. This Security Instrument and the Note shall, at any time following during the continuance of an Event of Default, at the sole election of Lender, be split or divided into two or more notes and two or more security instruments, each of which shall cover all or a portion of the Property to be more particularly described therein. To that end, Borrower, upon written request of Lender and at Lender's sole cost and expense, shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered by the then owner of the Property, to Lender and/or its designee or designees substitute notes and security instruments in such principal amounts, aggregating not more than the then unpaid principal amount of this Security Instrument, and containing terms, provisions and clauses similar to those contained herein and in the Note, and such other documents and instruments as may be reasonably required by Lender. Borrower's obligations hereunder are conditioned upon Lender's agreement, as evidenced by its acceptance hereof, that such splitting or division shall not result in any decrease of any rights of Borrower or any Indemnitor (as defined in the Indemnity Agreement (defined below)) hereunder or under any other Loan Document or any additional cost or potential liability to Borrower or any Indemnitor that exceeds that which exists hereunder prior to such splitting or division.

Section 7.7. REPLACEMENT DOCUMENTS. Upon receipt of an affidavit of an officer of Lender as to the loss, theft, destruction or mutilation of the Note or any other Loan Document which is not of public record: (i) with respect to any Loan Document other than the Note, Borrower will issue, in lieu thereof, a replacement of such other Loan Document, dated the date of such lost, stolen, destroyed or mutilated Loan Document in the same principal amount thereof and otherwise of like tenor and (ii) with respect to the Note, (a) Borrower will execute a reaffirmation of the portion of the Debt as evidenced by the Note acknowledging that Lender has informed Borrower that the Note was lost, stolen destroyed or mutilated and that such portion of the Debt continues to be an obligation and liability of the Borrower as set forth in the Note, a copy of which shall be attached to such reaffirmation or (b) if requested by Lender, Borrower will execute a replacement note, provided, that Lender or Lender's custodian (at Lender's option) shall provide to Borrower Lender's (or Lender's custodian's) then standard form of lost note affidavit and indemnity, which such form shall be reasonably acceptable to Borrower.

Article 8. DUE ON SALE/ENCUMBRANCE

Section 8.1. LENDER RELIANCE. Borrower acknowledges that Lender has examined and relied on the experience of Borrower and its general partners, principals and (if Borrower is a trust) beneficial owners in owning and operating properties such as the Property in agreeing to make the loan secured hereby, and will continue to rely on Borrower's ownership of the Property as a means of maintaining the value of the Property as security for repayment of the Debt and the performance of the Other Obligations. Borrower acknowledges that Lender has a valid interest in maintaining the value of the Property so as to ensure that, should Borrower default in the repayment of the Debt or the performance of the Other Obligations, Lender can recover the Debt by a sale of the Property.

Section 8.2. NO SALE/ENCUMBRANCE.

(a) Except as provided in this Security Instrument, Borrower shall not cause or permit a Sale or Pledge of the Property or any part thereof or any legal or beneficial interest therein nor permit a Sale or Pledge of an interest in any Restricted Party (in each case, a "**Prohibited Transfer**"), other than pursuant to Leases of space at the Property to tenants in accordance with the applicable provisions hereof, without the prior written consent of Lender.

(b) A Prohibited Transfer shall include, but not be limited to, (i) an installment sales agreement wherein Borrower agrees to sell the Property or any part thereof for a price to be paid in installments; (ii) an agreement by Borrower leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder; (iii) a sale, assignment or other transfer of, or the grant of a security interest in, Borrower's right, title and interest in and to (A) any Leases or any Rents or (B) the Property Documents; (iv) if a Restricted Party is a corporation, any merger, consolidation or Sale or Pledge of such corporation's stock or the creation or issuance of new stock in one or a series of transactions; (v) any action for partition of the Property (or any portion thereof or interest therein) or any similar action instituted or prosecuted by any Borrower, as a tenant-in-common, or by any other person or entity, pursuant to any contractual agreement or other instrument or under Applicable Law (including, without limitation, common law) and/or any other action instituted by (or at the behest of) Borrower or its affiliates or consented to or acquiesced in by Borrower or its affiliates which results in a Property Document Event; (vi) if a Restricted Party is a limited or general partnership or joint venture, any merger or consolidation or the change, removal, resignation or addition of a general partner or the Sale or Pledge of the partnership interest of any general or limited partner or any profits or proceeds relating to such partnership interests or the creation or issuance of new partnership interests; (vii) if a Restricted Party is a limited liability company, any merger or consolidation or the change, removal, resignation or addition of a managing member or non-member manager (or if no managing member, any member) or the Sale or Pledge of the membership interest of any member or any profits or proceeds relating to such membership interest; (viii) if a Restricted Party is a trust or nominee trust, any merger, consolidation or the Sale or Pledge of the legal or beneficial interest in a Restricted Party or the creation or issuance of new legal or beneficial interests; or (ix) the removal or the resignation of Manager (including, without limitation, an Affiliated Manager) other than in accordance with the applicable terms and conditions hereof.

Section 8.3. PERMITTED EQUITY TRANSFERS. Notwithstanding anything to the contrary contained in this Article 8, the following transfers shall not be Prohibited Transfers and shall be permitted without Lender's consent: (a) a transfer (but not a pledge) by devise or descent or by operation of law upon the death of a member, partner or shareholder of a Restricted Party, (b) the transfer (but not the pledge), in one or a series of transactions, of the stock, partnership interests or membership interests (as the case may be) in a Restricted Party, (c) in addition to the transfers permitted by clause (b), any other transaction involving the direct and/or indirect equity interests in a Restricted Party (other than a pledge) that would fit within the definition of Prohibited Transfer (including, without limitation, a transaction of the type described in clauses (iv), (vi), (vii) or (viii) of Section 8.2(b) hereof) constituting a transfer of less than 10% of the direct and/or indirect equity ownership of any Borrower, Guarantor, Sponsor any SPE Component Entity and/or Affiliated Manager and (d) the sale, transfer or issuance of shares of common stock in any Restricted Party that is a publicly traded entity, provided such shares of common stock are listed on the New York Stock Exchange or another nationally recognized

stock exchange; provided, that, with respect to the transfers listed in clauses (a), (b) or (c) above, each of the following are complied with in connection with any such transfer: (A) Lender shall receive not less than five (5) days prior written notice thereof, (B) no such transfers shall result in a change in Control of Sponsor or Affiliated Manager (provided, however, a "change in Control" of Sponsor or Affiliated Manager shall not be deemed to have occurred for the purposes of this subsection (B) if any one of the persons or entities comprising the definition of "Sponsor" contained herein succeeds to the interest of the then current Sponsor and such successor Sponsor Controls the Affiliated Manager), (C) after giving effect to such transfers, Sponsor shall (I) own at least a 51% direct or indirect equity interest in each of Borrower and any SPE Component Entity, (II) Control Borrower and any SPE Component Entity and (III) control the day-to-day operation of the Property, (D) after giving effect to such transfers, the Property shall continue to be managed by Affiliated Manager or a Qualified Manager, (E) in the case of the transfer of any direct or indirect equity ownership interests in Borrower or in any SPE Component Entity, the relevant provisions of Sections 4.2, 4.3 and 5.9 hereof shall continue to be complied with after giving effect to such transfers, (F) in the case of (1) the transfer of the management of the Property to a new Affiliated Manager in accordance with the applicable terms and conditions hereof, or (2) the transfer (in one or in a series of transactions) in excess of 49% (in the aggregate) of any equity ownership interests (I) directly in Borrower or in any SPE Component Entity, or (II) in any Restricted Party whose sole asset is a direct or indirect equity ownership interest in Borrower or in any SPE Component Entity, Lender shall receive a substantive non-consolidation opinion, which such opinion shall be provided by outside counsel acceptable to Lender and the Rating Agencies and shall otherwise be in form, scope and substance reasonably acceptable to Lender and acceptable to the Rating Agencies (such opinion, the **"New Non-Consolidation Opinion"**) addressing the relevant transfer and (G) such transfers shall not cause a Property Document Event.

Section 8.4. PERMITTED PROPERTY TRANSFERS (ASSUMPTION). Notwithstanding anything to the contrary contained in this Article 8 and in addition to the transfers permitted under Section 8.3, the following transfers shall not be Prohibited Transfers and Lender's consent to the first four (4) other transfers of the Property (at any time after the first (1st) anniversary of the closing of the Loan or at any time prior to such date if Lender determines that such assignment or transfer will not hinder, delay or prevent Lender from completing a Secondary Market Transaction (as defined in Section 19.3)) shall not be withheld; provided, that, in each case, Lender receives sixty (60) days prior written notice of each such transfer hereunder and no Event of Default has occurred and is continuing, and further provided that, the following additional requirements are satisfied:

(c) The proposed transferee (the "**Transferee**") or Transferee's Principals (hereinafter defined) must have demonstrated expertise in owning and operating properties similar in location, size and operation to the Property, which expertise shall be reasonably determined by Lender; provided, however, in the event that any Sponsor owns 51% or more of Transferee and Controls Transferee and provided there has been no material adverse change in the general business standings or credit of such Sponsor from that which exists as of the date hereof, this subsection (c) shall be deemed satisfied (each of the aforesaid conditions, collectively, the "**Sponsor Conditions**" and any transfer of the Property to such Transferee, an "**Sponsor Transfer**"). The term "**Transferee's Principals**" shall include Transferee's (A) managing members, general partners or Controlling shareholders and (B) such other members, partners or shareholders which directly or indirectly shall own a 15% or greater interest in Transferee;

(d) Transferee's Principals shall, as of the date of such transfer, have an aggregate net worth and liquidity reasonably acceptable to Lender; provided, however, to the extent the Sponsor Conditions have been satisfied, this subsection (d) shall also be deemed satisfied;

(f) Transferee shall assume all of the obligations of Borrower under the Loan Documents in a manner satisfactory to Lender in all respects, including, without limitation, by entering into an assumption agreement in form and substance reasonably satisfactory to Lender (but which does not materially adversely affect the rights of the Borrower under this Security Instrument, the Note, or any of the other instruments and documents relating to the Loan);

(g) There shall be no material litigation or regulatory action pending or threatened against, as applicable, Transferee, Transferee's Principals or Related Entities which is not reasonably acceptable to Lender;

(h) Transferee's Principals and Related Entities shall not have defaulted (beyond applicable notice and cure periods) under its or their obligations with respect to any other indebtedness in a manner which is not reasonably acceptable to Lender;

(i) Transferee must be able to satisfy all the representations and covenants set forth in Section 4.3 hereof, and both Transferee and Transferee's Principals must be able to satisfy all the representations and covenants set forth in Sections 4.2, 4.3 and 5.9 hereof, no Event of Default or event which, with the giving of notice, passage of time or both, shall constitute an

Event of Default, shall otherwise occur as a result of such transfer, and Transferee and Transferee's Principals shall deliver (A) all organizational documentation reasonably requested by Lender, which shall be reasonably satisfactory to Lender, and (B) all certificates, agreements and covenants reasonably required by Lender (including, without limitation, hazard insurance endorsements or certificates or other similar evidence that the Policies required hereunder have been obtained or maintained, as applicable);

(l) Borrower shall deliver, at its sole cost and expense, an endorsement to the existing title policy insuring the Security Instrument, as modified by the assumption agreement, as a valid first lien on the Property and naming the Transferee as owner of the Property, which endorsement shall insure that, as of the date of the recording of the assumption agreement, the Property shall not be subject to any additional exceptions or liens other than those contained in the title policy issued on the date hereof. Immediately upon a transfer of the Property to such Transferee and the satisfaction of all of the above requirements, the named Borrower herein shall be released from all liability under this Security Instrument, the Note and the other Loan Documents accruing after such transfer, and the Indemnitor under that certain Indemnity Agreement in favor of Lender relating hereto (the "**Indemnity Agreement**"), dated of even date herewith, shall be released from its obligations and liabilities thereunder accruing after such transfer provided that a new indemnitor approved by Lender, which approval shall be granted or withheld pursuant to Lender's customary underwriting procedures, enters into and delivers to Lender a new indemnity agreement in the form and content of the Indemnity Agreement. The foregoing release shall be effective upon the date of such transfer, but Lender agrees to provide written evidence thereof reasonably requested by Borrower;

A consent by Lender with respect to a transfer of the Property in its entirety to, and the related assumption of the Loan by, a Transferee pursuant to this Section shall not be construed to be a waiver of the right of Lender to consent to any subsequent transfer of the Property.

Section 8.5. LENDER'S RIGHTS. Lender reserves the right to condition the consent to a Prohibited Transfer requested hereunder upon (a) a modification of the terms hereof and an assumption of the Note and the other Loan Documents as so modified by the proposed Prohibited Transfer, (b) receipt of payment of a transfer fee equal to one percent (1%) of the outstanding principal balance of the Loan and all of Lender's expenses incurred in connection with such Prohibited Transfer, (c) receipt of written confirmation from the Rating Agencies (a **"Rating Agency Confirmation"**) that the Prohibited Transfer will not result in a downgrade, withdrawal or qualification of the initial, or if higher, then current ratings issued in connection with a Securitization, or if a Securitization has not occurred, any ratings to be assigned in connection with a Securitization, (d) the proposed transferee's continued compliance with the covenants set forth in this Security Instrument (including, without limitation, the covenants in Sections 4.2 , 4.3 and 5.9) and the other Loan Documents, (e) a new manager for the Property and a new management agreement satisfactory to Lender, and (f) the satisfaction of such other conditions and/or legal opinions as Lender shall determine in its sole discretion to be in the interest of Lender. All reasonable expenses incurred by Lender shall be payable by Borrower whether or not Lender consents to the Prohibited Transfer. Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default hereunder in order to declare the Debt immediately due and payable upon a Prohibited Transfer made without Lender's consent. This provision shall apply to each and every Prohibited Transfer, whether or not Lender has consented to any previous Prohibited Transfer.

(d) if the Property is subject to actual waste;

(e) if Borrower violates or does not comply with any of the provisions of Sections 3.7 (and does not cure such failure within ten days of written notice) or 4.3 or Articles 8, 12 or 13;

(f) if any representation or warranty of Borrower or any person guaranteeing payment of the Debt or any portion thereof or performance by Borrower of any of the terms of this Security Instrument (including, without limitation, Guarantor) or any general partner, managing member, principal or beneficial owner of any of the foregoing, made herein or any guaranty or indemnity, or in any certificate, report, financial statement or other instrument or document furnished to Lender shall have been false or misleading in any material respect when made;

(g) if (i) Borrower or any general partner or managing member of Borrower or any SPE Component Entity shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization, conservatorship or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets, or Borrower or any general partner or managing member of Borrower or any SPE Component Entity shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Borrower or any general partner or managing member of Borrower or any SPE Component Entity any case, proceeding or other action of a nature referred to in clause (i) above which (A)

results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of ninety (90) days; or (iii) there shall be commenced against Borrower or any general partner or managing member of Borrower or any SPE Component Entity any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of any order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within ninety (90) days from the entry thereof; or (iv) Borrower or any general partner or managing member of Borrower or any SPE Component Entity shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) Borrower or any general partner of Borrower or any SPE Component Entity shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;

(i) subject to Borrower's contest rights contained in Section 3.12 hereof, if the Property becomes subject to any mechanic's, materialman's or other lien (other than a lien for local real estate taxes and assessments not then due and payable) and the lien shall remain undischarged of record (by payment, bonding or otherwise) for a period of ninety (90) days;

(j) if any federal tax lien is filed against Borrower, any general partner or managing member of Borrower, or the Property and same is not discharged of record within ninety (90) days after same is filed;

(k) if Borrower fails to cure any violations of Applicable Laws within ninety (90) days, of first having received notice thereof;

(l) if (i) Borrower fails to timely provide Lender with the written certification and evidence referred to in Section 4.2 hereof, or (ii) Borrower consummates a transaction which would cause the Security Instrument or Lender's exercise of its rights under this Security Instrument, the Note or the other Loan Documents to constitute a nonexempt prohibited transaction under ERISA or result in a violation of a state statute regulating governmental plans, subjecting Lender to liability for a violation of ERISA or a state statute;

(m) if Borrower shall fail to reimburse Lender within ten (10) days of written demand, with interest calculated at the Default Rate (defined below), for all Insurance Premiums or Taxes, together with interest and penalties imposed thereon, paid by Lender pursuant to this Security Instrument (other than amounts paid by Lender from the Escrow Fund prior to the continuance of an Event of Default);

(n) if Borrower shall fail to timely deliver to Lender an estoppel certificate pursuant to the terms of Subsections 7.4(a) and does not cure such failure within ten (10) days of written notice;

(o) if Borrower shall fail to timely deliver to Lender, after request by Lender, the statements referred to in Section 3.11 in accordance with the terms thereof and does not cure such failure within ten (10) days of written notice;

(p) if any default occurs in the performance of any guarantor's or indemnitor's (including, without limitation, Guarantor's) obligations under any guaranty or indemnity executed in connection herewith (including, without limitation, the Indemnity Agreement) and such default continues after the expiration of applicable grace periods set forth in such guaranty or indemnity, or if any representation or warranty of any guarantor or indemnitor thereunder shall be false or misleading in any material respect when made;

(q) if (A) Borrower shall fail in the payment of any rent, additional rent or other charge mentioned in or made payable by the FHB Sublease as and when such rent or other charge is payable (unless waived by FHB SL), (B) there shall occur any default (beyond any applicable notice and/or cure period) by Borrower under the FHB Sublease, in the observance or performance of any term, covenant or condition of the FHB Sublease on the part of Borrower to be observed or performed, (C) if any one or more of the events referred to in the FHB Sublease shall occur which would cause the FHB Sublease to terminate without notice or action by FHB SL or which would entitle FHB SL to terminate the FHB Sublease and the term thereof by giving notice to Borrower (unless waived by FHB SL), (D) if the leasehold estate created by the FHB Sublease shall be surrendered or the FHB Sublease shall be terminated or canceled for any reason or under any circumstances whatsoever or (E) if any of the terms, covenants or conditions of the FHB Sublease shall in any manner be modified, changed, supplemented, altered, or amended without the consent of Lender except as otherwise permitted by this Agreement;

(r) if (i) Borrower defaults under the Property Documents beyond the expiration of applicable notice and grace periods, if any, thereunder, (ii) any of the Property Documents are amended, supplemented, replaced, restated or otherwise modified without Lender's prior written consent or if Borrower consents to a transfer of any party's interest thereunder without Lender's prior written consent, (iii) any Property Document is canceled, terminated, surrendered or expires pursuant to its terms, unless in such case Borrower enters into a replacement thereof in accordance with the applicable terms and provisions hereof or (iv) a Property Document Event occurs (provided, however, with respect to the events described in subsections (i) through (iv) above, any such events shall not constitute an Event of Default hereunder to the extent that (A) the same is curable by Borrower and (B) Borrower cures the same within the earlier of (I) the timeframe required prior to the period in which any such event would no longer be curable or (II) thirty (30) days after Borrower's receipt of notice thereof);

(s) if for more than thirty (30) days after notice from Lender, Borrower shall continue to be in default under any other term, covenant or condition of the Note, this Security Instrument or the other Loan Documents in the case of any default which can be cured by the payment of a sum of money or for sixty (60) days after notice from Lender in the case of any other default, provided that if such default cannot reasonably be cured within such sixty (60) day period and Borrower shall have commenced to cure such default within such sixty (60) day period and thereafter diligently and expeditiously proceeds to cure the same, such sixty (60) day period shall be extended for so long as it shall require Borrower in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of one hundred twenty (120) days; or

(t) a default beyond applicable notice or cure periods (if any) shall occur under any other Loan Documents.

Section 10.2. LATE PAYMENT CHARGE. If any monthly installment of principal or interest is not paid on the date on which it was due, Borrower shall pay to Lender upon demand an amount equal to the lesser of 2.5% of such unpaid portion of the outstanding monthly installment of principal or interest then due or the maximum amount permitted by Applicable Law, to defray the expense incurred by Lender in handling and processing such delinquent payment and to compensate Lender for the loss of the use of such delinquent payment, and such amount shall be secured by this Security Instrument and the other Loan Documents.

Section 10.3. DEFAULT INTEREST. Borrower will pay, from the date of an Event of Default through the earlier of the date upon which the Event of Default is cured or the date upon which the Debt is paid in full, interest on the unpaid principal balance of the Note at a per annum rate equal to the lesser of (a) four percent (4%) plus the Applicable Interest Rate (as defined in the Note), and (b) the maximum interest rate which Borrower may by law pay or Lender may charge and collect (the "**Default Rate**"). Notwithstanding the foregoing, in the event Borrower becomes liable for interest at the Default Rate under this Section 10.3 (such interest, the "**Default Interest**") due to the occurrence of a Qualifying Non-Monetary Default (as defined in the Note), Borrower shall only be liable for such Default Interest for a period not to exceed six (6) months unless (i) Lender actively pursues a foreclosure action (or non-judicial foreclosure) as a result of such Qualifying Non-Monetary Default (in which case, Borrower shall be liable for Default Interest for a period equal to (I) the duration of Lender's pursuit of the remedies described above plus (II) the first six (6) months following the occurrence of the applicable Qualifying Non-Monetary Default (less any portion of such six (6) month period occurring after Lender's commencement of its pursuit of the remedies described above)) or (ii) a monetary Event of Default shall at any time exist (in which case, Borrower shall be liable for Default Interest from the date of the occurrence of the applicable Qualifying Non-Monetary Default).

Article 11. RIGHTS AND REMEDIES

Section 11.1. REMEDIES. Except as limited hereby or by the other Loan Documents, upon the occurrence of any Event of Default, Borrower agrees that Lender may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Borrower and in and to the Property, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Lender may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Lender: (a) declare the entire unpaid Debt to be immediately due and payable; (b) institute proceedings, judicial or otherwise, for the complete foreclosure of this Security Instrument under any applicable provision of law in which case the Property or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner; (c) with or without entry, to the extent permitted and pursuant to the procedures provided by Applicable Law, institute proceedings for the partial foreclosure of this Security Instrument for the portion of the Debt then due and payable, subject

to the continuing lien and security interest of this Security Instrument for the balance of the Debt not then due, unimpaired and without loss of priority; (d) sell for cash or upon credit the Property or any part thereof and all estate, claim, demand, right, title and interest of Borrower therein and rights of redemption thereof, pursuant to power of sale or otherwise, at one or more sales, as an entity or in parcels, at such time and place, upon such terms and after such notice thereof as may be required or permitted by law; (e) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note or in the other Loan Documents; (f) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Security Instrument or the other Loan Documents; (g) apply for the appointment of a receiver, trustee, liquidator or conservator of the Property, without notice and without regard for the adequacy of the security for the Debt and without regard for the solvency of Borrower or of any person, firm or other entity liable for the payment of the Debt (provided, that, any such receivership shall only be permitted to take effect following a Foreclosure Trigger); (h) following a Foreclosure Trigger, Lender may enter into or upon the Property, either personally or by its agents, nominees or attorneys and dispossess Borrower and its agents and servants therefrom, without liability for trespass, damages or otherwise and exclude Borrower and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Borrower agrees to surrender possession of the Property and of such books, records and accounts to Lender upon demand, and thereupon Lender may (i) use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Property and conduct the business thereat; (ii) complete any construction on the Property in such manner and form as Lender deems advisable; (iii) make alterations, additions, renewals, replacements and improvements to or on the Property; (iv) exercise all rights and powers of Borrower with respect to the Property, whether in the name of Borrower or otherwise, including, without limitation, the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and, subject to the Cash Management Agreement, receive all Rents of the Property and every part thereof; (v) require Borrower to pay monthly in advance to Lender, or any receiver appointed to collect the Rents, the fair and reasonable rental value for the use and occupation of such part of the Property as may be occupied by Borrower; (vi) require Borrower, following a Foreclosure Trigger, to vacate and surrender possession of the Property to Lender or to such receiver and, in default thereof, Borrower may be evicted by summary proceedings or otherwise; and (vii) following a Foreclosure Trigger, apply the receipts from the Property to the payment of the Debt, in such order, priority and proportions as Lender shall deem appropriate in its sole discretion after deducting therefrom all expenses (including reasonable attorneys' fees) incurred in connection with the aforesaid operations and all amounts necessary to pay the Taxes, Other Charges, insurance and other expenses in connection with the Property, as well as just and reasonable compensation for the services of Lender, its counsel, agents and employees; (i) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code, including, without limiting the generality of the foregoing: (i) the right to take possession of the Personal Property or any part thereof, and to take such other measures as Lender may deem necessary for the care, protection and preservation of the Personal Property, and (ii) request Borrower at its expense to assemble the Personal Property and make it available to Lender at a convenient place acceptable to Lender. Any notice of sale, disposition or other intended action by Lender with respect to the Personal Property sent to Borrower in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute

commercially reasonable notice to Borrower; (j) apply any sums then deposited in the Escrow Fund, the Reserve Accounts and any other sums held in escrow or otherwise by Lender in accordance with the terms of this Security Instrument or any other Loan Document to the payment of the following items in any order in its discretion: (i) Taxes and Other Charges; (ii) Insurance Premiums; (iii) any other items or expenses for which such Reserve or escrow was established; or (iv) following a Foreclosure Trigger, (A) interest on the unpaid principal balance of the Note, (B) the unpaid principal balance of the Note; or (C) all other sums payable pursuant to the Note, this Security Instrument and the other Loan Documents, including without limitation advances made by Lender pursuant to the terms of this Security Instrument; (k) after a Foreclosure Trigger and prior to Borrower's cure, if applicable, of the Event of Default giving rise thereto and Lender's acceptance of such cure (whether voluntarily or required by law) surrender the Policies maintained pursuant to Article 3 hereof, collect the unearned Insurance Premiums and apply such sums as a credit on the Debt in such priority and proportion as Lender in its discretion shall deem proper, and in connection therewith, Borrower hereby appoints Lender as agent and attorney in fact (which is coupled with an interest and is therefore irrevocable) for Borrower to collect such Insurance Premiums; (l) pursue such other remedies as Lender may have under Applicable Law (provided, that, such remedies are consistent with the restrictions contained herein limiting certain of Lender's remedies until the occurrence and continuance of a Foreclosure Trigger); (m) apply the undisbursed balance of any Net Proceeds Deficiency deposit, together with interest thereon, to the payment of the Debt in such order, priority and proportions as Lender shall deem to be appropriate in its discretion; or (n) under the power of sale hereby granted, Lender shall have the discretionary right to cause some or all of the Property, including any Personal Property, to be sold or otherwise disposed of in any combination and in any manner permitted by Applicable Law.

In the event of a sale, by foreclosure, power of sale, or otherwise, of less than all of the Property, this Security Instrument shall continue as a lien and security interest on the remaining portion of the Property unimpaired and without loss of priority. In the event of a sale, by foreclosure, power of sale, or otherwise, Lender may bid for and acquire the Property and, in lieu of paying cash therefor, may make settlement for the purchase price by crediting against the Obligations the amount of the bid made therefor, after deducting therefrom the expenses of the sale, the cost of any enforcement proceeding hereunder and any other sums which Lender is authorized to deduct under the terms hereof, to the extent necessary to satisfy such bid. Notwithstanding the provisions of this Section 11.1 to the contrary, if any Event of Default as Subsection 10.1(g) shall occur, the entire unpaid Debt shall be automatically due and payable, without any further notice, demand or other action by Lender.

Section 11.2. APPLICATION OF PROCEEDS. The purchase money, proceeds and avails of any disposition of the Property, or any part thereof, or any other sums collected by Lender after the occurrence of an Event of Default pursuant to the Note, this Security Instrument or the other Loan Documents, may be applied by Lender to the payment of the Debt in such priority and proportions as Lender in its discretion shall deem proper. Upon any foreclosure sale or sales of all or any portion of the Property under the power of sale herein granted, Lender may bid for and purchase the Property and shall be entitled to apply all or any part of the Debt as a credit to the purchase price.

Section 11.3. RIGHT TO CURE DEFAULTS. Upon the occurrence of any Event of Default, Lender may, but without any obligation to do so and without notice to or demand on Borrower and without releasing Borrower from any obligation hereunder, make or do the same in such manner and to such extent as Lender may deem necessary to protect the security hereof. Lender is authorized to enter upon the Property for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Property or to foreclose this Security Instrument or collect the Debt, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this Section 11.3, shall constitute a portion of the Debt and shall be due and payable to Lender upon demand. All such costs and expenses incurred by Lender in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after notice from Lender that such cost or expense was incurred to the date of payment to Lender. All such costs and expenses incurred by Lender together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Debt and be secured by this Security Instrument and the other Loan Documents and shall be immediately due and payable upon demand by Lender therefor.

Section 11.4. ACTIONS AND PROCEEDINGS. Lender has the right to appear in and defend any action or proceeding brought with respect to the Property and to bring any action or proceeding, in the name and on behalf of Borrower, which Lender, in its discretion, decides should be brought to protect its interest in the Property.

Section 11.5. RECOVERY OF SUMS REQUIRED TO BE PAID. Lender shall have the right from time to time to take action to recover any sum or sums which constitute a part of the Debt as the same become due, without regard to whether or not the balance of the Debt shall be due, and without prejudice to the right of Lender thereafter to bring an action of foreclosure, or any other action, for a default or defaults by Borrower existing at the time such earlier action was commenced.

Section 11.6. EXAMINATION OF BOOKS AND RECORDS. Lender, its agents, accountants and attorneys shall have the right to examine the records, books, management and other papers of Borrower and each other "Indemnitor" under the Indemnity Agreement delivered in connection herewith which reflect upon their financial condition, at the Property or at any office regularly maintained by Borrower or such other Indemnitor or where the books and records are located. Lender and its agents shall have the right to make copies and extracts from the foregoing records and other papers. In addition, Lender, its agents, accountants and attorneys shall have the right to examine and audit the books and records of Borrower and such other Indemnitor pertaining to the income, expenses and operation of the Property during reasonable business hours at any office of Borrower and such other Indemnitor where the books and records are located.

Section 11.7. OTHER RIGHTS, ETC. (a) The failure of Lender to insist upon strict performance of any term hereof shall not be deemed to be a waiver of any term of this Security Instrument. Borrower shall not be relieved of Borrower's obligations hereunder by reason of (i) the failure of Lender to comply with any request of Borrower to take any action to foreclose this Security Instrument or otherwise enforce any of the provisions hereof or of the Note or the other Loan Documents, (ii) the release, regardless of consideration, of the whole or any part of

the Property, or of any person liable for the Debt or any portion thereof, or (iii) any agreement or stipulation by Lender extending the time of payment or otherwise modifying or supplementing the terms of the Note, this Security Instrument or the other Loan Documents.

(b) It is agreed that the risk of loss or damage to the Property is on Borrower, and Lender shall have no liability whatsoever for decline in value of the Property, for failure to maintain the Policies, or for failure to determine whether insurance in force is adequate as to the amount of risks insured. Possession by Lender shall not be deemed an election of judicial relief, if any such possession is requested or obtained, with respect to any Property or collateral not in Lender's possession.

(c) Lender may resort for the payment of the Debt to any other security held by Lender in such order and manner as Lender, in its discretion, may elect. Lender may take action to recover the Debt, or any portion thereof, or to enforce any covenant hereof without prejudice to the right of Lender thereafter to foreclose this Security Instrument. The rights of Lender under this Security Instrument shall be separate, distinct and cumulative and none shall be given effect to the exclusion of the others. No act of Lender shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision. Lender shall not be limited exclusively to the rights and remedies herein stated but shall be entitled to every right and remedy now or hereafter afforded at law or in equity.

Section 11.8. RIGHT TO RELEASE ANY PORTION OF THE PROPERTY. Lender may release any portion of the Property for such consideration as Lender may require without, as to the remainder of the Property, in any way impairing or affecting the lien or priority of this Security Instrument, or improving the position of any subordinate lienholder with respect thereto, except to the extent that the obligations hereunder shall have been reduced by the actual monetary consideration, if any, received by Lender for such release, and may accept by assignment, pledge or otherwise any other property in place thereof as Lender may require without being accountable for so doing to any other lienholder. This Security Instrument shall continue as a lien and security interest in the remaining portion of the Property.

Section 11.9. VIOLATION OF LAWS. If the Property is not in compliance with Applicable Laws, Lender may impose additional requirements upon Borrower in connection therewith including, without limitation, monetary reserves or financial equivalents.

Section 11.10. RIGHT OF ENTRY. Lender and its agents shall have the right to enter and inspect the Property at all reasonable times.

Section 11.11. EXCULPATION. All rights and remedies of Lender under this Security Instrument and the other Loan Documents are expressly made subject to the limitations and exculpations set forth in Article 15, below.

Article 12. ENVIRONMENTAL HAZARDS

Section 12.1. ENVIRONMENTAL REPRESENTATIONS AND WARRANTIES. Borrower represents and warrants, based upon an environmental assessment of the Property and to Borrower's Knowledge that: (a) there are no Hazardous Substances (defined below) or underground storage tanks in, on, or under the Property, except those that are both (i) in

compliance with, if required, Environmental Laws (defined below) and with permits issued pursuant thereto or (ii) fully disclosed to Lender by Borrower in writing or pursuant to the written reports resulting from the environmental assessments of the Property delivered to Lender (the "**Environmental Report**"); (b) there are no past, present or threatened Releases (defined below) of Hazardous Substances in, on, under or from the Property except as described in the Environmental Report; (c) there is no likely threat of any Release of Hazardous Substances migrating to the Property except as described in the Environmental Report; (d) there is no past or present non-compliance with Environmental Laws, or with permits issued pursuant thereto, in connection with the Property except as described in the Environmental Report; (e) Borrower has not received, any written or oral notice from any person or entity (including but not limited to a governmental entity) relating to any unlawful accumulations of Hazardous Substances or Remediation (defined below) thereof on the Property, or of possible liability of any person or entity pursuant to violation of any Environmental Law in connection with the Property, or any actual or potential administrative or judicial proceedings in connection with any of the foregoing; and (f) Borrower has truthfully and fully provided to Lender, in writing, any and all information relating to conditions in, on, under or from the Property that is within Borrower's Knowledge and that is contained in Borrower's files and records, including but not limited to any reports relating to Hazardous Substances in, on, under or from the Property and/or to the environmental condition of the Property.

"**Hazardous Substances**" include but are not limited to any and all substances (whether solid, liquid or gas) defined, listed, or otherwise classified as pollutants, hazardous wastes, hazardous substances,

hazardous materials, extremely hazardous wastes, or words of similar meaning or regulatory effect under any present or future Environmental Laws or that may have a negative impact on human health or the environment, including but not limited to petroleum and petroleum products, asbestos and asbestos-containing materials, polychlorinated biphenyls, lead, radon, radioactive materials, flammables and explosives provided, however, that "Hazardous Substances" shall not include cleaning materials, office supplies, cleaning supplies and other substances commonly used or sold by establishments similar to those leasing space at the Property in the ordinary course of their business and customarily used at properties similar to the Property, to the extent such materials are used, stored and disposed of in accordance with Environmental Laws.

"**Release**" of any Hazardous Substance means any unlawful release, deposit, discharge, emission, leaking, spilling, seeping, migrating, injecting, pumping, pouring, emptying, escaping, dumping, disposing or other movement of Hazardous Substances.

"**Remediation**" means any response, remedial, removal, or corrective action, any activity to cleanup, detoxify, decontaminate, contain or otherwise remediate any Hazardous Substance, any actions to prevent, cure or mitigate any Release of any Hazardous Substance, any action to comply with any Environmental Laws or with any permits issued pursuant thereto, any inspection, investigation, study, monitoring, assessment, audit, sampling and testing, laboratory or other analysis, or evaluation relating to any Hazardous Substances or to anything referred to in Article 12.

Section 12.2. ENVIRONMENTAL COVENANTS. Borrower covenants and agrees that so long as Borrower owns, manages, is in possession of, or otherwise controls the operation of the Property: (a) all uses and operations on or of the Property shall be in compliance with all Environmental Laws and permits issued pursuant thereto; (b) there shall be no Releases of Hazardous Substances by Borrower, its agents or employees in, on, under or from the Property; (c) Borrower shall not knowingly permit any Hazardous Substances in, on, or under the Property, except those that are in compliance with all Environmental Laws and with permits issued pursuant thereto, if and to the extent required; (d) the Property shall be kept free and clear of all liens and other encumbrances imposed pursuant to any Environmental Law, whether due to any act or omission of Borrower or any other person or entity (the "**Environmental Liens**"); (e) Borrower shall, at its sole cost and expense, fully and expeditiously cooperate in all activities pursuant to Section 12.3 below, including but not limited to providing all relevant information and making knowledgeable persons available for interviews; (f) Borrower shall, at its sole cost and expense, perform any environmental site assessment or other investigation of environmental conditions in connection with the Property, pursuant to any written request of Lender (including but not limited to sampling, testing and analysis of soil, water, air, building materials and other materials and substances whether solid, liquid or gas), and share with Lender the reports and other results thereof, and Lender and other Indemnified Parties (as defined herein) shall be entitled to rely on such reports and other results thereof provided, however, that no such request shall be made by Lender unless Lender has reasonable grounds to believe that a Release of Hazardous Substances or a violation of Environmental Law has occurred; (g) Borrower shall, at its sole cost and expense, comply with all reasonable written requests of Lender to (i) reasonably effectuate Remediation of any condition (including but not limited to a Release of a Hazardous Substance) in, on, under or from the Property; (ii) comply with any Environmental Law; (iii) comply with any directive from any governmental authority; and (iv) take any other reasonable

action necessary or appropriate for protection of human health or the environment; (h) Borrower shall not do or knowingly allow any tenant or other user of the Property to do any act that materially increases the dangers to human health or the environment, poses an unreasonable risk of harm to any person or entity (whether on or off the Property), impairs or may impair the value of the Property, is contrary to any requirement of any insurer, constitutes a public or private nuisance, constitutes waste, or violates any covenant, condition, agreement or easement applicable to the Property; (i) Borrower shall immediately notify Lender in writing of (A) any presence or Releases or threatened Releases of Hazardous Substances in, on, under, from or migrating towards the Property; (B) any non compliance with any Environmental Laws related in any way to the Property; (C) any actual or potential Environmental Lien; (D) any required or proposed Remediation of environmental conditions relating to the Property; and (E) any written or oral notice or other communication which Borrower becomes aware from any source whatsoever (including but not limited to a governmental entity) relating in any way to Hazardous Substances or Remediation thereof affecting the Property, possible liability of any person or entity pursuant to any Environmental Law, other environmental conditions in connection with the Property, or any actual or potential administrative or judicial proceedings in connection with anything referred to in this Article 12; and (j) Borrower shall, at Borrower's sole cost and expense, sample suspect asbestos-containing materials ("**ACMs**") (as defined by the EPA "Green Book") prior to commencing a repair, renovation or demolition project at the Property that will disturb suspect ACMs to the extent that Borrower has a reasonable basis to believe such ACM's exist. Any failure of Borrower to perform its obligations pursuant to this Section 12.2 shall constitute bad faith waste with respect to the Property.

Section 12.3. LENDER'S RIGHTS. Subject to the rights of quiet enjoyment of tenants under existing Leases, Lender and any other person or entity designated by Lender, including but not limited to any receiver, any representative of a governmental entity, and any environmental consultant, shall have the right, but not the obligation, to enter upon the Property at all reasonable times to assess any and all aspects of the environmental condition of the Property and its use, including but not limited to conducting any environmental assessment or audit (the scope of which shall be determined in Lender's sole and absolute discretion) and taking samples of soil, groundwater or other water, air, or building materials, and conducting other invasive testing. Borrower shall cooperate with and provide access to Lender and any such person or entity designated by Lender. The costs and expenses of such assessments shall be borne by Lender except in instances where such report or assessment is performed due to Borrower's failure to comply with its obligations under Section 12.2(f), in which cases the costs and expenses of such assessments shall be paid for by Borrower.

Article 13. INDEMNIFICATION

Section 13.1. GENERAL INDEMNIFICATION. Section 14.2. MARSHALLING AND OTHER MATTERS. Borrower hereby waives, to the extent permitted by law, the benefit of all appraisement, valuation, stay, extension, reinstatement and redemption laws now or hereafter in force and all rights of marshalling in the event of any sale hereunder of the Property or any part thereof or any interest therein. Except as otherwise specifically set forth in the Note, this Security Instrument, or the other Loan Documents, wherever pursuant to this Security Instrument (i) Lender exercises any right given to it to approve or disapprove, (ii) any arrangement or term is to be satisfactory to Lender, or (iii) any other decision or determination is to be made by Lender, the decision of Lender to approve or disapprove, all decisions that arrangements or terms are satisfactory or not satisfactory, and all other decisions and determinations made by Lender, shall be based upon a standard of reasonability. The indemnifications made pursuant to Sections 13.3 and 13.4 and the representations and warranties, covenants, and other obligations arising under Article 12, shall continue indefinitely in full force and effect and shall survive and shall in no way be impaired by: any satisfaction or other termination of this Security Instrument, any assignment or other transfer of all or any portion of this Security Instrument or Lender's interest in the Property (but, in such case, shall benefit both Indemnified Parties and any assignee or transferee), any exercise of Lender's rights and remedies pursuant hereto including but not limited to foreclosure or acceptance of a deed in lieu of foreclosure, any exercise of any rights and remedies pursuant to the Note or any of the other Loan Documents, any transfer of all or any portion of the Property (whether by Borrower or by Lender following foreclosure or acceptance of a deed in lieu of foreclosure or at any other time), any amendment to this Security Instrument, the Note or the other Loan Documents, and any act or omission that might otherwise be construed as a release or discharge of Borrower from the obligations pursuant hereto. (a) Borrower will maintain a place of business or an agent for service of process in Honolulu, Hawaii and give prompt notice to Lender of the address of such place of business and of the name and address of any new agent appointed by it, as appropriate. Borrower further agrees that the failure of its agent for service of process to give it notice of any service of process will not impair or affect the validity of such service or of any judgment based thereon. If, despite the foregoing, there is for any reason no agent for service of process of Borrower available to be served, and if it at that time has no place of business in Honolulu, Hawaii, then Borrower irrevocably consents to service of process by registered or certified mail, postage prepaid, to it at its address given in or pursuant to Section 16.1 above.

Article 18. APPLICABLE LAW

Section 18.1. CHOICE OF LAW. THIS SECURITY INSTRUMENT SHALL BE DEEMED TO BE A CONTRACT ENTERED INTO PURSUANT TO THE LAWS OF THE STATE OF CALIFORNIA AND SHALL IN ALL RESPECTS BE GOVERNED, CONSTRUED, APPLIED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA AND APPLICABLE LAWS OF THE UNITED STATES OF AMERICA, EXCEPT THAT AT ALL TIMES THE PROVISIONS FOR THE CREATION, PERFECTION, AND ENFORCEMENT OF THE LIEN AND SECURITY INTEREST CREATED PURSUANT HERETO AND PURSUANT TO THE OTHER LOAN DOCUMENTS SHALL BE GOVERNED BY AND CONSTRUED ACCORDING TO THE LAW OF THE STATE IN WHICH THE PROPERTY IS LOCATED, IT BEING UNDERSTOOD THAT, TO THE FULLEST EXTENT PERMITTED BY THE LAW OF SUCH STATE, THE LAW OF THE STATE OF CALIFORNIA SHALL GOVERN THE CONSTRUCTION, VALIDITY AND ENFORCEABILITY OF ALL LOAN DOCUMENTS AND ALL OF THE OBLIGATIONS ARISING THEREUNDER.

Section 18.2. USURY LAWS. This Security Instrument and the Note are subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the Debt at a rate which could subject the holder of the Note to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by Applicable Law to contract or agree to pay. If by the terms of this Security Instrument or the Note, Borrower is at any time required or obligated to pay interest on the Debt at a rate in excess of such maximum rate, the rate of interest under the Security Instrument and the Note shall be deemed to be immediately reduced to such maximum rate and the interest payable shall be computed at such maximum rate and all prior interest payments in excess of such maximum rate shall be applied and shall be deemed to have been payments in reduction of the principal balance of the Note. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

Section 18.3. PROVISIONS SUBJECT TO APPLICABLE LAW. All rights, powers and remedies provided in this Security Instrument may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Security Instrument invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any Applicable Law. If any term of this Security Instrument or any application thereof shall be invalid or unenforceable, the remainder of this Security Instrument and any other application of the term shall not be affected thereby.

Article 19. SECONDARY MARKET

Section 19.1. TRANSFER OF LOAN. Lender may, at any time following the initial funding of the Loan, sell, transfer or assign the Note, this Security Instrument and the other Loan Documents, and any or all servicing rights with respect thereto, or grant participations therein or

issue mortgage pass-through certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (the "**Securities**"). Lender may forward to each purchaser, transferee, assignee, servicer, participant or investor in such Securities or any Rating Agency rating such Securities (collectively, the "**Investor**") and each prospective Investor, all documents and information which Lender now has or may hereafter acquire relating to the Debt, Sponsor, Indemnitor, Borrower, and the Property, whether furnished by Borrower, or otherwise, as Lender determines necessary or desirable. Borrower agrees to reasonably cooperate with Lender in connection with any transfer made or any Securities created pursuant to this Security Instrument, including, without limitation, the delivery of an estoppel certificate in accordance therewith, and such other documents as may be reasonably requested by Lender. Borrower shall also furnish and Borrower consents to Lender furnishing to such Investors or such prospective Investors or Rating Agency any and all information concerning the Property, the Leases, the financial condition of Borrower, Indemnitor or Sponsor as may be requested by Lender, any Investor or any prospective Investor or Rating Agency in connection with any sale, transfer or participation interest. Lender may, from time to time, retain or assign responsibility for servicing the Note, this Security Instrument, and the other Loan Documents, or may delegate some or all of such responsibility and/or obligations to a servicer including, but not limited to, any subservicer, special servicer or master servicer; provided, however, that (I) Borrower shall only be required to deal with one servicer designated from time to time with respect to any consents, approvals, notices, required from, or to, Lender pursuant to the Loan Documents (it being understood that such servicer may need to consult with other persons that hold a portion of Lender's rights and obligations under the Loan or with the Rating Agencies in connection with any such consent, approval or notice), (II) the time periods for Lender approvals under the Loan Documents (to the extent applicable) shall not be increased and Borrower shall not be required to pay multiple fees and expenses (or higher fees and expenses) if more than one servicer is consulted by the such servicer and (III) other than Borrower's right to refuse to deal with multiple servicers and/or to pay the fees of multiple servicers, the failure of Lender or any servicer to comply with the provisions of this sentence shall not otherwise waive, abrogate or otherwise affect Borrower's other obligations hereunder or any of the other Loan Documents. Lender may make such assignment or delegation on behalf of the Investors if the Note is sold or this Security Instrument or the other Loan Documents are assigned. All references to Lender herein shall refer to and include any such servicer to the extent applicable.

Section 19.2. CONVERSION TO REGISTERED FORM. At the request and the expense of Lender, Borrower shall appoint, as its agent, a registrar and transfer agent (the "**Registrar**") reasonably acceptable to Lender which shall maintain, subject to such reasonable regulations as it shall provide, such books and records as are necessary for the registration and transfer of the Note in a manner that shall cause the Note to be considered to be in registered form for purposes of Section 163(f) of the Code. The option to convert the Note into registered form once exercised may not be revoked. Any agreement setting out the rights and obligation of the Registrar shall be subject to the reasonable approval of Lender. Borrower may revoke the appointment of any particular person as Registrar, effective upon the effectiveness of the appointment of a replacement Registrar. The Registrar shall not be entitled to any fee from Borrower or Lender or any other lender in respect of transfers of the Note and Security Instrument (other than Taxes and governmental charges and fees).

Section 19.3. COOPERATION. Borrower acknowledges that Lender and its successors and assigns may (a) sell this Security Instrument, the Note and other Loan Documents to one or more third parties as a whole loan, (b) participate the Loan secured by this Security Instrument to one or more third parties, (c) deposit, through one or a series of transactions, this Security Instrument, the Note and other Loan Documents with one or more trusts, which trusts may sell certificates to third parties evidencing an ownership interest in the trust assets or (d) otherwise sell the Loan or interest therein to third parties (The transaction referred to in clauses (a), (b), (c) and (d) shall hereinafter be referred to collectively as "**Secondary Market Transactions**" and the transactions referred to in clause (c) shall hereinafter be referred to as a "**Securitization**". Any certificates, notes or other securities issued in connection with a Securitization are hereinafter referred to as "**Securities**". Borrower shall cooperate in good faith (provided such cooperation will not result in expense or additional potential liability to Borrower) with Lender in effecting any such Secondary Market Transaction and shall cooperate in good faith to implement all requirements imposed by any Rating Agency issuing any statistical rating in any Secondary Market Transaction or the requirements of potential investors in any Secondary Market Transaction. Notwithstanding the foregoing, if required in connection with any Secondary Market Transaction, Borrower agrees to obtain, upon Lender's written request, opinions of counsel, which may be relied upon by Lender, the Rating Agencies and their respective counsel, agents and representatives, as to matters of Delaware and federal bankruptcy law relating to limited liability companies and state law insolvency opinions relating to trusts, in a form and from counsel reasonably acceptable to Lender. Without limitation of the foregoing, Borrower agrees to make upon Lender's written request, and at no material cost to Borrower, all structural or other changes to the Loan (including delivery of one or more new component notes to replace the Note or modify the Note to reflect multiple components of the Loan and such new notes or modified note may have different interest rates and amortization schedules), modifications to any documents evidencing or securing the Loan, delivery of opinions of counsel acceptable to the Rating Agencies or potential investors and addressing such matters as the Rating Agencies or potential investors may require; provided, however, notwithstanding anything to the contrary in this Security Instrument, the Note, or the other Loan Documents, Borrower shall not be required to modify any documents evidencing or securing the Loan (or otherwise take any action) which would modify (i) the initial weighted average interest rate payable under the Note, (ii) the stated maturity of the Note, (iii) the aggregate amortization of principal of the Note, (iv) any other material economic term of the Loan, (v) decrease the time periods during which Borrower is permitted to perform its obligations under this Security Instrument or any of the other Loan Documents, or (vi) otherwise increase Borrower's or Indemnitor's obligations or decrease any of their rights or protections in any material respect under the Note, this Security Instrument or any of the other Loan Documents except as otherwise expressly permitted herein. Borrower shall provide such information, documents and agreements relating to Borrower, Indemnitor, Sponsor, the Property, the Property Documents and any tenants of the Improvements as Lender may reasonably request in connection with a Secondary Market Transaction. Lender shall have the right to provide to prospective investors or Rating Agencies any information in its possession, including, without limitation, financial statements relating to Borrower, Sponsor, Indemnitor, the Property and any tenant of the Improvements. Borrower acknowledges that certain information regarding the Loan and the parties thereto, Sponsor and the Property may be included in disclosure documents in connection with the Securitization, including an offering circular, a prospectus, prospectus supplement,

private placement memorandum or other offering document (each, an "**Disclosure Document**") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "**Securities Act**"), or the Securities and Exchange Act of 1934, as amended (the "**Exchange Act**"), and may be made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization.

Article 20. COSTS

Section 20.1. PERFORMANCE AT BORROWER'S EXPENSE. Wherever it is provided for herein that Borrower pay any costs and expenses, such costs and expenses shall include, but not be limited to, all reasonable legal fees and disbursements of Lender, whether retained firms, the reimbursement for the expenses of in house staff or otherwise. Whenever it is provided herein or in any other Loan Document that a Rating Agency Confirmation (or similar approval) by any Rating Agency is required hereunder (or under any other Loan Document), Borrower shall be responsible for the reasonable fees and other charges imposed by any Rating Agency in connection therewith as well as Lender's reasonable costs and expenses incurred in connection therewith.

This Security Instrument may be executed in several counterparts, each of which counterparts shall be deemed an original instrument and all of which together shall constitute a single Security Instrument. Section 22.8. ENTIRE AGREEMENT. The Note, this Security Instrument and the other Loan Documents constitute the entire understanding and agreement between Borrower and Lender with respect to the transactions arising in connection with the Debt and supersede all prior written or oral understandings and agreements between Borrower and Lender with respect thereto. Section 22.12 SPECIAL STATE OF HAWAII PROVISIONS.

(a) In the event of any conflict between the provisions of this Section 22.12 and any provision of this Security Instrument, then the provisions of this Section 22.12 shall control.

(b) Borrower, at its sole cost, for the mutual benefit of Lender and Borrower, shall obtain and maintain (or cause to be obtained and maintained) during the term of this Loan policies of insurance in accordance with Section 3.3 hereof.

NOTICE IS HEREBY GIVEN BY LENDER TO BORROWER THAT LENDER MAY NOT CONDITION THE GRANTING OF THE LOAN SECURED BY THIS SECURITY INSTRUMENT ON BORROWER PROCURING ANY INSURANCE WHICH BORROWER IS REQUIRED TO OBTAIN UNDER THIS SECURITY INSTRUMENT FROM ANY SPECIFIC INSURANCE COMPANY OR ASSOCIATION DESIGNATED BY LENDER. BORROWER MAY PURCHASE THE INSURANCE REQUIRED HEREUNDER FROM AN INSURER OR PRODUCER OF BORROWER'S CHOICE, SUBJECT ONLY TO LENDER'S RIGHT TO REJECT A GIVEN INSURER OR PRODUCER NOT MEETING THE REQUIREMENTS SET FORTH IN SECTION 3.3 HEREOF.

(c) This Security Instrument shall be deemed to be and shall be construed as a mortgage of real property as well as a security agreement, financing statement, fixture filing and assignment of rents and profits. Lender is, for the purposes of this Security Instrument, deemed to be the "debtor", and Borrower is deemed to be the "secured party", as those terms are used in the Uniform Commercial Code in effect in the State of Hawaii, as amended. The addresses of the secured party and debtor, from which information concerning the security agreement may be obtained, are set forth in the initial paragraph of this Security Instrument. Borrower hereby authorizes Lender to file any and all financing statements, amendments to financing statements and extensions of financing statements pertaining to the Property. If an Event of Defaults occurs and is continuing, Lender shall have all of the rights and powers of a mortgagee under Hawaii Revised Statutes, Chapter 667, as amended, including but not limited to the power of sale.

Article 23. CONDOMINIUM PROVISIONS

Section 23.1. REPRESENTATIONS, WARRANTIES AND COVENANTS WITH RESPECT TO THE CONDOMINIUM. With respect to the Condominium, Borrower hereby represents, warrants and covenants as follows:

(a) The Condominium has been legally and validly created pursuant to all Applicable Laws and the Condominium Documents. The Condominium Documents are valid and enforceable and there currently exists no default or event of default thereunder (I) by Borrower or (II) to Borrower's knowledge, by any other party thereto. All fees, dues, charges, and assessments, whether annual, monthly, regular, special or otherwise (collectively, the "**Assessments**") payable by Borrower under the Condominium Documents to date have been fully paid. Borrower is an "Owner" or "Apartment Owner" (as each of the foregoing are defined in the applicable Condominium Documents). Borrower's percentage interest in the common

elements (i) in the BW Condominium is 49.95%, (ii) in the 227 Condominium is 14.844% and (iii) in the 2181 Condominium is (A) a 2.4270% interest in the Land (as defined in the 2181 Condominium Documents), (B) a 2.4820% interest in the basement parking garage and (C) a 3.3069157% common interest in the remainder of the "common elements" (as defined in the 2181 Condominium Documents). There are currently no special or otherwise extraordinary Assessments pending (other than regular, annual Assessments).

(b) Borrower shall promptly pay all Assessments imposed pursuant to the Condominium Documents when the same become due and payable with respect to each unit in the Condominium for which title is held by Borrower (collectively, the **"Borrower Unit"**). Borrower will deliver to Lender, promptly upon Lender's request, evidence satisfactory to Lender that the Assessments have been so paid or are not then delinquent with respect to the Borrower Unit. Borrower shall immediately notify Lender of (y) any adjustments made to the amount of Assessments due under the Condominium Documents, or (z) the imposition of any additional Assessments under the Condominium Documents. Borrower shall comply with all of the terms and conditions of the Condominium Documents.

(c) Borrower acknowledges and agrees that the Borrower Unit of the Condominium and the Common Elements of the Condominium appurtenant thereto are within the definition of "Property" hereunder and, as such, Borrower shall cause the same to be insured in accordance with applicable provisions hereof. Any Net Proceeds of such insurance or otherwise obtained with respect to any condemnation of the Property shall be held and applied in accordance with the applicable terms and conditions of the Condominium Documents.

(d) Borrower shall observe and perform (and shall, to the extent of its ability under the Condominium Documents, cause each board of directors or similar body established under the Condominium Documents (collectively, the "**Board**"), each condominium association or similar entity established under the Condominium Documents (collectively, the **"Association"**) and the officers thereof to observe and perform) each and every term to be observed or performed by Borrower, such officers, the Association and/or the Board pursuant to the Condominium Documents. To the extent of its ability under the Condominium Documents, Borrower shall (i) restrict the Board, the Association and such offices from taking any action with respect to the Condominium and/or the Property that would be contrary to or inconsistent with any applicable covenant contained herein or in any other Loan Document, (ii) cause the Board, the Association and such officers to comply with any applicable covenant of Borrower contained herein or in the other Loan Documents relating to the Condominium and/or the Property and (iii) obtain Lender's prior written consent prior to permitting the Board, the Association or such officers to establish any significant working capital or similar reserves or undertaking any significant capital expenditures.

(e) Borrower shall, and shall, to the extent of its ability under the Condominium Documents, cause the Board, the Association and the officers to, (i) maintain the Condominium in good condition and repair, (ii) promptly comply with all Applicable Laws, (iii) to promptly repair, replace or rebuild any part of the Condominium which may be damaged or destroyed by any casualty or which may be affected by any condemnation proceeding and (iv) to complete and pay for, within a reasonable time subject to force majeure, any structure at any time in the process of construction or repair on the Condominium, in each case, to the extent that the failure to do the same would have a Material Adverse Effect.

(f) It shall be, at Lender's option, an immediate Event of Default hereunder if any provision of the Condominium Property Act, Chapter 514A, et seq., Hawaii Revised Statutes, as amended, restated or replaced from time to time, or any section, sentence, clause, phrase or word, or the application thereof in any circumstance is held invalid and such invalidity shall have a Material Adverse Effect.

(g) Without the prior written consent of Lender, Borrower shall not, to the extent of its ability under the Condominium Documents, permit any of the terms or provisions of the Condominium Documents to be modified or amended in any material manner or permit the Condominium to be terminated, withdrawn from a condominium regime, partitioned, subdivided, expanded or otherwise modified.

(h) To the extent of its ability under the Condominium Documents, Borrower shall cause the Board and/or the Association to allow Lender to examine the books, records and receipts of the Condominium upon ten (10) days prior notice thereof.

(i) Borrower shall promptly deliver to Lender a true and full copy of all notices of default or other material notices received by Borrower with respect to any obligation or duty of Borrower under the Condominium Documents. Borrower shall deliver to Lender each annual budget of the Condominium promptly upon the finalization thereof.

(j) Without the prior written consent of Lender, Borrower shall not, in the event of condemnation of, damage to or destruction of the Property, vote not to repair, restore or rebuild the Condominium.

(k) To the extent that any approval rights, consent rights or other rights or privileges are granted to a mortgagee in the Condominium Documents with respect to the Borrower Unit or any other similar mortgagee protection provisions are contained in the Condominium Documents with respect to the Borrower Unit, then such approval rights, consent rights or other rights, protections or privileges shall be deemed to be required by this Security Instrument or contained herein, as applicable.

(l) Upon the occurrence of an Event of Default which is continuing, Lender shall have the rights and privileges which Borrower has as though Lender were in fact the owner of the Borrower Unit, which rights and privileges shall include, without limitation, all voting rights and Developer Reserved Rights and/or Developer Rights accruing to Borrower under the terms of the Condominium Documents. Upon the occurrence and continuance of an Event of Default, Lender may vote in place of Borrower and may exercise any and all of said rights. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with an interest to vote as Borrower's proxy and to act with respect to all of said rights so long as such Event of Default continues hereunder. Borrower will execute any documents and/or instruments reasonably required by Lender in connection with the foregoing, including, without limitation, a written proxy in the form and substance required by the relevant provisions of the Condominium Documents. Borrower hereby irrevocably appoints Lender as its attorney-in-fact, coupled with

an interest to execute such documents and/or instruments in the event Borrower fails to do the same within five (5) days of written request therefore by Lender. Written notice from Lender to the Board shall be deemed conclusive as to the existence of such Event of Default and as to Lender's rights and privileges hereunder. Notwithstanding anything contained herein to the contrary, nothing contained herein or otherwise shall render Lender liable for any Assessments.

(m) Neither the Board nor the Association is a party to any loan, credit agreement or other arrangement for any extension of credit, whether funded or to be funded. To the extent of its ability under the Condominium Documents, Borrower shall not, without Lender's prior written consent, permit the Board or the Association to incur any indebtedness or to encumber the Condominium in connection therewith except (i) unsecured debt incurred in the ordinary course of business not exceeding $10,000 per annum and (ii) trade payables in the ordinary course of business, provided, that, in each case, the debt described in (i) and (ii) above is covered by the then current common charges assessed against the owners of units in the Condominium.

(n) In addition to Lender's consent rights as specified in this Section, during the continuance of an Event of Default, Borrower shall not exercise any other material approval, consent or voting right to which it is entitled under the Condominium Documents without obtaining Lender's prior written consent (which consent shall not be unreasonably withheld or delayed).

(o) Borrower shall attend each duly called meeting or special meeting of the Association.

(p) Intentionally Omitted.

(q) The representations, warranties and covenants of Borrower made under the Condominium Estoppel are hereby incorporated by reference as if fully set forth in this Section and are hereby re-made by Borrower.

(r) Without limitation of the foregoing, Borrower's failure to comply with any provision of this Section shall, at Lender's option, constitute an immediate Event of Default hereunder and under the other Loan Documents.

Borrower shall (or shall commercially reasonable efforts to cause FHB SL to) exercise each individual option, if any, to extend or

renew the term of the FHB Lease upon demand by Lender made at any time within thirty (30) days prior to the last day upon which any such option may be exercised, and Borrower hereby expressly authorizes and appoints Lender its attorney-in-fact to exercise any such option in the name of and upon behalf of Borrower, which power of attorney shall be irrevocable and shall be deemed to be coupled with an interest.

If FHB SL shall deliver to Lender a copy of any notice of default under the FHB Sublease, such notice shall constitute full protection to Lender for any action taken or omitted to be taken by Lender, in good faith, in reliance thereon. Sublease and the Leasehold Estate shall each not merge but shall always be kept separate and distinct, notwithstanding the union of such estates in Borrower or in any other Person by purchase, operation of law or otherwise. Lender reserves the right, at any time, to release portions of the Property, including, but not limited to, the Leasehold Estate, with or without consideration, at Lender's election, without waiving or affecting any of its rights hereunder or under the Note or the other Loan Documents and any such release shall not affect Lender's rights in connection with the portion of the Property not so released.

In the event that Borrower hereafter acquires Prime Lessor's fee interest in the real property subject to the FHB Lease and/or FHB SL's interest in the FHB Lease, Borrower agrees, at its sole cost and expense, including without limitation, Lender's reasonable attorney's fees, to (i) execute any and all documents or instruments necessary to subject each of the foregoing interest to the lien of this Security Instrument; and (ii) provide a title insurance policy which shall insure that the lien of this Security Instrument is a first lien on each such interest.

Section 24.5. REJECTION OF THE FHB SUBLEASE.

(a) If the FHB Sublease is terminated by FHB SL for any reason in the event of the rejection or disaffirmance of the FHB Sublease by FHB SL pursuant to the Bankruptcy Code or any other law affecting creditor's rights, (i) Borrower, immediately after obtaining notice thereof, shall give notice thereof to Lender, (ii) Borrower, without the prior written consent of Lender, shall not elect to treat the FHB Sublease as terminated pursuant to Section 365(h) of the Bankruptcy Code or any comparable federal or state statute or law, and any election by Borrower made without such consent shall be void and (iii) this Security Instrument and all the Liens, terms, covenants and conditions of this Security Instrument shall extend to and cover Borrower's possessory rights under Section 365(h) of the Bankruptcy Code and to any claim for damages due to the rejection of the FHB Sublease or other termination of the FHB Sublease. In addition, Borrower hereby assigns irrevocably to Lender, Borrower's rights to treat the FHB Sublease as terminated pursuant to Section 365(h) of the Bankruptcy Code and to offset rents under the FHB Sublease in the event any case, proceeding or other action is commenced by or against FHB SL under the Bankruptcy Code or any comparable federal or state statute or law, provided that Lender shall not exercise such rights and shall permit Borrower to exercise such rights with the prior written consent of Lender, not to be unreasonably withheld or delayed, unless an Event of Default shall have occurred and be continuing.

(b) Borrower hereby assigns to Lender Borrower's right to reject the FHB Sublease under Section 365 of the Bankruptcy Code or any comparable federal or state statute or law with respect to any case, proceeding or other action commenced by or against Borrower under the Bankruptcy Code or comparable federal or state statute or law, provided Lender shall not exercise such right, and shall permit Borrower to exercise such right with the prior written consent of Lender, not to be unreasonably withheld or delayed, unless an Event of Default shall have occurred and be continuing. Further, if Borrower shall desire to so reject the FHB Sublease, at Lender's request, to the extent not prohibited by the terms of the FHB Sublease and applicable law, Borrower shall assign its interest in the FHB Sublease to Lender in lieu of rejecting the FHB Sublease as described above, upon receipt by Borrower of written notice from Lender of such request together with Lender's agreement to cure any existing defaults of Borrower under the FHB Sublease and to provide adequate assurance of future performance of Borrower's obligations thereunder.

(c) Borrower hereby assigns to Lender Borrower's right to seek an extension of the 60-day period within which Borrower must accept or reject the FHB Sublease under Section 365 of the Bankruptcy Code or any comparable federal or state statute or law with respect to any case, proceeding or other action commenced by or against Borrower under the Bankruptcy Code or comparable federal or state statute or law, provided Lender shall not exercise such right, and shall permit Borrower to exercise such right with the prior written consent of Lender, not to be unreasonably withheld or delayed, unless an Event of Default shall have occurred and be continuing. Further, if Borrower shall desire to so reject the FHB Sublease, at Lender's request, to the extent not prohibited by the terms of the FHB Sublease and applicable law, Borrower shall assign its interest in the FHB Sublease to Lender in lieu of rejecting such FHB Sublease as described above, upon receipt by Borrower of written notice from Lender of such request together with Lender's agreement to cure any existing defaults of Borrower under the FHB Sublease and to provide adequate assurance of future performance of the applicable Borrower's obligations thereunder.

(d) Borrower hereby agrees that if the FHB Sublease is terminated for any reason in the event of the rejection or disaffirmance of the FHB Sublease pursuant to the Bankruptcy Code or any other law affecting creditor's rights, any Personal Property of Borrower not removed by Borrower from the portion of the Property leased pursuant to the FHB Sublease as permitted or required by the FHB Sublease, shall at the option of Lender be deemed abandoned by Borrower, provided that Lender may remove any such Personal Property required to be removed by Borrower pursuant to the FHB Lease and all reasonable out-of-pocket costs and expenses associated with such removal shall be paid by Borrower within five (5) days of receipt by Borrower of an invoice for such removal costs and expenses.

Section 24.6. CONVERSION OF THE FHB SUBLEASE INTO A DIRECT LEASE WITH PRIME LESSOR. Without limiting any of the provisions hereof, in the event that Borrower shall hereafter convert the FHB Sublease into a direct lease with Prime Lessor or otherwise enter into a replacement lease with Prime Lessor (any of the foregoing, a "**Replacement FHB Lease**"), then the provisions herein referring to (a) the "**FHB Sublease**" shall thereafter be deemed to refer to the Replacement FHB Lease and (b) "FHB SL" shall thereafter be deemed to refer to the Prime Lessor. Borrower agrees, at its sole cost and expense, including without limitation, Lender's reasonable attorney's fees, to (i) execute any and all documents or instruments necessary to subject Borrower's interest in the Replacement FHB Lease the lien of this Security Instrument; and (ii) provide a title insurance policy which shall insure that the lien of this Security Instrument is a first lien on Borrower's interest in the Replacement FHB Lease.

SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT

THIS SUBORDINATION, NON-DISTURBANCE AND ATTORNMENT AGREEMENT (this "**Agreement**") is made as of the _____ day of _____, 200[__] by and among _____, a _____, having an address at _____ (together with its successors and assigns, "**Lender**"), [_____] ("**Tenant**") and _____, a Delaware limited liability company, having an address at _____, _____ (**"Landlord"**).

RECITALS:

A. Lender is the present owner and holder of a certain Mortgage and Security Agreement (the "**Security Instrument**") given by Landlord to Lender which encumbers the fee estate of Landlord in certain premises described in Exhibit A attached hereto (the "**Property**") and which secures the payment of certain indebtedness owed by Landlord to Lender evidenced by the Note (as defined in the Security Instrument);

B. Tenant is the holder of a leasehold estate in a portion of the Property under and pursuant to the provisions of a certain [Lease] dated [_____, 200[__] between Landlord, as landlord, and Tenant, as tenant (the "**Lease**"); and

C. Tenant has agreed to subordinate the Lease to the Security Instrument and Lender has agreed to grant non-disturbance to Tenant under the Lease on the terms and conditions hereinafter set forth.

AGREEMENT:

For good and valuable consideration, Tenant, Lender and Landlord agree as follows:

1. Subordination. The Lease and all of the terms, covenants and provisions thereof and all rights, remedies and options of Tenant thereunder are and shall at all times continue to be subject and subordinate to the lien and terms of the Security Instrument, including without limitation, all renewals, increases, modifications, spreaders, consolidations, replacements and extensions thereof and to all sums secured thereby and advances made thereunder with the same force and effect as if the Security Instrument had been executed, delivered and recorded prior to the execution and delivery of the Lease.

2. Non-Disturbance. If any action or proceeding is commenced by Lender for the foreclosure of the Security Instrument or the sale of the Property, Tenant shall not be named as a party therein unless such joinder shall be required by law, provided, however, such joinder shall not result in the termination of the Lease or disturb the Tenant's possession or use of the premises demised thereunder, and the sale of the Property in any such action or proceeding and the exercise by Lender of any of its other rights under the Note or the Security Instrument shall be made subject to all rights of Tenant under the Lease, provided that at the time of the

commencement of any such action or proceeding or at the time of any such sale or exercise of any such other rights (a) the term of the Lease shall have commenced pursuant to the provisions thereof, (b) Tenant shall be in possession of the premises demised under the Lease, (c) the Lease shall be in full force and effect and (d) Tenant shall not be in default beyond any applicable notice and cure period under any of the terms, covenants or conditions of the Lease or of this Agreement on Tenant's part to be observed or performed.

3. Attornment. If Lender or any other subsequent purchaser of the Property shall become the owner of the Property by reason of the foreclosure of the Security Instrument or the acceptance of a deed or assignment in lieu of foreclosure or by reason of any other enforcement of the Security Instrument (Lender or such other purchaser being hereinafter referred as "**Purchaser**"), and the conditions set forth in Section 2 above have been met at the time Purchaser becomes owner of the Property, the Lease shall not be terminated or affected thereby but shall continue in full force and effect as a direct lease between Purchaser and Tenant upon all of the terms, covenants and conditions set forth in the Lease and in that event, Tenant agrees to attorn to Purchaser and Purchaser by virtue of such acquisition of the Property shall be deemed to have agreed to accept such attornment, provided, however, that Purchaser shall not be (a) liable for the failure (other than with respect to a default of a continuing nature) of any prior landlord (any such prior landlord, including Landlord and any successor landlord, being hereinafter referred to as a "**Prior Landlord**") to perform any of its obligations under the Lease which have accrued prior to the date on which Purchaser shall become the owner of the Property, provided that the foregoing shall not limit Purchaser's obligations under the Lease to correct any conditions of a continuing nature that (i) existed as of the date Purchaser shall become the owner of the Property and (ii) violate Purchaser's obligations as landlord under the Lease; provided further, however, that Purchaser shall have received written notice of such omissions, conditions or violations and has had a reasonable opportunity to cure the same, all pursuant to the terms and conditions of the Lease, (b) subject to any offsets, defenses, abatements or counterclaims which shall have accrued in favor of Tenant against any Prior Landlord prior to the date upon which Purchaser shall become the owner of the Property, except for those that are specifically provided for in the Lease, (c) liable for the return of rental security deposits, if any, paid by Tenant to any Prior Landlord in accordance with the Lease unless such sums are actually received by Purchaser, (d) bound by any payment of rents, additional rents or other sums which Tenant may have paid more than one (1) month in advance to any Prior Landlord unless (i) such sums are actually received by Purchaser or (ii) such prepayment shall have been expressly approved of by Purchaser, (e) bound by any agreement terminating or amending or modifying the rent, term, commencement date or other material term of the Lease, or any voluntary surrender of the premises demised under the Lease, made without Lender's or Purchaser's prior written consent prior to the time Purchaser succeeded to Landlord's interest (provided, however, Purchaser's consent is not required for a termination of the Lease exercised pursuant to the original terms of the Lease) or (f) bound by any assignment of the Lease or sublease of the Property, or any portion thereof, made prior to the time Purchaser succeeded to Landlord's interest other than if pursuant to the provisions of the Lease. In the event that any liability of Purchaser does arise pursuant to this Agreement, such liability shall be limited and restricted to Purchaser's interest in the Property and shall in no event exceed such interest. Alternatively, upon the written request of Lender or its successors or assigns, Tenant shall enter into a new lease of the Premises with Lender or such successor or assign for the then remaining term of the Lease, upon the same terms and conditions as contained in the Lease (including without limitation any renewal options), except as otherwise specifically provided in this Agreement.

4. Notice to Tenant. After notice is given to Tenant by Lender that the Landlord is in default under the Note and the Security Instrument and that the rentals under the Lease should be paid to Lender pursuant to the terms of the assignment of leases and rents executed and delivered by Landlord to Lender in connection therewith, Tenant shall thereafter pay to Lender or as directed by Lender, all rentals and all other monies due or to become due to Landlord under the Lease and Landlord hereby expressly authorizes Tenant to make such payments to Lender and hereby releases and discharges Tenant from any liability to Landlord on account of any such payments.

5. Intentionally Omitted.

6. Notice to Lender and Right to Cure. Tenant shall notify Lender of any default by Landlord under the Lease if the default is of such a nature as to give Tenant a right to terminate the Lease, reduce the rent or to credit or offset any amounts against future rents, and agrees that, notwithstanding any provisions of the Lease to the contrary, no notice of cancellation thereof or of an abatement shall be effective unless Lender shall have received notice of default giving rise to such cancellation or abatement and (i) in the case of any such default that can be cured by the payment of money, until thirty (30) days shall have elapsed following the giving of such notice or (ii) in the case of any other such default, until a reasonable period for remedying such default shall have elapsed following the giving of such notice, provided Lender, with reasonable diligence, shall have commenced and continued to remedy such default or cause the same to be remedied. Notwithstanding the foregoing, (i) Lender shall have no obligation to cure any such default and (ii) in the event that any aforesaid default cannot, by its nature, be cured by Lender prior to Lender’s gaining possession of Landlord’s interest in the Property, the aforesaid “reasonable period for remedying such default” shall be deemed to include such time as is required for Lender to gain possession of Tenant’s interest in the Property.

7. Notices. All notices or other written communications hereunder shall be deemed to have been properly given (i) upon delivery, if delivered in person with receipt acknowledged by the recipient thereof, (ii) one (1) Business Day (hereinafter defined) after having been deposited for one (1) day overnight delivery with any reputable overnight courier service, or (iii) three (3) Business Days after having been deposited in any post office or mail depository regularly maintained by the U.S. Postal Service and sent by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

11. Joint and Several Liability. If there is more than one Tenant under the Lease, the obligations and liabilities of each hereunder shall be joint and several.

13. Limitations on Purchaser’s Liability. Notwithstanding the foregoing, Tenant may offset against rent due under the Lease the amount of any judgment obtained against any Purchaser.

14. Estoppel Certificate. Tenant, shall, from time to time, within [_____] Business Days after request by Lender, execute, acknowledge and deliver to Lender a statement by Tenant certifying (a) that the Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) the amounts of fixed rent, additional rent, or other sums, if any, which are payable in respect of the Lease and the commencement date and expiration date of the Lease, (c) the dates to which the fixed rent, additional rent, and other sums which are payable in respect to the Lease have been paid, (d) whether or not Tenant is entitled to any then presently accrued credits or offsets against rent, and, if so, the reasons therefor and the amount thereof, (e) that to Tenant’s actual knowledge (without investigation) it is not in default in the performance of any of its obligations under the Lease and no event has occurred which, with the giving of notice or the passage of time, or both, would constitute such a default, (f) whether or not, to the actual knowledge (without investigation) of the person certifying on behalf of Tenant, Landlord is in default in the performance of any of its obligations under the Lease, and, if so, specifying the same, (g) whether or not, to the actual knowledge (without investigation) of such person, any event has occurred which with the giving of such notice or passage of time, or both would constitute such a default, and, if so, specifying each such event, and (h) whether or not, to the actual knowledge (without investigation) of such person, Tenant has any then presently accrued claims, defenses or counterclaims against Landlord under the Lease, and, if so, specifying the same, it being intended that any such statement delivered pursuant hereto shall be deemed a certification by Tenant to be relied upon by Lender and by others with whom Lender may be dealing. Tenant also shall include in any such statement such other information concerning the status of the Lease as Lender may reasonably request.

FOR VALUE RECEIVED, ABW HOLDINGS LLC, a Delaware limited liability company (**"Borrower"**), as maker, having an address at 2375 Kuhio Avenue, Honolulu, Hawaii 96815 (and with a copy of all notices to: c/o American Assets, Inc., 11455 El Camino Real, Suite 200, San Diego, California 92130, Attention: Robert Barton and John Chamberlain) hereby unconditionally promises to pay to the order of **COLUMN FINANCIAL, INC.**, a Delaware corporation, having an address at 11 Madison Avenue, New York, New York 10010 (together with its successors and assigns, **"Lender**"), or at such other place as the holder hereof may from time to time designate in writing, the aggregate principal sum of $**150,000,000.00**, in lawful money of the United States of America, with interest thereon to be computed from the date of this Note at the Applicable Interest Rate (defined below), and to be paid in installments as follows:

ARTICLE 1: PAYMENT TERMS

(a) A payment on the date hereof on account of all interest that will accrue on the principal amount of the Loan from and after the date hereof through and including the last day of February, 2007;

(b) A payment (the "**Monthly Payment**") equal to the amount of interest which has accrued during the preceding Interest Accrual Period (defined below) computed at the Applicable Interest Rate (defined below) on the first (1st) day of April, 2007 and on the first (1st) day of each calendar month thereafter (each such date to be hereinafter referred to as a "**Monthly Payment Date**") up to and including the first (1st) day of February, 2017, with each Monthly Payment to be applied to the payment of interest which has accrued during the preceding Interest Accrual Period;

(c) The principal sum of the Loan and all interest thereon shall be due and payable on March 1, 2017, (the "**Maturity Date**").

(d) Interest on the principal sum of this Note shall be calculated by multiplying the actual number of days elapsed in the period for which interest is being calculated by a daily rate based on a 360-day year.

(e) As used herein, the term **"Interest Accrual Period"** shall mean (i) for the first such period, the period beginning on the date hereof and ending on (but including) the last day of February, 2007 and (ii) with respect to each subsequent period beginning with the period immediately following the period described in subsection (i) above, the period beginning on the first day of each calendar month during the term hereof and ending on (but including) the last day of such calendar month.

ARTICLE 2: INTEREST

The term "**Applicable Interest Rate**" for the purposes hereof and each other Loan Document shall mean an interest rate equal to 5.387% per annum.

ARTICLE 3: DEFAULT AND ACCELERATION

(a) The whole of the principal sum of this Note, (b) interest, default interest, late charges and other sums, as provided in this Note, the Security Instrument or the other Loan Documents (defined below), (c) all other monies agreed or provided to be paid by Borrower in this Note, the Security Instrument or the other Loan Documents, (d) all sums advanced pursuant to the provisions of the Security Instrument to protect and preserve the Property (defined below) and the lien and the security interest created thereby, and (e) all reasonable sums advanced and costs and expenses incurred by Lender pursuant to the provisions of this Note, the Security Instrument or the other Loan Documents in connection with the Debt (defined below) or any part thereof, any renewal, extension or change of or substitution for the Debt or any part thereof, or the acquisition or perfection of the security therefor, whether made or incurred at the request of Borrower or Lender (all the sums referred to in (a) through (e) above shall collectively be referred to as the "**Debt**") shall without notice become immediately due and payable at the option of Lender if (i) any Monthly Payment is not paid within five (5) days of the date when due, (ii) any other portion of the Debt is not paid within five (5) days of the date when due, (iii) the entire Debt is not paid on or before the Maturity Date or (iv) Borrower commits any other default, and fails to cure same prior to the expiration of any applicable notice and grace periods, herein or under the terms of the Security Instrument or any of the other Loan Documents (collectively, an "**Event of Default**").

Interest calculated at the Default Rate shall be added to the Debt, and shall be deemed secured by the Security Instrument. This clause, however, shall not be construed as an agreement or privilege to extend the date of the payment of the Debt, nor as a waiver of any other right or remedy accruing to Lender by reason of the occurrence of any Event of Default. Notwithstanding the foregoing, in the event Borrower becomes liable for interest at the Default Rate under this Article 4 (such interest, the "**Default Interest**") due to the occurrence of a Qualifying Non-Monetary Default (defined below), Borrower shall only be liable for such Default Interest for a period not to exceed six (6) months unless (i) Lender actively pursues a foreclosure action (or non-judicial foreclosure) as a result of such Qualifying Non-Monetary Default (in which case, Borrower shall be liable for Default Interest for a period equal to (I) the duration of Lender's pursuit of the remedies described above plus (II) the first six (6) months following the occurrence of the applicable Qualifying Non-Monetary Default (less any portion of such six (6) month period occurring after Lender's commencement of its pursuit of the remedies

As used herein and in the other Loan Documents, a "**Qualifying Non-Monetary Default**" shall mean a non-monetary Event of Default which (a) cannot reasonably be cured by Borrower and (b) in Lender's good faith, reasonable determination, (i) was not committed intentionally and knowingly by Borrower with the intention of violating the terms and conditions of the Loan Documents and (ii) does not have a Material Adverse Effect (as defined in the Security Instrument).

ARTICLE 5: PREPAYMENT; DEFEASANCE

Except as otherwise expressly permitted by this Article 5 or in the Security Instrument, no voluntary prepayments, whether in whole or in part, of the Loan or any other amount at any time due and owing under this Note can be made by Borrower or any other Person without the express written consent of Lender.

(a) Lockout Period. Borrower has no right to make, and Lender shall have no obligation to accept, any voluntary prepayment, whether in whole or in part, of the Loan during the Lockout Period (defined below). Notwithstanding the foregoing, if (i) Lender, in its sole and absolute discretion, accepts a full or partial voluntary prepayment during the Lockout Period or (ii) there is an involuntary prepayment during the Lockout Period, then, in any such case, Borrower shall, in addition to any portion of the Loan prepaid (together with all interest accrued and unpaid thereon), pay to Lender a prepayment premium in an amount calculated in accordance with subsection (c) below. (2) direct non-callable obligations of the United States of America or other obligations which are "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act of 1940 (to

(4) one or more opinions of counsel for Borrower in form and substance and delivered by counsel which would be satisfactory to a prudent lender stating, among other things, that (i) Lender has a perfected first priority security interest in the Defeasance Collateral and that the Defeasance Security Agreement is enforceable against Borrower in accordance with its terms, (ii) in the event of a bankruptcy proceeding or similar occurrence with respect to Borrower, none of the Defeasance Collateral nor any proceeds thereof will be property of Borrower's estate under Section 541 of the U.S. Bankruptcy Code or any similar statute and the grant of security interest therein to Lender should not constitute an avoidable preference under Section 547 of the U.S. Bankruptcy Code or applicable state law, (iii) the release of the lien of the Security Instrument and the pledge of Defeasance Collateral will not directly or indirectly result in or cause any "real estate mortgage investment conduit" within the meaning of Section 860D of the Internal Revenue Code that holds the Loan (or any portion thereof or interest therein) (a "**REMIC Trust**") to fail to maintain its status as a REMIC Trust and (iv) the defeasance will not cause any REMIC Trust to be an "investment company" under the Investment Company Act of 1940;

(5) a certificate in form and scope acceptable to Lender in its sole discretion from an Acceptable Accountant (defined below) certifying that the Defeasance Collateral will generate amounts sufficient to make all payments of principal and interest due under this Note (including the scheduled outstanding principal balance of the Loan due on the Open Prepayment Date (assuming that the Debt is prepaid in whole on such date in accordance with the applicable terms and conditions hereof)). The term "**Acceptable Accountant**" shall mean a "Big Four" accounting firm or other independent certified public accountant acceptable to Lender; and

(iii) Upon the release of the Property in accordance with this subsection (b), Borrower shall assign all its obligations and rights under this Note, together with the pledged Defeasance Collateral, to a successor entity designated and approved by Lender in its reasonable discretion ("**Successor Borrower**"). Successor Borrower shall execute an assignment and assumption agreement (the "**Defeasance Assumption Agreement**") consistent with the provisions of the Loan Documents and in form and substance satisfactory to Lender in its sole and absolute discretion pursuant to which it shall assume Borrower's obligations under this Note and the Defeasance Security Agreement. As conditions to such assignment and assumption, Borrower shall (A) deliver to Lender one or more opinions of counsel in form and substance and delivered by counsel which would be satisfactory to a prudent Lender stating, among other things, that such Defeasance Assumption Agreement is enforceable against Borrower and the Successor Borrower in accordance with its terms and that this Note, the Defeasance Security Agreement and the other Loan Documents, as so assigned and assumed, are enforceable against the

Successor Borrower in accordance with their respective terms, and opining to such other matters relating to Successor Borrower and its organizational structure as Lender may reasonably require, and (B) pay all fees, costs and expenses incurred by Lender or its agents in connection with such assignment and assumption (including, without limitation, legal fees and expenses and for the review of the proposed transferee and the preparation of the assignment and assumption agreement and related certificates, documents and instruments and any fees payable to any Rating Agencies and their counsel in connection with the issuance of the confirmation referred to in subsection (b)(i)(E) above). Upon such assignment and assumption, Borrower and Indemnitor shall be relieved of their obligations under this Note, under the other Loan Documents and under the Defeasance Security Agreement, except for any liability or obligation in connection with a provision of this Note, the Security Instrument or any other Loan Documents which expressly states that it is to survive termination, satisfaction, assignment, entry of a judgment of foreclosure, exercise of any power of sale, or delivery of a deed in lieu of foreclosure of the Security Instrument.

(iv) For purposes of this Article 5, "**REMIC Prohibition Period**" means the period commencing on the date hereof and ending on the earlier to occur of (i) the first Monthly Payment Date occurring after the second anniversary of the "startup day" within the meaning of Section 860G(a)(9) of the Code of the last REMIC Trust to hold any portion of or interest in the Loan such that all portions of and interests in the Loan are held by one or more REMIC Trusts and (ii) the first Monthly Payment date occurring after the third anniversary of the date hereof. In no event shall Lender have any obligation to notify Borrower that a REMIC Prohibition Period is in effect with respect to the Loan, except that Lender shall notify Borrower if any REMIC Prohibition Period is in effect with respect to the Loan after receiving any notice described in subsection (b)(i)(B); provided, however, that the failure of Lender to so notify Borrower shall not impose any liability on Lender or grant Borrower any right to defease the Loan during any such REMIC Prohibition Period.

(c) Involuntary Prepayment During the Lockout Period. During the Lockout Period, in the event of any involuntary prepayment of the Loan or any other amount under this Note, whether in whole or in part, in connection with or following Lender's acceleration of this Note, or otherwise, and whether the Security Instrument is satisfied or released by foreclosure (whether by power of sale or judicial proceeding), deed in lieu of foreclosure or by any other means, including, without limitation, repayment of the Loan by Borrower or any other Person pursuant to any statutory or common law right of redemption, Borrower shall, in addition to any portion of the principal balance of the Loan prepaid (together with all interest accrued and unpaid thereon and, in the event the prepayment is made on a date other than a Monthly Payment Date, a sum equal to the amount of interest which would have accrued under this Note on the amount of such prepayment if such prepayment had occurred on the next Monthly Payment Date), pay to Lender a prepayment premium in an amount equal to the Yield Maintenance Premium (hereafter defined). As used herein, the term **"Yield Maintenance Premium"** shall mean an amount equal to the greater of (i) 1% of the principal amount of the Loan being prepaid and (ii) an amount equal to the excess, if any, of (A) the sum of the present values of a series of payments payable at the times and in the amounts equal to the debt service payments (including, but not limited to the principal and interest payable on the Maturity Date) which would have been scheduled to be

payable relative to the principal amount of the Loan being prepaid after the date of such tender under the Loan had the Note not been prepaid, with each such payment discounted to its present value at the date of such tender at the rate which when compounded monthly is equivalent to the Prepayment Rate (as hereinafter defined) when compounded semi-annually, over (B) the principal amount of the Loan being prepaid. The term "**Prepayment Rate**" shall mean the bond equivalent yield (in the secondary market) on the United States Treasury Security that as of the Prepayment Rate Determination Date (hereinafter defined) has a remaining term to maturity closest to, but not exceeding, the remaining term to the Maturity Date, as most recently published in the "Treasury Bonds, Notes and Bills" section in The Wall Street Journal as of the date of the related tender of payment. If more than one issue of United States Treasury Securities has the remaining term to the Maturity Date referred to above, the "**Prepayment Rate**" shall be the yield on the United States Treasury Security most recently issued as of such date. The term "**Prepayment Rate Determination Date**" shall mean the date which is five (5) Business Days prior to the prepayment date. The rate so published shall control absent manifest error. If the publication of the Prepayment Rate in The Wall Street Journal is discontinued, Lender shall determine the Prepayment Rate on the basis of "Statistical Release H.15 (519), Selected Interest Rates," or any successor publication, published by the Board of Governors of the Federal Reserve System, or on the basis of such other publication or statistical guide as Lender may reasonably select.

(d) Insurance and Condemnation Proceeds; Excess Interest. Notwithstanding any other provision herein to the contrary, and provided no Event of Default exists, Borrower shall not be required to pay any prepayment premium in connection with any prepayment occurring solely as a result of (i) the application of insurance proceeds or condemnation proceeds pursuant to the terms of the Loan Documents, (ii) the application of any interest in excess of the maximum rate permitted by applicable law to the reduction of the Loan, or (iii) the exercise by Lender of any other right under the Loan Documents to apply an amount received by Lender to the principal balance of this Note, other than any exercise in connection with an Event of Default, which shall be controlled by the preceding paragraph (c).

(e) After the Lockout Period. Commencing on the day after the expiration of the Lockout Period, and upon giving Lender at least fifteen (15) days (but not more than one hundred and eighty (180) days) prior written notice, Borrower may voluntarily prepay (without premium) this Note in whole (but not in part) on a Monthly Payment Date. Lender shall accept a prepayment pursuant to this subsection (e) on a day other than a Monthly Payment Date provided that, in addition to payment of the full outstanding principal balance of this Note, Borrower pays to Lender a sum equal to the amount of interest which would have accrued on this Note if such prepayment occurred on the next Monthly Payment Date.

(f) Limitation on Partial Prepayments. In no event shall Lender have any obligation to accept a partial prepayment.

ARTICLE 6: SECURITY

This Note is secured by the Security Instrument and the other Loan Documents. The term "**Security Instrument**" as used in this Note shall mean the Mortgage, Assignment of Leases and Rents, Security Agreement, Financing Statement and Fixture Filing dated as of the

date hereof given by Borrower (among others) to Lender covering the fee simple estate of Borrower in certain premises located in the City and County of Honolulu, State of Hawaii, and other property, as more particularly described therein (collectively, the "**Property**") and intended to be duly recorded in the Bureau of Conveyances of the State of Hawaii and in the Office of the Assistant Registrar of the Land Court of the State of Hawaii. The term "**Loan Documents**" as used in this Note shall mean all and any of the documents and/or instruments executed by Borrower and/or others and by or in favor of Lender in connection with the Loan. Whenever used, the singular number shall include the plural, the plural number shall include the singular, and the words "Lender" and "Borrower" shall include their respective successors, assigns, heirs, executors and administrators.

All of the terms, covenants and conditions contained in the Security Instrument and the other Loan Documents are hereby made part of this Note to the same extent and with the same force as if they were fully set forth herein.

ARTICLE 7: SAVINGS CLAUSE

This Note is subject to the express condition that at no time shall Borrower be obligated or required to pay interest on the principal balance due hereunder at a rate which could subject Lender to either civil or criminal liability as a result of being in excess of the maximum interest rate which Borrower is permitted by applicable law to contract or agree to pay. If by the terms of this Note, Borrower is at any time required or obligated to pay interest on the principal balance due hereunder at a rate in excess of such maximum rate, the Applicable Interest Rate or the Default Rate, as the case may be, shall be deemed to be immediately reduced to such maximum rate and all previous payments in excess of the maximum rate shall be deemed to have been payments in reduction of principal and not on account of the interest due hereunder. All sums paid or agreed to be paid to Lender for the use, forbearance, or detention of the Debt, shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Debt does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Debt for so long as the Debt is outstanding.

ARTICLE 8: LATE CHARGE

If any monthly installment of principal or interest payable under this Note is not paid on the date on which it was due, Borrower shall pay to Lender upon demand an amount equal to the lesser of 2.5% of the unpaid sum or the maximum amount permitted by applicable law to defray the expenses incurred by Lender in handling and processing the delinquent payment and to compensate Lender for the loss of the use of the delinquent payment and the amount shall be secured by the Security Instrument and the other Loan Documents.

ARTICLE 9: NO ORAL CHANGE

This Note may not be modified, amended, waived, extended, changed, discharged or terminated orally or by any act or failure to act on the part of Borrower or Lender, but only by an agreement in writing signed by the party against whom enforcement of any modification, amendment, waiver, extension, change, discharge or termination is sought.

ARTICLE 10: JOINT AND SEVERAL LIABILITY

If there is more than one Borrower, the obligations and liabilities of each such person or party shall be joint and several.

ARTICLE 11: WAIVERS

Except as otherwise provided herein, in the Security Instrument, or in the other Loan Documents, Borrower and all others who may become liable for the payment of all or any part of the Debt do hereby severally waive presentment and demand for payment, notice of dishonor, protest and notice of protest and non-payment and all other notices of any kind. No release of any security for the Debt or extension of time for payment of this Note or any installment hereof, and no alteration, amendment or waiver of any provision of this Note, the Security Instrument or the other Loan Documents made by agreement between Lender or any other person or party shall release, modify, amend, waive, extend, change, discharge, terminate or affect the liability of Borrower, and any other person or entity who may become liable for the payment of all or any part of the Debt, under this Note, the Security Instrument or the other Loan Documents. No notice to or demand on Borrower shall be deemed to be a waiver of the obligation of Borrower or of the right of Lender to take further action without further notice or demand as provided for in this Note, the Security Instrument or the other Loan Documents. If Borrower is a partnership, the agreements herein contained shall remain in force and applicable, notwithstanding any changes in the individuals comprising the partnership. If Borrower is a corporation, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the shareholders comprising, or the officers and directors relating to, the corporation. If Borrower is a limited liability company, the agreements contained herein shall remain in full force and applicable notwithstanding any changes in the members comprising, or the managers, officers or agents relating to, the limited liability company. The term “Borrower”, as used herein, shall include any alternate or successor partnership, corporation, limited liability company or other entity or person to the Borrower named herein, but any predecessor partnership (and their partners), corporation, limited liability company, other entity or person shall not thereby be released from any liability except as otherwise provided in the Security Instrument or other Loan Documents. Nothing in this Article 11 shall be construed as a consent to, or a waiver of, any prohibition or restriction on transfers of interests in such partnership which may be set forth in the Security Instrument or any other Loan Document.

ARTICLE 12: DEFINITIONS

All capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Security Instrument and the other Loan Documents.

ARTICLE 13: WAIVER OF TRIAL BY JURY

BORROWER HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THE LOAN EVIDENCED BY THIS NOTE, THE APPLICATION FOR THE LOAN EVIDENCED BY THIS NOTE, THIS NOTE, THE

SECURITY INSTRUMENT OR THE OTHER LOAN DOCUMENTS OR ANY ACTS OR OMISSIONS OF LENDER, ITS OFFICERS, EMPLOYEES, DIRECTORS OR AGENTS IN CONNECTION THEREWITH.

ARTICLE 14: EXCULPATION

(a) Notwithstanding any contrary provisions contained herein, the Security Instrument or the other Loan Documents (other than a provision herein or therein which expressly states that it is intended to override any exculpatory provisions of this Note), Lender shall not enforce the liability and obligation of Borrower, to perform and observe the obligations contained in this Note, the Security Instrument or the other Loan Documents by any action or proceeding wherein a money judgment shall be sought against Borrower or any partner or member of Borrower, except that Lender may bring a foreclosure action (where no deficiency judgment is sought against Borrower or any partner or member of Borrower), an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon this Note, the Security Instrument, the other Loan Documents, and the interests in the Property; and any other collateral given to Lender pursuant to the Security Instrument and the other Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall not be enforceable against Borrower (or any partner or member of Borrower) except to the extent of Borrower's interest in the Property and in any other collateral given to Lender as security, and Lender, by accepting this Note, the Security Instrument and the other Loan Documents, agrees that it shall not sue for, seek or demand any deficiency judgment against Borrower (or any partner or member of Borrower) in any such action or proceeding, under or by reason of or in connection with this Note, the Security Instrument or the other Loan Documents. The provisions of this paragraph shall not, however, (1) constitute a waiver, release or impairment of any obligation evidenced or secured by this Note, the Security Instrument or the other Loan Documents; (2) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Security Instrument, where Lender is required to do so in order to properly pursue such action (and subject to the above-described prohibition on suing for, seeking or demanding any deficiency judgment); (3) affect the validity or enforceability of any guaranty or indemnity made in connection with this Note, the Security Instrument or the other Loan Documents; (4) impair the right of Lender to obtain the appointment of a receiver; (5) impair the enforcement of any assignment; or (6) constitute a waiver of the right of Lender to enforce the liability and obligation of Borrower, by money judgment or otherwise, to the extent of any actual losses suffered by Lender arising out of the following:

(i) fraud or intentional misrepresentation by Borrower in connection with this Note, the Security Instrument or the other Loan Documents;

(iv) Willful Misconduct (as defined below) of Borrower in connection with Borrower's operation of the Property. As used herein, the term "**Willful Misconduct**" shall mean, and refer to, any affirmative act by Borrower (1) during the existence of any event which, with the passage or time, the giving of notice, or both would constitute an Event of Default, or (2) that is the cause of such Event of Default which, in either case, is undertaken by Borrower with the express intention of causing waste or physical damage to the Property and that actually results in physical damage or waste to the Property;

(v) the breach of provisions in this Note, the Security Instrument or the other Loan Documents concerning Environmental Laws and Hazardous Substances and any indemnification of Lender with respect thereto in any document (including, without limitation, the indemnification provided in Section 13.4 of the Security Instrument);

(vi) the removal or disposal of any portion of the Property by Borrower after the occurrence and during the continuance of an Event of Default under this Note, the Security Instrument or the other Loan Documents (unless, with respect to the removal of Personal Property, such Personal Property is simultaneously replaced with Personal Property of equal or greater value and utility);

(vii) the misapplication or conversion by Borrower in violation of the terms of the Security Instrument of (A) any insurance proceeds paid by reason of any loss, damage or destruction to the Property, (B) any awards or other amounts received in connection with the condemnation of all or a portion of the Property, or (C) any Rents after the occurrence and during the continuance of an Event of Default under this Note, the Security Instrument or the other Loan Documents;

(viii) any security deposits collected with respect to the Property which are not delivered to Lender upon a foreclosure of the Property or deed in lieu thereof, except to the extent any such security deposits were applied or returned to the lessee in accordance with the terms and conditions of any of the Leases prior to such foreclosure or deed in lieu thereof;

As used above, the term **"QS Space"** shall mean that portion of the Property currently leased to QS Retail, Inc. d/b/a Quiksilver; and/or

(xii) the failure of the Master Lease Space (as defined in the Security Instrument) to be leased pursuant to a Qualifying MLS Lease (as defined in the Security Instrument), provided, that, upon any portion of the Master Lease Space being leased pursuant to a Qualifying MLS Lease, this subsection shall be null and void and of no further force or effect with respect to the portion of the Master Lease Space so leased.

(b) Notwithstanding anything to the contrary in this Note, the Security Instrument or the other Loan Documents, the agreement of Lender not to pursue recourse liability as set forth in subsection (a) above SHALL BECOME NULL AND VOID and shall be of no further force and effect and the Debt shall be fully recourse to Borrower in the event that: (A) the first full Monthly Payment is not paid when due; (B) a Prohibited Transfer (as defined in the Security Instrument) occurs in violation of Article 8 of the Security Instrument; or (C) if (I) an involuntary petition (other than the collusive involuntary petitions described in the following clause (II)) is filed against Borrower under the U.S. Bankruptcy Code or any other federal or state bankruptcy or insolvency law (collectively, the **"Insolvency Laws**") and is not dismissed within ninety (90) days of the filing thereof, or (II) Borrower files or consents to the filing against Borrower of a petition, voluntary or involuntary, under applicable Insolvency Laws, or any partner, member or equivalent person of Borrower, or any person acting in concert with Borrower or any of the foregoing persons, files or joins in the filing against Borrower of an involuntary petition under applicable Insolvency Laws.

(c) Nothing herein shall be deemed to be a waiver of any right which Lender may have under Section 506(a), 506(b), 1111(b) or any other provisions of the U.S. Bankruptcy Code to file a claim for the full amount of the Debt or to require that all collateral shall continue to secure all of the Debt owing to Lender in accordance with this Note, the Security Instrument or the other Loan Documents.

(ff) "**Transfer**" is defined in Section 21.

2. UNIFORM COMMERCIAL CODE SECURITY AGREEMENT.

(a) This Instrument is also a security agreement under the Uniform Commercial Code for any of the Mortgaged Property which, under applicable law, may be subjected to a security interest under the Uniform Commercial Code, whether such Mortgaged Property is owned now or acquired in the future, and all products and cash and non-cash proceeds thereof (collectively, "**UCC Collateral**"), and Borrower hereby grants to Lender a security interest in the UCC Collateral. Borrower hereby authorizes Lender to prepare and file financing statements,

continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest and Borrower agrees, if Lender so requests, to execute and deliver to Lender such financing statements, continuation statements and amendments. Borrower shall pay all filing costs and all costs and expenses of any record searches for financing statements and/or amendments that Lender may require. Without the prior written consent of Lender, Borrower shall not create or permit to exist any other lien or security interest in any of the UCC Collateral.

(b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower shall not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.

(c) If an Event of Default has occurred and is continuing, Lender shall have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.

(d) This Instrument constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.

(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower. Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents shall not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents shall be included as a part of the Mortgaged Property and it is the intention of the Borrower that in this circumstance this Instrument create and perfect a lien on Rents in favor of Lender, which lien shall be effective as of the date of this Instrument.

(b) After the occurrence of an Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. However, until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in Imposition Deposits), tenant

improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument. From and after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents shall automatically terminate and Lender shall without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower shall pay to Lender upon demand all Rents to which Lender is entitled. At any time on or after the date of Lender's demand for Rents, (i) Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender, (ii) no tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and (iii) no tenant shall be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender shall be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower shall not interfere with and shall cooperate with Lender's collection of such Rents.

(c) Borrower represents and warrants to Lender that Borrower has not executed any prior assignment of Rents (other than an assignment of Rents securing any prior indebtedness that is being assigned to Lender, or paid off and discharged with the proceeds of the loan evidenced by the Note), that Borrower has not performed, and Borrower covenants and agrees that it will not perform, any acts and has not executed, and shall not execute, any instrument which would prevent Lender from exercising its rights under this Section 3, and that at the time of execution of this Instrument there has been no anticipation or prepayment of any Rents for more than two months prior to the due dates of such Rents. Borrower shall not collect or accept payment of any Rents more than two months prior to the due dates of such Rents.

(d) If an Event of Default has occurred and is continuing, Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable. Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law. If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Deposits, it being acknowledged and agreed that the Indebtedness is an obligation of the Borrower and must be paid out of maintenance charges payable by the Borrower's tenant shareholders under their proprietary leases or occupancy agreements. Lender or the receiver, as the case may be, shall be

entitled to receive a reasonable fee for managing the Mortgaged Property. Immediately upon appointment of a receiver or immediately upon the Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower shall surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and shall deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents. In the event Lender takes possession and control of the Mortgaged Property, Lender may exclude Borrower and its representatives from the Mortgaged Property. Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

(e) If Lender enters the Mortgaged Property, Lender shall be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(d), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.

(f) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become an additional part of the Indebtedness as provided in Section 12.

(g) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument shall not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. ASSIGNMENT OF LEASES; LEASES AFFECTING THE MORTGAGED PROPERTY.

(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases shall not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases shall be included as a part of the Mortgaged Property and it is the intention of the Borrower that in this circumstance this Instrument create and perfect a lien on the Leases in favor of Lender, which lien shall be effective as of the date of this Instrument.

(b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower shall have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, the permission given to Borrower

pursuant to the preceding sentence to exercise all rights, power and authority under Leases shall automatically terminate. Borrower shall comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.

(c) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements. The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) shall not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses. Except to the extent of Lender's gross negligence or willful misconduct, Lender shall not be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Mortgaged Property. Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender shall not (i) be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease); (ii) be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property; or (iii) be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Borrower, prior to such actual entry and taking of possession.

(d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately shall have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

(e) Borrower shall, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect. All Leases for residential dwelling units shall be on forms approved by Lender, shall be for initial terms of at least six months and not more than two years, and shall not include options to purchase.

(f) Borrower shall not lease any portion of the Mortgaged Property for non-residential use except with the prior written consent of Lender and Lender's prior written approval of the Lease agreement. Borrower shall not modify the terms of, or extend or terminate, any Lease for non-residential use (including any Lease in existence on the date of this Instrument) without the prior written consent of Lender. However, Lender's consent shall not be required for the modification or extension of a non-residential Lease if such modification or extension is on terms at least as favorable to Borrower as those customary at that time in the applicable market and the income from the extended or modified Lease will not be less than the income received from the Lease as of the date of this Instrument. Borrower shall, without request by Lender, deliver an executed copy of each non-residential Lease to Lender promptly after such Lease is signed. All non-residential Leases, including renewals or extensions of existing Leases, shall specifically provide that (i) such Leases are subordinate to the lien of this Instrument; (ii) the tenant shall attorn to Lender and any purchaser at a foreclosure sale, such attornment to be self-executing and effective upon acquisition of title to the Mortgaged Property by any purchaser at a foreclosure sale or by Lender in any manner; (iii) the tenant agrees to

execute such further evidences of attornment as Lender or any purchaser at a foreclosure sale may from time to time request; (iv) the Lease shall not be terminated by foreclosure or any other transfer of the Mortgaged Property; (v) after a foreclosure sale of the Mortgaged Property, Lender or any other purchaser at such foreclosure sale may, at Lender's or such purchaser's option, accept or terminate such Lease; and (vi) the tenant shall, upon receipt after the occurrence of an Event of Default of a written request from Lender, pay all Rents payable under the Lease to Lender.

(g) Borrower shall not receive or accept Rent under any Lease (whether residential or non-residential) for more than two months in advance.

(h) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this subsection or in Section 21, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender hereby consents to:

(i) the execution of leases of apartments for a term in excess of two years from Borrower to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the lien of this Instrument; and

(ii) the surrender or termination of such leases of apartments where the surrendered or terminated lease is immediately replaced or where the Borrower makes its best efforts to secure such immediate replacement by a newly executed lease of the same apartment to a tenant shareholder of the Borrower. However, no consent is hereby given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. PAYMENT OF INDEBTEDNESS; PERFORMANCE UNDER LOAN DOCUMENTS; PREPAYMENT PREMIUM. Borrower shall pay the Indebtedness when due in accordance with the terms of the Note and the other Loan Documents and shall perform, observe and comply with all other provisions of the Note and the other Loan Documents. Borrower shall pay a prepayment premium in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Note.

6. EXCULPATION. Borrower's personal liability for payment of the Indebtedness and for performance of the other obligations to be performed by it under this Instrument is limited in the manner, and to the extent, provided in the Note.

7. DEPOSITS FOR TAXES, INSURANCE AND OTHER CHARGES.

(a) Unless this requirement is waived in writing by Lender, which waiver may be contained in this Section 7(a), Borrower shall deposit with Lender on the day monthly installments of principal or interest, or both, are due under the Note (or on another day designated in writing by Lender), until the Indebtedness is paid in full, an additional amount sufficient to accumulate with Lender the entire sum required to pay, when due, the items marked "Collect" below. Lender will not require the Borrower to make Imposition Deposits with respect to the items marked "Deferred" below.

[Deferred]	Hazard Insurance premiums or other insurance premiums required by Lender under Section 19,
[Collect]	Taxes,
[Deferred]	water and sewer charges (that could become a lien on the Mortgaged Property),
[N/A]	ground rents,
[Deferred]	assessments or other charges (that could become a lien on the Mortgaged Property)

The amounts deposited under the preceding sentence are collectively referred to in this Instrument as the "**Imposition Deposits**." The obligations of Borrower for which the Imposition Deposits are required are collectively referred to in this Instrument as "**Impositions.**" The amount of the Imposition Deposits shall be sufficient to enable Lender to pay each Imposition before the last date upon which such payment may be made without any penalty or interest charge being added. Lender shall maintain records indicating how much of the monthly Imposition Deposits and how much of the aggregate Imposition Deposits held by Lender are held for the purpose of paying Taxes, insurance premiums and each other Imposition.

(b) Imposition Deposits shall be held in an institution (which may be Lender, if Lender is such an institution) whose deposits or accounts are insured or guaranteed by a federal agency. Lender shall not be obligated to open additional accounts or deposit Imposition Deposits in additional institutions when the amount of the Imposition Deposits exceeds the maximum amount of the federal deposit insurance or guaranty. Lender shall apply the Imposition Deposits to pay Impositions so long as no Event of Default has occurred and is continuing. Unless applicable law requires, Lender shall not be required to pay Borrower any interest, earnings or profits on the Imposition Deposits. As additional security for all of Borrower's obligations under this Instrument and the other Loan Documents, Borrower hereby pledges and grants to Lender a security interest in the Imposition Deposits and all proceeds of, and all interest and dividends on, the Imposition Deposits. Any amounts deposited with Lender under this Section 7 shall not be trust funds, nor shall they operate to reduce the Indebtedness, unless applied by Lender for that purpose under Section 7(e).

(c) If Lender receives a bill or invoice for an Imposition, Lender shall pay the Imposition from the Imposition Deposits held by Lender. Lender shall have no obligation to pay any Imposition to the extent it exceeds Imposition Deposits then held by Lender. Lender may pay an Imposition according to any bill, statement or estimate from the appropriate public office or insurance company without inquiring into the accuracy of the bill, statement or estimate or into the validity of the Imposition.

(d) If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition exceeds the amount reasonably deemed necessary by Lender, the excess shall be credited against future installments of Imposition Deposits. If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition is less than the amount reasonably estimated by Lender to be necessary, Borrower shall pay to Lender the amount of the deficiency within 15 days after Notice from Lender.

(e) If an Event of Default has occurred and is continuing, Lender may apply any Imposition Deposits, in any amounts and in any order as Lender determines, in Lender's discretion, to pay any Impositions or as a credit against the Indebtedness. Upon payment in full of the Indebtedness, Lender shall refund to Borrower any Imposition Deposits held by Lender.

(f) If Lender does not collect an Imposition Deposit with respect to an Imposition either marked "Deferred" in Section 7(a) or pursuant to a separate written waiver by Lender, then on or before the date each such Imposition is due, or on the date this Instrument requires each such Imposition to be paid, Borrower must provide Lender with proof of payment of each such Imposition for which Lender does not require collection of Imposition Deposits. Lender may revoke its deferral or waiver and require Borrower to deposit with Lender any or all of the Imposition Deposits listed in Section 7(a), regardless of whether any such item is marked "Deferred" in such section, upon Notice to Borrower, (i) if Borrower does not timely pay any of the Impositions, (ii) if Borrower fails to provide timely proof to Lender of such payment, or (iii) at any time during the existence of an Event of Default.

(g) In the event of a Transfer prohibited by or requiring Lender's approval under Section 21, Lender's waiver of the collection of any Imposition Deposit in this Section 7 may be modified or rendered void by Lender at Lender's option by Notice to Borrower and the transferee(s) as a condition of Lender's approval of such Transfer.

8. COLLATERAL AGREEMENTS. Borrower shall deposit with Lender such amounts as may be required by any Collateral Agreement and shall perform all other obligations of Borrower under each Collateral Agreement.

9. APPLICATION OF PAYMENTS. If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument and the Note shall remain unchanged.

10. COMPLIANCE WITH LAWS AND ORGANIZATIONAL DOCUMENTS.

(a) Borrower shall comply with all laws, ordinances, regulations and requirements of any Governmental Authority and all recorded lawful covenants and agreements relating to or affecting the Mortgaged Property, including all laws, ordinances, regulations, requirements and covenants pertaining to health and safety, construction of improvements on the Mortgaged Property, fair housing, disability accommodation, zoning and land use, and Leases. Borrower also shall comply with all applicable laws that pertain to the maintenance and disposition of tenant security deposits.

(b) Borrower shall at all times maintain records sufficient to demonstrate compliance with the provisions of this Section 10.

(c) Borrower shall take appropriate measures to prevent, and shall not engage in or knowingly permit, any illegal activities at the Mortgaged Property that could endanger tenants or visitors, result in damage to the Mortgaged Property, result in forfeiture of the Mortgaged Property, or otherwise materially impair the lien created by this Instrument or Lender's interest in the Mortgaged Property. Borrower represents and warrants to Lender that no portion of the Mortgaged Property has been or will be purchased with the proceeds of any illegal activity.

(d) Borrower shall at all times comply with all laws, regulations and requirements of any Governmental Authority relating to Borrower's formation, continued existence and good standing in the Property Jurisdiction. Borrower shall at all times comply with its organizational documents, including but not limited to its partnership agreement (if Borrower is a partnership), its by-laws (if Borrower is a corporation or housing cooperative corporation or association) or its operating agreement (if Borrower is an limited liability company, joint venture or tenancy-in-common). If Borrower is a housing cooperative corporation or association, Borrower shall at all times maintain its status as a "cooperative housing corporation" as such term is defined in Section 216(b) of the Internal revenue Code of 1986, as amended, or any successor statute thereto.

11. USE OF PROPERTY. Unless required by applicable law, Borrower shall not (a) allow changes in the use for which all or any part of the Mortgaged Property is being used at the time this Instrument was executed, except for any change in use approved by Lender, (b) convert any individual dwelling units or common areas to commercial use, (c) initiate a change in the zoning classification of the Mortgaged Property or acquiesce without Notice to and consent of Lender in a change in the zoning classification of the Mortgaged Property, (d) establish any condominium or cooperative regime with respect to the Mortgaged Property, (e) combine all or any part of the Mortgaged Property with all or any part of a tax parcel which is not part of the Mortgaged Property, or (f) subdivide or otherwise split any tax parcel constituting all or any part of the Mortgaged Property without the prior consent of Lender. Notwithstanding anything contained in this Section to the contrary, if Borrower is a housing cooperative corporation or association, Lender acknowledges and consents to Borrower's use of the Mortgaged Property as a housing cooperative.

12. PROTECTION OF LENDER'S SECURITY; INSTRUMENT SECURES FUTURE ADVANCES.

(a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including (i) payment of Attorneys' Fees and Costs, (ii) payment of fees and out-of-pocket expenses of accountants, inspectors and consultants, (iii) entry upon the Mortgaged Property to make repairs or secure the Mortgaged Property, (iv) procurement of the insurance required by Section 19, (v) payment of amounts which Borrower has failed to pay under Sections 15 and 17, and (vi) advances made by Lender to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a pre-existing mortgage, deed of trust or other lien encumbering the Mortgaged Property (a "**Prior Lien**").

(b) Any amounts disbursed by Lender under this Section 12, or under any other provision of this Instrument that treats such disbursement as being made under this Section 12, shall be secured by this Instrument, shall be added to, and become part of, the principal component of the Indebtedness, shall be immediately due and payable and shall bear interest from the date of disbursement until paid at the "**Default Rate**," as defined in the Note.

(c) Nothing in this Section 12 shall require Lender to incur any expense or take any action.

13. INSPECTION.

(a) Lender, its agents, representatives, and designees may make or cause to be made entries upon and inspections of the Mortgaged Property (including environmental inspections and tests) during normal business hours, or at any other reasonable time, upon reasonable notice to Borrower if the inspection is to include occupied residential units (which notice need not be in writing). Notice to Borrower shall not be required in the case of an emergency, as determined in Lender's discretion, or when an Event of Default has occurred and is continuing.

(b) If Lender determines that Mold has developed as a result of a water intrusion event or leak, Lender, at Lender's discretion, may require that a professional inspector inspect the Mortgaged Property as frequently as Lender determines is necessary until any issue with Mold and its cause(s) are resolved to Lender's satisfaction. Such inspection shall be limited to a visual and olfactory inspection of the area that has experienced the Mold, water intrusion event or leak. Borrower shall be responsible for the cost of such professional inspection and any remediation deemed to be necessary as a result of the professional inspection. After any issue with Mold, water intrusion or leaks is remedied to Lender's satisfaction, Lender shall not require a professional inspection any more frequently than once every three years unless Lender is otherwise aware of Mold as a result of a subsequent water intrusion event or leak.

(c) If Lender or Loan Servicer determines not to conduct an annual inspection of the Mortgaged Property, and in lieu thereof Lender requests a certification, Borrower shall be prepared to provide and must actually provide to Lender a factually correct certification each year that the annual inspection is waived to the following effect:

> Borrower has not received any written complaint, notice, letter or other written communication from tenants, management agent or governmental authorities regarding mold, fungus, microbial contamination or pathogenic organisms ("**Mold**") or any activity, condition, event or omission that causes or facilitates the growth of Mold on or in any part of the Mortgaged Property or if Borrower has received any such written complaint, notice, letter or other written communication that Borrower has investigated and determined that no Mold activity, condition or event exists or alternatively has fully and properly remediated such activity, condition, event or omission in compliance with the Moisture Management Plan for the Mortgaged Property.

If Borrower is unwilling or unable to provide such certification, Lender may require a professional inspection of the Mortgaged Property at Borrower's expense.

14. BOOKS AND RECORDS; FINANCIAL REPORTING.

(a) Borrower shall keep and maintain at all times at the Mortgaged Property or the management agent's office, and upon Lender's request shall make available at the Mortgaged Property (or, at Borrower's option, at the management agent's office), complete and accurate books of account and records (including copies of supporting bills and invoices) adequate to reflect correctly the operation of the Mortgaged Property, and copies of all written contracts, Leases, and other instruments which affect the Mortgaged Property. The books, records, contracts, Leases and other instruments shall be subject to examination and inspection by Lender at any reasonable time.

(b) Within 120 days after the end of each fiscal year of Borrower, Borrower shall furnish to Lender a statement of income and expenses for Borrower's operation of the Mortgaged Property for that fiscal year, a statement of changes in financial position of Borrower relating to the Mortgaged Property for that fiscal year and, when requested by Lender, a balance sheet showing all assets and liabilities of Borrower relating to the Mortgaged Property as of the end of that fiscal year. If Borrower's fiscal year is other than the calendar year, Borrower must also submit to Lender a year-end statement of income and expenses within 120 days after the end of the calendar year.

(c) Within 120 days after the end of each calendar year, and at any other time, upon Lender's request, Borrower shall furnish to Lender each of the following. However, Lender shall not require any of the following more frequently than quarterly except when there has been an Event of Default and such Event of Default is continuing, in which case Lender may, upon written request to Borrower, require Borrower to furnish any of the following more frequently:

(i) a rent schedule for the Mortgaged Property showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable for the current month, the date through which rent has been paid, and any related information requested by Lender;

(ii) an accounting of all security deposits held pursuant to all Leases, including the name of the institution (if any) and the names and identification numbers of the accounts (if any) in which such security deposits are held and the name of the person to contact at such financial institution, along with any authority or release necessary for Lender to access information regarding such accounts; and

(iii) a statement that identifies all owners of any interest in Borrower and any Controlling Entity and the interest held by each (unless Borrower or any Controlling Entity is a publicly-traded entity in which case such statement of ownership shall not be required), if Borrower or a Controlling Entity is a corporation, all officers and directors of Borrower and the Controlling Entity, and if Borrower or a Controlling Entity is a limited liability company, all managers who are not members.

(d) At any time upon Lender's request, Borrower shall furnish to Lender each of the following. However, Lender shall not require any of the following more frequently than quarterly except when there has been an Event of Default and such Event of Default is continuing, in which case Lender may require Borrower to furnish any of the following more frequently:

(i) a balance sheet, a statement of income and expenses for Borrower and a statement of changes in financial position of Borrower for Borrower's most recent fiscal year;

(ii) a quarterly or year-to-date income and expense statement for the Mortgaged Property; and

(iii) a monthly property management report for the Mortgaged Property, showing the number of inquiries made and rental applications received from tenants or prospective tenants and deposits received from tenants and any other information requested by Lender.

(e) Upon Lender's request at any time when an Event of Default has occurred and is continuing, Borrower shall furnish to Lender monthly income and expense statements and rent schedules for the Mortgaged Property.

(f) An individual having authority to bind Borrower shall certify each of the statements, schedules and reports required by Sections 14(b) through 14(e) to be complete and accurate. Each of the statements, schedules and reports required by Sections 14(b) through 14(e) shall be in such form and contain such detail as Lender may reasonably require. Lender also may require that any of the statements, schedules or reports listed in Section 14(b) and 14(c)(i) and (ii) be audited at Borrower's expense by independent certified public accountants acceptable to Lender, at any time when an Event of Default has occurred and is continuing or at any time that Lender, in its reasonable judgment, determines that audited financial statements are required for an accurate assessment of the financial condition of Borrower or of the Mortgaged Property.

(g) If Borrower fails to provide in a timely manner the statements, schedules and reports required by Sections 14(b) through (e), Lender shall give Borrower Notice specifying the statements, schedules and reports required by Section 14(b) through (e) that Borrower has failed to provide. If Borrower has not provided the required statements, schedules and reports within 10 Business Days following such Notice, then Lender shall have the right to have Borrower's books and records audited, at Borrower's expense, by independent certified public accountants selected by Lender in order to obtain such statements, schedules and reports, and all related costs and expenses of Lender shall become immediately due and payable and shall become an additional part of the Indebtedness as provided in Section 12. Notice to Borrower shall not be required in the case of an emergency, as determined in Lender's discretion, or when an Event of Default has occurred and is continuing.

(h) If an Event of Default has occurred and is continuing, Borrower shall deliver to Lender upon written demand all books and records relating to the Mortgaged Property or its operation.

(i) Borrower authorizes Lender to obtain a credit report on Borrower at any time.

15. TAXES; OPERATING EXPENSES.

(a) Subject to the provisions of Section 15(c) and Section 15(d), Borrower shall pay, or cause to be paid, all Taxes when due and before the addition of any interest, fine, penalty or cost for nonpayment.

(b) Subject to the provisions of Section 15(c), Borrower shall (i) pay the expenses of operating, managing, maintaining and repairing the Mortgaged Property (including utilities, repairs and replacements) before the last date upon which each such payment may be made without any penalty or interest charge being added, and (ii) pay insurance premiums at least 30 days prior to the expiration date of each policy of insurance, unless applicable law specifies some lesser period.

(c) If Lender is collecting Imposition Deposits, to the extent that Lender holds sufficient Imposition Deposits for the purpose of paying a specific Imposition, then Borrower shall not be obligated to pay such Imposition, so long as no Event of Default exists and Borrower has timely delivered to Lender any bills or premium notices that it has received. If an Event of Default exists, Lender may exercise any rights Lender may have with respect to Imposition Deposits without regard to whether Impositions are then due and payable. Lender shall have no

liability to Borrower for failing to pay any Impositions to the extent that (i) any Event of Default has occurred and is continuing, (ii) insufficient Imposition Deposits are held by Lender at the time an Imposition becomes due and payable or (iii) Borrower has failed to provide Lender with bills and premium notices as provided above.

(d) Borrower, at its own expense, may contest by appropriate legal proceedings, conducted diligently and in good faith, the amount or validity of any Imposition other than insurance premiums, if (i) Borrower notifies Lender of the commencement or expected commencement of such proceedings, (ii) the Mortgaged Property is not in danger of being sold or forfeited, (iii) if Borrower has not already paid the Imposition, Borrower deposits with Lender reserves sufficient to pay the contested Imposition, if requested by Lender, and (iv) Borrower furnishes whatever additional security is required in the proceedings or is reasonably requested by Lender.

(e) Borrower shall promptly deliver to Lender a copy of all notices of, and invoices for, Impositions, and if Borrower pays any Imposition directly, Borrower shall furnish to Lender on or before the date this Instrument requires such Impositions to be paid, receipts evidencing that such payments were made.

16. LIENS; ENCUMBRANCES. Borrower acknowledges that, to the extent provided in Section 21, the grant, creation or existence of any mortgage, deed of trust, deed to secure debt, security interest or other lien or encumbrance (a "**Lien**") on the Mortgaged Property (other than the lien of this Instrument) or on certain ownership interests in Borrower, whether voluntary, involuntary or by operation of law, and whether or not such Lien has priority over the lien of this Instrument, is a "**Transfer**" which constitutes an Event of Default and subjects Borrower to personal liability under the Note.

17. PRESERVATION, MANAGEMENT AND MAINTENANCE OF MORTGAGED PROPERTY.

(a) Borrower shall not commit waste or permit impairment or deterioration of the Mortgaged Property.

(b) Borrower shall not abandon the Mortgaged Property.

(c) Borrower shall restore or repair promptly, in a good and workmanlike manner, any damaged part of the Mortgaged Property to the equivalent of its original condition, or such other condition as Lender may approve in writing, whether or not insurance proceeds or condemnation awards are available to cover any costs of such restoration or repair; however, Borrower shall not be obligated to perform such restoration or repair if (i) no Event of Default has occurred and is continuing, and (ii) Lender has elected to apply any available insurance proceeds and/or condemnation awards to the payment of Indebtedness pursuant to Section 19(h)(ii), (iii), (iv) or (v), or pursuant to Section 20.

(d) Borrower shall keep the Mortgaged Property in good repair, including the replacement of Personalty and Fixtures with items of equal or better function and quality.

(e) Borrower shall provide for professional management of the Mortgaged Property by a residential rental property manager satisfactory to Lender at all times under a contract approved by Lender in writing, which contract must be terminable upon not more than 30 days notice without the necessity of establishing cause and without payment of a penalty or termination fee by Borrower or its successors.

(f) Borrower shall give Notice to Lender of and, unless otherwise directed in writing by Lender, shall appear in and defend any action or proceeding purporting to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument. Borrower shall not (and shall not permit any tenant or other person to) remove, demolish or alter the Mortgaged Property or any part of the Mortgaged Property, including any removal, demolition or alteration occurring in connection with a rehabilitation of all or part of the Mortgaged Property, except (i) in connection with the replacement of tangible Personalty, (ii) if Borrower is a cooperative housing corporation or association, to the extent permitted with respect to individual dwelling units under the form of proprietary lease or occupancy agreement and (iii) repairs and replacements in connection with making an individual unit ready for a new occupant.

(g) Unless otherwise waived by Lender in writing, Borrower must have or must establish and must adhere to the MMP. If the Borrower is required to have an MMP, the Borrower must keep all MMP documentation at the Mortgaged Property or at the management agent's office and available for the Lender or the Loan Servicer to review during any annual assessment or other inspection of the Mortgaged Property that is required by Lender.

(h) If Borrower is a housing cooperative corporation or association, until the Indebtedness is paid in full Borrower shall not reduce the maintenance fees, charges or assessments payable by shareholders or residents under proprietary leases or occupancy agreements below a level which is sufficient to pay all expenses of the Borrower, including, without limitation, all operating and other expenses for the Mortgaged Property and all payments due pursuant to the terms of the Note and any Loan Documents.

18. ENVIRONMENTAL HAZARDS.

(a) Except for matters described in Section 18(b), Borrower shall not cause or permit any of the following:

(i) the presence, use, generation, release, treatment, processing, storage (including storage in above ground and underground storage tanks), handling, or disposal of any Hazardous Materials on or under the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property;

(ii) the transportation of any Hazardous Materials to, from, or across the Mortgaged Property;

(iii) any occurrence or condition on the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property, which occurrence or condition is or may be in violation of Hazardous Materials Laws;

(iv) any violation of or noncompliance with the terms of any Environmental Permit with respect to the Mortgaged Property or any property of Borrower that is adjacent to the Mortgaged Property; or

(v) any violation or noncompliance with the terms of any O&M Program as defined in subsection (d).

The matters described in clauses (i) through (v) above, except as otherwise provided in Section 18(b), are referred to collectively in this Section 18 as "**Prohibited Activities or Conditions**."

(b) Prohibited Activities or Conditions shall not include lawful conditions permitted by an O&M Program or the safe and lawful use and storage of quantities of (i) pre-packaged supplies, cleaning materials and petroleum products customarily used in the operation and maintenance of comparable multifamily properties, (ii) cleaning materials, personal grooming items and other items sold in pre-packaged containers for consumer use and used by tenants and occupants of residential dwelling units in the Mortgaged Property; and (iii) petroleum products used in the operation and maintenance of motor vehicles from time to time located on the Mortgaged Property's parking areas, so long as all of the foregoing are used, stored, handled, transported and disposed of in compliance with Hazardous Materials Laws.

(c) Borrower shall take all commercially reasonable actions (including the inclusion of appropriate provisions in any Leases executed after the date of this Instrument) to prevent its employees, agents, and contractors, and all tenants and other occupants from causing or permitting any Prohibited Activities or Conditions. Borrower shall not lease or allow the sublease or use of all or any portion of the Mortgaged Property to any tenant or subtenant for nonresidential use by any user that, in the ordinary course of its business, would cause or permit any Prohibited Activity or Condition.

(d) As required by Lender, Borrower shall also have established a written operations and maintenance program with respect to certain Hazardous Materials. Each such operations and maintenance program and any additional or revised operations and maintenance programs established for the Mortgaged Property pursuant to this Section 18 must be approved by Lender and shall be referred to herein as an "**O&M Program**." Borrower shall comply in a timely manner with, and cause all employees, agents, and contractors of Borrower and any other persons present on the Mortgaged Property to comply with each O&M Program. Borrower shall pay all costs of performance of Borrower's obligations under any O&M Program, and Lender's out-of-pocket costs incurred in connection with the monitoring and review of each O&M Program and Borrower's performance shall be paid by Borrower upon demand by Lender. Any such out-of-pocket costs of Lender that Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in Section 12.

(e) Borrower represents and warrants to Lender that, except as previously disclosed by Borrower to Lender in writing (which written disclosure may be in certain environmental assessments and other written reports accepted by Lender in connection with the funding of the Indebtedness and dated prior to the date of this Instrument):

(i) Borrower has not at any time engaged in, caused or permitted any Prohibited Activities or Conditions on the Mortgaged Property;

(ii) to the best of Borrower's knowledge after reasonable and diligent inquiry, no Prohibited Activities or Conditions exist or have existed on the Mortgaged Property;

(iii) the Mortgaged Property does not now contain any underground storage tanks, and, to the best of Borrower's knowledge after reasonable and diligent inquiry, the Mortgaged Property has not contained any underground storage tanks in the past. If there is an underground storage tank located on the Mortgaged Property that has been previously disclosed by Borrower to Lender in writing, that tank complies with all requirements of Hazardous Materials Laws;

(iv) to the best of Borrower's knowledge after reasonable and diligent inquiry, Borrower has complied with all Hazardous Materials Laws, including all requirements for notification regarding releases of Hazardous Materials. Without limiting the generality of the foregoing, Borrower has obtained all Environmental Permits required for the operation of the Mortgaged Property in accordance with Hazardous Materials Laws now in effect and all such Environmental Permits are in full force and effect;

(v) to the best of Borrower's knowledge after reasonable and diligent inquiry, no event has occurred with respect to the Mortgaged Property that constitutes, or with the passing of time or the giving of notice would constitute, noncompliance with the terms of any Environmental Permit;

(vi) there are no actions, suits, claims or proceedings pending or, to the best of Borrower's knowledge after reasonable and diligent inquiry, threatened that involve the Mortgaged Property and allege, arise out of, or relate to any Prohibited Activity or Condition; and

(vii) Borrower has not received any written complaint, order, notice of violation or other communication from any Governmental Authority with regard to air emissions, water discharges, noise emissions or Hazardous Materials, or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property.

(f) Borrower shall promptly notify Lender in writing upon the occurrence of any of the following events:

(i) Borrower's discovery of any Prohibited Activity or Condition;

(ii) Borrower's receipt of or knowledge of any written complaint, order, notice of violation or other communication from any tenant, management agent, Governmental Authority or other person with regard to present or future alleged Prohibited Activities or Conditions, or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property; or

(iii) Borrower's breach of any of its obligations under this Section 18.

Any such notice given by Borrower shall not relieve Borrower of, or result in a waiver of, any obligation under this Instrument, the Note, or any other Loan Document.

(g) Borrower shall pay promptly the costs of any environmental inspections, tests or audits, a purpose of which is to identify the extent or cause of or potential for a Prohibited Activity or Condition ("**Environmental Inspections**"), required by Lender in connection with any foreclosure or deed in lieu of foreclosure, or as a condition of Lender's consent to any Transfer under Section 21, or required by Lender following a reasonable determination by Lender that Prohibited Activities or Conditions may exist. Any such costs incurred by Lender (including Attorneys' Fees and Costs and the costs of technical consultants whether incurred in

connection with any judicial or administrative process or otherwise) that Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in Section 12. As long as (i) no Event of Default has occurred and is continuing, (ii) Borrower has actually paid for or reimbursed Lender for all costs of any such Environmental Inspections performed or required by Lender, and (iii) Lender is not prohibited by law, contract or otherwise from doing so, Lender shall make available to Borrower, without representation of any kind, copies of Environmental Inspections prepared by third parties and delivered to Lender. Lender hereby reserves the right, and Borrower hereby expressly authorizes Lender, to make available to any party, including any prospective bidder at a foreclosure sale of the Mortgaged Property, the results of any Environmental Inspections made by or for Lender with respect to the Mortgaged Property. Borrower consents to Lender notifying any party (either as part of a notice of sale or otherwise) of the results of any Environmental Inspections made by or for Lender. Borrower acknowledges that Lender cannot control or otherwise assure the truthfulness or accuracy of the results of any Environmental Inspections and that the release of such results to prospective bidders at a foreclosure sale of the Mortgaged Property may have a material and adverse effect upon the amount that a party may bid at such sale. Borrower agrees that Lender shall have no liability whatsoever as a result of delivering the results to any third party of any Environmental Inspections made by or for Lender, and Borrower hereby releases and forever discharges Lender from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the results of, the delivery of any of Environmental Inspections made by or for Lender.

(h) If any investigation, site monitoring, containment, clean-up, restoration or other remedial work ("**Remedial Work**") is necessary to comply with any Hazardous Materials Law or order of any Governmental Authority that has or acquires jurisdiction over the Mortgaged Property or the use, operation or improvement of the Mortgaged Property, or is otherwise required by Lender as a consequence of any Prohibited Activity or Condition or to prevent the occurrence of a Prohibited Activity or Condition, Borrower shall, by the earlier of (i) the applicable deadline required by Hazardous Materials Law or (ii) 30 days after Notice from Lender demanding such action, begin performing the Remedial Work, and thereafter diligently prosecute it to completion, and shall in any event complete the work by the time required by applicable Hazardous Materials Law. If Borrower fails to begin on a timely basis or diligently prosecute any required Remedial Work, Lender may, at its option, cause the Remedial Work to be completed, in which case Borrower shall reimburse Lender on demand for the cost of doing so. Any reimbursement due from Borrower to Lender shall become part of the Indebtedness as provided in Section 12.

(i) Borrower shall comply with all Hazardous Materials Laws applicable to the Mortgaged Property. Without limiting the generality of the previous sentence, Borrower shall (i) obtain and maintain all Environmental Permits required by Hazardous Materials Laws and comply with all conditions of such Environmental Permits; (ii) cooperate with any inquiry by any Governmental Authority; and (iii) comply with any governmental or judicial order that arises from any alleged Prohibited Activity or Condition.

(j) Borrower shall indemnify, hold harmless and defend (i) Lender, (ii) any prior owner or holder of the Note, (iii) the Loan Servicer, (iv) any prior Loan Servicer, (v) the officers, directors, shareholders, partners, employees and trustees of any of the foregoing, and (vi) the heirs, legal representatives, successors and assigns of each of the foregoing (collectively, the "**Indemnitees**") from and against all proceedings, claims, damages, penalties and costs (whether initiated or sought by Governmental Authorities or private parties), including Attorneys' Fees and Costs and remediation costs, whether incurred in connection with any judicial or administrative process or otherwise, arising directly or indirectly from any of the following:

(i) any breach of any representation or warranty of Borrower in this Section 18;

(ii) any failure by Borrower to perform any of its obligations under this Section 18;

(iii) the existence or alleged existence of any Prohibited Activity or Condition;

(iv) the presence or alleged presence of Hazardous Materials on or under the Mortgaged Property or in any of the Improvements or on or under any property of Borrower that is adjacent to the Mortgaged Property; and

(v) the actual or alleged violation of any Hazardous Materials Law.

(k) Counsel selected by Borrower to defend Indemnitees shall be subject to the approval of those Indemnitees. In any circumstances in which the indemnity under this Section 18 applies, Lender may employ its own legal counsel and consultants to prosecute, defend or negotiate any claim or legal or administrative proceeding and Lender, with the prior written consent of Borrower (which shall not be unreasonably withheld, delayed or conditioned) may settle or compromise any action or legal or administrative proceeding. However, unless an Event of Default has occurred and is continuing, or the interests of Borrower and Lender are in conflict, as determined by Lender in its discretion, Lender shall permit Borrower to undertake the actions referenced in this Section 18 in accordance with this Section 18(k) and Section 18(l) so long as Lender approves such action, which approval shall not be unreasonably withheld or delayed. Borrower shall reimburse Lender upon demand for all costs and expenses incurred by Lender, including all costs of settlements entered into in good faith, consultants' fees and Attorneys' Fees and Costs.

(l) Borrower shall not, without the prior written consent of those Indemnitees who are named as parties to a claim or legal or administrative proceeding (a "**Claim**"), settle or compromise the Claim if the settlement (i) results in the entry of any judgment that does not include as an unconditional term the delivery by the claimant or plaintiff to Lender of a written release of those Indemnitees, satisfactory in form and substance to Lender; or (ii) may materially and adversely affect Lender, as determined by Lender in its discretion.

(m) Borrower's obligation to indemnify the Indemnitees shall not be limited or impaired by any of the following, or by any failure of Borrower or any guarantor to receive notice of or consideration for any of the following:

(i) any amendment or modification of any Loan Document;

(ii) any extensions of time for performance required by any Loan Document;

(iii) any provision in any of the Loan Documents limiting Lender's recourse to property securing the Indebtedness, or limiting the personal liability of Borrower or any other party for payment of all or any part of the Indebtedness;

(iv) the accuracy or inaccuracy of any representations and warranties made by Borrower under this Instrument or any other Loan Document;

(v) the release of Borrower or any other person, by Lender or by operation of law, from performance of any obligation under any Loan Document;

(vi) the release or substitution in whole or in part of any security for the Indebtedness; and

(vii) Lender's failure to properly perfect any lien or security interest given as security for the Indebtedness.

(n) Borrower shall, at its own cost and expense, do all of the following:

(i) pay or satisfy any judgment or decree that may be entered against any Indemnitee or Indemnitees in any legal or administrative proceeding incident to any matters against which Indemnitees are entitled to be indemnified under this Section 18;

(ii) reimburse Indemnitees for any expenses paid or incurred in connection with any matters against which Indemnitees are entitled to be indemnified under this Section 18; and

(iii) reimburse Indemnitees for any and all expenses, including Attorneys' Fees and Costs, paid or incurred in connection with the enforcement by Indemnitees of their rights under this Section 18, or in monitoring and participating in any legal or administrative proceeding.

(o) The provisions of this Section 18 shall be in addition to any and all other obligations and liabilities that Borrower may have under applicable law or under other Loan Documents, and each Indemnitee shall be entitled to indemnification under this Section 18 without regard to whether Lender or that Indemnitee has exercised any rights against the Mortgaged Property or any other security, pursued any rights against any guarantor, or pursued any other rights available under the Loan Documents or applicable law. If Borrower consists of more than one person or entity, the obligation of those persons or entities to indemnify the Indemnitees under this Section 18 shall be joint and several. The obligation of Borrower to indemnify the Indemnitees under this Section 18 shall survive any repayment or discharge of the Indebtedness, any foreclosure proceeding, any foreclosure sale, any delivery of any deed in lieu of foreclosure, and any release of record of the lien of this Instrument. Notwithstanding the foregoing, if Lender has never been a mortgagee-in-possession of, or held title to, the Mortgaged Property, Borrower shall have no obligation to indemnify the Indemnitees under this Section 18 after the date of the release of record of the lien of this Instrument by payment in full at the Maturity Date or by voluntary prepayment in full.

19. PROPERTY AND LIABILITY INSURANCE.

(a) Borrower shall keep the Improvements insured at all times against such hazards as Lender may from time to time require, which insurance shall include but not be limited to coverage against loss by fire, windstorm and allied perils, general boiler and machinery coverage, and business interruption including loss of rental value insurance for the Mortgaged Property with extra expense insurance. If Lender so requires, such insurance shall also include sinkhole insurance, mine subsidence insurance, earthquake insurance, and, if the Mortgaged Property does not conform to applicable zoning or land use laws, building ordinance or law coverage. In the event any updated reports or other documentation are reasonably required by Lender in order to determine whether such additional insurance is necessary or prudent,

Borrower shall pay for all such documentation at its sole cost and expense. Borrower acknowledges and agrees that Lender's insurance requirements may change from time to time throughout the term of the Indebtedness. If any of the Improvements is located in an area identified by the Federal Emergency Management Agency (or any successor to that agency) as an area having special flood hazards, Borrower shall insure such Improvements against loss by flood. All insurance required pursuant to this Section 19(a) shall be referred to as "**Hazard Insurance**." All policies of Hazard Insurance must include a non-contributing, non-reporting mortgagee clause in favor of, and in a form approved by, Lender.

(b) All premiums on insurance policies required under this Section 19 shall be paid in the manner provided in Section 7, unless Lender has designated in writing another method of payment. All such policies shall also be in a form approved by Lender. Borrower shall deliver to Lender a legible copy of each insurance policy (or duplicate original) and Borrower shall promptly deliver to Lender a copy of all renewal and other notices received by Borrower with respect to the policies and all receipts for paid premiums. At least 5 days prior to the expiration date of any insurance policy, Borrower shall deliver to Lender evidence acceptable to Lender that the policy has been renewed. If Borrower has not delivered a legible copy of each renewal policy (or a duplicate original) prior to the expiration date of any insurance policy, Borrower shall deliver a legible copy of each renewal policy (or a duplicate original) in a form satisfactory to Lender within 120 days after the expiration date of the original policy.

(c) Borrower shall maintain at all times commercial general liability insurance, workers' compensation insurance and such other liability, errors and omissions and fidelity insurance coverages as Lender may from time to time require. All policies for general liability insurance must contain a standard additional insured provision, in favor of, and in a form approved by, Lender.

(d) All insurance policies and renewals of insurance policies required by this Section 19 shall be in such amounts and for such periods as Lender may from time to time require, and shall be issued by insurance companies satisfactory to Lender.

(e) Borrower shall comply with all insurance requirements and shall not permit any condition to exist on the Mortgaged Property that would invalidate any part of any insurance coverage that this Instrument requires Borrower to maintain.

(f) In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and appoints Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claims under policies of Hazard Insurance, to appear in and prosecute any action arising from such Hazard Insurance policies, to collect and receive the proceeds of Hazard Insurance, and to deduct from such proceeds Lender's expenses incurred in the collection of such proceeds. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this Section 19 shall require Lender to incur any expense or take any action. Lender may, at Lender's option, (i) require a "repair or replacement" settlement, in which case the proceeds will be used to reimburse Borrower for the cost of restoring and repairing the Mortgaged Property to the equivalent of its original condition or to a condition approved by Lender (the "**Restoration**"), or (ii) require an "actual cash value" settlement in which case the proceeds may be applied to the payment of the Indebtedness, whether or not then due. To the extent Lender determines to require a repair or replacement settlement and apply insurance proceeds to Restoration, Lender shall apply the proceeds in accordance with Lender's then-current policies relating to the restoration of casualty damage on similar multifamily properties.

(g) Notwithstanding any provision to the contrary in this Section 19, as long as no Event of Default, or any event which, with the giving of Notice or the passage of time, or both, would constitute an Event of Default, has occurred and is continuing,

(i) in the event of a casualty resulting in damage to the Mortgaged Property which will cost $10,000 or less to repair, the Borrower shall have the sole right to make proof of loss, adjust and compromise the claim and collect and receive any proceeds directly without the approval or prior consent of the Lender so long as the insurance proceeds are used solely for the Restoration of the Mortgaged Property; and

(ii) in the event of a casualty resulting in damage to the Mortgaged Property which will cost more than $10,000 but less than $50,000 to repair, the Borrower is authorized to make proof of loss and adjust and compromise the claim without the prior consent of Lender, and Lender shall hold the applicable insurance proceeds to be used to reimburse Borrower for the cost of Restoration of the Mortgaged Property and shall not apply such proceeds to the payment of sums due under this Instrument.

(h) Lender will have the right to exercise its option to apply insurance proceeds to the payment of the Indebtedness only if Lender determines that at least one of the following conditions is met:

(i) an Event of Default (or any event, which, with the giving of Notice or the passage of time, or both, would constitute an Event of Default) has occurred and is continuing;

(ii) Lender determines, in its discretion, that there will not be sufficient funds from insurance proceeds, anticipated contributions of Borrower of its own funds or other sources acceptable to Lender to complete the Restoration;

(iii) Lender determines, in its discretion, that the rental income from the Mortgaged Property after completion of the Restoration will not be sufficient to meet all operating costs and other expenses, Imposition Deposits, deposits to reserves and loan repayment obligations relating to the Mortgaged Property;

(iv) Lender determines, in its discretion, that the Restoration will not be completed at least one year before the Maturity Date (or six months before the Maturity Date if Lender determines in its discretion that re-leasing of the Mortgaged Property will be completed within such six-month period); or

(v) Lender determines that the Restoration will not be completed within one year after the date of the loss or casualty.

(i) If the Mortgaged Property is sold at a foreclosure sale or Lender acquires title to the Mortgaged Property, Lender shall automatically succeed to all rights of Borrower in and to any insurance policies and unearned insurance premiums and in and to the proceeds resulting from any damage to the Mortgaged Property prior to such sale or acquisition.

(j) Unless Lender otherwise agrees in writing, any application of any insurance proceeds to the Indebtedness shall not extend or postpone the due date of any monthly installments referred to in the Note, Section 7 of this Instrument or any Collateral Agreement, or change the amount of such installments.

(k) Borrower agrees to execute such further evidence of assignment of any insurance proceeds as Lender may require.

20. CONDEMNATION.

(a) Borrower shall promptly notify Lender in writing of any action or proceeding or notice relating to any proposed or actual condemnation or other taking, or conveyance in lieu thereof, of all or any part of the Mortgaged Property, whether direct or indirect (a "**Condemnation**"). Borrower shall appear in and prosecute or defend any action or proceeding relating to any Condemnation unless otherwise directed by Lender in writing. Borrower authorizes and appoints Lender as attorney-in-fact for Borrower to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any Condemnation and to settle or compromise any claim in connection with any Condemnation, after consultation with Borrower and consistent with commercially reasonable standards of a prudent lender. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this Section 20 shall require Lender to incur any expense or take any action. Borrower hereby transfers and assigns to Lender all right, title and interest of Borrower in and to any award or payment with respect to (i) any Condemnation, or any conveyance in lieu of Condemnation, and (ii) any damage to the Mortgaged Property caused by governmental action that does not result in a Condemnation.

(b) Lender may apply such awards or proceeds, after the deduction of Lender's expenses incurred in the collection of such amounts (including Attorneys' Fees and Costs) at Lender's option, to the restoration or repair of the Mortgaged Property or to the payment of the Indebtedness, with the balance, if any, to Borrower. Unless Lender otherwise agrees in writing, any application of any awards or proceeds to the Indebtedness shall not extend or postpone the due date of any monthly installments referred to in the Note, Section 7 of this Instrument or any Collateral Agreement, or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards or proceeds as Lender may require.

21. TRANSFERS OF THE MORTGAGED PROPERTY OR INTERESTS IN BORROWER. [RIGHT TO UNLIMITED TRANSFERS — WITH LENDER APPROVAL].

(a) "**Transfer**" means

(i) a Transfer to which Lender has consented;

(ii) a Transfer that occurs in accordance with Section 21(d);

(iii) the grant of a leasehold interest in an individual dwelling unit for a term of two years or less not containing an option to purchase;

(vi) if Borrower is a housing cooperative corporation or association, the Transfer of more than 49 percent of the shares in the housing cooperative or the assignment of more than 49 percent of the occupancy agreements or leases relating thereto by tenant shareholders of the housing cooperative or association to other tenant shareholders; and

(vii) any Transfer of an interest in Borrower or any interest in a Controlling Entity (which, if such Controlling Entity were Borrower, would result in an Event of Default) listed in (A) through (F) below (a "**Preapproved Transfer**"), under the terms and conditions listed as items (1) through (7) below:

(A) a sale or transfer to one or more of the transferor's immediate family members; or

(B) a sale or transfer to any trust having as its sole beneficiaries the transferor and/or one or more of the transferor's immediate family members; or

(C) a sale or transfer from a trust to any one or more of its beneficiaries who are immediate family members of the transferor ; or

(D) the substitution or replacement of the trustee of any trust with a trustee who is an immediate family member of the transferor; or

(E) a sale or transfer to an entity owned and controlled by the transferor or the transferor's immediate family members; or

(1) Borrower shall provide Lender with prior written Notice of the proposed Preapproved Transfer, which Notice must be accompanied by a non-refundable review fee in the amount of $3,000.00.

(2) For the purposes of these Preapproved Transfers, a transferor's immediate family members will be deemed to include a spouse, parent, child or grandchild of such transferor.

(3) Either directly or indirectly, American Assets, Inc. and Foster Investment Corporation shall retain at all times a managing interest in the Borrower.

(4) At the time of the proposed Preapproved Transfer, no Event of Default shall have occurred and be continuing and no event or condition shall have occurred and be continuing that, with the giving of Notice or the passage of time, or both, would become an Event of Default.

(5) Lender shall be entitled to collect all costs, including the cost of all title searches, title insurance and recording costs, and all Attorneys' Fees and Costs.

(6) Lender shall not be entitled to collect a transfer fee as a result of these Preapproved Transfers.

(7) In the event of a Transfer prohibited by or requiring Lender's approval under this Section 21, this Section (c)(vii) may be modified or rendered void by Lender at Lender's option by Notice to Borrower and the transferee(s), as a condition of Lender's consent.

(d) The occurrence of any of the following Transfers shall not constitute an Event of Default under this Instrument, provided that Borrower has notified Lender in writing within 30 days following the occurrence of any of the following, and such Transfer does not constitute an Event of Default under any other Section of this Instrument:

(i) a change of the Borrower's name, provided that UCC financing statements and/or amendments sufficient to continue the perfection of Lender's security interest have been properly filed and copies have been delivered to Lender;

(ii) a change of the form of the Borrower not involving a transfer of the Borrower's assets and not resulting in any change in liability of any Initial Owner, provided that UCC financing statements and/or amendments sufficient to continue the perfection of Lender's security interest have been properly filed and copies have been delivered to Lender;

(iii) the merger of the Borrower with another entity when the Borrower is the surviving entity;

(iv) a Transfer that occurs by devise, descent, or by operation of law upon the death of a natural person; and

(v) the grant of an easement, if before the grant Lender determines that the easement will not materially affect the operation or value of the Mortgaged Property or Lender's interest in the Mortgaged Property, and Borrower pays to Lender, upon demand, all costs and expenses, including Attorneys' Fees and Costs, incurred by Lender in connection with reviewing Borrower's request.

(e) The occurrence of any of the following Transfers shall constitute an Event of Default under this Instrument:

(i) a Transfer of all or any part of the Mortgaged Property or any interest in the Mortgaged Property;

(ii) if Borrower is a limited partnership, a Transfer of (A) any general partnership interest, or (B) limited partnership interests in Borrower that would cause the Initial Owners of Borrower to own less than a Controlling Interest of all limited partnership interests in Borrower;

(iii) if Borrower is a general partnership or a joint venture, a Transfer of any general partnership or joint venture interest in Borrower;

(iv) if Borrower is a limited liability company, (A) a Transfer of any membership interest in Borrower which would cause the Initial Owners to own less than a Controlling Interest of all the membership interests in Borrower, (B) a Transfer of any membership or other interest of a manager in Borrower that results in a change of manager or (C) a change in a nonmember manager;

(v) if Borrower is a corporation (A) the Transfer of any voting stock in Borrower which would cause the Initial Owners to own less than a

Controlling Interest of any class of voting stock in Borrower or (B) if the outstanding voting stock in Borrower is held by 100 or more shareholders, one or more Transfers by a single transferor within a 12-month period affecting an aggregate of 5 percent or more of that stock;

(vi) if Borrower is a trust, (A) a Transfer of any beneficial interest in Borrower which would cause the Initial Owners to own less than a Controlling Interest of all the beneficial interests in Borrower, (B) the termination or revocation of the trust, or (C) the removal, appointment or substitution of a trustee of Borrower;

(vii) if Borrower is a limited liability partnership, (A) a Transfer of any partnership interest in Borrower which would cause the Initial Owners to own less than a Controlling Interest of all partnership interests in Borrower, or (B) a transfer of any partnership or other interest of a managing partner in Borrower that results in a change of manager; and

(viii) a Transfer of any interest in a Controlling Entity which, if such Controlling Entity were Borrower, would result in an Event of Default under any of Sections 21(e)(i) through (vii) above.

Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default in order to exercise any of its remedies with respect to an Event of Default under this Section 21.

(f) Lender shall consent, without any adjustment to the rate at which the Indebtedness secured by this Instrument bears interest or to any other economic terms of the Indebtedness set forth in the Note, to a Transfer that would otherwise violate this Section 21 if, prior to the Transfer, Borrower has satisfied each of the following requirements:

(i) the submission to Lender of all information required by Lender to make the determination required by this Section 21(f);

(ii) the absence of any Event of Default;

(iii) the transferee meets all of the eligibility, credit, management and other standards (including but not limited to any standards with respect to previous relationships between Lender and the transferee) customarily applied by Lender at the time of the proposed Transfer to the approval of borrowers in connection with the origination or purchase of similar mortgages on multifamily properties;

(iv) the transferee's organization, credit and experience in the management of similar properties are deemed by the Lender, in its discretion, to be appropriate to the overall structure and documentation of the existing financing;

(v) the Mortgaged Property, at the time of the proposed Transfer, meets all standards as to its physical condition, occupancy, net operating income and the collection of reserves that are customarily applied by Lender at the time of the proposed Transfer to the approval of properties in connection with the origination or purchase of similar mortgages on multifamily properties;

(vi) in the case of a Transfer of all or any part of the Mortgaged Property, (A) the execution by the transferee of Lender's then-standard assumption agreement that, among other things, requires the transferee to perform all obligations of Borrower set forth in the Note, this Instrument and any other Loan Documents, and may require that the transferee comply with any provisions of this Instrument or any other Loan Document which previously may have been waived or modified by Lender, (B) if Lender requires, the transferee causes one or more individuals or entities acceptable to Lender to execute and deliver to Lender a guaranty in a form acceptable to Lender, and (C) the transferee executes such additional Collateral Agreements as Lender may require;

(vii) in the case of a Transfer of any interest in a Controlling Entity, if a guaranty has been executed and delivered in connection with the Note, this Instrument or any of the other Loan Documents, the Borrower causes one or more individuals or entities acceptable to Lender to execute and deliver to Lender a guaranty in a form acceptable to Lender; and

(viii) Lender's receipt of all of the following:

(A) a review fee in the amount of $3,000.00;

(B) a transfer fee in an amount equal to one (1) percent of the unpaid principal balance of the Indebtedness immediately before the applicable Transfer; and

(C) the amount of Lender's out-of-pocket costs (including reasonable Attorneys' Fees and Costs) incurred in reviewing the Transfer request.

22. EVENTS OF DEFAULT. The occurrence of any one or more of the following shall constitute an Event of Default under this Instrument:

(a) any failure by Borrower to pay or deposit when due any amount required by the Note, this Instrument or any other Loan Document;

(b) any failure by Borrower to maintain the insurance coverage required by Section 19;

(c) any failure by Borrower to comply with the provisions of Section 33;

(d) fraud or material misrepresentation or material omission by Borrower, any of its officers, directors, trustees, general partners or managers or any guarantor in connection with (i) the application for or creation of the Indebtedness, (ii) any financial statement, rent schedule, or other report or information provided to Lender during the term of the Indebtedness, or (iii) any request for Lender's consent to any proposed action, including a request for disbursement of funds under any Collateral Agreement;

(e) any failure by Borrower to comply with the provisions of Section 20;

(f) any Event of Default under Section 21;

(g) the commencement of a forfeiture action or proceeding, whether civil or criminal, which, in Lender's reasonable judgment, could result in a forfeiture of the Mortgaged Property or otherwise materially impair the lien created by this Instrument or Lender's interest in the Mortgaged Property;

(h) any failure by Borrower to perform any of its obligations under this Instrument (other than those specified in Sections 22(a) through (g)), as and when required, which continues for a period of 30 days after Notice of such failure by Lender to Borrower. However, if Borrower's failure to perform its obligations as described in this Section 22(h) is of the nature that it cannot be cured within the 30 day grace period but reasonably could be cured within 90 days, then Borrower shall have additional time as determined by Lender in its discretion, not to exceed an additional 60 days, in which to cure such default, provided that Borrower has diligently commenced to cure such default during the 30-day grace period and diligently pursues the cure of such default. However, no such Notice or grace periods shall apply in the case of any such failure which could, in Lender's judgment, absent immediate exercise by Lender of a right or remedy under this Instrument, result in harm to Lender, impairment of the Note or this Instrument or any other security given under any other Loan Document;

(i) any failure by Borrower to perform any of its obligations as and when required under any Loan Document other than this Instrument which continues beyond the applicable cure period, if any, specified in that Loan Document;

(j) any exercise by the holder of any other debt instrument secured by a mortgage, deed of trust or deed to secure debt on the Mortgaged Property of a right to declare all amounts due under that debt instrument immediately due and payable;

(k) any voluntary filing by Borrower for bankruptcy protection under the United States Bankruptcy Code or any reorganization, receivership, insolvency proceeding or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights to which Borrower voluntarily becomes subject, or the commencement of any involuntary case against Borrower by any creditor (other than Lender) of Borrower pursuant to the United States Bankruptcy Code or other federal or state law affecting debtor and creditor rights which case is not dismissed or discharged within 90 days after filing; and

(l) any representations and warranties by Borrower in this Instrument which is false or misleading in any material respect.

23. REMEDIES CUMULATIVE. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument or any other Loan Document or afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order.

24. FORBEARANCE.

(a) Lender may (but shall not be obligated to) agree with Borrower, from time to time, and without giving notice to, or obtaining the consent of, or having any effect upon the obligations of, any guarantor or other third party obligor, to take any of the following actions: extend the time for payment of all or any part of the Indebtedness; reduce the payments due under this Instrument, the Note, or any other Loan Document; release anyone liable for the payment of any amounts under this Instrument, the Note, or any other Loan Document; accept a

renewal of the Note; modify the terms and time of payment of the Indebtedness; join in any extension or subordination agreement; release any Mortgaged Property; take or release other or additional security; modify the rate of interest or period of amortization of the Note or change the amount of the monthly installments payable under the Note; and otherwise modify this Instrument, the Note, or any other Loan Document.

(b) Any forbearance by Lender in exercising any right or remedy under the Note, this Instrument, or any other Loan Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The acceptance by Lender of payment of all or any part of the Indebtedness after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Lender's right to require prompt payment when due of all other payments on account of the Indebtedness or to exercise any remedies for any failure to make prompt payment. Enforcement by Lender of any security for the Indebtedness shall not constitute an election by Lender of remedies so as to preclude the exercise of any other right available to Lender. Lender's receipt of any awards or proceeds under Sections 19 and 20 shall not operate to cure or waive any Event of Default.

25. LOAN CHARGES. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in any Loan Document, whether considered separately or together with other charges levied in connection with any other Loan Document, violates that law, and Borrower is entitled to the benefit of that law, that charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the principal of the Indebtedness. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness which constitutes interest, as well as all other charges levied in connection with the Indebtedness which constitute interest, shall be deemed to be allocated and spread over the stated term of the Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of the Note.

26. WAIVER OF STATUTE OF LIMITATIONS. Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any Loan Document.

27. WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Instrument, the Note, any other Loan Document or applicable law. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

28. FURTHER ASSURANCES. Borrower shall execute, acknowledge, and deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements or amendments, transfers and assurances as Lender may require from time to time in order to better assure, grant, and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Instrument and the Loan Documents.

29. ESTOPPEL CERTIFICATE. Within 10 days after a request from Lender, Borrower shall deliver to Lender a written statement, signed and acknowledged by Borrower, certifying to Lender or any person designated by Lender, as of the date of such statement, (i) that the Loan Documents are unmodified and in full force and effect (or, if there have been modifications, that the Loan Documents are in full force and effect as modified and setting forth such modifications); (ii) the unpaid principal balance of the Note; (iii) the date to which interest under the Note has been paid; (iv) that Borrower is not in default in paying the Indebtedness or in performing or observing any of the covenants or agreements contained in this Instrument or any of the other Loan Documents (or, if the Borrower is in default, describing such default in reasonable detail); (v) whether or not there are then existing any setoffs or defenses known to Borrower against the enforcement of any right or remedy of Lender under the Loan Documents; and (vi) any additional facts requested by Lender.

30. GOVERNING LAW; CONSENT TO JURISDICTION AND VENUE.

(a) This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, shall be governed by the laws of the jurisdiction in which the Land is located (the "**Property Jurisdiction**").

(b) Borrower agrees that any controversy arising under or in relation to the Note, this Instrument, or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies that shall arise under or in relation to the Note, any security for the Indebtedness, or any other Loan Document. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 30 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

31. NOTICE.

(a) All Notices, demands and other communications ("**Notice**") under or concerning this Instrument shall be in writing. Each Notice shall be addressed to the intended recipient at its address set forth in this Instrument, and shall be deemed given on the earliest to occur of (i) the date when the Notice is received by the addressee; (ii) the first Business Day after the Notice is delivered to a recognized overnight courier service, with arrangements made for payment of charges for next Business Day delivery; or (iii) the third Business Day after the Notice is deposited in the United States mail with postage prepaid, certified mail, return receipt requested.

(b) Any party to this Instrument may change the address to which Notices intended for it are to be directed by means of Notice given to the other party in accordance with this Section 31. Each party agrees that it will not refuse or reject delivery of any Notice given in accordance with this Section 31, that it will acknowledge, in writing, the receipt of any Notice upon request by the other party and that any Notice rejected or refused by it shall be deemed for purposes of this Section 31 to have been received by the rejecting party on the date so refused or rejected, as conclusively established by the records of the U.S. Postal Service or the courier service.

(c) Any Notice under the Note and any other Loan Document that does not specify how Notices are to be given shall be given in accordance with this Section 31.

32. SALE OF NOTE; CHANGE IN SERVICER; LOAN SERVICING. The Note or a partial interest in the Note (together with this Instrument and the other Loan Documents) may be sold one or more times without prior Notice to Borrower. A sale may result in a change of the Loan Servicer. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given Notice of the change. All actions regarding the servicing of the loan evidenced by the Note, including the collection of payments, the giving and receipt of Notice, inspections of the Mortgaged Property, inspections of books and records, and the granting of consents and approvals, may be taken by the Loan Servicer unless Borrower receives Notice to the contrary. If Borrower receives conflicting Notices regarding the identity of the Loan Servicer or any other subject, any such Notice from Lender shall govern.

33. SINGLE ASSET BORROWER. Until the Indebtedness is paid in full, Borrower (a) shall not own any real or personal property other than the Mortgaged Property and personal property related to the operation and maintenance of the Mortgaged Property; (b) shall not operate any business other than the management and operation of the Mortgaged Property; and (c) shall not maintain its assets in a way difficult to segregate and identify.

34. SUCCESSORS AND ASSIGNS BOUND. This Instrument shall bind, and the rights granted by this Instrument shall inure to, the respective successors and assigns of Lender and Borrower. However, a Transfer not permitted by Section 21 shall be an Event of Default.

35. JOINT AND SEVERAL LIABILITY. If more than one person or entity signs this Instrument as Borrower, the obligations of such persons and entities shall be joint and several.

36. RELATIONSHIP OF PARTIES; NO THIRD PARTY BENEFICIARY.

(a) The relationship between Lender and Borrower shall be solely that of creditor and debtor, respectively, and nothing contained in this Instrument shall create any other relationship between Lender and Borrower.

(b) No creditor of any party to this Instrument and no other person shall be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (a "**Servicing Arrangement**") between the Lender and any Loan Servicer for loss sharing or interim advancement of funds shall constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower shall not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

37. SEVERABILITY; AMENDMENTS. The invalidity or unenforceability of any provision of this Instrument shall not affect the validity or enforceability of any other provision, and all other provisions shall remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument. This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought; provided, however, that in the event of a Transfer prohibited by or requiring Lender's approval under Section 21, any or some or all of the Modifications to Instrument set forth in Exhibit B (if any) may be modified or rendered void by Lender at Lender's option by Notice to Borrower and the transferee(s).

38. CONSTRUCTION. The captions and headings of the Sections of this Instrument are for convenience only and shall be disregarded in construing this Instrument. Any reference in this Instrument to an "Exhibit" or a "Section" shall, unless otherwise explicitly provided, be construed as referring, respectively, to an Exhibit attached to this Instrument or to a Section of this Instrument. All Exhibits attached to or referred to in this Instrument are incorporated by reference into this Instrument. Any reference in this Instrument to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time. Use of the singular in this Agreement includes the plural and use of the plural includes the singular. As used in this Instrument, the term "including" means "including, but not limited to."

39. DISCLOSURE OF INFORMATION. Lender may furnish information regarding Borrower or the Mortgaged Property to third parties with an existing or prospective interest in the servicing, enforcement, evaluation, performance, purchase or securitization of the Indebtedness, including but not limited to trustees, master servicers, special servicers, rating agencies, and organizations maintaining databases on the underwriting and performance of multifamily mortgage loans, as well as governmental regulatory agencies having regulatory authority over Lender. Borrower irrevocably waives any and all rights it may have under applicable law to prohibit such disclosure, including but not limited to any right of privacy.

40. NO CHANGE IN FACTS OR CIRCUMSTANCES. Borrower warrants that (a) all information in the application for the loan submitted to Lender (the "**Loan Application**") and in all financial statements, rent schedules, reports, certificates and other documents submitted in connection with the Loan Application are complete and accurate in all material respects; and (b) there has been no material adverse change in any fact or circumstance that would make any such information incomplete or inaccurate.

41. SUBROGATION. If, and to the extent that, the proceeds of the loan evidenced by the Note, or subsequent advances under Section 12, are used to pay, satisfy or discharge a Prior Lien, such loan proceeds or advances shall be deemed to have been advanced by Lender at Borrower's request, and Lender shall automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

42. ADJUSTABLE RATE MORTGAGE - THIRD PARTY CAP AGREEMENT "CAP COLLATERAL."

(a) If the Note provides for interest to accrue at an adjustable or variable interest rate (other than during the "Extension Period," as defined in the Note, if applicable), then the definition of "Mortgaged Property" shall include the "**Cap Collateral**." The "Cap Collateral" shall mean

(i) any interest rate cap agreement, interest rate swap agreement, or other interest rate-hedging contract or agreement obtained by Borrower as a requirement of any Loan Document or as a condition of Lender's making the Loan (a "**Cap Agreement**");

(ii) any and all moneys (collectively, "**Cap Payments**") payable pursuant to any Cap Agreement by the interest rate cap provider or other counterparty to a Cap Agreement or any guarantor of the obligations of any such cap provider or counterparty (a "**Cap Provider**");

(iii) all rights of Borrower under any Cap Agreement and all rights of Borrower to all Cap Payments, including contract rights and general intangibles, whether existing now or arising after the date of this Instrument;

(iv) all rights, liens and security interests or guaranties granted by a Cap Provider or any other person to secure or guaranty payment of any Cap Payment whether existing now or granted after the date of this Instrument;

(v) all documents, writings, books, files, records and other documents arising from or relating to any of the foregoing, whether existing now or created after the date of this Instrument; and

(vi) all cash and non-cash proceeds and products of (ii) – (v) above.

(b) As additional security for Borrower's obligation under the Loan Documents, Borrower hereby assigns and pledges to Lender all of Borrower's right, title and interest in and to the Cap Collateral. Borrower has instructed and will instruct each Cap Provider and any guarantor of a Cap Provider's obligations to make Cap Payments directly to Lender or to Loan Servicer on behalf of Lender.

(c) So long as there is no Event of Default, Lender or Loan Servicer will remit to Borrower each Cap Payment received by Lender or Loan Servicer with respect to any month for which Borrower has paid in full the monthly installment of principal and interest or interest only, as applicable, due under the Note. Alternatively, at Lender's option so long as there is no Event of Default, Lender may apply a Cap Payment received by Lender or Loan Servicer with respect to any month to the applicable monthly payment of accrued interest due under the Note if Borrower has paid in full the remaining portion of such monthly payment of principal and interest or interest only, as applicable.

(d) Following an Event of Default, in addition to any other rights and remedies Lender may have, Lender may retain any Cap Payments and apply them to the Indebtedness in such order and amounts as Lender determines. Neither the existence of a Cap Agreement nor anything in this Instrument shall relieve Borrower of its primary obligation to timely pay in full all amounts due under the Note and otherwise due on account of the Indebtedness.

(e) If the Note does not provide for interest to accrue at an adjustable or variable interest rate (other than during the Extension Period) then this Section 42 shall be of no force or effect.

43. ACCELERATION; REMEDIES. If an Event of Default has occurred and is continuing, Lender, at Lender's option, may declare the Indebtedness to be immediately due and payable without further demand, and may invoke the power of sale and any other remedies permitted by California law or provided in this Instrument or in any other Loan Document. Borrower acknowledges that the power of sale granted in this Instrument may be exercised by Lender without prior judicial hearing. Lender shall be entitled to collect all costs and expenses incurred in pursuing such remedies, including attorneys' fees, costs of documentary evidence, abstracts and title reports.

If the power of sale is invoked, Lender shall execute a written notice of the occurrence of an Event of Default and of Lender's election to cause the Mortgaged Property to be sold and shall cause the notice to be recorded in each county in which the Mortgaged Property or some part of the Mortgaged Property is located. Trustee shall give notice of default and notice of sale and shall sell the Mortgaged Property according to California law. Trustee may sell the Mortgaged Property at the time and place and under the terms designated in the notice of sale in one or more parcels and in such order as Trustee may determine. Trustee may postpone the sale of all or any part of the Mortgaged Property by public announcement at the time and place of any previously scheduled sale. Lender or Lender's designee may purchase the Mortgaged Property at any sale.

Trustee shall deliver to the purchaser at the sale, within a reasonable time after the sale, a deed conveying the Mortgaged Property so sold without any express or implied covenant or warranty. The recitals in Trustee's deed shall be prima facie evidence of the truth of the statements made in those recitals. Trustee shall apply the proceeds of the sale in the following order: (a) to all costs and expenses of the sale, including Trustee's fees not to exceed 5% of the gross sales price, attorneys' fees and costs of title evidence; (b) to the Indebtedness in such order as Lender, in Lender's discretion, directs; and (c) the excess, if any, to the person or persons legally entitled to the excess.

44. RECONVEYANCE. Upon payment of the Indebtedness, Lender shall request Trustee to reconvey the Mortgaged Property and shall surrender this Instrument and the Note to Trustee. Trustee shall reconvey the Mortgaged Property without warranty to the person or persons legally entitled to the Mortgaged Property. Such person or persons shall pay Trustee's reasonable costs incurred in so reconveying the Mortgaged Property.

45. SUBSTITUTE TRUSTEE. Lender, at Lender's option, may from time to time, by a written instrument, appoint a successor trustee, which instrument, when executed and acknowledged by Lender and recorded in the office of the Recorder of the county or counties where the Mortgaged Property is situated, shall be conclusive proof of proper substitution of the successor trustee. The successor trustee shall, without conveyance of the Mortgaged Property, succeed to all the title, power and duties conferred upon the Trustee in this Instrument and by California law. The instrument of substitution shall contain the name of the original Lender, Trustee and Borrower under this Instrument, the book and page where this Instrument is recorded, and the name and address of the successor trustee. If notice of default has been recorded, this power of substitution cannot be exercised until after the costs, fees and expenses of the then acting Trustee have been paid to such Trustee, who shall endorse receipt of those costs, fees and expenses upon the instrument of substitution. The procedure provided for substitution of trustee in this Instrument shall govern to the exclusion of all other provisions for substitution, statutory or otherwise.

46. STATEMENT OF OBLIGATION. Lender may collect a fee not to exceed the maximum allowed by applicable law for furnishing the statement of obligation as provided in Section 2943 of the Civil Code of California.

47. SPOUSE'S SEPARATE PROPERTY. Each Borrower who is a married person expressly agrees that recourse may be had against his or her separate property.

48. FIXTURE FILING. This Instrument is also a fixture filing under the Uniform Commercial Code of California.

49. ADDITIONAL PROVISION REGARDING APPLICATION OF PAYMENTS. In addition to the provisions of Section 9, Borrower further agrees that, if Lender accepts a guaranty of only a portion of the Indebtedness, Borrower waives its right under California Civil Code Section 2822(a), to designate the portion of the Indebtedness which shall be satisfied by a guarantor's partial payment.

50. WAIVER OF MARSHALLING; OTHER WAIVERS. To the extent permitted by law, Borrower waives (i) the benefit of all present or future laws providing for any appraisement before sale of any portion of the Mortgaged Property, (ii) all rights of redemption, valuation, appraisement, stay of execution, notice of election to mature or declare due the whole of the Indebtedness and marshalling in the event of foreclosure of the lien created by this Instrument, (iii) all rights and remedies which Borrower may have or be able to assert by reason of the laws of the State of California pertaining to the rights and remedies of sureties, (iv) the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce the Note or any other obligation secured by this Instrument, and (v) any rights, legal or equitable, to require marshalling of assets or to require upon foreclosure sales in a particular order, including any rights under California Civil Code Sections 2899 and 3433. Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided by this Instrument. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of the remedies provided by this Instrument. By signing this Instrument, Borrower does not waive its rights under Section 2924c of the California Civil Code.

51. ADDITIONAL PROVISIONS CONCERNING ENVIRONMENTAL HAZARDS. In addition to the provisions of Section 18:

(a) Except for matters covered by an O&M Program or matters described in Section 18(b), Borrower shall not cause or permit any lien (whether or not such lien has priority over the lien created by this Instrument) upon the Mortgaged Property imposed pursuant to any Hazardous Materials Laws. Any such lien shall be considered a Prohibited Activity or Condition.

(b) Borrower represents and warrants to Lender that, except as previously disclosed by Borrower to Lender in writing:

(1) at the time of acquiring the Mortgaged Property, Borrower undertook all appropriate inquiry into the previous ownership and uses of the Mortgaged Property consistent with good commercial or customary practice and no evidence or indication came to light which would suggest that the Mortgaged Property has been or is now being used for any Prohibited Activities or Conditions; and

(2) the Mortgaged Property has not been designated as "hazardous waste property" or "border zone property" pursuant to Section 25220, *et seq.*, of the California Health and Safety Code.

The representations and warranties in this Section 51(b) shall be continuing representations and warranties that shall be deemed to be made by Borrower throughout the term of the loan evidenced by the Note, until the Indebtedness has been paid in full.

(c) Without limiting any of the remedies provided in this Instrument, Borrower acknowledges and agrees that each of the provisions in Section 18 and in this Section 51 is an environmental provision (as defined in Section 736(f)(2) of the California Code of Civil Procedure) made by Borrower relating to the real property security (the "**Environmental Provisions**"), and that Borrower's failure to comply with any of the Environmental Provisions will be a breach of contract that will entitle Lender to pursue the remedies provided by Section 736 of the California Code of Civil Procedure ("**Section 736**") for the recovery of damages and for the enforcement of the Environmental Provisions. Pursuant to Section 736, Lender's action for recovery of damages or enforcement of the Environmental Provisions shall not constitute an action within the meaning of Section 726(a) of the California Code of Civil Procedure or constitute a money judgment for a deficiency or a deficiency judgment within the meaning of Sections 580a, 580b, 580d, or 726(b) of the California Code of Civil Procedure.

(d) Any reference in this Instrument or in any other Loan Document to Section 18 of this Instrument shall be construed as referring together to Section 18 and this Section 51.

52. <u>WAIVER OF TRIAL BY JURY</u>. BORROWER AND LENDER EACH (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

"**Base Recourse**" means a portion of the Indebtedness equal to zero percent (0%) of the original principal balance of this Note.

"**Business Day**" means any day other than a Saturday, a Sunday or any other day on which Lender or the national banking associations are not open for business.

"**Default Rate**" means an annual interest rate equal to four (4) percentage points above the Fixed Interest Rate. However, at no time will the Default Rate exceed the Maximum Interest Rate.

"**Fixed Interest Rate**" means the annual interest rate of six and nine hundredths percent (6.09%).

"**Installment Due Date**" means, for any monthly installment of interest only or principal and interest, the date on which such monthly installment is due and payable pursuant to Section 3 of this Note. The "**First Installment Due Date**" under this Note is August 1, 2008.

"**Lender**" means the holder from time to time of this Note.

"**Loan**" means the loan evidenced by this Note.

"**Maturity Date**" means the earlier of (i) July 1, 2018 (the "**Scheduled Maturity Date**"), and (ii) the date on which the unpaid principal balance of this Note becomes due and payable by acceleration or otherwise pursuant to the Loan Documents or the exercise by Lender of any right or remedy under any Loan Document.

"**Maximum Interest Rate**" means the rate of interest that results in the maximum amount of interest allowed by applicable law.

"**Prepayment Premium Period**" means the period during which, if a prepayment of principal occurs, a prepayment premium will be payable by Borrower to Lender. (b) Other capitalized terms used but not defined in this Note shall have the meanings given to such terms in the Security Instrument.

2. Address for Payment. All payments due under this Note shall be payable at 2010 Corporate Ridge, Suite 1000, McLean, Virginia 22102, or such other place as may be designated by Notice to Borrower from or on behalf of Lender.

3. Payments.

(a) Interest will accrue on the outstanding principal balance of this Note at the Fixed Interest Rate, subject to the provisions of Section 8 of this Note.

(b) Interest under this Note shall be computed, payable and allocated on the basis of an actual/360 interest calculation schedule (interest is payable for the actual number of days in each month, and each month's interest is calculated by multiplying the unpaid principal amount of this Note as of the first day of the month for which interest is being calculated by the Fixed Interest Rate, dividing the product by 360, and multiplying the quotient by the number of days in the month for which interest is being calculated). The portion of the monthly installment of principal and interest under this Note attributable to principal and the portion attributable to interest will vary based upon the number of days in the month for which such installment is paid. Each monthly payment of principal and interest will first be applied to pay in full interest due, and the balance of the monthly installment payment paid by Borrower will be credited to principal.

(c) Unless disbursement of principal is made by Lender to Borrower on the first day of a calendar month, interest for the period beginning on the date of disbursement and ending on and including the last day of such calendar month shall be payable by Borrower simultaneously with the execution of this Note. If disbursement of principal is made by Lender to Borrower on the first day of a calendar month, then no payment will be due from Borrower at the time of the execution of this Note. The Installment Due Date for the first monthly installment payment under Section 3(d) of interest only or principal and interest, as applicable, will be the First Installment Due Date set forth in Section 1(a) of this Note. Except as provided in this Section 3(c) and in Section 10, accrued interest will be payable in arrears.

(d) Beginning on the First Installment Due Date, and continuing until and including the monthly installment due on the Maturity Date, accrued interest only shall be payable by Borrower in consecutive monthly installments due and payable on the first day of each calendar month. The amount of each monthly installment of interest only payable pursuant to this Section 3(d) on an Installment Due Date shall vary, and shall equal $12,475.02667 multiplied by the number of days in the month prior to the Installment Due Date.

(e) All remaining Indebtedness, including all principal and interest, shall be due and payable by Borrower on the Maturity Date.

(f) All payments under this Note shall be made in immediately available U.S. funds.

(g) Any regularly scheduled monthly installment of interest only or principal and interest payable pursuant to this Section 3 that is received by Lender before the date it is due shall be deemed to have been received on the due date for the purpose of calculating interest due.

(h) Any accrued interest remaining past due for 30 days or more, at Lender's discretion, may be added to and become part of the unpaid principal balance of this Note and any reference to "accrued interest" shall refer to accrued interest which has not become part of the unpaid principal balance. Any amount added to principal pursuant to the Loan Documents shall bear interest at the applicable rate or rates specified in this Note and shall be payable with such interest upon demand by Lender and absent such demand, as provided in this Note for the payment of principal and interest.

4. Application of Payments. If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, Lender may apply the amount received to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Borrower agrees that neither Lender's acceptance of a payment from Borrower in an amount that is less than all amounts then due and payable nor Lender's application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. Security. The Indebtedness is secured by, among other things, the Security Instrument, and reference is made to the Security Instrument for other rights of Lender as to collateral for the Indebtedness.

6. Acceleration. If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, any prepayment premium payable under Section 10, and all other amounts payable under this Note and any other Loan Document, shall at once become due and payable, at the option of Lender, without any prior notice to Borrower (except if notice is required by applicable law, then after such notice). Lender may exercise this option to accelerate regardless of any prior forbearance. For purposes of exercising such option, Lender shall calculate the prepayment premium as if prepayment occurred on the date of acceleration. If prepayment occurs thereafter, Lender shall recalculate the prepayment premium as of the actual prepayment date.

7. Late Charge.

(a) If any monthly installment of interest or principal and interest or other amount payable under this Note or under the Security Instrument or any other Loan Document is not received in full by Lender within ten (10) days after the installment or other amount is due, counting from and including the date such installment or other amount is due (unless applicable law requires a longer period of time before a late charge may be imposed, in which event such longer period shall be substituted), Borrower shall pay to Lender, immediately and without demand by Lender, a late charge equal to five percent (5%) of such installment or other amount due (unless applicable law requires a lesser amount be charged, in which event such lesser amount shall be substituted).

(b) Borrower acknowledges that its failure to make timely payments will cause Lender to incur additional expenses in servicing and processing the Loan and that it is extremely difficult and impractical to determine those additional expenses. Borrower agrees that the late charge payable pursuant to this Section represents a fair and reasonable estimate, taking into account all circumstances existing on the date of this Note, of the additional expenses Lender will incur by reason of such late payment. The late charge is payable in addition to, and not in lieu of, any interest payable at the Default Rate pursuant to Section 8.

8. Default Rate.

(a) So long as (i) any monthly installment under this Note remains past due for thirty (30) days or more or (ii) any other Event of Default has occurred and is continuing, then notwithstanding anything in Section 3 of this Note to the contrary, interest under this Note shall accrue on the unpaid principal balance from the Installment Due Date of the first such unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at the Default Rate.

(b) From and after the Maturity Date, the unpaid principal balance shall continue to bear interest at the Default Rate until and including the date on which the entire principal balance is paid in full.

(c) Borrower acknowledges that (i) its failure to make timely payments will cause Lender to incur additional expenses in servicing and processing the Loan, (ii) during the time that any monthly installment under this Note is delinquent for thirty (30) days or more, Lender will incur additional costs and expenses arising from its loss of the use of the money due and from the adverse impact on Lender's ability to meet its other obligations and to take advantage of other investment opportunities; and (iii) it is extremely difficult and impractical to determine those additional costs and expenses. Borrower also acknowledges that, during the time that any monthly installment under this Note is delinquent for thirty (30) days or more or any other Event of Default has occurred and is continuing, Lender's risk of nonpayment of this Note will be materially increased and Lender is entitled to be compensated for such increased risk. Borrower agrees that the increase in the rate of interest payable under this Note to the Default Rate represents a fair and reasonable estimate, taking into account all circumstances existing on the date of this Note, of the additional costs and expenses Lender will incur by reason of the Borrower's delinquent payment and the additional compensation Lender is entitled to receive for the increased risks of nonpayment associated with a delinquent loan.

9. Limits on Personal Liability.

(a) Except as otherwise provided in this Section 9, Borrower shall have no personal liability under this Note, the Security Instrument or any other Loan Document for the repayment of the Indebtedness or for the performance of any other obligations of Borrower under the Loan Documents and Lender's only recourse for the satisfaction of the Indebtedness and the performance of such obligations shall be Lender's exercise of its rights and remedies with respect to the Mortgaged Property and to any other collateral held by Lender as security for the Indebtedness. This limitation on Borrower's liability shall not limit or impair Lender's enforcement of its rights against any guarantor of the Indebtedness or any guarantor of any other obligations of Borrower.

(b) Borrower shall be personally liable to Lender for the amount of the Base Recourse, plus any other amounts for which Borrower has personal liability under this Section 9.

(c) In addition to the Base Recourse, Borrower shall be personally liable to Lender for the repayment of a further portion of the Indebtedness equal to any loss or damage suffered by Lender as a result of the occurrence of any of the following events:

(i) Borrower fails to pay to Lender upon demand after an Event of Default all Rents to which Lender is entitled under Section 3(a) of the Security Instrument and the amount of all security deposits collected by Borrower from tenants then in residence. However, Borrower will not be personally liable for any failure described in this subsection (i) if Borrower is unable to pay to Lender all Rents and security deposits as required by the Security Instrument because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding.

(ii) Borrower fails to apply all insurance proceeds and condemnation proceeds as required by the Security Instrument. However, Borrower will not be personally liable for any failure described in this subsection (ii) if Borrower is unable to apply insurance or condemnation proceeds as required by the Security Instrument because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding.

(iii) Borrower fails to comply with Section 14(g) or (h) of the Security Instrument relating to the delivery of books and records, statements, schedules and reports.

(iv) Borrower fails to pay when due in accordance with the terms of the Security Instrument the amount of any item below marked "Deferred"; provided however, that if no item is marked "Deferred", this Section 9(c)(iv) shall be of no force or effect.

[Deferred]	Hazard Insurance premiums or other insurance premiums,
[Collect]	Taxes,
[Deferred]	water and sewer charges (that could become a lien on the Mortgaged Property),
[N/A]	ground rents,
[Deferred]	assessments or other charges (that could become a lien on the Mortgaged Property)

(d) In addition to the Base Recourse, Borrower shall be personally liable to Lender for:

(i) the performance of all of Borrower's obligations under Section 18 of the Security Instrument (relating to environmental matters);

(ii) the costs of any audit under Section 14(g) of the Security Instrument; and

(iii) any costs and expenses incurred by Lender in connection with the collection of any amount for which Borrower is personally liable under this Section 9, including Attorneys' Fees and Costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability.

(e) All payments made by Borrower with respect to the Indebtedness and all amounts received by Lender from the enforcement of its rights under the Security Instrument and the other Loan Documents shall be applied first to the portion of the Indebtedness for which Borrower has no personal liability.

(f) Notwithstanding the Base Recourse, Borrower shall become personally liable to Lender for the repayment of all of the Indebtedness upon the occurrence of any of the following Events of Default:

(i) Borrower's ownership of any property or operation of any business not permitted by Section 33 of the Security Instrument;

(ii) a Transfer (including, but not limited to, a lien or encumbrance) that is an Event of Default under Section 21 of the Security Instrument, other than a Transfer consisting solely of the involuntary removal or involuntary withdrawal of a general partner in a limited partnership or a manager in a limited liability company; or

(iii) fraud or written material misrepresentation by Borrower or any officer, director, partner, member or employee of Borrower in connection with the application for or creation of the Indebtedness or any request for any action or consent by Lender.

(g) To the extent that Borrower has personal liability under this Section 9, Lender may exercise its rights against Borrower personally without regard to whether Lender has exercised any rights against the Mortgaged Property or any other security, or pursued any rights against any guarantor, or pursued any other rights available to Lender under this Note, the Security Instrument, any other Loan Document or applicable law. To the fullest extent permitted by applicable law, in any action to enforce Borrower's personal liability under this Section 9, Borrower waives any right to set off the value of the Mortgaged Property against such personal liability.

10. Voluntary and Involuntary Prepayments.

(a) Any receipt by Lender of principal due under this Note prior to the Maturity Date, other than principal required to be paid in monthly installments pursuant to Section 3, constitutes a prepayment of principal under this Note. Without limiting the foregoing, any application by Lender, prior to the Maturity Date, of any proceeds of collateral or other security to the repayment of any portion of the unpaid principal balance of this Note constitutes a prepayment under this Note.

(b) Borrower may voluntarily prepay all of the unpaid principal balance of this Note on an Installment Due Date so long as Borrower designates the date for such prepayment in a Notice from Borrower to Lender given at least 30 days prior to the date of such prepayment. If an Installment Due Date (as defined in Section 1(a)) falls on a day which is not a Business Day, then with respect to payments made under this Section 10 only, the term "Installment Due Date" shall mean the Business Day immediately preceding the scheduled Installment Due Date.

(c) Notwithstanding subsection (b) above, Borrower may voluntarily prepay all of the unpaid principal balance of this Note on a Business Day other than an Installment Due Date if Borrower provides Lender with the Notice set forth in subsection (b) and meets the other requirements set forth in this subsection. Borrower acknowledges that Lender has agreed that Borrower may prepay principal on a Business Day other than an Installment Due Date only because Lender shall deem any prepayment received by Lender on any day other than an Installment Due Date to have been received on the Installment Due Date immediately following such prepayment and Borrower shall be responsible for all interest that would have been due if the prepayment had actually been made on the Installment Due Date immediately following such prepayment.

(d) Unless otherwise expressly provided in the Loan Documents, Borrower may not voluntarily prepay less than all of the unpaid principal balance of this Note. In order to voluntarily prepay all or any part of the principal of this Note, Borrower must also pay to Lender, together with the amount of principal being prepaid, (i) all accrued and unpaid interest due under this Note, plus (ii) all other sums due to Lender at the time of such prepayment, plus (iii) any prepayment premium calculated pursuant to Section 10(e).

(e) Except as provided in Section 10(f), a prepayment premium shall be due and payable by Borrower in connection with any prepayment of principal under this Note during the Prepayment Premium Period. The prepayment premium shall be computed as follows:

(i) For any prepayment made during the Yield Maintenance Period, the prepayment premium shall be whichever is the greater of subsections (A) and (B) below:

(A) 1.0% of the amount of principal being prepaid; or

(B) the product obtained by multiplying:

(1) the amount of principal being prepaid or accelerated,

by

(2) the excess (if any) of the Monthly Note Rate over the Assumed Reinvestment Rate,

by

(3) the Present Value Factor.

For purposes of subsection (B), the following definitions shall apply:

Monthly Note Rate: one-twelfth (1/12) of the Fixed Interest Rate, expressed as a decimal calculated to five digits.

Prepayment Date: in the case of a voluntary prepayment, the date on which the prepayment is made; in the case of the application by Lender of collateral or security to a portion of the principal balance, the date of such application.

Assumed Reinvestment Rate: one-twelfth (1/12) of the yield rate, as of the close of the trading session which is 5 Business Days before the Prepayment Date, on the Treasury Security, as reported in *The Wall Street Journal*, expressed as a decimal calculated to five digits. In the event that no yield is published on the applicable date for the Treasury Security, Lender, in its discretion, shall select the non-callable Treasury Security maturing in the same year as the Treasury Security with the lowest yield published in *The Wall Street Journal* as of the applicable date. If the publication of such yield rates in *The Wall Street Journal* is discontinued for any reason, Lender shall select a security with a comparable rate and term to the Treasury Security. The selection of an alternate security pursuant to this Section shall be made in Lender’s discretion.

Present Value Factor: the factor that discounts to present value the costs resulting to Lender from the difference in interest rates during the months remaining in the Yield Maintenance Period, using the Assumed Reinvestment Rate as the discount rate, with monthly compounding, expressed numerically as follows:

$$\frac{1 - \left(\frac{1}{1+ARR} \right)^{n}}{ARR}$$

n = the number of months remaining in Yield Maintenance Period; provided, however, if a prepayment occurs on an Installment Due Date, then the number of months remaining in the Yield Maintenance Period shall be calculated beginning with the month in which such prepayment occurs and if such prepayment occurs on a Business Day other than an Installment Due Date, then the number of months remaining in the Yield Maintenance Period shall be calculated beginning with the month immediately following the date of such prepayment.

ARR = Assumed Reinvestment Rate

(ii) For any prepayment made after the expiration of the Yield Maintenance Period but during the remainder of the Prepayment Premium Period, the prepayment premium shall be 1.0% of the amount of principal being prepaid.

(f) Notwithstanding any other provision of this Section 10, no prepayment premium shall be payable with respect to (i) any prepayment made during the Window Period, or (ii) any prepayment occurring as a result of the application of any insurance proceeds or condemnation award under the Security Instrument.

(g) Unless Lender agrees otherwise in writing, a permitted or required prepayment of less than the unpaid principal balance of this Note shall not extend or postpone the due date of any subsequent monthly installments or change the amount of such installments.

(h) Borrower recognizes that any prepayment of any of the unpaid principal balance of this Note, whether voluntary or involuntary or resulting from an Event of Default by Borrower, will result in Lender's incurring loss, including reinvestment loss, additional expense and frustration or impairment of Lender's ability to meet its commitments to third parties. Borrower agrees to pay to Lender upon demand damages for the detriment caused by any prepayment, and agrees that it is extremely difficult and impractical to ascertain the extent of such damages. Borrower therefore acknowledges and agrees that the formula for calculating prepayment premiums set forth in this Note represents a reasonable estimate of the damages Lender will incur because of a prepayment. Borrower further acknowledges that the prepayment premium provisions of this Note are a material part of the consideration for the Loan, and that the terms of this Note are in other respects more favorable to Borrower as a result of the Borrower's voluntary agreement to the prepayment premium provisions.

11. Costs and Expenses. To the fullest extent allowed by applicable law, Borrower shall pay all expenses and costs, including Attorneys' Fees and Costs incurred by Lender as a result of any default under this Note or in connection with efforts to collect any amount due

under this Note, or to enforce the provisions of any of the other Loan Documents, including those incurred in post-judgment collection efforts and in any bankruptcy proceeding (including any action for relief from the automatic stay of any bankruptcy proceeding) or judicial or non-judicial foreclosure proceeding.

12. Forbearance. Any forbearance by Lender in exercising any right or remedy under this Note, the Security Instrument, or any other Loan Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by Lender of any security for Borrower's obligations under this Note shall not constitute an election by Lender of remedies so as to preclude the exercise of any other right or remedy available to Lender.

13. Waivers. Borrower and all endorsers and guarantors of this Note and all other third party obligors waive presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace, and diligence in collecting the Indebtedness.

14. Loan Charges. Neither this Note nor any of the other Loan Documents shall be construed to create a contract for the use, forbearance or detention of money requiring payment of interest at a rate greater than the Maximum Interest Rate. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower in connection with the Loan is interpreted so that any interest or other charge provided for in any Loan Document, whether considered separately or together with other charges provided for in any other Loan Document, violates that law, and Borrower is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the unpaid principal balance of this Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness that constitutes interest, as well as all other charges made in connection with the Indebtedness that constitute interest, shall be deemed to be allocated and spread ratably over the stated term of this Note. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Note.

15. Commercial Purpose. Borrower represents that Borrower is incurring the Indebtedness solely for the purpose of carrying on a business or commercial enterprise, and not for personal, family, household, or agricultural purposes.

16. Counting of Days. Except where otherwise specifically provided, any reference in this Note to a period of "days" means calendar days, not Business Days.

17. Governing Law. This Note shall be governed by the law of the Property Jurisdiction.

18. **Captions.** The captions of the Sections of this Note are for convenience only and shall be disregarded in construing this Note.

19. Notices; Written Modifications.

(a) All Notices, demands and other communications required or permitted to be given pursuant to this Note shall be given in accordance with Section 31 of the Security Instrument.

(b) Any modification or amendment to this Note shall be ineffective unless in writing signed by the party sought to be charged with such modification or amendment; provided, however, in the event of a Transfer under the terms of the Security Instrument that requires Lender's consent, any or some or all of the Modifications to Multifamily Note set forth in Exhibit A to this Note may be modified or rendered void by Lender at Lender's option, by Notice to Borrower and the transferee, as a condition of Lender's consent.

20. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Note may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies that shall arise under or in relation to this Note. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Note is intended to limit any right that Lender may have to bring any suit, action or proceeding relating to matters arising under this Note in any court of any other jurisdiction.

21. WAIVER OF TRIAL BY JURY. BORROWER AND LENDER EACH (A) AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS NOTE OR THE RELATIONSHIP BETWEEN THE PARTIES AS LENDER AND BORROWER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

22. State-Specific Provisions. If a guarantor is liable for only a portion of the Indebtedness, Borrower hereby waives its rights under California Civil Code Section 2822(a) to designate the portion of the Indebtedness that shall be satisfied by Borrower's partial payment.

All additional capital contributions which may be called in accordance with this Section 3.2(a) are hereinafter collectively referred to herein as "**Additional Capital Contributions**".

(b) Any Additional Capital Contributions called pursuant to Section 3.2(a) shall be made by the Members in the same proportion as their Percentage Interests and will be credited to their respective Capital Accounts in accordance with the terms hereof.

(c) To the extent commercially practicable, prior to calling for an Additional Capital Contribution, the Managing Member will first try to obtain the necessary funds from Cash Flow, available Company insurance, if applicable, and/or third-party financing (if permitted by the Company's existing financing). If the Managing Member is unable to obtain the necessary funds from the sources described in the preceding sentence, in order to call for any Additional Capital Contributions in accordance with Section 3.2(a), the Managing Member shall deliver to all Members a notice calling for the Additional Capital Contributions, indicating (i) the respective amounts of the Members' required Additional Capital Contributions, (ii) the basis (including the costs and expenses) for which such Additional Capital Contribution is required, and (iii) the date (which date shall in no event be earlier than the tenth (10th) Business Day after receipt of such notice) by which the Members shall be required to make their Additional Capital Contributions. If GEPT SPE desires to make a call for Additional Capital Contributions in accordance with Section 3.2(a)(ii), GEPT SPE shall deliver a notice to the Managing Member, which notice shall indicate the amount of such Additional Capital Contribution and the basis (including the costs and expenses) for which such Additional Capital Contribution is required, and the Managing Member, promptly after receipt of such notice, shall deliver to all Members a notice calling for the Additional Capital Contribution indicating those matters set forth in clauses (i)-(iii) of the preceding sentence, provided, however, that the Managing Member shall, to the extent commercially reasonably practicable, first try to obtain the requested funds from Cash Flow, available Company insurance, if applicable, and/or third-party financing. Each Member shall be required to contribute its full Percentage Interest of the aggregate Additional Capital Contributions by the date specified.

(d) If a Member shall fail to contribute its full Percentage Interest of any Additional Capital Contributions, each Contributing Member shall have the rights set forth in Sections 11.3 and 11.4.

(e) Except as set forth in (i) below, in no event shall GEPT SPE be responsible, either directly or indirectly through a capital call, for any amounts owing with respect to a non-recourse carve out (including any guaranty or indemnity with respect to environmental matters) under any Loan or document.

(i) If a capital call is made to pay any obligation(s) of the Company or the Property Company LLC under or with respect to any such non-recourse carve out (including any guaranty or indemnity with respect to environmental matters), which obligation(s) arises directly as a result of the gross negligence or willful misconduct of GEPT SPE or GEPT SPE's Affiliates while GEPT SPE or GEPT SPE's Affiliate is the Replacement Managing Member, GEPT SPE shall contribute or cause to be contributed cash to or for the benefit of the Company, but only to the extent attributable to such gross negligence or willful misconduct of GEPT SPE (as agreed to in writing by GEPT SPE or determined by court order or judgment) and shall receive a corresponding credit to its Capital Account.

(ii) If a capital call is made to pay any obligation(s) of the Company or the Property Company LLC under or with respect to any such non-recourse carve out (including any guaranty or indemnity with respect to environmental matters), which obligation(s) arises directly as a result of the negligence of GEPT SPE or GEPT SPE's Affiliates, AA SPE (subject to clause (i) above of this Section 3.2(e)) shall contribute or cause to be contributed cash to or for the benefit of the Company or the Property Company LLC in the full amount necessary to discharge such obligation and shall receive a corresponding credit to its Capital Account, unless GEPT SPE delivers written notice to AA SPE of GEPT SPE's intent to contribute such funds, in which case GEPT SPE shall contribute or cause to be contributed cash to or for the benefit of the Company in the full amount necessary to discharge such obligation and shall receive a corresponding credit to its Capital Account. Any contributions made by AA SPE pursuant to this Section 3.2(e)(ii) shall be repaid pursuant to Section 8.3(i).

(iii) In all other circumstances, if a capital call is made to pay any obligation(s) of the Company or the Property Company LLC under or with respect to any such non-recourse carve out (including any guaranty or indemnity with respect to environmental matters), AA SPE shall contribute or cause to be contributed cash to or for the benefit of the Company in the full amount necessary to discharge such obligation and shall receive a corresponding credit to its Capital Account (provided, however, that the foregoing is not intended to waive or release any claims arising out of a failure of AA SPE, Manager or their respective Affiliates to comply with their respective obligations hereunder or under any Affiliate Agreement).

3.3 General.

(a) Except as specifically provided in this Agreement, no Member may contribute capital or property to, or withdraw capital or property from, the Company. To the extent any monies which any Member is entitled to receive pursuant to Article VIII would constitute a return of capital, each of the Members consents to the withdrawal of such capital.

(b) Interest earned on Company funds shall inure solely to the benefit of the Company. Unless otherwise specifically provided herein, no interest or similar return shall be paid on any Capital Contributions or advances to the capital of the Company, nor upon any undistributed or reinvested income or profits of the Company.

3.4 No Third Party Rights. The right of the Members to require any Capital Contributions under the terms of this Agreement shall not be construed as conferring any rights or benefits to or upon any Person not a party to this Agreement, the holder of any indebtedness of the Company, or the holder of any obligations secured by an encumbrance or lien upon or affecting the Company, any interest of a Member or the Property or any part thereof or any interest therein.

3.5 Return of Capital. Except as otherwise provided in Articles VIII or IX, no Member shall have the right to demand or to receive the return of all or any part of its contributions to the capital of the Company. In addition, no Member has the right to demand or to receive property other than cash in return for its contributions to the capital of the Company.

ARTICLE IV
MANAGEMENT

4.1 Meetings of the Members. The Managing Member shall conduct a management meeting as often as it determines that the management of the affairs of the Company shall require one, but shall hold such meetings not less frequently than quarter-annually, and shall conduct an annual meeting (which may be included as a part of one of the quarterly meetings) to review and approve the Annual Plan and any other Major Decisions that the Managing Member or Non-Managing Member desires to consider, whether or not prior notice of such proposal was distributed. The Non-Managing Member shall have the right to call management meetings on reasonable prior notice. Such management meetings shall be held at the principal place of business of the Company unless another location is otherwise designated by the Managing Member, including, but not limited to, meetings by telephone conference. Each Member shall be entitled to attend each meeting and such participation may be telephonic. The Managing Member, or Non-Managing Member, as the case may be, shall use reasonable efforts to distribute the proposed agenda for the meeting in question to the other Member within a reasonable period of time prior to such meeting. If a proposed agenda is delivered, the proposed agenda shall in no way limit the actual agenda for the meeting. The provisions of this Section 4.1 shall not be construed to impair the ability of the Managing Member to act pursuant to this Agreement (or to obtain approvals of the Non-Managing Member in connection with any Major Decision without a meeting).

4.2 Designation and Authority of the Managing Member.

(a) The Members have designated and do hereby designate AA SPE as the Managing Member of the Company. The day-to-day management of the Company shall be the obligation and responsibility of and rest exclusively with the Managing Member, who shall have all the rights and powers as are necessary or advisable for the management of the business and affairs of the Company in accordance with this Agreement; provided, however, that, subject to the provisions of Section 4.5 hereof, the prior written approval of the Non-Managing Member shall be required in connection with each Major Decision and as otherwise required by this Agreement. The Managing Member may, without the consent of the other Member, make appropriate expenditures for items to the extent specifically provided for or set forth in an approved Annual Plan, subject to the requirements of Section 4.6.

(b) In carrying out its functions, the Managing Member shall devote as much time and resources to the management of the Company Assets as are necessary to manage the Company Assets in accordance with prevailing standards applicable to office properties similar to the Property. Any such delegation of its duties and responsibilities hereunder shall not relieve Managing Member of any liability in respect of its duties and obligations hereunder; provided that the Managing Member's responsibility for selecting third-party providers (who are not Affiliates of the Managing Member) of service or materials to the Company shall be to use prudent business judgment in selecting such providers. So long as AA SPE is the Managing Member, it shall make available to the Company the full benefit of the judgment, experience and advice of its senior management team, including, without limitation, John Chamberlain and Ernest Rady, in performing the services called for hereunder by the Managing Member. If, while AA SPE is the Managing Member, neither of the foregoing individuals is active in the management of AA SPE or neither is charged with primary responsibility to carry out on AA SPE's behalf its responsibilities as the Managing Member (each a "**Key Man Event**"), and if, within sixty (60) days after such Key Man Event, AA SPE fails to engage replacement management charged with primary responsibility for carrying out AA SPE's responsibilities as the Managing Member pursuant to arrangements reasonably satisfactory to GEPT SPE, then GEPT SPE may elect via written notice to the Managing Member to require that the Company Assets (including the Property) be sold and the Company be liquidated pursuant to Article IX hereof, in which event the Managing Member shall cause the Company to sell the Company Assets; provided, however, that GEPT SPE shall not elect to have the Company Assets sold and the Company liquidated pursuant to this Section if AA SPE delivers an Offer Notice pursuant to Section 10.3 hereof prior to the expiration of said sixty (60) day period and AA SPE thereafter performs all of its obligations under said Section 10.3.

(c) The Managing Member shall not be paid a fee for its services to the Company. The Managing Member shall be reimbursed by the Company for out-of-pocket expenses reasonably incurred by the Managing Member in the performance of its obligations, provided that such expenses are incurred pursuant to the approved Annual Plan or otherwise approved by the Non-Managing Member in accordance with the requirements of this Agreement. Notwithstanding the foregoing, the Managing Member shall not be reimbursed for general administrative and overhead expenses of the Managing Member or its Affiliates (except as permitted by Section 4.4(b)). Except as herein stated in this Section 4.2(c), no Member shall receive any compensation for its services to the Company as a Member.

(d) No Member shall permit the registration or listing of interests in the Company on an "established securities market", as such term is used in Treasury Regulations Section 1.7704-1.

(e) No Member shall permit the Company to elect, and the Company shall not elect, to be treated as an association taxable as a corporation for United States federal, state or local income tax purposes under Treasury Regulations Section 301.7701-3(a) or under any corresponding provision of state or local law. Any action or other decision in connection with any such election relating to the Company shall be the subject of a Major Decision.

4.3 Annual Plan Decisions.

(a) The Managing Member shall prepare and submit, or cause any Manager to prepare and submit, to the Members for approval a proposal for the following items (collectively, to the extent approved by the Members, the "**Annual Plan**") for the Property and the Company on an annual basis: (i) an operating budget (the "**Operating Budget**") setting forth the estimated revenues and expenses (including permitted variances and contingencies) of the Company, the Property Company LLC and the Property for the ensuing Fiscal Year; (ii) a capital budget (the "**Capital Budget**"), which shall include the proposed capital expenditures (including permitted variances and contingencies) relating to the Property and sources of funds in connection therewith, including the projected time for, and amount of, any projected Additional Capital Contributions to be required by the Members during the period covered by such budget and the capital required by the Property Company LLC; (iii) a year-end internal valuation of the Property; (iv) a brief but reasonably complete written description of the anticipated plan for operating and handling the Company Assets during the ensuing Fiscal Year; and (v) an analysis of the market in which the Property is located and competing projects. Attached hereto as Exhibit E is the approved Annual Plan for the period from the date hereof (assuming for this purpose that the closing of the purchase of the Property under the Purchase and Sale Agreement occurs on the date hereof) through December 31, 2007 (the "**Initial Annual Plan**"). The proposed Annual Plan for each subsequent Fiscal Year of the Company after December 31, 2007 shall be submitted for the approval of the Members not later than October 31st of the year prior to the Fiscal Year covered thereby. If the Members do not approve an Annual Plan for the Company, then the preceding year's Annual Plan will apply until the earlier of (A) June 30 of the applicable Fiscal Year, or (B) a new Annual Plan is approved by the Members, with actual increases in non-discretionary expenses (e.g., real estate taxes, insurance, debt service, and Service Agreement fee escalations) and deletion of non-recurring items other than expenses for non-recurring items that have already been approved by the Members but have not yet been fully performed and/or funded. In addition to the foregoing, items approved by the Members, the cost of which the Members expected to be incurred over more than one year (and therefore to be included in more than one Annual Plan) shall also be deemed approved so as to continue to permit the Company to continue to undertake such item.

(b) The terms of each Annual Plan shall be subject to review and modification at the end of each calendar quarter upon the approval of both Members.

(c) Subject to the provisions of Section 4.5 hereof, Managing Member shall not, without the prior consent of the Non-Managing Member, rent or lease or commit the Company or the Property Company LLC to rent or lease, any space in the Property, except pursuant to leases which do not constitute a Major Decision.

(d) During each Fiscal Year in the performance of its duties provided for herein, the Managing Member and any Manager shall not expend any amounts not provided in the Operating Budget or Capital Budget set forth in the Annual Plan, except in an Emergency Situation (and notice of any emergency expenditures shall promptly be given to all Members); provided that the Managing Member or any Manager may exceed any line item in any Operating Budget or Capital Budget by not more than ten percent (10%) so long as the aggregate amount by which such Budget is exceeded (excluding any contingency provided for in such Budget) is not more than five percent (5%) of the total amount of such Budget. If the Managing Member becomes aware of the fact that there is not sufficient income to cover current operating expenses, each Member shall be promptly notified.

4.4 Affiliate Agreements; Employment and Termination.

(a) The terms of all Affiliate Agreements shall be subject to the prior written approval of both Members, which approvals shall not be unreasonably withheld, conditioned or delayed in the event that the terms of the services provided by such Affiliate under such Affiliate Agreement or pursuant to such transaction are comparable to the terms and level of service that would apply in a similar arrangement with an unaffiliated party and are on competitive market rates and terms. In any event, the Managing Member shall cause each Affiliate Agreement to provide that it may be terminated as contemplated by Section 4.4(c) below. Each Affiliate which is a party to an Affiliate Agreement shall be qualified to perform, and shall be capable of performing, its respective obligations under such Affiliate Agreement. Except as otherwise agreed in writing by both Members, the Managing Member shall enforce each Affiliate Agreement in accordance with its terms and the Managing Member shall not, nor shall it cause the Company or the Property Company LLC (y) to, amend or waive any rights under any Affiliate Agreement (including, without limitation, the Management Agreement), or (z) to amend or waive any rights of the Company or the Property Company LLC under any transaction with the Managing Member or an Affiliate of the Managing Member.

(b) For their respective services, each Affiliate that is a party to an Affiliate Agreement shall be compensated and shall be entitled to expense reimbursements as provided in any such Affiliate Agreement entered into in accordance with this Agreement. Other than as stated in this Section 4.4(b), no Affiliate shall be entitled to any compensation for its services to the Company or to the Property.

(c) Notwithstanding any other provision to the contrary in this Agreement, at any time that any Affiliate of any Member is a party to an Affiliate Agreement, the Member other than the Member whose Affiliate is a party to such Affiliate Agreement, shall have the right to cause the Company or the Property Company LLC, as applicable, to terminate the services of the Affiliate under the applicable Affiliate Agreement:

(i) upon the occurrence of any event entitling the Company or the Property Company LLC, as applicable, to terminate such Affiliate Agreement, if such event shall remain uncured after the delivery by the Company or the Property Company LLC, as applicable, to the Affiliate of any required notice of such event and the expiration of any applicable cure period thereunder (with such required notice to be delivered promptly upon the occurrence of any material breach or default); or

(ii) in the event that AA SPE is in Default and GEPT SPE has designated a Replacement Managing Member pursuant to Section 4.5(a) below.

(d) In the event that the Member, other than the Member whose Affiliate is a party to such Affiliate Agreement, shall have caused the termination of such Affiliate Agreement pursuant to this Section 4.4(c), then such Member shall be entitled to cause the Company or the Property Company LLC, as applicable, to enter into on behalf of the Company or the Property Company LLC, as applicable, a new agreement and to appoint the new other party thereunder, such appointment to be on commercially reasonable terms and conditions

4.5 Default of the Managing Member.

(a) Upon GEPT SPE's determination that a Default has occurred with respect to AA SPE, GEPT SPE or a Person designated by it ("**Replacement Managing Member**") shall automatically become the Managing Member and upon such replacement, but subject to Section 4.5(b), all management rights and obligations with respect to the Managing Member after such replacement of

AA SPE shall be exercised by the Replacement Managing Member (it being understood that in the event that the Replacement Managing Member shall not be GEPT SPE, such Replacement Manager shall have no Membership Interests in the Company), provided that in no event shall the Replacement Managing Member have any liability of any kind or nature whatsoever which in any way arises from, out of or related to acts or omissions which occurred, or facts, circumstances or conditions which existed, prior to such replacement.

(b) GEPT SPE shall have the right, effective upon its determination that a Default has occurred with respect to AA SPE and notwithstanding any other provision of this Agreement to the contrary: (i) to appoint a Replacement Managing Member until (if ever) AA SPE is reinstalled as the Managing Member by written agreement of the Members or by virtue of a court order; and (ii) regardless of whether GEPT SPE has appointed a Replacement Managing Member, to make unilaterally all decisions and approvals, other than Unanimous Decisions, which the Company or the Members are permitted to make (notwithstanding any provisions of this Agreement, including, without limitation, the provisions of this Article IV, to the contrary), such authority to continue until (if ever) AA SPE is reinstalled as the Managing Member as provided in clause (i) above; provided, however, that the foregoing is not intended to limit, and AA SPE shall retain, the right to deliver a Buy-Sell Notice under Section 10.4 hereof in accordance with the terms thereof and to enforce the provisions of this Agreement relating to such a buy/sell in accordance with Section 10.4 hereof. For a period of thirty (30) days after (x) GEPT SPE delivers a notice to AA SPE that GEPT SPE or its designee has become the Replacement Managing Member or (y) AA SPE otherwise becomes aware that GEPT SPE or its designee has become the Replacement Managing Member, GEPT SPE shall not cause the Company to cause the Property Company LLC to enter into an agreement to sell or to sell its undivided interest in the Property. If GEPT SPE has appointed a Replacement Managing Member, AA SPE shall be excused prospectively from performing its obligations under this Agreement as the Managing Member until (if ever) AA SPE is reinstalled as the Managing Member as provided in clause (i) above. If AA SPE is reinstalled as the Managing Member by virtue of a court order, then GEPT SPE shall be liable to the Company and AA SPE for any litigation costs (including reasonable attorneys' fees) which the Company or AA SPE, as the case may be, incurred on account of GEPT SPE's election. If a court order concludes that a Default had occurred with respect to AA SPE, then AA SPE shall be liable to the Company and GEPT SPE for any litigation costs (including reasonable attorneys' fees) which the Company or GEPT SPE, as the case may be, incurred on account of GEPT SPE's election.

4.6 Major Decisions.

(a) Except to the extent otherwise specifically provided for in this Agreement, no act shall be taken, sum expended, decision made, approval granted or obligation incurred by the Company or the Managing Member with respect to a Major Decision unless and until the same shall have been approved by both Members. Major Decisions may be proposed by the Managing Member or GEPT SPE at any time (provided that GEPT SPE may not propose a sale within two (2) years from the date of this Agreement unless (x) AA SPE is in Default, or (y) AA SPE has called for an Additional Capital Contribution). For so long as AA SPE is the Managing Member, if either Member shall decide to propose a Major Decision as provided aforesaid, such proposal shall be made to the other Member in writing (which writing shall include a statement to the effect that the proposed decision is a "Major Decision" under this Section 4.6), together with, to the extent then reasonably available to the proposing Member, any material information known to the proposing Member which is reasonably necessary for the other Member to make an informed decision (it being understood that following the removal of AA SPE as Managing Member and until AA SPE shall be reinstalled (if ever) as Managing Member, no such notice shall be required). Upon receipt of the proposed Major Decision and such information, the other Member shall have fifteen (15) days to either approve or disapprove, in its sole discretion, the proposed Major Decision. Failure to deliver a written approval within the applicable time limit shall be deemed a

denial of approval. Each Member who disapproves (or is deemed to have disapproved) a proposed Major Decision shall notify the other Member promptly, in writing, of its reasons for such disapproval if requested to do so by the other Member (it being understood, however, that the foregoing is not intended to limit the discretion of a Member in determining whether to approve or disapprove a Major Decision).

(b) Except as otherwise provided in this Agreement, the Managing Member shall (and shall have the right and obligation to), in good faith, take any and all action which the Managing Member deems necessary or appropriate, in accordance with the provisions hereof, with regard to the operations of the Company, to effectuate Major Decisions approved by both Members, and GEPT SPE shall be bound thereby as if it had joined in such action.

The provisions of this Section 4.6 are subject to the limitations set forth in Section 13.28.

4.7 Approvals and Consents. Except as otherwise specifically provided in this Agreement, where the granting or withholding of approval or consent of any Member (other than the Managing Member acting in its capacity as Managing Member to effectuate any Major Decision approved pursuant to Section 4.6 and/or otherwise carrying out the day-to-day management of the Company in a manner consistent with the terms of this Agreement) is required, requested or contemplated pursuant to any provision of this Agreement or otherwise in connection with the business of the Company, including the approval or consent with respect to any Major Decision:

(a) The granting of such approval or consent shall be in writing (unless deemed given as provided for elsewhere in this Agreement); and

(b) such approval or consent shall be granted or withheld in the sole and absolute discretion of such Member.

4.8 Copies of Notices Affecting the Property. In the event that either Member or an Affiliate of either Member receives any service of process or any notice of (or similar document relating to) any action, omission, violation or circumstance which could have an adverse effect on the operation or value of the Company and/or the Company Assets, then the Person receiving such service, notice or other document shall deliver a copy of same to the other Member, as soon as practicable; provided, however, that if the Person receiving such notice or other document is not a party to this Agreement, then the party to this Agreement whose Affiliate received such notice shall cause such Affiliate to deliver a copy of same to the Members.

4.9 Bank Accounts. On behalf and at the expense of the Company and the Property Company LLC, as applicable, the Managing Member shall maintain or cause any Manager to maintain accounts in banks or trust companies in the U.S., for the deposit and disbursement of all funds relating to the Company and the Property Company LLC, respectively (provided, however, that AA SPE shall provide prior written notice to GEPT SPE of the banks or trust companies in which any funds of the Company or the Property Company LLC shall be deposited). The funds of the Company and the Property Company LLC shall not be commingled with the funds of any other Person. The Managing Member shall not employ any funds in such bank accounts in any manner except for the benefit of the Company or the Property Company LLC, as applicable, and in accordance with this Agreement. Notwithstanding the foregoing, the Managing Member shall maintain all such accounts in accordance with the requirements of any applicable Loan Documents.

4.10 UBTI. Notwithstanding anything to the contrary contained in this Agreement, the Managing Member, the Company and the Property Company LLC shall use their best efforts, and the Managing Member shall cause any Manager to use its best efforts, to conduct the Company's and the Property Company LLC's business and manage the Company Assets in a manner necessary to avoid the realization of UBTI to any of the Members or their members or partners. In furtherance of the foregoing

sentence, without first obtaining the consent of the other Member, the Managing Member will not permit the Company or the Property Company LLC to undertake any types of revenue-generating activity which have not been previously approved either pursuant to its approval of the Annual Plan (if the income from such new service is clearly indicated on such Annual Plan) or otherwise, that would cause UBTI.

4.11 Tax Exempt Status. Each Member is aware of the material limitations on the actions of the Company, due to the tax exempt status of General Electric Pension Trust ("**GEPT**"). Each Member hereby agrees that the Managing Member shall cause the Company to participate solely in activities that further the tax exempt purpose of GEPT and shall forego to take any action which would be inconsistent with such tax exempt purpose of GEPT.

4.12 Property Management.

(a) The Property has certain unique development opportunities that require material active management, including, without limitation: (i) the development of approximately 600,000 square feet of unimproved land at the Property; and (ii) the re-deployment of material space within the presently leased buildings at the Property of greater than 136,000 rentable square feet of which the existing tenant at the Property is not occupying so as to transform one or more of the buildings at the Property from a single-tenant space into a multi-tenant space. The potential utilization of any development opportunities at the Property are material to the decision by the Company to invest in the Property and the Managing Member shall be responsible for actively managing the successful realization of such opportunities. The Asset Management Agreement sets forth the steps in which AAI, as the Manager, shall undertake in order to enhance the likelihood of successful realization of the development opportunity.

(b) The Managing Member shall cause the Company or the Property Company LLC to retain, as an independent contractor, a property manager and a leasing broker (who may or may not be one and the same) qualified to manage or broker, as the case may be, properties similar to the Property (said manager and broker, collectively, "**Manager**"). The Manager shall be retained to provide such services as the Managing Member deems advisable, including, without limitation, building management, leasing and development. Any agreement or contract (the "**Management Agreement**") between the Company or the Property Company LLC and Managing Member or an Affiliate of Managing Member shall be subject to the prior written approval of GEPT SPE (which approval shall not be unreasonably withheld, conditioned or delayed); provided that such Management Agreement shall include the terms set forth in clauses (i)-(ii) below) and shall provide that: (i) the fees payable to Manager shall be not greater than the fair market fees payable by owners of properties similar to the Property to managers or brokers similar to Manager in the market in which the Property is located; and (ii) any personnel required to perform the services contracted for under the Management Agreement shall be employees of a party other than the Company or the Property Company LLC. The Managing Member shall monitor the Manager in the performance of the active management of the development opportunities at the Property and the Managing Member shall enforce the provisions of the Asset Management Agreement setting forth such active management of the development opportunities at the Property. The Managing Member shall, directly and indirectly (by monitoring the performance of the Manager), work closely with the tenant at the Property in managing the Property, by establishing procedures for (A) the frequent inspection of the condition of the Property, and (B) the frequent review of the financial records pertaining to the management and maintenance of the Property. The Managing Member shall (1) plan for the re-deployment of the presently leased buildings at the Property upon the expiration of the Fireman's Fund Lease, and (2) monitor the condition of the Property so as to permit the Company to promptly respond to any adverse circumstances affecting the Property or the financial condition of the Fireman's Fund.

(c) The Managing Member shall monitor the Manager in the performance of the active management of the Property and the Managing Member shall enforce the provisions of the Asset Management Agreement setting forth such active management of the development opportunities at the Property.

(d) The Members hereby approve the Property Company LLC entering into that certain Asset Management Agreement with AAI, an Affiliate of AA SPE, the form of which is attached hereto as Exhibit D. Initially, (i) AAI shall be designated as the "Manager" under the terms of said Asset Management Agreement, and (ii) said Asset Management Agreement shall constitute the "Management Agreement" under the terms of this Agreement.

(e) The Managing Member agrees that it shall not deposit, and it shall not permit the Property Company LLC to deposit, any funds of the Company or the Property Company LLC into any bank, brokerage, or similar account unless the same first has been approved in writing by GEPT SPE.

4.13 Special Covenants of Managing Member.

(a) Managing Member shall, or shall cause the Manager to, comply, or cause tenant to comply pursuant to the Fireman's Fund Lease, with the insurance requirements set forth on Exhibit C hereto.

(b) Managing Member shall cause the Company or the Property Company LLC, at Company expense, to retain legal counsel to institute all necessary legal action or proceedings for the collection of rent or other income from the Property, or for the eviction or dispossessing of tenants or other persons therefrom; provided that, subject to the provisions of Section 4.5 hereof, (i) Managing Member shall not terminate, amend or waive any material provisions of, or permit the Property Company LLC to terminate, amend or waive any material provisions of, any lease (including the Fireman's Fund Lease) without the prior written approval of the Non-Managing Member, and (ii) Managing Member shall notify the Non-Managing Member of such counsel for its approval prior to retaining such counsel.

ARTICLE V
PARTITION

Each of the Members irrevocably waives, during the term of the Company and during any period of its liquidation following any dissolution, any right that it may have to maintain any action for partition in kind with respect to any Company Asset (including, without limitation, the Property).

ARTICLE VI
COVENANTS, WARRANTIES AND REPRESENTATIONS OF MEMBERS

6.1 Representations and Warranties of Members. Such Member, or each beneficial owner of such Member, is a "qualified purchaser" as such term is defined in Section 2(a)(51)(A) of the U.S. Investment Company Act of 1940, as amended from time to time, and the rules and regulations of the Securities and Exchange Commission promulgated thereunder (collectively, the "**Investment Company Act**") and, to the extent requested by the Company, has submitted information substantiating such individual qualification;

(h) (1) the Membership Interest acquired or to be acquired by such Member are being acquired solely for its own account as principal, for investment purposes only, and (2) such Member has not offered or sold the Membership Interest or any portion thereof nor does it have any present intention of dividing such Membership Interest with others or of selling, distributing or otherwise disposing of any portion of such Membership Interest either currently or after the passage of a fixed or determinable period of time or upon the occurrence or non-occurrence of any predetermined event or circumstance in violation of the Securities Act;

(i) Such Member understands that it is the position of the Securities and Exchange Commission that the statutory basis for an exemption under the Securities Act may not be present in connection with the issuance of the Membership Interest if its present intention were to acquire the Membership Interest with an intent to resell or to hold such securities for a short period, for a deferred sale, for a market rise, or for any other fixed period;

(j) Such Member understands and agrees that none of the Membership Interests in the Company have been registered under the Securities Act or applicable state securities laws, and are being acquired from the Company in a transaction not involving a public offering, and that under such laws and applicable regulations such interests may not be resold unless such interests are subsequently registered under the Securities Act and such other laws or such resale is exempt from such registration. Such Member is aware that an exemption from the registration requirements of the Securities Act pursuant to Rule 144 promulgated thereunder is not presently available, and the Company has no obligation to register the Membership Interests subscribed for hereunder or to make available an exemption from the registration requirements pursuant to such Rule 144 or any successor rule for resale of the Membership Interest. Such Member understands that there is no market for its Membership Interest and there can be no assurance that such a market will exist at any future time;

(k) All documents pertaining to the investment in the Membership Interest have been made available for inspection by such Member and such legal, tax, accounting and financial advisers as it has deemed necessary or desirable. Such Member and such advisors have had a reasonable opportunity to ask questions and receive information from a person or persons acting on behalf of the Company concerning such investment, the Company Assets, the Company, the Property Company LLC and such other matters as such Member and any of its advisors have deemed necessary or desirable. All such questions have been answered to the full satisfaction of such Member and any such advisors, and such Member has received all such information requested but such Member has in all events relied upon its own due diligence in evaluating this instrument. Such Member acknowledges and agrees that it has been represented by counsel in connection with its acquisition of its Membership Interest;

(l) Such Member further acknowledges that any projections or similar financial information provided to it with respect to the intended activities of the Company and the Property Company LLC are based upon assumptions that are subject to significant economic, competitive and other uncertainties, many of which are beyond the control of the Company and the Property Company LLC. The actual results of the Company and the Property Company LLC will differ from those projected because, among other reasons, some assumptions may not materialize and unanticipated events and circumstances may occur, and those differences may well be materially adverse to the Company or the Property Company LLC;

(m) In evaluating the suitability of an investment in the Company, such Member has carefully reviewed all information that it considers to be necessary or desirable in connection with such investment and is familiar with and understands the terms of such investment. Such Member has carefully considered and has, to the extent such Member believes such discussion necessary or desirable, discussed with its professional legal, tax, accounting and financial advisers the suitability of an investment in the Membership Interest for its particular tax and financial situation and has determined that the Membership Interest being subscribed for by it is a suitable investment for such Member. With respect to individual or other tax and other economic considerations involved in this investment, such Member is not relying on the Company, the Property Company LLC or any other person;

(n) Such Member hereby acknowledges that no federal or state agency has made any finding or determination as to the fairness of the terms of the purchase and sale of the Membership Interest for investment nor any recommendation or endorsement of the investment in the Membership Interest;

(o) The issuance of the Membership Interests to the Members is intended to be exempt from registration under the Securities Act by virtue of Section 4(2) of the Securities Act, and, if applicable, in the sole judgment of the Company, the provisions of Regulation D thereunder, which is in part dependent upon the truth, completeness and accuracy of the statements made by such Member herein and in any other documents furnished by such Member to the Company;

(p) It is understood that in order not to jeopardize the exempt status under Section 4(2) of the Securities Act of the purchase and sale of the Membership Interests and, if applicable, in the sole judgment of the Company, Regulation D thereunder and the status of the Company under Section 3(c)(7) of the Investment Company Act, any transferee of the Membership Interests (if such transfer is otherwise permitted hereunder) may be required to fulfill the investor suitability requirements thereunder, including, without limitation, the requirement that such transferee by a "qualified purchaser" as such term is defined in Section 2(a)(51)(A) of the Investment Company Act; and

(q) Neither Member is aware of any brokerage commission, finders fee or similar fee payable by the Company or the Property Company LLC in connection with the formation of the Company or the Property Company LLC or the Company's or the Property Company LLC's acquisition of the Property. AA SPE hereby agrees to indemnify, protect, defend and hold harmless GEPT SPE, GEPT SPE's Affiliates, the Company and the Property Company LLC from any loss, claim, damage or liability for any brokerage commissions or finder's fees claimed by any broker or other party in connection with AA SPE's acquisition of its interest in the Company, the formation of the Company or the Property Company LLC or the Company's or the Property Company LLC's acquisition of the Property, which arises from any commitment or other action in favor of a third party of AA SPE or any of its Affiliates. GEPT SPE hereby agrees to indemnify, protect, defend and hold harmless AA SPE from any loss, claim, damage or liability for any brokerage commissions or finder's fees claimed by any broker or other party in connection with GEPT SPE's acquisition of its interest in the Company, the formation of the Company or the Property Company LLC or the Company's or the Property Company LLC's acquisition of the Property, which arises from any commitment or other action in favor of a third party of GEPT SPE or any of its Affiliates.

6.2 Representations and Warranties of AA SPE. In addition to the covenants, warranties and representations made elsewhere in this Agreement, AA SPE does hereby warrant and represent to GEPT SPE and the Company that, as of the date of this Agreement (and only as of the date of this Agreement), the following representations and warranties related to AA SPE are true and correct in all material respects:

(a) There have been no amendments to the Purchase and Sale Agreement, and the Purchase and Sale Agreement continues in full force and effect. Neither AAI nor AA SPE previously has assigned, pledged, or otherwise encumbered (or transferred to any other person or entity) any interest in the Purchase and Sale Agreement or the Property (other than as described in the Recitals).

(b) AA SPE is a limited partnership duly organized under the laws of the State of California. The Ernest Rady Trust (existing under a Declaration of Trust dated March 10, 1983) owns, directly or indirectly (and free and clear of any rights, claims, interests, liens or other encumbrances of any other party whatsoever), (i) 100% of the interests within the sole general partner within AA SPE, and (ii) at least 51% of the interests within the sole limited partner within AA SPE. Said limited partner holds, free and clear of any other claims of any other parties whatsoever, at least 75% of the interests within the profits and losses of AA SPE. AA SPE has provided GEPT SPE with an unaudited balance sheet for the Ernest Rady Trust, and the same is accurate as of the stated date thereof in all material respects (it being understood that the assets included in the unaudited balance sheet are reflected on a cost basis).

(c) AA SPE holds its Membership Interest within the Company free and clear of any rights, claims, interests, liens or other encumbrances of any other persons or entities whatsoever.

(d) AA SPE has provided GEPT SPE with copies of (or have made available to GEPT SPE for inspection) all material documents provided by the Seller under the Purchase and Sale Agreement to AAI and or any of its Affiliates, and neither AAI nor AA SPE have discovered additional information with respect to the Purchase and Sale Agreement or the Property which has not been disclosed in writing to GEPT SPE and which reasonably could be expected to have a material adverse impact on the Company or GEPT SPE. To the actual knowledge of AA SPE after due inquiry, the provision of such information and materials to GEPT SPE does not violate or result in a breach of any confidentiality obligations owed by AAI or any other person or entity arising out of the Purchase and Sale Agreement or any other agreements entered in connection therewith.

(e) To the actual knowledge of AA SPE after due inquiry, (i) the right of first offer included in Section 19.5 of the Fireman's Fund Lease has been duly waived by the tenant thereunder, and (ii) the consummation of the sale of the Property to the Company pursuant to the Purchase and Sale Agreement on or before June 15, 2007 shall not violate the right of first offer or give rise to any claim in favor of the tenant under the Fireman's Fund Lease (or any other person or entity) on account of any purported failure to comply with the terms of the right of first offer.

(f) As of the date of this Agreement, the Managing Member has operated the Company in accordance with the Initial Annual Plan approved per the Existing LLC Agreement.

(g) After giving effect to the supplemental Capital Contributions described in Section 3.1(b), and the closing of the purchase of the Property pursuant to the Purchase and Sale Agreement, the Company Assets shall include liquid working capital equal to at least $250,000.

6.3 Member Indemnity/Guaranties.

(a) Each of the Members shall indemnify and hold harmless the Company and the other Member from and against any and all losses, damages, liabilities, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) and claims of any and every kind (collectively, "**Losses**") which in any way arise from any breach by such Member of the representations and warranties set forth in this Agreement. The aforesaid indemnity and hold harmless shall in each case (i) be several, not joint, (ii) be recourse as between the indemnifying Members, only to each such Member's Membership Interest, and (iii) be payable only to the extent of distributions to each such indemnifying Member, such that any amount to be otherwise distributed to such indemnifying Member shall be paid instead to such indemnified parties (pro rata among such indemnified parties in proportion to the total amounts owed to such indemnified parties).

(b) Subject to Section 3.2(e), if the Company, its Members or any Affiliates of such Members shall be required to provide a guaranty, assurances or indemnities in connection with any Loan, then both Members shall be obligated to provide such guaranty, assurances or indemnities and each Member hereby agrees that, except as provided below, each such Member's share of liability under any such guaranties, assurances or indemnities, notwithstanding the characterization of such any such liability as several under the applicable Loan document, shall be in an amount equal to the Member's respective Percentage Interests in the Company at the time such guaranty, assurance or indemnity is provided. Notwithstanding the foregoing, but subject to compliance with Code Section 514(c)(9)(E) and the Regulations promulgated thereunder as determined by GEPT SPE, to the extent the actions or inactions of only one of the Members results in liability under any of the aforementioned guaranties or indemnities to the other Member, the Member causing such liability shall bear the liability thereunder and shall indemnify and hold harmless the other Member from and against all damages, expenses and liabilities incurred by such Member under such guaranties and indemnities.

6.4 Survival. Notwithstanding anything to the contrary in this Agreement, the provisions of this Article VI shall survive the expiration or sooner termination of this Agreement.

(d) As soon as practicable (but in no event later than thirty (30) days after the end of each quarter of each Fiscal Year during the term of this Agreement), the Managing Member shall arrange for and furnish to the other Member unaudited balance sheets, an unaudited cash flow statement and an unaudited income statement for the Company and the Property Company LLC as at such quarter-end.

(e) As soon as practicable (but in no event later than ninety (90) days after the end of each Fiscal Year during the term of this Agreement), the Managing Member shall use its best efforts to arrange for and furnish to the other Member audited financial statements certified by the Company Accountants (each, an "**Annual Report**") for such Fiscal Year accurately reflecting the financial condition and the results of operation of the Company and the Property Company LLC, all prepared using fair value basis accounting and in accordance with the applicable provisions of this Agreement.

(f) The Managing Member shall cause to be prepared by the Company Accountants all returns which must be filed by the Company and the Property Company LLC with any taxing authority. The Company Accountants shall submit such returns in draft form to the Company and the Members for their approval at least thirty (30) days prior to the required filing date (as extended by all extensions available as of right); each Member shall review and comment thereon in a timely manner so as to enable the Company to meet all filing deadlines and all deadlines set forth in this Section 7.1 and no tax return may be filed without the approval of both Members. The Managing Member shall use its best efforts to cause the Company Accountants to deliver to the Company and each Member as soon as

practicable, but in any event no later than fifteen (15) days prior to the filing deadline (as extended by all extensions available as of right) for the Company's and the Property Company LLC's tax returns for each Fiscal Year, (i) a copy of the Company's and the Property Company LLC's tax returns for such Fiscal Year and (ii) the Schedule K-1 thereto for such Member. In addition, the Managing Member shall cause to be made available to each Member such other information as any Member may reasonably require to enable such Member to prepare its own tax returns, and other filings required by law to be made by such Member, in a timely and accurate manner.

(g) The Managing Member shall deliver to GEPT SPE: (i) copies of monthly, quarterly and annual reports that the Company delivers to any lender under any Loan; and (ii) such other reports, statements and financial information concerning the Company, the Property Company LLC or the Property as may be requested by GEPT SPE.

(h) Except as otherwise expressly provided herein, the costs incurred in connection with Section 7.1(a)-(i) shall be expenses of the Company.

(i) Subject in all events to the provisions set forth in this Section 7.1(i), the Managing Member shall have full power and authority to act for the Company as Tax Matters Partner, as defined in Section 6231(a)(7) of the Code, with all the rights and responsibilities of that position described in Sections 6222-32 of the Code and to act in any similar capacity under applicable state or local law. The Tax Matters Partner covenants and agrees to observe and perform its duties and obligations in accordance with the following provisions:

(i) Subject to the provisions of Section 4.5 hereof, the Tax Matters Partner shall take no action in such capacity which may have a material effect upon the other Member without the authorization or consent of the Other Member, other than such action as the Tax Matters Partner may be required to take by law. The Tax Matters Partner shall use its best efforts to comply with the responsibilities outlined in Sections 6222 through 6232 of the Code.

(ii) Subject to the provisions of Section 4.5 hereof, the Tax Matters Partner shall not enter into any extension of the period of limitations for making assessments on behalf of the Members without first obtaining the written consent of the other Member.

(iii) Subject to the provisions of Section 4.5 hereof, the Tax Matters Partner shall not bind the Company or the Property Company LLC to a settlement agreement without obtaining the written concurrence of the other Member. For purposes of this clause (iii), the term "settlement agreement" shall include a settlement agreement at either an administrative or judicial level. Any Member that enters into a settlement agreement with respect to any Company items or the Property Company LLC items (within the meaning of Section 6231(a)(3) of the Code) shall notify the other Member of such settlement agreement and its terms within ninety (90) calendar days after the date of settlement.

(iv) With respect to any tax issue relating to UBTI, GEPT SPE shall have the right to approve all judicial and administrative proceedings in connection therewith, and (i) the Tax Matters Partner shall not take any action, including extending the Company's statute of limitations and entering into a settlement agreement (as defined above), without the prior consent of GEPT SPE and (ii) the Tax Matters Partner, the Company and the Property Company LLC shall take any actions directed by GEPT SPE, subject to the consent of the Managing Member which may not be unreasonably withheld, delayed or conditioned.

(v) The provisions of this Section 7.1(i) shall survive the termination of the Company or the Property Company LLC or the termination of any Member's Membership Interest in the Company or the Company's interest in the Property Company LLC and shall remain binding on the Members for a period of time necessary to resolve with the Internal Revenue Service or the United States Department of the Treasury any and all matters regarding the United States federal income taxation of the Company.

(vi) The Tax Matters Partner, in its capacity as the Tax Matters Partner, shall be reimbursed by the Company for any third party out-of-pocket costs and expenses reasonably incurred by it in the performance of its duties as Tax Matters Partner. No Member shall be reimbursed by the Company for any costs and expenses incurred by such Member in pursuing on its own behalf any of its rights to file petitions, seek judicial review, etc. under this Section 7.1(i) unless (y) the other Member, in its sole discretion, agrees to such reimbursement, or (z) such costs or expenses are incurred by GEPT SPE with respect to its activities pursuant to Section 7.1(i)(iv) hereof.

(vii) Any provision hereof to the contrary notwithstanding, solely for United States federal income tax purposes, each of the Members hereby agrees that the Company will be subject to all provisions of Subchapter K of Chapter l of Subtitle A of the Code; provided, however, that the filing of partnership tax returns shall not be construed to extend the purposes of the Company or expand the obligations or liabilities of the Members. Except as otherwise provided in this Agreement, the Tax Matters Partner shall make such elections as the Tax Matters Partner shall reasonably determine, subject to compliance with Code Section 514(c)(9)(E) and the Regulation promulgated thereunder (as determined by GEPT SPE). Each Member will, upon request, supply the information necessary properly to give effect to such election. Subject to the provisions of Section 4.5 hereof, any election that the Tax Matters Partner wishes to make under the Code or, except as otherwise provided in this Agreement, any Treasury Regulation shall be subject to the consent of the other Member if such election could have an adverse tax or other effect on the other Member.

7.2 Property Records.

(a) Managing Member shall, or shall cause Manager to, render monthly reports for the preceding calendar month, on or before the twentieth (20th) day of each month, in form and with content satisfactory to GEPT SPE. Such monthly reports shall include, without limitation, the following:

(b) Managing Member shall, or shall cause Manager to, prepare and submit to the Members on or before October 15th of each year during the term of this Agreement, a ten (10) year discounted cash flow model for the Property in such form and incorporating such assumptions and projections as reasonably directed by GEPT SPE.

(c) Managing Member shall, or shall cause Manager to, deliver to the Members such other reports in such formats and with such supporting information GEPT SPE may from time to time reasonably request. Managing Member shall, or shall cause Manager to, maintain at the Property all documentation necessary to support the information included on the reports set forth in Section 7.2(a) and 7.2(b).

ARTICLE VIII
CAPITAL ACCOUNTS; DISTRIBUTIONS

8.1 Capital Accounts. There shall be established on the books and records of the Company a capital account (a "**Capital Account**") for each Member.

8.2 Adjustments. As of the last day of each Period, the balance in each Member's Capital Account shall be adjusted by (a) increasing such balance by such Member's (i) allocable share of Net Profit (allocated in accordance with Section 8.5) for such Period, (ii) Capital Contributions made by such Member during the Period (reduced by any liabilities encumbering assets other than cash contributed by such Member during the Period, which liabilities the Company is considered to assume or take subject to under Code Section 752), and (b) decreasing such balance by (y) the amount of cash or the fair market value of other assets distributed to such Member (net of any liabilities encumbering the distributed assets that such Member is considered to assume or take subject to under Code Section 752), and (z) such Member's allocable share of Net Loss (allocated in accordance with Section 8.5). Each Member's Capital Account shall be further adjusted with respect to any special allocations pursuant to this Article VIII. The provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Sections 1.704-1(b) and 1.514(c)-2, and shall be interpreted and applied in a manner consistent with such Treasury Regulations.

8.3 Distributions. Subject to the provisions of Section 9.2 and the terms of any Loan, undistributed Cash Flow, if any, shall be distributed quarterly (no later than the earlier of the fifteenth (15th) day after the end of each quarter or the fifth (5th) business day after the receipt by the Company of any net proceeds from any Disposition) to the Members as follows:

(i) First, to AA SPE to the extent of any contributions made by it pursuant to Section 3.2(e)(ii) hereof;

(ii) Second, to the Members in proportion to and to the extent of their respective amounts of Unrecovered Capital;

(iii) Third, to the Members in the proportion and to the extent necessary for each Member to recognize an 8% Internal Rate of Return taking into account all prior distributions pursuant to Sections 8.3(ii) and (iii); and

(iv) Fourth, to the Members in accordance with their respective Residual Distribution Percentages.

8.4 Negative Capital Accounts. No Member shall be required to make up a negative balance in its Capital Account.

8.5 Allocations of Net Profit and Net Loss.

(a) Subject to and after application of Sections 8.5(c), 8.5(d) and 8.9 hereof, Net Profit for each Period shall be allocated as follows:

(i) First, to the Members in amounts sufficient to offset, in reverse order, all prior allocations of Net Losses pursuant to the second sentence of Section 8.5(b)(ii) hereof;

(ii) Second, to the Members in proportion to and to the extent of the Net Losses allocated to them pursuant to Section 8.5(b)(i);

(iii) Third, to the Members, in proportion to their Percentage Interests, until the Adjusted Capital Account balance of each Member is equal to an amount which, if distributed on the Calculation Date and taking into account all prior distributions pursuant to Sections 8.3(ii) and (iii), would allow such Member to recognize an 8% Internal Rate of Return through the end of the Calculation Period;

(iv) Fourth, to the Members in the proportion to and to the extent of any distributions made to them pursuant to Section 8.3(iv); and

(v) Thereafter, to the Members in accordance with their respective Residual Distribution Percentages.

(b) (i) Subject to and after application of Sections 8.5(c), 8.5(d) and 8.9 hereof, Net Loss for each Period shall be allocated to the members in accordance with their respective Percentage Interests.

(ii) Notwithstanding Section 8.5(b)(i) hereof, Net Loss allocated pursuant to Section 8.5(b)(i) to any Member for any Period shall not exceed the maximum amount of Net Loss that may be allocated to such Member without causing such Member to have an Adjusted Capital Account Deficit at the end of such Period. Any Net Loss in excess of the limitation in this Section 8.5(b)(ii) shall be specially allocated solely to the other Member to the maximum extent permitted by this Section 8.5(b)(ii).

(c) If, despite the Managing Member's best efforts to the contrary, the Adjusted Capital Accounts of the Members do not have balances which, if distributed, would result in the Members receiving distributions in the order of priorities set forth in Section 8.3 hereof, then the Managing Member shall allocate Net Profit or Net Loss or items of income, gain, loss and deduction among the Members in such manner as shall, in the Managing Member's reasonable discretion (but subject to compliance with Code Section 514(c)(9)(E) and the Treasury Regulations thereunder), eliminate as rapidly as possible the disparity between such Adjusted Capital Accounts and the balances required to conform with the priorities of such Section 8.3. An allocation of Net Profit or Net Loss to a Member shall be treated as an allocation to such Member of the same share of each item of income, gain, loss and deduction that is taken into account in computing such Net Profit or Net Loss, as the case may be.

(d) Notwithstanding Sections 8.5(a), (b) or (c), the following special allocations shall be made in the following order prior to the application of Sections 8.5(a), (b) or (c) (as the case may be):

(i) If there is a net decrease in Partnership Minimum Gain (as such decrease is determined as provided in Treasury Regulations Sections 1.704-2(d) and 1.704-2(g)) during any Period, certain items of income and gain, including gross income or gain, shall be allocated to the Members in the amounts and manner described in Treasury Regulations Section 1.704-2(f). The allocations otherwise required pursuant to this Section 8.5(d)(i) shall, however, not apply to a Member to the extent that the minimum gain chargeback rules are inapplicable in a particular circumstance as specified in or under the Regulations. This Section 8.5(d)(i) is intended to comply with the minimum gain chargeback requirement relating to partnership non-recourse liabilities (as defined in Treasury Regulations Section 1.704-2(f)) and shall be so interpreted.

(ii) If there is a net decrease in Minimum Gain Attributable to Partner Nonrecourse Debt (determined pursuant to Treasury Regulations Section 1.704-2(i)) during any Period, certain items of income and gain, including gross income or gain, shall be allocated as quickly as possible to those Members which had a share of the Minimum Gain Attributable to Partner Nonrecourse Debt (such share to be determined pursuant to Treasury Regulations Section 1.704-1(i)(5)) in the amounts and manner described in Treasury Regulations Sections 1.704-2(i) and (j). The allocations otherwise required pursuant to this Section 8.5(d)(ii) shall, however, not apply to a Member to the extent that the minimum gain chargeback rules are inapplicable in a particular circumstance as specified in or under the Regulations. This Section 8.5(d)(ii) is intended to comply with the minimum gain chargeback requirement relating to Partner Nonrecourse Debt set forth in Treasury Regulations Section 1.704-2(i)(4)) and shall be so interpreted.

(iii) Deductions attributable to obligations with respect to which a Member bears the economic risk of loss within the meaning of Treasury Regulation Section 1.704-2(b)(4) shall be allocated to the Member or Members that bear the economic risk of loss for such debt in accordance with the requirements of Treasury Regulation Section 1.704-2(i)(1). “Nonrecourse Deductions” (as such term is defined in Treasury Regulations Sections 1.704-2(b)(1) and 1.704-2(c)) of the Company shall be allocated to the Members in proportion to their Percentage Interests.

(iv) If one or more of the Members unexpectedly receives any adjustment, allocation or distribution described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), then items of income and gain shall be specially allocated to such Members in an amount and manner sufficient to eliminate the Adjusted Capital Account Deficit created by such adjustments, allocations or distributions as quickly as possible; provided that an allocation pursuant to this Section 8.5(d)(iv) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 8.5 have been tentatively made as if this Section 8.5(d)(iv) were not in this Agreement. This provision is intended to qualify as a “qualified income offset” within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(d).

(v) If a Member has an Adjusted Capital Account Deficit at the end of any Period, such Member shall be specially allocated items of Company income and gain to bring such Member’s Adjusted Capital Account balance to zero; provided that an allocation pursuant to this Section 8.5(d)(v) shall be made only if and to the extent that (x) such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 8.5 have been made as if Section 8.5(d)(iv) hereof and this Section 8.5(d)(v) were not in the Agreement and (y) such allocation complies with the requirements of Code Section 514(c)(9)(E) and the Treasury Regulations thereunder.

(vi) The allocations set forth in Section 8.5(d)(i)-(v) hereof (the “**Regulatory Allocations**”) are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss or deduction pursuant to this Section 8.5(d)(vi). Therefore, the Managing Member shall make such offsetting special allocations of Company income, gain, loss and deduction in whatever manner it reasonably determines to be appropriate, subject to compliance with the requirements of Code Section 514(c)(9)(E) and the Treasury Regulations thereunder, so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have if the Regulatory Allocations were not part of the Agreement and all Company items were allocated pursuant to Sections 8.5(a), (b) and (c). In exercising its discretion, the Managing Member shall take into account future Regulatory Allocations pursuant to Sections 8.5(d)(i) and (ii) hereof that, although not yet made, are likely to offset other Regulatory Allocations previously made under Section 8.5(d)(iii) hereof.

(e) In accordance with Section 704(c) of the Code and the Treasury Regulations thereunder, items of income, gain, loss and deduction with respect to any property contributed to the capital of the Company and Company property revalued pursuant to the definition of "Gross Asset Value" herein shall, solely for federal income tax purposes, be allocated to the Members so as to take into account any variation between the adjusted basis of such property to the Company for federal income tax purposes and its Gross Asset Value under any permitted method under Treasury Regulations Section 1.704-3 selected by the Managing Member. Allocations pursuant to this Section 8.5(e) are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Net Profits, Net Losses, other items, or distributions pursuant to any provision of this Agreement.

(f) Solely for purposes of determining a Member's proportionate share of excess non-recourse liabilities of the Company within the meaning of Treasury Regulations Section 1.752-3(a)(3), a Member's interest in the Company's profits shall be equal to its Percentage Interest.

8.6 Other Allocation Rules.

(a) For purposes of determining the profits, losses, or any other items allocable to any period, Net Profits, Net Losses, and any such other items shall be determined on a daily, monthly, or other basis, using any permissible method under Code Section 706 and the Treasury Regulations thereunder which is approved by both Members.

(b) The Members are aware of the income tax consequences of the allocations made by this Article VIII and hereby agree to be bound by the provisions of this Article VIII in reporting their shares of Company income and loss for income tax purposes.

8.7 Withholding. The Managing Member is authorized to withhold from allocations or distributions to the Members any amounts required to be so withheld pursuant to the Code or any other applicable foreign, federal, state or local law and to pay over to foreign, federal, state or local government authorities such amounts. Any amounts so allocated to a Member shall be treated as an amount distributed to such Member pursuant to this Article VIII for all purposes of this Agreement. If the Company makes a distribution in kind to a Member and such distribution is subject to withholding in the manner described above, the Managing Member shall notify such Member as to the extent of the amount of such withholding and such Member shall promptly pay the Company such amount.

8.8 Final Distribution. The final distributions following dissolution shall be made in accordance with the provisions of Section 9.2.

8.9 Section 514(c)(9)(E). Notwithstanding any other provision of this Agreement, if any provision of this Agreement would result in a violation of the rules of Code Section 514(c)(9)(E) and the Treasury Regulations thereunder, such provision will be deemed amended hereby to the minimum extent necessary to cause the Company to continue to be in strict compliance with Code Section 514(c)(9)(E) and the Treasury Regulations thereunder.

ARTICLE IX
DISSOLUTION

9.1 Dissolving Events. The Company shall be dissolved in the manner hereinafter provided promptly following the happening of any of the following events:

(a) upon December 31, 2017; provided that the Members may, by mutual written agreement (but in each party's sole discretion), extend the term for up to three (3) successive one (1) year periods;

(b) the unanimous vote of the Members to dissolve, wind up, and liquidate the Company;

(c) the disposition by the Company of all or substantially all of the Company Assets and the collection of all amounts derived from any such disposition, including all amounts payable to the Company under any promissory notes or other evidences of indebtedness derived by the Company from any such disposition;

(d) any other event which under applicable law would cause the dissolution of the Company, provided, however, that, unless required by law, the Company shall not be liquidated as a result of any such event and the Company shall be reconstituted;

(e) the delivery of a notice by GEPT SPE pursuant to Section 4.2(b) to require that the Company Assets be sold and the Company liquidated; and

(f) the dissolution of, or a Bankruptcy Event with respect to, either Member, unless the other Member elects within ninety (90) days after the occurrence of any such event to continue the business of the Company.

9.2 Methods of Liquidation. If the Company is dissolved and not reconstituted, an accounting of the Company assets, liabilities, and operations through the last day of the month in which the dissolution occurs shall be made by the Company Accountants, and the affairs of the Company shall be wound up and terminated. The Managing Member shall serve as the liquidating trustee of the Company unless the Managing Member has caused the dissolution pursuant to a Bankruptcy Event of the Managing Member or the Managing Member is the Non-Contributing Member, in which case the other Member shall designate a liquidating trustee. The liquidating trustee shall be responsible for winding up and terminating the affairs of the Company and shall determine all matters in connection therewith (including, without limitation, the arrangements to be made with creditors, to what extent and under what terms the assets of the Company are to be sold, and the amount or necessity of cash reserves to cover contingent liabilities) as it deems advisable and proper; provided, however, that all decisions of the liquidating trustee shall be made in accordance with the fiduciary duty owed by the liquidating trustee to the Company and each of the Members; provided further that any action which would constitute a Major Decision under this Agreement shall require the approval of both Members to the extent required pursuant to Article IV of this Agreement. The liquidating trustee thereafter shall liquidate the assets of the Company as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom, to the extent sufficient therefor, shall be applied and distributed in accordance with the following:

(a) First, to the payment of the debts and liabilities of the Company, other than to the Members, and to the expenses of liquidation in the order of priority as provided by law; then

(b) Second, to the establishment of, or addition to, any reserves deemed necessary by the liquidating trustee, for any contingent or unforeseen liabilities or obligations of the Company; provided, however, that any such reserves established hereunder shall be paid over to a bank or other escrow agent to be held in escrow for the purpose of paying any such contingent or unforeseen liabilities or obligations and, at the expiration of such period as the liquidating trustee deems advisable, of distributing the balance of such reserves in the manner provided hereinafter in this Section 9.2; then

(c) Third, to the repayment of any liabilities or debts of the Company to any of the Members pro rata to the respective outstanding balances of such liabilities or debts; and then

(d) Fourth, to the Members with positive Capital Account balances, in proportion to and to the extent thereof.

9.3 Adjustment of Distributions. The Members intend that the allocations of Profit and Loss pursuant to this Agreement will result in the Capital Account balances of the Members being such that all distributions upon dissolution will be the same as if such distributions were made pursuant to Section 8.3. However, if the Manager reasonably determines that there is a reasonable possibility that this result would not occur, the Manager may adjust the allocations of Net Profit and Net Loss (or items thereof) otherwise provided for herein in order to attempt to achieve such result, subject to the condition that the Manager has obtained an opinion of counsel or a nationally-recognized accounting firm that such adjusted allocations would be considered to have substantial economic effect under Section 704(b) of the Code and would not result in this Agreement violating Section 514(c)(9)(E)(i) of the Code. The Members agree to amend this Agreement to reflect such adjustments, if required by the Manager upon the advice of such counsel or accounting firm.

9.4 Reasonable Time for Liquidating. A reasonable time shall be allowed for the orderly liquidation of the Company Assets pursuant to Section 9.2 above in order to minimize the losses normally attendant upon such a liquidation; provided, however, that such liquidation shall comply in all events with the timing requirements of Treasury Regulations Section 1.704-1(b)(2)(ii)(b).

9.5 Date of Liquidation. The Company shall be liquidated and terminated when all Company Assets have been converted into cash, all promissory notes or other evidences of indebtedness derived by the Company from such conversion of the Company Assets have been collected or otherwise converted into cash, and all such cash has been applied and distributed in accordance with the provisions of Section 9.2 above. The establishment of any reserves shall not have the effect of extending the term of the Company, but such reserves shall be distributed in accordance with Section 9.2 and in the manner and within the time period as the liquidating trustee deems advisable and appropriate.

9.6 Withdrawals. The Members do hereby covenant and agree that they shall not withdraw or retire from the Company except as a result of a permitted Transfer of their entire respective Membership Interests and that they shall carry out their duties and responsibilities hereunder while Members and until the Company is terminated, liquidated, and dissolved under this Article IX.

9.7 Filing of Articles of Dissolution. If the Company is dissolved, the Members shall promptly file a Certificate of Dissolution with the Delaware Secretary of State. If there are no remaining Members, the Certificate of Dissolution shall be filed by the last Person to be a Member; or if neither, the Certificate of Dissolution shall be filed by the legal or personal representatives of the Person who last was a Member.

ARTICLE X
SALE, ASSIGNMENT, TRANSFER

10.1 Transfers of Membership Interests.

(a) General. Except as permitted in this Article X or pursuant to Article XI hereof, no Member may sell, transfer, assign, convey or otherwise dispose of or subject to a security interest or otherwise charge or encumber, either directly or indirectly, voluntarily or by operation of law (collectively, "**Transfer**") all or any part of its Membership Interest. Any such act in violation of this Section 10.1(a) shall be void. The approval of any such Transfer in any one or more instances shall not limit or waive the requirement for such approval in any other or future instance. All Transfers hereinafter permitted are subject to Sections 10.5, 10.6 and 10.7.

(b) Permitted Transfers. Notwithstanding the foregoing, subject to the satisfaction of Sections 10.5, 10.6 and 10.7 (but not subject to the requirements of Section 10.2 hereof), the following Transfers (each, a "**Permitted Transfer**") shall be permitted: (i) Transfers of all or any portion of a Member's Membership Interest in the Company to an Affiliate of such Member; (ii) Transfers of all or any portion of a Member's Membership Interest in the Company to the other Member or an Affiliate of the other Member; and/or (iii) in the case of a Member which is a trust funding one or more employee benefit plans, or which is directly or indirectly beneficially owned by one or more trusts funding one or more employee benefit plans, Transfers to a successor trustee or trustees of any such trust or to a trustee or trustees of one or more trusts which evolve or devolve from any such trust. GEPT SPE may make no Transfer the result of which would be to jeopardize the status of the Company as a REOC.

10.2 Additional Transfer Terms.

(a) Right of First Offer on Membership Interests.

(i) At any time, with respect to any Transfer other than a Permitted Transfer, any Member wishing to Transfer its Membership Interest (or any portion thereof) (the "**Transferring Member**") will be required to provide not less than sixty (60) days' prior written notice (the "**ROFO Notice**") to the other Member (the "**Non-Transferring Member**"). The ROFO Notice shall set forth the proposed terms of a Transfer (including the price payable in cash, but subject to (and without reduction with respect to) any outstanding Loans, at which the Transferring Member would be willing to sell its Membership Interest (or such portion thereof), the "**ROFO Price**"). The proposed terms shall contemplate that the ROFO Price shall be calculated with the assumption that all items of pre-closing income and expense shall be received and paid as of the closing of the proposed transfer, and that all such items attributable to post-closing periods shall not have been received or paid (and that no reserves shall have been established therefor); the terms further shall provide that if this assumption is not true as of the closing, then appropriate prorations adjustments shall be made at closing with respect to the cash required to be delivered by the buyer. The Non-Transferring Member will have a right of first offer with respect to the Membership Interest of the Transferring Member at the ROFO Price. The Non-Transferring Member may exercise the right of first offer by: (A) advising the Transferring Member in writing (the "**ROFO Election**") that such Non-Transferring Member has elected within forty-five (45) days after receipt of the ROFO Notice to purchase the Membership Interest of the Transferring Member at the ROFO Price; (B) depositing within forty-five (45) days after receipt of the ROFO Notice with a mutually acceptable escrow agent a deposit in cash (the "**ROFO Deposit**") equal to five percent (5%) of the ROFO Price for such Membership Interest being acquired by such Non-Transferring Member (which deposit shall be credited against the applicable portion of the ROFO Price if the purchase closes); and (C) closing the purchase within thirty (30) days after the election by the Non-Transferring Member(s) to purchase the Membership Interest of the Transferring Member by payment of the remaining portion of the ROFO Price in cash (subject to any prorations adjustments, as described above), or as otherwise agreed by the parties hereto. If the Non-Transferring Member either (X) fails to deliver the ROFO Election (and the ROFO Deposit) to the Transferring Member within forty-five (45) days after receipt of the ROFO Notice, (Y) waives in writing its right to purchase the Membership Interest being offered by the Transferring Member under this Section 10.2(a) or (Z) defaults in consummating the acquisition of the Membership Interest offered by the Transferring Member in accordance with clause (C) above (each a "**ROFO Termination Date**"), the Membership Interest offered by the Transferring Member may be sold by the Transferring Member, for not less than ninety-five (95%) percent of the ROFO Price offered to the Non-Transferring Member, at any time during the next one hundred eighty (180) day period subsequent to ROFO Termination Date.

(ii) If a Non-Transferring Member shall have exercised its right to purchase the Membership Interest that was the subject of the ROFO Notice and shall have then defaulted in consummating the transaction, the Transferring Member shall have the right to sell the applicable Membership Interest as described in the preceding paragraph, and the Transferring Member may, as its exclusive remedy, retain the ROFO Deposit as liquidated damages, and not as a penalty. A Non-Transferring Member who exercised its right to purchase the applicable Membership Interest and then defaulted in consummating the transaction shall not be entitled to a return of any portion of the ROFO Deposit.

10.3 Put/Call.

(a) Either Member, for a period of thirty (30) days following the occurrence of a Trigger Event (as hereinafter defined), by written notice (the "**Offer Notice**") to the other Member (the Member entitled to give, and giving, the Offer Notice being hereinafter called the "**Notifying Party**" and the Member receiving the Offer Notice being hereinafter called the "**Notified Party**"), may declare that it intends either (i) to purchase the Interest of Notified Party, or (ii) to sell its Membership Interest to Notified Party, in either case for a price (the "**Purchase Price**"); provided that if a Default has occurred with respect to AA SPE, AA SPE shall not be permitted to deliver an Offer Notice under this Section 10.3(a) (except with respect to a Trigger Event under clause (2) of the definition thereof as a consequence of a transfer by GEPT SPE, in which case AA SPE shall have a right to deliver an Offer Notice notwithstanding such Default) (it being understood that the foregoing is not intended to limit in any way AA SPE's right to deliver a Buy/Sell Notice under Section 10.4(a) hereof). As soon as reasonably possible after the Offer Notice has been received by the Notified Party, the Members shall jointly direct the Company Accountants to determine, at Company expense, the Purchase Price for each of the Interest of the Non-Purchasing Member and the Purchasing Member (as such terms are defined below) as soon as reasonably practicable (but in no event after fifteen (15) days after receipt of the Offer Notice by the Notified Party), which, in each case, shall equal the amount each such Member would receive in liquidation of its Interest pursuant to Section 9.2(d) hereof assuming the Company Assets were sold (in an all-cash transaction and all known debts and obligations of the Company were immediately paid in full) for an amount identified by the Notifying Party in the Offer Notice (the "**Designated Value**"). The Designated Value shall be deemed to take into account all economic terms relevant to the value of the Company Assets, including, without limitation, deferred maintenance and contingent liabilities or obligations. The Designated Value shall be calculated with the assumption that all items of pre-closing income and expense shall be received and paid as of the closing of the hypothetical sale, and that all such items attributable to post-closing periods shall not have been received or paid (and that no reserves shall have been established therefor); if this assumption is not true as of the closing of the transfer contemplated by this Section 10.3, then appropriate prorations adjustments shall be made at closing with respect to the cash required to be delivered by the buyer. As soon as either Member has been informed of such Purchase Price calculations, it shall, if the other Member has not been so notified, provide written notice of same to the other Member. Within ten (10) days after the date of the Offer Notice, each Member shall give written notice to the other Member and the Company Accountants as to whether or not (A) such Member has actual knowledge of any pending or threatened litigation against the Company or relating to the Property of which the Company or such Member has not previously notified such other Member in writing and, if so, listing and describing such litigation, and (B) such Member has taken any action as of the date of its notice in material violation of this Agreement or not in the ordinary course of business since the date of the most recent financial statement of the Company, and if so, giving a description thereof. If Notified Party's notice discloses any matter which, in the reasonable judgment of Notifying Party, materially affects the value or marketability of the Company or the Property or the Notified Party's Membership Interest, Notifying Party shall have the right, at its option, to withdraw its Offer Notice within ten (10) days after the effective date of Notified Party's notice under this Section 10.3(a) by giving written notice thereof to Notified Party. For purposes of this Section 10.3, a "**Trigger**

Event" shall mean (1) a disagreement as to any Major Decision which is still continuing, in which case either Member may be the Notifying Party; provided that such Member shall have provided written notice to the other Member setting forth the Major Decision that is the subject of the disagreement and identifying such disagreement as a potential Trigger Event for purposes of this Agreement, and shall have made good faith efforts to resolve any disputes or disagreements with the other Member prior to the giving of the Offer Notice, or (2) the discovery by a Member of a Transfer by the other Member in violation of the terms of this Agreement, in which case only the non-transferring Member may be the Notifying Party, or (3) the discovery by a Member of the occurrence of a Default by the other Member, in which case only the non-defaulting Member may be the Notifying Party, or (4) in the event that the Members do not approve an Annual Plan for the Company by June 30 of the applicable Fiscal Year, or (5) in the event that, at any time that AA SPE is the Managing Member, GEPT SPE delivers a written notice (the "**Sale Proposal**") to AA SPE proposing a sale of the Property by the Property Company LLC and AA SPE does not provide, within twenty (20) days of receipt of the Sale Proposal, a written response to GEPT SPE committing to sell Property by the Property Company LLC in accordance with the terms set forth in the Sale Proposal, or (6) with respect to AA SPE only, in the circumstances described in Section 4.2(b); provided that under no circumstances shall a Trigger Event be deemed to have occurred with respect to the circumstances described in clause (1) or (5) above until the expiration of two (2) years after the date of this Agreement.

(b) Within one hundred eighty (180) days after the effective date of any Offer Notice, the Notified Member shall declare that it intends to purchase the Interest of the Notifying Party (in which case the Notified Party shall be referred to as the "**Purchasing Member**" and the Notifying Party shall be referred to as the "**Non-Purchasing Member**") or to sell its Membership Interest to the Notifying Party (in which case the Notifying Party shall be referred to as the "**Purchasing Member**" and the Notified Party shall be referred to as the "**Non-Purchasing Member**"), provided, however, that the failure by the Notified Party to make an election within such one-hundred eighty (180) day period shall be deemed to be an election by such Notified Party to sell its Membership Interest to the Notifying Party. Upon the delivery of an Offer Notice with respect to its Membership Interest, no Member shall have any further right to deliver a ROFO Notice under Section 10.2(a) hereof during the period prior to the Put/Call Closing (as defined below) or the default of either party to consummate the transactions contemplated pursuant to this Section 10.3. If either Member Transfers any of its Membership Interest following the giving by the Notifying Party of the Offer Notice to any transferee, such transferee shall be bound by the transferor's election (or deemed election) with respect to the Offer Notice.

(c) The closing (the "**Put/Call Closing**") of the transactions contemplated by this Section 10.3 shall occur within thirty (30) days after the earlier to occur of the election by Notified Party pursuant to Section 10.3(b) or the end of the period within which the Notified Party is to make the election contemplated thereby, shall be consummated through an escrow with a national title company selected by the Purchasing Member subject to the approval of the Non-Purchasing Member (which approval shall not be unreasonably withheld or delayed) and shall take place during normal business hours at the principal place of business of the Purchasing Member or its counsel, or at such other place as the Members may mutually agree. The time and date of the Put/Call Closing shall be specified by the Purchasing Member by at least ten (10) days prior notice to the Non-Purchasing Member.

(d) The following events will take place simultaneously at the Put/Call Closing:

(i) the Purchasing Member shall pay the Purchase Price to the Non-Purchasing Member (subject to any prorations adjustments required by Section 10.3(a));

(ii) the Non-Purchasing Member shall assign to the Purchasing Partner (or its nominee) all of the Non-Purchasing Member's right, title and interest in, to and under the Company, including, without limitation, the Non-Purchasing Member's Membership Interest;

(iii) No call for an Additional Capital Contribution may be made to provide the Company with funds necessary to satisfy any obligation of the Company which becomes due as a result of the transactions contemplated by this Section 10.3 (it being understood, however, that the foregoing is not intended to exculpate either Member from liability for causing the Company or any Company Assets to become liable for any obligations in a manner that violates the terms of this Agreement); and

(iv) the Purchasing Member shall pay or cause to be paid in full, by wire transfer of immediately available funds, all loans made by the Non-Purchasing Member or any of its Affiliates to either the Company or the Purchasing Member or any of its Affiliates, whether or not the terms and provisions of such loans expressly provide that such loan is due and payable at the Put/Call Closing.

All instruments executed in connection with the Put/Call Closing shall be without recourse, representation or warranty whatsoever, except that each Member shall represent that the notices given by such party under Sections 10.3(a) and 10.3(b) were true and correct and that, since the date of such notice, it has not taken any action in violation of this Agreement or not in the ordinary course of business and the Non-Purchasing Member shall represent and warrant that it holds title to its Membership Interest free and clear of any liens and encumbrances. Each Member shall pay the fees and expenses of its own attorneys, accountants and advisors in connection with the transaction contemplated by this Section 10.3, and all other expenses of said transactions, including, without limitation, all transfer taxes, recording fees and other costs in connection with such conveyance and transfer, shall be paid by the Purchasing Member.

(e) The Purchase Price and all other amounts payable in connection with the transactions contemplated by this Section 10.3 (subject to any required prorations adjustments) shall be payable at the Put/Call Closing by federal wire of immediately available funds.

(f) On or before the fifteenth (15th) day after the Purchasing Member has been determined pursuant to this Section 10.3, the Purchasing Member shall deposit in escrow with a bank or trust company designated by the Non-Purchasing Member an amount equal to five percent (5%) of the Purchase Price (the "**Put/Call Deposit**"), such amount to be credited to the Purchase Price at the Put/Call Closing. In the event of a default by the Purchasing Member of the provisions of this Section 10.3, the Non-Purchasing Member shall be entitled to the following remedies, which shall be the sole remedies available to the Non-Purchasing Member as a consequence of such default of the provisions of this Section 10.3 (it being expressly acknowledged and agreed that the Non-Purchasing Member shall retain any and all other remedies which it may have as a result of the Trigger Event or any Default):

(i) The Non-Purchasing Member may terminate the sale and retain the Put/Call Deposit as liquidated damages and not as a penalty. **THE PARTIES AGREE THAT IT WOULD BE IMPRACTABLE OR EXTREMELY DIFFICULT TO QUANTIFY THE ACTUAL DAMAGES TO THE NON-PURCHASING MEMBER IN THE EVENT OF A BREACH BY THE PURCHASING MEMBER AND THAT THE AMOUNT OF THE PUT/CALL DEPOSIT IS A REASONABLE ESTIMATE OF SUCH ACTUAL DAMAGES GIVEN THE CIRCUMSTANCES EXISTING AS OF THE DATE HEREOF.**

(ii) Further, and in addition to the remedy described in clause (i) above, the Non-Purchasing Member shall have the right, but not the obligation, exercisable by written notice to the Purchasing Member within thirty (30) days from the date the Non-Purchasing Member learns of such default, to elect to purchase the former Purchasing Member's Membership Interest for the applicable Purchase Price determined pursuant hereto and otherwise in accordance with the provisions of this Section 10.3, including the provisions related to the timing of the Put/Call Closing. In the event that, after default of the former Purchasing Member of the provisions of this Section 10.3, the former Non-Purchasing Member elects to purchase the Membership Interest of the former Purchasing Member, the former Purchasing Member shall have no right to make a counter-offer for, and no further right to elect to purchase, the Membership Interest of the former Non-Purchasing Member on account of the Put/Call Notice which initially triggered this Section 10.3.

(g) If any Member which is a Non-Purchasing Member fails to perform its obligations contained in this Section 10.3, the Purchasing Member may, in addition to its other remedies set forth in this Agreement (but subject to the limitation on liability contained herein) enforce its rights under this Section 10.3 by an action for specific performance. Furthermore, if any Member fails to perform its obligations contained in this Section 10.3, such Member shall be in Default for purposes of Article XI hereof.

10.4 Buy/Sell.

(a) Following a Default or an alleged Default by AA SPE under Section 11.1(a)(iii) and provided that an Offer Notice that is still effective has not been given pursuant to Section 10.3, AA SPE may, by written notice (the "**Buy/Sell Notice**") to GEPT SPE within thirty (30) days after receipt of notice from GEPT SPE of such Default or alleged Default, declare that it intends either (i) to purchase the Interest of GEPT SPE, or (ii) to sell its Membership Interest to GEPT SPE, in either case for a price (the "**Buy/Sell Price**"). As soon as reasonably possible after the Buy/Sell Notice has been received by GEPT SPE, the Members shall jointly direct the Company Accountants to determine, at Company expense, the Buy/Sell Price for the Interest of each of GEPT SPE and AA SPE as soon as reasonably practicable (but in no event later than fifteen (15) days after receipt of the Buy/Sell Notice by GEPT SPE), which in each case shall equal the amount each such Member would receive in liquidation of its Interest pursuant to Section 9.2(d) hereof assuming the Company Assets were sold (in an all-cash transaction and all known debts and obligations of the Company were immediately paid in full) for an amount identified by AA SPE in the Buy/Sell Notice (the "**Designated Buy/Sell Value**"). The Designated Buy/Sell Value shall be deemed to take into account all economic terms relevant to the value of the Company Assets, including, without limitation, deferred maintenance and contingent liabilities or obligations. The Designated Buy/Sell Value shall be calculated with the assumption that all items of pre-closing income and expense shall be received and paid as of the closing of the hypothetical sale, and that all such items attributable to post-closing periods shall not have been received or paid (and that no reserves shall have been established therefor); if this assumption is not true as of the closing of the transfer contemplated by this Section 10.4, then appropriate prorations adjustments shall be made at closing with respect to the cash required to be delivered by the buyer. As soon as either Member has been informed of such Buy/Sell Price calculations, it shall, if the other Member has not been so notified, provide written notice of same to the other Member. In the Buy/Sell Notice, AA SPE shall give written notice to GEPT SPE and the Company Accountants as to whether or not (A) AA SPE has actual knowledge of any pending or threatened litigation against the Company or relating to the Property of which the Company or AA SPE has not previously notified GEPT SPE in writing and, if so, listing and describing such litigation, and (B) AA SPE has taken any action as of the date of the Buy/Sell Notice in material violation of this Agreement or not in the ordinary course of business since the date of the most recent financial statement of the Company, and, if so, giving a description thereof. Within ten (10) days after receipt of the Buy/Sell Notice by GEPT SPE, GEPT SPE shall give written notice to AA SPE and

the Company Accountants as to whether or not (1) GEPT SPE has actual knowledge of any pending or threatened litigation against the Company or relating to the Property of which the Company or GEPT SPE has not previously notified AA SPE in writing and, if so, listing and describing such litigation, and (2) GEPT SPE has taken any action as of the date of the Buy/Sell Notice in material violation of this Agreement or not in the ordinary course of business since the date of the most recent financial statement of the Company, and, if so, giving a description thereof.

(b) Within seventy-five (75) days after the effective date of any Buy/Sell Notice, GEPT SPE shall declare that it intends to purchase the Interest of AA SPE (in which case GEPT SPE shall be referred to as the "**Buying Member**" and AA SPE shall be referred to as the "**Selling Member**") or to sell its Membership Interest to AA SPE (in which case AA SPE shall be referred to as the "**Buying Member**" and GEPT SPE shall be referred to as the "**Selling Member**"), provided, however, that the failure by GEPT SPE to make an election after written request therefore within such seventy-five (75) day period shall be deemed to be an election by GEPT SPE to sell its Membership Interest to AA SPE. Upon the delivery of a Buy/Sell Notice, no Member shall have any further right to deliver a ROFO Notice under Section 10.2(a) hereof during the period prior to the Buy/Sell Closing (as defined below) or the default of either party to consummate the transactions contemplated pursuant to this Section 10.4. If either Member Transfers any of its Membership Interest following the giving by AA SPE of the Buy/Sell Notice, the transferee shall be bound by the transferor's election (or deemed election) with respect to the Buy/Sell Notice.

(c) The closing (the "**Buy/Sell Closing**") of the transactions contemplated by this Section 10.4 shall occur as follows:

(i) If GEPT SPE is the Selling Member, the closing shall take place within ninety (90) days after the earlier to occur of the election by GEPT SPE pursuant to Section 10.4(b) or the end of the period within which GEPT SPE is to make the election contemplated thereby, shall be consummated through an escrow with a national title company selected by the GEPT SPE and shall take place during normal business hours at the principal place of business of AA SPE or its counsel, or at such other place as the Members may mutually agree. The time and date of the Buy/Sell Closing shall be specified by AA SPE by at least ten (10) days prior notice to GEPT SPE; or

(ii) If GEPT SPE is the Buying Member, the closing shall take place within ninety (90) days after the election by GEPT SPE pursuant to Section 10.4(b), shall be consummated through an escrow with a national title company selected GEPT SPE and shall take place during normal business hours at the principal place of business of GEPT SPE or its counsel, or at such other place as the Members may mutually agree. The time and date of the Buy/Sell Closing shall be specified by GEPT SPE by at least ten (10) days prior notice to AA SPE.

(d) The following events will take place simultaneously at the Buy/Sell Closing:

(i) the Buying Member shall pay the Buy/Sell Price to the Selling Member (subject to any prorations adjustments required by Section 10.4(a));

(ii) the Selling Member shall assign to the Buying Member (or its nominee) all of the Selling Member's right, title and interest in, to and under the Company, including, without limitation, the Selling Member's Membership Interest;

(iii) No call for an Additional Capital Contribution may be made to provide the Company with funds necessary to satisfy any obligation of the Company which becomes due as a result of the transactions contemplated by this Section 10.4 (it being understood, however, that the foregoing is not intended to exculpate AA SPE from liability for causing the Company or any Company Assets to become liable for any obligations in a manner that violates the terms of this Agreement); and

(iv) the Buying Member shall pay or cause to be paid in full, by wire transfer of immediately available funds, all loans made by the Selling Member or any of its Affiliates to either the Company or the Buying Member or any of its Affiliates, whether or not the terms and provisions of such loans expressly provide that such loan is due and payable at the Buy/Sell Closing.

All instruments executed in connection with the Buy/Sell Closing shall be without recourse, representation or warranty whatsoever except that each Member shall represent that the notices given by such party under Sections 10.4(a) and 10.4(b) were true and correct and that, since the date of such notice, it has not taken any action in violation of this Agreement or not in the ordinary course of business and the Selling Member shall represent and warrant that it holds title to its Membership Interest free and clear of any liens and encumbrances. Each Member shall pay the fees and expenses of its own attorneys, accountants and advisors in connection with the transaction contemplated by this Section 10.4, and all other expenses of said transactions, including, without limitation, all transfer taxes, recording fees and other costs in connection with such conveyance and transfer, shall be paid by the Buying Member.

(e) The Buy/Sell Price and all other amounts payable in connection with the transactions contemplated by this Section 10.4 (subject to any required prorations adjustments) shall be payable at the Buy/Sell Closing by federal wire of immediately available funds.

(f) On the fifteenth (15th) day after the Buying Member has been determined pursuant to this Section 10.4, the Buying Member shall deposit in escrow with a bank or trust company designated by the Selling Member an amount equal to five percent (5%) of the Buy/Sell Price (the "**Buy/Sell Deposit**"), such amount to be credited to the Buy/Sell Price at the Buy/Sell Closing. In the event of a default by the Buying Member of the provisions of this Section 10.4, the Selling Member shall be entitled to the following remedies, which shall be the sole remedies available to the Selling Member as a consequence of such default of the provisions of this Section 10.4 (it being expressly acknowledged and agreed that the Selling Member shall retain any and all other remedies which it may have as a result of any Default):

(i) The Selling Member may terminate the sale and retain the Buy/Sell Deposit as liquidated damages and not as a penalty. **THE PARTIES AGREE THAT IT WOULD BE IMPRACTICABLE OR EXTREMELY DIFFICULT TO QUANTIFY THE ACTUAL DAMAGES TO THE SELLING MEMBER IN THE EVENT OF A BREACH BY THE BUYING MEMBER AND THAT THE AMOUNT OF THE BUY/SELL DEPOSIT IS A REASONABLE ESTIMATE OF SUCH ACTUAL DAMAGES GIVEN THE CIRCUMSTANCES EXISTING AS OF THE DATE HEREOF.**

(ii) Further and in addition to the remedy described in clause (i) above, the Selling Member shall have the right, but not the obligation, exercisable by written notice to the Buying Member within thirty (30) days from the date the Selling Member learns of such default, to elect to purchase the former Selling Member's Membership Interest for the applicable Buy/Sell Price determined pursuant hereto and otherwise in accordance with the provisions of this Section 10.4, including the provisions related to the timing of the Buy/Sell Closing. In the event that, after default of the former Buying Member of the provisions of this Section 10.4, the former Selling Member elects to purchase the Membership Interest of the former Buying Member, the former Buying Member shall have no right to make a counter-offer for, and no further right to elect to purchase, the Membership Interest of the former Selling Member on account of the Buy/Sell Notice which initially triggered this Section 10.4.

(g) If any Member which is a Selling Member fails to perform its obligations contained in this Section 10.4, the Buying Member may, in addition to its other remedies set forth in this Agreement (but subject to the limitation on liability contained herein) enforce its rights under this Section 10.4 by an action for specific performance. Furthermore, if any Member fails to perform its obligations contained in this Section 10.4, such Member shall be in Default for purposes of Article XI hereof.

10.5 Restraining Order/Specific Performance/Other Remedies.

(a) If any Member shall attempt to Transfer all or any portion of any Membership Interest in the Company in violation of the provisions of this Agreement and any rights hereby granted, then any other Member, in addition to all rights and remedies available hereunder, at law and/or in equity, shall be entitled to a decree or order restraining and enjoining such Transfer and the offending party shall not plead in defense thereto that there would be an adequate remedy at law; it being hereby expressly acknowledged and agreed that damages at law shall be an inadequate remedy for a breach or threatened breach or violation of the provisions concerning Transfers set forth in this Agreement.

(b) In addition, except as to a failure by the applicable Non-Transferring Member to consummate the purchase contemplated by Section 10.2(a), which failure shall have the exclusive remedy specified in Section 10.2(a)(ii), it is expressly agreed that the remedy at law for breach of any of the obligations set forth in this Article X is inadequate in view of (i) the complexities and uncertainties in measuring the actual damages that would be sustained by reason of the failure of a party to comply fully with each of said obligations, and (ii) the uniqueness of each Member's business and assets and the relationship of the Members. Accordingly, each of the aforesaid obligations shall be, and is hereby expressly made, enforceable by specific performance.

10.6 Compliance with Law and Loan Documents. The Members hereby agree that no sale or other Transfer of any interest in the Company shall be made which would result in the violation of any applicable law, order, rule, or regulation to the extent applicable to such sale or other Transfer, including without limitation, the Securities Act, which violation has or might be reasonably deemed to have an adverse impact on the Company, any of the Company Assets or any of the Members. The Members hereby further agree that no sale or other Transfer of any interest in the Company (and no transfer of any direct or indirect interest in any Member) shall be made which would result in the violation of or default under the terms of any Loan Documents.

10.7 Substitute Members. In the event any Member Transfers its Membership Interest in compliance with the other provisions of this Article X, the transferee thereof shall have the right to become a substitute Member (a "**Substitute Member**") of the Company only upon satisfaction of the following (with the failure to satisfy the following rendering any such attempted Transfer null and void *ab initio*):

(a) the transferee of any Member's Membership Interest (or such portion thereof) accepts and agrees in writing to be bound by all of the terms and provisions of this Agreement;

(b) the transferring Member and the transferee each provide a certificate to the effect that (i) the proposed Transfer will not be effected on or through (A) a U.S. national, regional or local securities exchange, (B) a foreign securities exchange, or (C) an interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers (including, without limitation, the National Association of Securities Dealers Automated Quotation System), and (ii) it is not,

and its proposed Transfer will not be made by, through or on behalf of, (A) a Person, such as a broker or a dealer, making a market in interests in the Company, or (B) a Person who makes available to the public bid or offer quotes with respect to interests in the Company;

(c) the transfer will not be effected on or through an "established securities market" or a "secondary market or the substantial equivalent thereof", as such terms are used in Treasury Regulations Section 1.7704-1;

(d) the proposed Transfer will not result in the Company having more than 100 Members, within the meaning of Treasury Regulations Section 1.7704-1(h)(1) (determined pursuant to the rules of Treasury Regulations Section 1.7704-1(h)(3));

(e) the proposed Transfer shall not (i) be or result in a non-exempt "prohibited transaction" under ERISA, (ii) be subject to or in violation of any state statutes applicable to regulation of investments of and fiduciary obligations with respect to "employee benefit plans", as defined in Section 3(3) of ERISA, "plans", as defined in Section 4975(e) of the Code, or "governmental plans" within the meaning of Section 3(32) of ERISA, or (iii) cause the Company's assets to become "plan assets" subject to ERISA;

(f) the proposed transferees shall be "qualified purchasers" as such term is defined in Section 2(a)(51)(A) of the Investment Company Act.

The Members in their sole discretion may agree to waive any or all of the conditions set forth in paragraphs (b) and (c) of this Section 10.7. In addition, a certificate from any transferring Member and the transferee of such transferring Member certifying that the conditions specified in Sections 10.6 and 10.7(b), (c), (d) and (f) are satisfied, shall, absent fraud or bad faith, be deemed conclusive evidence that such conditions are satisfied. In addition, upon being admitted as a Member, either the transferor or the transferee shall pay a transfer fee to the Company equal to all actual and reasonable third-party expenses, including, without limitation, attorneys' and accountants' fees, lenders' fees and expenses, transfer taxes and expenses incurred by the Company or its Members in connection with the admission of such Person as a Member, including, without limitation, the amendment to this Agreement.

10.8 Overall Transfer Prohibitions.

(a) Notwithstanding anything to the contrary herein contained, no interest in the Company may be transferred if giving effect to such proposed Transfer would result in a default under any Loan (provided, however, that the provisions of this Section 10.8(a) may be waived by a Purchasing Member under Section 10.3 or a Buying Member under Section 10.4).

(b) The Member whose interest in the Company is to be the subject of any Transfer shall, if not otherwise required pursuant to any other provision of this Article X, give the other Member at least fifteen (15) days' prior written notice before attempting to effect any such Transfer.

10.9 Section 754 Election. Upon the request of a Member transferring substantially all of its interest in the Company pursuant to this Agreement, or upon the request of the transferee, the Company shall file an election pursuant to Section 754 of the Code to adjust the basis of the Property in the manner provided in Section 743 of the Code. The incremental cost of making such an election shall be borne by the requesting party; provided that if the requesting party is the transferor and such transferor is not a Member immediately after such transfer, or subsequently ceases to be a Member, such cost shall be borne by the transferee.

10.10 Release of Liability. In the event any Member shall sell its entire Membership Interest in the Company (other than in a sale of the Property or the entire Membership Interests of all Members), in compliance with the provisions of this Agreement without retaining any interest therein, directly or indirectly, then the selling Member shall be relieved of any further liability arising hereunder for events occurring from and after the date of such Transfer.

10.11 Single Member. For the purposes of this Article X, if a Member transfers less than its entire Membership Interest in the Company to any Person in accordance with this Agreement and such Person shall become a Substituted Member, such Member and such Substitute Member(s) shall be considered a single Member for purposes of this Agreement, and any election, decision, action or approval required to be made by such Member shall be made by such Member and such Substitute Member(s), jointly, and any conflict or dispute between or among such Member and such Substitute Member(s) shall be resolved pursuant to a separate written agreement between such Member and such Substitute Member(s).

10.12 Reimbursement Agreement. It shall be a condition precedent for the benefit of AAI to the closing of a transaction contemplated by (a) Section 10.2 hereof where GEPT SPE is the Non-Transferring Member, (b) Section 10.3 hereof where GEPT SPE is the Purchasing Member, or (c) Section 10.4 hereof where GEPT SPE is the Buyer Member, that GEPT SPE shall execute a reimbursement agreement in the form attached hereto as Exhibit F (the "**Reimbursement Agreement**").

ARTICLE XI
DEFAULTS

11.1 Defaults.

(a) A Member shall be in "**Default**" hereunder upon the occurrence of any of the following events:

(i) if such Member withdraws from the Company in violation of this Agreement;

(ii) if such Member effects a Transfer which, immediately following the consummation thereof, is in violation of this Agreement and fails to cure same within ten (10) Business Days after notice is given of such default by or on behalf of the Company or any Member;

(iii) if such Member, or any of its Affiliates, is in breach of, or in default under, any material provision of this Agreement or any Affiliate Agreement (it being understood that with respect to any provision pertaining to an action or inaction of the Managing Member or any of its Affiliates, if (A) such action or inaction is not a Major Decision, such fact shall not be determinative that such action or inaction is not material, and (B) if such action or inaction is a Major Decision, such fact shall not be determinative that such action or inaction is material); provided that if such breach did not cause a non-curable default under any of the Company's financing documents or leases, such event may be cured within thirty (30) days after notice of such breach or default is given by or on behalf of the Company or any Member; provided further that, if any non-monetary breach (other than a breach that caused a non-curable default under any of the Company's financing documents or leases) is susceptible of cure but not within the above-specified cure period, the period of time for cure shall be extended as is reasonably necessary to permit cure, but in no event to a date later than sixty (60) days after the breaching Member is notified of the breach, and only so long as the breaching Member is diligently pursuing the cure to completion at all times during such period; provided further that, if any such breach causes a non-curable default under any of the Company's financing documents or leases, then such breach shall not cause a Default hereunder if such breach is disclosed to the other Member promptly after discovery

thereof by the breaching Member, but only for so long as the lender or tenant under the applicable agreement does not indicate an intent to exercise any remedies it may have as a consequence of such breach;

(iv) if such Member is found to have committed fraud, misappropriation, theft or other willful misconduct against the Company or the Property Company LLC; provided that, if any of the foregoing events is committed (A) by an employee of a Member or its Affiliate who is not an officer, director or direct or indirect equity holder with respect to such Member or Affiliate, and (B) without the actual prior knowledge of any Person who is an officer, director or direct or indirect equity holder with respect to such Member or Affiliate, such event may be cured if it did not cause a non-curable default under any of the Company's financing documents or leases and, within ten (10) days after being notified of such event, such Member makes full restitution to the Company of all damages caused by such event and promptly takes all appropriate actions necessary to remediate the situation and protect the interests of the Company and the other Members;

(v) if any Member knowingly makes a material misrepresentation or knowingly breaches any material representations and/or warranties hereunder; or

(vi) if a Bankruptcy Event shall occur with respect to such Member or any managing member or general partner in a Member.

(b) A Member shall be deemed to be in "Default" hereunder during any period of time that such Member shall be a Non-Contributing Member (as defined below).

(c) In the event of a Member's Default hereunder (a "**Defaulting Member**"), the other Member who is not a Defaulting Member ("**Non-Defaulting Member**"), in addition to all other claims for damages, rights and remedies provided herein or otherwise available at law or in equity, including, without limitation, specific performance, shall have all the rights and remedies set forth in this Article XI.

11.2 Defaulting Member.

(a) During the continuation of a Default by a Member, such Defaulting Member and its Affiliates will lose its right to vote on Major Decisions and such Defaulting Member shall not have the right to approve matters pertaining to the Company's or the Property Company LLC's business, or in any way to participate in the control or management of the business of the Company or the Property Company LLC.

(b) A Defaulting Member shall remain obligated from and after such Default to make Additional Capital Contributions in accordance with Article III.

(c) The Non-Defaulting Member shall have the right to terminate all agreements between the Company or the Property Company LLC and Defaulting Member or any Affiliate of Defaulting Member.

(d) In the event that the Defaulting Member is the Managing Member, the Defaulting Member shall be deemed to have automatically resigned as the Managing Member.

11.3 Contribution Remedies.

(a) If a Member fails to fund its entire required share of an Additional Capital Contribution (a "**Non-Contributing Member**"), the Contributing Member may elect, by written notice of such election to the Non-Contributing Member, at any time following the failure of the Non-Contributing Member, to fund the amount of any Additional Capital Contribution which the Non-Contributing Member has failed to contribute (with rights and remedies specified below in this Section 11.3(a) being the sole and exclusive rights and remedies available to the Contributing Member arising from the Non-Contributing Member's failure to fund its required share of an Additional Capital Contribution):

(i) Unless the Contributing Member has required the return of its Additional Capital Contributions pursuant to clause (ii) below, the Contributing Member may elect, by notice to the Non-Contributing Member, to advance the unfunded portion of such Additional Capital Contribution required of the Non-Contributing Member (the Contributing Member so advancing being hereinafter referred to as an "**Electing Member**"). Each advance by the Electing Member shall constitute a recourse loan (a "**Contribution Loan**") by each Electing Member to the Non-Contributing Member. Each such Contribution Loan shall bear interest at the rate, compounded quarterly, equal to the lesser of (A) fifteen percent (15%) per annum, or (B) the highest rate permitted by applicable law. Prior to the repayment of such Contribution Loan in full together with interest, any amount otherwise distributable to the Non-Contributing Member hereunder, if any, shall instead be paid to the Electing Member in repayment of the Contribution Loan. Contribution Loans shall be repaid on a "last in", "first out" priority. Any Electing Member who made a Contribution Loan shall be entitled at any time following the date that is one hundred eighty (180) days after the making of the Contribution Loan by such Electing Member, to elect, by the delivery of written notice to the Non-Contributing Member, to have that Contribution Loan treated as a Capital Contribution by the Electing Member and to cause a corresponding portion of the Membership Interest of the Non-Contributing Member to be transferred in the manner set forth in Section 11.4 below as of the date of such election (a "**Reallocation Right**"). If such election is made and upon delivery of notice of such election, the Electing Member shall, for purposes of effectuating the transfer of such portion of the Non-Contributing Member's Membership Interest and maintaining the Members' respective Capital Accounts, be treated as having made a Capital Contribution on its own behalf to the capital of the Company, and its Capital Account balance shall be increased and its Percentage Interest increased, and the Non-Contributing Member's Capital Contribution shall be reduced, and its Capital Account balance shall be reduced by the same amount and its Percentage Interest reduced, as provided for in Section 11.4 below.

(ii) The Contributing Member may, but shall not be obligated to, require that all or any portion of the Capital Contribution advanced to the Company by such Member pursuant to Article III in connection with the capital call that resulted in there being a Non-Contributing Member be returned to the Contributing Member (with a corresponding debit to such Members' Capital Accounts). To the extent that the Contributing Member has required the return of its Capital Contribution by the Company as provided above, the Contributing Member may not exercise its remedies under subparagraph (i) of this Section 11.3(a). In the event that the Contributing Member has exercised any of its remedies set forth in Section 11.3(a)(i), it may not thereafter require return of its Capital Contribution pursuant to this Section 11.3(a)(ii).

11.4 Transfer of Membership Interest. If a portion of a Non-Contributing Member's Membership Interest is transferred pursuant to Section 11.3(a)(i) above, then the Percentage Interests of the Electing Member shall be adjusted (without duplication of the adjustment described in Section 11.3(a)(i)) and Schedule A hereto shall be amended in order to reflect an increase in such Member's Percentage Interest by a percentage equal to (i) the principal amount of the applicable Contribution Loan plus the accrued and unpaid interest owed thereon divided by (ii) the total Capital Contributions made by all Members through and including the date the Electing Member made the Capital Contribution pursuant to Section 11.3(a)(i). The Percentage Interest of the Non-Contributing Member shall be reduced by the

sum of all Percentage Interests transferred to the Electing Member(s) pursuant to the preceding sentence. After the date that an Electing Member elects to acquire the portion of the Membership Interest pursuant to Sections 11.3(a)(i) above, there shall be no right on the part of the Non-Contributing Member to cure or repay the Contribution Loan or to reverse the Reallocation Right.

11.5 Exclusive Remedies. Except as set forth in Section 11.6, no Member, Affiliate of any Member or any Person owning a beneficial interest in such Member shall have any personal obligation to fund the Initial Capital Contribution or Additional Capital Contribution and the specific rights and remedies provided for in this Agreement are and shall be deemed to be the sole and exclusive rights and remedies of the Contributing Members and/or Non-Defaulting Members.

11.6 Further Actions. A Defaulting Member will cooperate with the Non-Defaulting Members and act in good faith to execute any and all documents reasonably necessary to effectuate the transfers of Membership Interests contemplated by this Article XI.

ARTICLE XII

12.1 In Writing; Address. All notices, demands, consents, reports and other communications provided for in this Agreement shall be in writing, shall be given by a method prescribed in Section 12.2 and if intended for the Company, shall be delivered to the Company's principal office determined pursuant to Section 2.3 hereof, and if intended for either Member to the address of such Member set forth on Schedule A hereto or at such other address(es) as such party hereto may hereafter specify by at least fifteen (15) days' prior written notice to the other Members.

12.2 Method. Rejection or other refusal to accept or the inability to give or serve such notice because of changed address of which no notice was given shall be deemed to be the giving of the notice, demand or request sent. Notice shall be effective if given in accordance with the methods hereinabove set forth in this Section 12.2.

ARTICLE XIII
MISCELLANEOUS

13.1 Additional Documents and Acts. In connection with this Agreement, as well as all transactions contemplated by this Agreement, each Member agrees to execute and deliver such additional documents and instruments, and to perform such additional acts as may be reasonably necessary or appropriate to effectuate, carry out and perform all of the terms, provisions and conditions of this Agreement, and all such transactions.

13.2 Pronouns. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the Person or Persons may require.

13.3 Entire Agreement. This instrument contains all of the understandings and agreements of whatsoever kind and nature existing between the parties hereto with respect to this Agreement and the rights, interests, understandings, agreements and obligations of the respective parties pertaining to the formation and continuing operations of the Company. Representatives of all parties have

participated equally in the negotiation and drafting of this Agreement, and accordingly, this Agreement shall not be more strictly construed against any party hereto on account of the role played by such party's representative in the negotiation and drafting hereof.

13.4 References to this Agreement. Numbered or lettered Articles and Sections herein contained refer to Articles and Sections of this Agreement unless otherwise expressly stated.

13.5 Headings. All headings herein are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of this Agreement.

13.6 Binding Effect. Except as herein otherwise expressly stipulated to the contrary, this Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective heirs, legal representatives, successors and permitted assigns.

13.7 Counterparts. This Agreement may be executed in a number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

13.8 Amendments. This Agreement may not be amended, altered or modified except by a written instrument signed and with the unanimous written approval of both Members.

13.9 Exhibits and Schedules. All Exhibits and Schedules attached hereto are made a part hereof by this reference.

13.10 Severability. Every provision of this Agreement is hereby declared to be independent of, and separable from, every other provision of this Agreement. If any such provisions shall be held to be invalid or unenforceable, that holding shall be without effect upon the validity or enforceability of any other provision of this Agreement. It is the intention of the parties hereto that in lieu of each provision of this Agreement which is determined to be invalid or unenforceable, there shall be added, as part of this Agreement, such an alternative Section or provision as may be valid or enforceable but otherwise as close to the applicable original provision as possible.

13.11 Waiver; Modification. Failure by any Member to insist upon or enforce any of its rights shall not constitute a waiver thereof, and nothing shall constitute a waiver of such Member's right to insist upon strict compliance with the provisions hereof. Any Member may waive the benefit of any provision or condition for its benefit contained in this Agreement.

13.12 Third Party Beneficiaries. This Agreement is made solely and specifically between and for the benefit of the parties hereto, and their respective successors and permitted assigns subject to the express provisions hereof relating to successors and assigns, and no other person or party shall have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Agreement as a third party beneficiary or otherwise.

13.13 Reliance on Authority of Person Signing Agreement; Designated Representatives.

(a) In the event that a Member is a partnership, limited partnership, limited liability company, joint venture, corporation, or any entity other than a natural person, the Members and the Company (i) shall not be required to determine the authority of the person signing this Agreement to make any commitment or undertaking on behalf of such entity or to determine any fact or circumstance bearing upon the existence of the authority of such person, (ii) shall not be required to see to the application or distribution of proceeds paid or credited to persons signing this Agreement or any document executed in connection herewith on behalf of such entity, and (iii) shall be entitled to rely on the authority of the person signing this Agreement or any document in connection herewith with respect to the voting of the interest of such entity and with respect to the giving of consent on behalf of such entity in connection with any matter for which consent is permitted or required under this Agreement or any document in connection herewith.

(b) In dealing with the Managing Member and its duly appointed agents (including any Manager), no Person shall be required to inquire as to its authority to bind the Company. Any act of the Managing Member within the scope of the Managing Member's authority purporting to bind the Company shall bind the Company. Within the scope of the Managing Member's authority, the Managing Member shall have the full right and authority to execute and deliver any and all agreements, contracts, documents and instruments relating to the business and affairs of the Company, without the joinder of the other Members, or any other Person. Any Person dealing with the Company may rely upon the Managing Member's execution and delivery of any agreement, contract, document or instrument as the act and deed of the Company, without the necessity for further inquiry and notwithstanding any other provision of this Agreement.

13.14 Exculpation. Except as specifically set forth elsewhere in this Agreement to the contrary, or as otherwise required by law (including, without limitation, ERISA), no Member nor any of its successors, assigns, transferees or any of their respective shareholders, partners, managers, members, officers, trustees, directors, employees, agents or representatives (each of whom is an "**Indemnitee**") shall be liable, responsible or accountable in damages or otherwise to the other Member or the Company for any act performed by Indemnitee within the scope of the authority conferred upon him or it by this Agreement, or for any failure or refusal by Indemnitee to perform any act, unless such act or failure or refusal to act constitutes willful misconduct, gross negligence, fraud, or breach in the performance of Indemnitee's obligations to the Company or the Members. The doing of any act or the failure to do any act by any Indemnitee, the effect of which may cause or result in loss or damage to the Company or the other Members, shall not subject Indemnitee to any liability under this Agreement if done or omitted pursuant to a favorable opinion of law issued by counsel of recognized standing engaged by the Company and experienced in the matters at issue.

13.15 Indemnification. To the full extent permitted by the Delaware Act or other applicable law (including, without limitation, ERISA), the Company shall indemnify, defend and hold harmless each Indemnitee from and against any direct claim, action, suit or proceeding brought or threatened against such Indemnitee, and from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, proceedings, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, all reasonable costs and expenses of attorneys, defense, appeal and settlement of any and all suits, actions or proceedings instituted or threatened against the Indemnitees or the Company) and all costs of investigation in connection therewith incurred by such Indemnitee ("**Damages**") by reason of any act performed, or failure or refusal to act, by him or it for and on behalf of the Company within the scope of his or its authority under this Agreement; provided that, in the case of a criminal proceeding, such Indemnitee had no reasonable cause to believe its conduct was unlawful, and provided further that in each case the act or failure or refusal to act did not constitute willful misconduct, gross negligence, fraud, or breach of any obligations of such Indemnitor under this Agreement. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent, shall not, of itself, create a presumption that the Person did not act in good faith and in a manner which he or it reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or its conduct was unlawful. Expenses (including reasonable out-of-pocket attorneys' fees and direct expenses) incurred by an Indemnitee in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Indemnitee to repay such amount if it shall ultimately be determined that he or it is not entitled to be indemnified by the Company as authorized in this Section.

13.16 Cooperation of the Managing Member. In the event of a Transfer of all or any portion of an interest in a Member or a Transfer of a Membership Interest in accordance with the terms hereof, the Managing Member shall, and shall cause any Manager to, upon reasonable notice, (a) make available to the prospective transferee at reasonable hours all books of account, correspondence, leases and all other information related to the Property and to the management thereof at the request and expense of the requesting Member, or copies thereof, and (b) cause the management personnel involved directly or indirectly in the affairs of the Company to cooperate reasonably with the requesting Member and its proposed transferee or designees of either of them and furnish information requested by such persons as to the status of the affairs of the Company.

13.17 Herein. Wherever used in this Agreement, the words “herein”, “hereof” or words of similar import shall be deemed to refer to this Agreement in its entirety and not to a specific Section unless otherwise stated.

13.18 Including. Wherever used in this Agreement, the word “including” shall be deemed to mean “including, without limitation”.

13.19 Cost of Counsel. In any judicial action between the parties to enforce any of the provisions of this Agreement or any right of any party under this Agreement, in addition to any other remedy, the unsuccessful party shall pay to the prevailing party all costs and expenses, including reasonable attorneys’ fees and expenses, incurred therein by the prevailing party in connection with such action.

13.20 Days. Unless otherwise stated, a day shall be deemed to mean a calendar day.

13.21 Time of Essence. Time is the essence of each and every provision of this Agreement.

13.22 Confidentiality.

(a) Each Member agrees not to disclose or permit the disclosure of any of the terms of this Agreement (as opposed to the existence of this Agreement and the parties hereto) without the prior written consent of the other Member; provided that such disclosure may be made: (i) to any Person who is a direct or indirect Member, Affiliate, officer, director or employee of such Member or to counsel to or accountants or consultants or bankers of the foregoing persons; (ii) to potential Members and/or purchasers of all or any portion of any Member’s Membership Interest or all or any portion of the Company Assets; (iii) pursuant to a subpoena or order issued by a court, arbitrator or governmental body, agency or official; (iv) if required by any applicable statute or law, or any rule or regulation promulgated thereunder; or (v) by the rules and regulations governing any recognized stock exchange. No press release with respect to the entering into of this Agreement shall be issued by any Member without the approval of the other Member.

(b) In the event that a Member shall receive a request to disclose any of the terms of this Agreement under a subpoena or order, such Member shall (i) promptly notify the other Member thereof, (ii) consult with the other Member on the advisability of taking steps to resist or narrow such request, and (iii) if disclosure is required or deemed advisable, cooperate with the other Member in any attempt it may make to obtain an order or other assurance that confidential treatment will be accorded those terms of this Agreement that are disclosed.

13.23 Governing Law. The terms and provisions of this Agreement and the rights, remedies, liabilities and obligations of the Parties hereunder and all disputes arising hereunder shall be governed by, interpreted and enforced in accordance with the internal laws of the State of Delaware without regard to principles of conflicts of laws.

13.24 Liability of Members. No Member nor any partners or members of any Member shall be personally liable for any obligations of the Company except to the extent of such Member's interest in the Company or as otherwise required by the Delaware Act. Each Member agrees that in seeking payment or satisfaction or any obligation hereunder of any other Member, it shall look solely to the Member's Membership Interest in the Company.

13.25 No Employees. Notwithstanding anything to the contrary in this Agreement, the Members agree that the Company shall have no employees. Managing Member shall itself and/or shall cause any Manager, through the employees of the Managing Member and/or Manager or by independent contractors hired pursuant to contracts and or Affiliate Agreements permitted in accordance with this Agreement, to provide all personnel necessary to develop, operate and maintain the Company and/or the Property and provide any other services required by the Company. Notwithstanding that such personnel shall not be employees of the Company, all wages, salaries, fringe benefits and other costs of such employment or contracts shall be costs of the Company (to be borne by it through reimbursement of the appropriate Person(s)) to the extent included in the Annual Plan approved by the Members or as otherwise approved in writing by the Members.

13.26 Jurisdiction; Choice of Forum. Each party hereby (a) irrevocably submits to the non-exclusive jurisdiction of any California State or Federal Court sitting in the County of Los Angeles (California), (b) agrees that any such courts in which a proceeding arising out of or relating to this Agreement, the relations between the parties with any matter, action or transaction contemplated hereunder "first commenced" shall have exclusive jurisdiction over such actions or proceedings, (c) waives the defense of inconvenient forum to the maintenance and continuation of such action or proceedings, (d) consents to the service of any and all process in any such action or proceedings by the mailing of copies (certified mail, return receipt requested and postage prepaid) of such process to them at their addresses specified in Section 12.1, and (e) agrees that a final and non-appealable judgment rendered by a court of competent jurisdiction in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

13.27 WAIVER OF JURY TRIAL. EACH MEMBER, FOR ITSELF AND ON BEHALF OF ITS AFFILIATES, HEREBY WAIVES ITS RIGHT TO TRIAL BY JURY IN ANY ACTION, LAWSUIT OR PROCEEDING RELATING TO ANY DISPUTE ARISING OR IN CONNECTION WITH THIS AGREEMENT OR ANY TRANSACTION DESCRIBED IN THIS AGREEMENT OR DISPUTE BETWEEN THE PARTIES (INCLUDING DISPUTES WHICH ALSO INVOLVE OTHER PERSONS).

ARTICLE II

SECTION 2.01. General Duties. Manager shall devote all commercially reasonable efforts in good faith to serve Owner in the supervision of the management, operation, maintenance and repair of the Project and shall perform to the best of its ability, conforming with the professional standards of office properties of similar size, age and construction in the Project Area, all duties pertaining to such supervision of the management, operation, maintenance and repair of the Project. Manager shall employ at all times a sufficient number of competent employees to enable it to properly and efficiently perform its duties hereunder or, subject to the Approved Budget, Manager shall engage such independent contractors as Manager deems necessary to complement Manager's employees and properly and officially perform its duties under this Agreement.

(b) Emergencies. In the event of an emergency (i) for which repairs are immediately necessary for the preservation and safety of the Project, (ii) to avoid the suspension of any essential services to the Project, or (iii) to avoid danger to life or property (each of which shall constitute an "emergency"), such emergency repairs shall be made by Manager on behalf of Owner at Owner's cost (except to the extent such costs, expenses or charges are to be paid or reimbursed by tenants, in which event such emergency repair cost shall be paid by Manager, at Owner's expense, and Manager shall seek payment or reimbursement of such emergency costs, expenses or charges directly from such tenants) without the prior approval of Owner; provided that such emergency expenditure shall not exceed the sum of Twenty-Five Thousand Dollars ($25,000) per emergency. Manager shall promptly, and in no event later than twenty-four (24) hours from the time Manager learns of any such emergency, provide Owner with notice in reasonable detail of such emergency.

Owner authorizes Manager, subject to being reimbursed by Owner for out-of-pocket expenses approved by Owner or in the Approved Budget, to request, collect and receive all such rent and other charges. Upon obtaining Owner's approval, Manager may, subject to being reimbursed by Owner for out-of-pocket expenses approved by Owner or in the Approved Budget, retain counsel on behalf of Owner, collection agencies and such other persons and firms as Manager shall deem appropriate or advisable to enforce the rights and remedies of Owner against any tenant in default in the performance of its obligations under its lease by such actions as are directed or approved by Owner. Manager shall (i) supervise all dealings with tenants of the Project on behalf of Owner and receive and consider service requests, (ii) receive and use all commercially reasonable efforts to resolve any complaints, disputes or disagreements among tenants, (iii) monitor the activities of tenants to ensure their compliance with terms and conditions of their respective leases and use all reasonable efforts to notify the respective tenants and Owner of any non-compliance with such leases, (iv) supervise the moving in and out of all tenants of the Project and to arrange the dates thereof so that there shall be a minimum of disturbance to the operation of the Project and of inconvenience to the other tenants, and (v) work closely with the tenants in order to enhance the entry and inspection rights of the landlord at the Property.

(c) Notices. Manager shall be responsible for the giving of all notices and statements required to be given to tenants of the Project under the terms of the respective tenants' leases and for the giving of all other notices necessary relating to management of the Project.

(d) Rules and Regulations. Manager shall consider and advise Owner from time to time as to appropriate or desirable rules and regulations or any additional rules and regulations Manager may deem appropriate or desirable to be made under the leases with tenants of the Project or for the better or more efficient operation of the Project. (e) Security. Manager shall, at Owner's expense, place and maintain a contract or contracts to provide security for the physical protection of the Property; except that where such security is an obligation of the tenant under the Fireman's Fund Lease, Manager shall routinely monitor and ensure that such tenant has made adequate provisions for such security service.

(f) Compliance. Except to the extent that Owner may otherwise direct Manager, Manager, subject to being reimbursed by Owner for out-of-pocket expenses approved by Owner or in the Approved Budget, (i) shall use all commercially reasonable efforts to secure compliance by the other party or parties, if any, to each agreement, mortgage, lease, reciprocal easement agreement, operating agreement, rule, regulation and other instrument to which Owner is or shall hereafter become a party, and (ii) shall use all commercially reasonable efforts to cause the obligations of Owner under such agreements, mortgages, leases, reciprocal easement agreements, operating agreements, rules, regulations and other instruments to be performed in accordance with the terms thereof (including, without limitation, such obligations of Owner to deliver notifications of events and to respond to notices received).

(g) Additional Duties. Manager shall undertake such additional duties as Owner may reasonably request from time to time and as are usual and customary for managers of first class office properties in the Project Area and are consistent with Manager's employment to supervise the management and operation of the Project under the terms and provisions of this Agreement without additional compensation therefor.

SECTION 2.08. Compliance with Laws. Insofar as any of the following enumerated matters relate to or affect the condition, use or occupancy of the Project, unless Owner has affirmed its intention to contest the same (in which event Manager, at Owner's sole cost and expense, shall participate in such contest to the extent requested by Owner), Manager shall use all reasonable efforts to comply with and cause the Project, at Owner's expense, to be kept, maintained, used and occupied in compliance with the following, as now in effect or as may be hereafter in effect,: (a) all applicable laws, statutes and ordinances; (b) all applicable rules, regulations and orders of any governmental authority (specifically including, but not by way of limitation, building codes, fire regulations and, subject to Section 2.10, environmental rules and regulations); (c) any direction or occupancy or use certificate issued pursuant to any law, regulation or rule by any public officer; and (d) the provisions of any agreement, mortgage, lease, reciprocal easement agreement, operating agreement, rule, regulation or other instrument to which Owner is a party or by which the Project is bound. Promptly upon receipt thereof, Manager shall submit to Owner a copy of each notice or statement received from any governmental agency together with any other notices or statements received by Manager which threaten or might have a material effect upon the Project. All of the provisions of this Section shall be further subject to the limitations and restrictions on the authority of Manager set forth in this Agreement.

SECTION 2.09. Handicapped Accessibility Law Compliance. Upon request by Owner, Manager shall, at Owner's expense, contract with a qualified independent contractor to prepare an inspection report on behalf of Owner to determine whether the Project is in compliance with the Americans with Disabilities Act of 1990 (as such Act may be amended from time to time), and any other applicable federal, state or local laws, rules and regulations applicable to the Project and pertaining to handicapped accessibility. If the Project is not in compliance, then Manager, with such independent contractor, shall propose a plan and budget in order to attain such compliance. If such plan and budget are approved in writing by Owner, such compliance shall be undertaken at Owner's expense. If such compliance is the obligation of tenant under the Fireman's Fund Lease, then Manager shall enforce the terms of the Fireman's Fund Lease so as to cause such tenant to attain such compliance.

SECTION 2.10. Hazardous Materials, Toxic Wastes and Asbestos. If during the term of this Agreement, Manager becomes aware of the existence of hazardous materials or wastes, toxic substances or wastes, asbestos or asbestos bearing materials and the like at, in, on or under the Project, Manager shall immediately notify Owner of the condition, both orally and in writing. Owner shall exclusively determine such further course of action with respect to such hazardous condition. Manager shall not supervise or oversee any work involving remediation of any hazardous or potentially hazardous wastes or conditions unless specifically hired by Owner to do so pursuant to a separate agreement between Owner and Manager. Manager shall always use its good faith commercially reasonable efforts to prevent and detect the occurrence or existence of any hazardous condition at the Project and shall reasonably cooperate with Owner, at no additional fee or cost to Owner, in abating and remedying any hazardous condition at the Project; provided, however, (i) the actual costs of abatement or remedial action shall be borne by Owner, (ii) remediation shall be undertaken only at the direction of Owner or a third party environmental consultant hired by Owner, and (iii) Owner acknowledges that Manager is not qualified to evaluate any hazardous condition at the Project and Owner agrees that in no event will Manager be required to make an independent determination as to the presence or absence of any hazardous condition at the Project or whether or not any particular tenant space is in compliance with all applicable rules, regulations and orders of any governmental authority, including, but not by way of limitation, environmental rules and regulations. Notwithstanding anything to the contrary set forth in this Section 2.10, Manager shall comply with the terms of any asbestos operations and maintenance program, mold management program or other operations and maintenance program ("O&M Program") in effect or which shall become effective with respect to the Project at the Property's expense, provided that Manager has been provided with a copy of such O&M Program.

SECTION 2.11. Taxes and Assessments. Manager, at Owner's request, shall annually review and submit, or cause to be submitted, to Owner a written report on all real estate and personal property taxes and assessments affecting the Project. In addition, if so requested, Manager shall advise Owner as to the use and selection of third party tax consultants and shall file all personal property tax returns, state and local sales tax reports, and form 1099's relating to the Project, if required and if requested by Owner, after consulting with Owner concerning the contents thereof. Manager shall not be required to prepare on behalf of Owner any state or federal income tax return relating to the Project. Manager shall promptly furnish Owner with copies of all real estate and personal property tax and assessment notices received by Manager.

SECTION 2.12. Reports on Insurance Claims. Manager shall promptly notify Owner of any casualty and promptly investigate and make (subject to Owner's approval) a complete and timely written report to the appropriate insurance company as to all accidents, claims for damage relating to the development, ownership, operation and maintenance of the Project, any damage or destruction to the Project and the estimated cost of repair thereof and shall prepare (for Owner's approval) any and all reports required by any insurance company in connection therewith. All such reports shall be timely filed with the insurance company as required under the terms of the insurance policy involved and a final copy of such report shall be furnished to Owner. Notwithstanding any provision of this Agreement to the contrary, Manager shall not settle any claim against insurance companies without the prior approval of Owner.

SECTION 2.13. Assistance with Proposed Sale, Financing, Refinancing. Manager shall cooperate with and assist Owner from time to time in any attempt(s) by Owner to sell, finance or refinance the Project. Such cooperation shall not entitle Manager to any additional compensation and Manager shall not be deemed to be acting as a broker unless Owner and Manager enter into a separate written agreement engaging Manager as broker with respect to the Project. Such cooperation shall include, without limitation, answering prospective purchasers' and lenders' questions about the Project, preparing rent rolls, notifying tenants about the sale of the Project and obtaining estoppel certificates and other documents from all tenants of the Project in the form required by the prospective purchaser or lender.

SECTION 2.14. Property Transition. Manager shall assist Owner in coordinating with any prior manager of the Project to ensure a smooth transition from such prior manager to Manager. Such transition responsibilities will include, without limitation, assistance in transferring of bank accounts and security deposits, obtaining all files and personal property with respect to management of the Project, notifying tenants and other interested parties, and collecting such other information required by Owner and imputing the same into a software program designated by Owner. In addition, upon termination of this Agreement, Manager shall reasonably assist Owner in coordinating with any successor manager of the Project to ensure a smooth transition from Manager to such successor property manager.

SECTION 2.15. Inspections. Manager acknowledges that, during the term of this Agreement, designated representatives of firms other than Owner or affiliated companies, may have reason to review and examine during normal business hours the accounting books and records, the lease files, revenue, operating expenses, and other property data that is under the control of Manager and is maintained at Manager's on-site office facilities, regional offices and/or principal offices with respect to the Project, and Manager will cooperate with these designated representatives. Manager further acknowledges that these services are included within the scope of this Agreement and that no additional fees are required over and above the basic asset management fee contained within this Agreement unless recoverable by Manager from such designated representatives.

SECTION 2.16. Limitation of Authority. Notwithstanding any provision of this Agreement to the contrary, Manager shall not, without prior approval by Owner: (a) convey or otherwise transfer or pledge or encumber any property or other asset of Owner; (b) retain

attorneys on behalf of Owner; (c) institute or defend lawsuits or other legal proceedings on behalf of Owner; (d) enter into any dealings concerning the Project or with tenants of space at the Project for Manager's own account in its capacity as property manager; provided, however, that if Manager shall enter into any dealings with tenants of space at the Project in its capacity as a tenant representative or otherwise in a leasing capacity, Manager shall give Owner prior written notice thereof, but shall not require Owner's approval of such activities, (e) pledge the credit of Owner, except for purchases made in the ordinary course of business of operating the Project or as otherwise contemplated pursuant to this Agreement in conformity with an Approved Budget; (f) borrow money or execute any promissory note or other obligation or mortgage, security agreement or other encumbrance in the name of or on behalf of Owner; (g) execute any leases or any contracts for construction, remodeling, rehabilitation, landscaping or other work to be done on the Property unless previously approved in writing by Owner or in conformity with an Approved Budget. The limitations set forth in this Section 2.16 shall be in addition to all other restrictions on the authority of Manager set forth in this Agreement.

SECTION 2.17. Development. ARTICLE III

Banking, Recordkeeping and Reporting Duties

SECTION 3.01. Operating Account.

(a) General. Manager shall, and shall cause any person or entity engaged to collect or handle monies received from the operation of the Project pursuant to Section 2.03 hereof to, handle all monies received from operation of the Project in accordance with any applicable restrictions of which it becomes aware that may be imposed pursuant to any loan documents evidencing or securing any loans for which the Project serves as security ("Project Loan Documents"). In this regard, Manager acknowledges that it has received and reviewed the Project Loan Documents presently encumbering the Project as described in Exhibit C to this Agreement. Owner has informed Manager that Owner has established the first bank account described in Exhibit D to this Agreement in order to comply with certain provisions of the Project Loan Documents described in Exhibit C. Owner has informed Manager that Owner has established the second bank account described in Exhibit D to this Agreement as a separate special account for the Project (the "Operating Account") and, subject to applicable requirements

under the Project Loan Documents, Manager shall deposit, no later than one (1) business day after receipt, all monies received by Manager from the operation of the Project into the Operating Account, and Manager shall not commingle such monies with funds of Manager or with funds received from the operation of any other property. Manager represents and warrants to Owner that Manager shall not change the Operating Account (or establish additional accounts to serve as part of the Operating Account) except with the prior written approval of Owner. All monies received by Manager for or on Owner's account shall be received and held by Manager in trust for Owner. Manager shall, subject to Section 3.01(b), use funds deposited in the Operating Account to pay operating expenses for the Project. The Operating Account shall be styled in a manner approved by Owner. Manager shall regularly transfer excess funds to the money-market type account to serve as part of the Operating Account (such account listed as the third account in Exhibit D to this Agreement), with any material excess funds being invested temporarily in interest-bearing investments permitted by the terms of any Project Loan Documents executed by Owner and the permitted investment guidelines established by Owner. Upon request of Owner, Manager shall change the accounts and depository institutions utilized by Manager for the Operating Account.

(b) Payments. Unless otherwise directed by Owner, Manager shall timely pay all taxes, insurance premiums, debt service payments and other operating expenses authorized pursuant to the then applicable Approved Budget, but not otherwise (other than as provided in Section 3.06); except that where the payment of any of such operating expenses are the obligation of tenant under the Fireman's Fund Lease, Manager shall routinely monitor and ensure that such tenant has timely made such payment. Manager shall submit to Owner for approval, not more than once per month, a list of all operating expenses by major account (e.g., payroll, repairs and maintenance, and general and administrative) that are not then authorized pursuant to the then applicable Approved Budget and, to the extent approved by Owner in writing, Manager shall pay such operating expenses. Owner shall approve or disapprove such expenses within five (5) business days after submission thereof. Manager shall make no payment from the Operating Account, without Owner's prior written consent, for any expense which, under the provisions of this Agreement, requires Owner's prior written approval or consent (unless within the Approved Budget) or for any expense not related to the operation of the Project. Manager shall disburse to Owner its share of net revenues quarterly, no later than the earlier of the fourteenth (14th) day after the end of each quarter or the fifth (5th) business day after the receipt by Manager of any net proceeds from any disposition of the Property; provided, however, that a working capital balance, in an amount reasonably determined by Owner from time to time, will be maintained in the Operating Account.

(c) Insufficient Funds. Manager shall monitor the cash flow of the Project and shall provide to Owner a monthly report detailing such cash flow and a forecast of such cash flow for the next succeeding month. If, at any time, funds in the Operating Account shall be projected to be or are insufficient to pay such expenditures, Manager shall notify Owner and request a sufficient amount to satisfy same so that Manager will have sufficient funds in the Operating Account to prevent any delinquency in payment for such expenditures. Notwithstanding any other provision of this Agreement, Manager shall not be obligated to advance any of its own funds to or for the account of Owner or in the Approved Budget, nor to incur any liability unless Owner shall have furnished Manager with funds necessary for the

discharge thereof. If Manager advances any additional funds in payment of an expense in the maintenance or operation of the Project which was authorized by Owner, Owner shall reimburse Manager within five (5) days after Owner's receipt of itemized invoices or bills thereof.

(d) Signature Requirements. Checks or other documents of withdrawal on the Operating Account in excess of Ten Thousand Dollars ($10,000) shall require co-signature by a representative of Owner, except to the extent for an item in the Approved Budget or otherwise approved in writing by Owner. The designation of the authorized representatives of Manager may be made by any one of Manager's officers. All such representatives of Manager shall be bonded or otherwise insured (at Manager's sole expense) in accordance with Section 4.02 or otherwise in a manner reasonably satisfactory to Owner. Owner shall have the right to withdraw any funds deposited in the Operating Account or otherwise invested pursuant to this Agreement on the basis of its signature alone and without the joinder of Manager. Manager's authority to make disbursements pursuant to this Agreement and draw checks or make withdrawals from the Operating Account or other bank accounts established, held or maintained by Manager in the name of or on behalf of Owner shall immediately terminate upon the expiration or earlier termination of this Agreement and/or during any period in which Manager is in default of this Agreement.

SECTION 3.02. Security Deposit Account. To the extent required under the laws of the state in which the Project is located, all security deposits collected by Manager shall be segregated from other funds received in connection with the Project and deposited immediately upon receipt in a special separate interest-bearing account for the Project (the "Security Deposit Account"), maintained in a federally insured banking institution acceptable to Owner. The Security Deposit Account shall be styled as follows: [Manager Name], as Manager for [Owner's Name] for [Property Name]—[Property Number]. Manager shall maintain accurate records of all security deposits held by Owner, including the amount of each security deposit, the party from whom each security deposit is collected, interest earned on each security deposit (if the particular lease requires payment of interest thereon), the amount of such interest required (if so required by applicable law) to be paid to each tenant with respect to such tenant's security deposit, and the date(s) upon which Manager collected each security deposit. Manager shall deliver a monthly report to Owner which indicates when a refund of all or any portion of a security deposit is required and has been approved by Manager, and Manager shall keep an accurate record of all refunds. Manager is solely responsible for complying with all applicable state, local and other laws, rules and regulations regarding security deposits held in a segregated account, including laws, rules and regulations regarding the payment of interest thereon and the return thereof. All interest earned on such security deposits that is not required to be paid to tenants shall be deposited monthly by Manager in the Operating Account. Owner shall have the right to withdraw any funds deposited in the Security Deposit Account or otherwise invested pursuant to this Agreement on the basis of its signature alone and without the joinder of Manager.

SECTION 3.03. Books and Records. Manager shall maintain separate and complete books and records in connection with its management and operation of the Project. Such books and records shall be kept in a manner sufficient to respond to Owner's reasonable financial information requirements and shall show, without limitation, the actual financial

information for the Project for each month and each calendar year to date as compared to the budgeted information for such month and calendar year. Manager shall use certain computer software programs designated by Owner from time to time to prepare and maintain the books, records and reports required pursuant to this Agreement. Manager acknowledges that Owner has initially designated the MRI computer software program. Manager will make the books of account and all other records relating to or reflecting the operation of the Project readily available to Owner and its representatives at the Project (or at Manager's principal office) at all reasonable times for examination, audit, inspection and transcription. Manager shall prepare and keep current a list of all personal property owned by Owner and used at the Project or in its operation. Upon Owner's reasonable request, Manager shall deliver to Owner the copies of any source materials utilized by Manager in preparing the records, books and accounts. All books and records at all times shall be the property of Owner. Upon termination of this Agreement, Manager shall turn over all such books and records to Owner, but Manager may retain copies thereof to the extent necessary to satisfy any legal reporting requirements applicable to Manager.

SECTION 3.04. Reporting Requirements.

(a) Monthly Reports. Manager agrees to render monthly reports for the preceding calendar month, on or before the twentieth (20th) day of each month, in form satisfactory to Owner and that meet the reporting obligations set forth in that certain Amended and Restated Limited Liability Company Agreement of Novato FF Venture, LLC, dated as May **[__]**, 2007, between Novato FF PT Investor, LLC and Pacific Novato Holdings, LP (the "LLC Agreement"). Manager agrees to maintain at the Project or at Manager's principal office all documentation necessary to support the information included on the foregoing reports, including, without limitation, all bank statements, bank deposit slips, canceled checks, comprehensive bank reconciliations, detailed cash receipts and disbursement records, operating expense invoices and payroll supporting documentation.

(b) Quarterly and Semi-annual Reports. In addition to the foregoing, Manager agrees to deliver to Owner, within sixty (60) days after the end of each calendar quarter and the end of each calendar year during the term hereof, (i) an unaudited profit and loss statement and balance sheets (in summary and detail fashion) for the Project prepared with respect to the then immediately preceding calendar quarter or calendar year, as appropriate, (ii) a current rent roll, and (iii) a narrative explanation of any budget variances.

Manager shall cause to be prepared and furnished to Owner, within sixty (60) days after the close of each calendar year, annual financial statements prepared on an accrual basis of accounting, including a balance sheet and a statement of income, and otherwise in a format reasonably designated by Owner; provided, however, at the option of Owner, Manager shall, at Owner's expense, cause these annual financial statements to be audited and prepared by a certified public accounting firm selected and approved by Owner. In addition, within ninety (90) days after the end of each calendar year, at the option of Owner, Manager shall, at Owner's expense, cause such accountants to prepare and deliver to Owner a report setting forth in sufficient detail all such information and data with respect to business transactions affected by or involving Owner during such calendar year as shall enable Owner and its constituent partners to prepare their respective federal, state and local income tax returns in accordance with the laws, rules and regulations then prevailing. Finally, on or before October 15th of each year during the term of this Agreement, Manager shall cause to be prepared and delivered to Owner a ten (10) year discounted cash flow model for the Property in such form and incorporating such assumptions and projections as directed by Novato FF PT Investor, LLC and using the software program designated by Novato FF PT Investor, LLC from time to time.

Said inventory shall be available for review by Owner and shall be updated by Manager upon the request of Owner. Manager shall furnish Owner and/or Owner's agents, representatives or affiliates such other reports with respect to the Property as may reasonably be requested by Owner and/or Owner's agents, representatives or affiliates. In addition to the foregoing, Manager agrees to prepare and deliver to Novato FF Venture, LLC, within sixty (60) days after the end of each calendar quarter during the term hereof, a report providing information on the progress by Manager of those certain duties described in Exhibit E.

(e) Certification. All information contained in all reports, statements and other data required under this Section shall be certified to as accurate by Manager based upon Manager's actual knowledge.

(f) Accounting Policies and Procedures. Manager shall prepare and deliver all reports in accordance with, and shall otherwise comply with, Owner's accounting policies and procedures as adopted from time to time. Manager acknowledges receipt of a copy of Owner's current accounting policies and procedures.

SECTION 3.05. Audit Rights. Owner reserves the right and Manager hereby agrees that Owner, at Owner's expense, shall have the right to conduct examinations and/or audits of the books and records maintained by Manager for Owner. Owner may perform any and all audits relating to Manager's activities either at the Project or at the local office of Manager. Manager will cooperate with and give reasonable assistance to any independent certified public accountant or other agent retained by Owner to examine such books and records. Should Owner's employees or appointees discover either weaknesses in internal control or errors in record keeping, Manager, at its sole cost and expense, shall correct such discrepancies either upon discovery or within a reasonable period of time thereafter. Manager shall inform Owner in writing of the action taken to correct such audit discrepancies. Any and all audits conducted either by Owner's employees or appointees will be at the sole expense of Owner unless such audit reveals that the annual net cash flow (as determined on a cash basis method of accounting) for the Project is misrepresented or incorrect by an amount greater than five percent (5%), in which case Manager will bear such expense, not to exceed the amount of the discrepancy. In addition, if any audit discloses a deficiency in the amount of funds which Manager should have delivered to Owner during the period covered by the audit, Manager shall immediately deliver such deficiency to Owner, together with interest thereon at the rate of ten percent (10%) per annum. Such interest shall be paid by Manager from funds other than those generated by the Project. No audit shall be performed by anyone working on a contingency fee basis.

SECTION 3.06. Budgets. Manager will prepare and submit to Owner proposed budgets pursuant to and in accordance with the provisions of Section 4.3 of the LLC Agreement. The process for review and approval of the proposed budget by the Owner shall be as set forth in Section 4.3 of the LLC Agreement. Manager shall not make expenditures relating to the Project in any year except within the categories and amounts contained in the Approved Budgets for the Project for that year, unless such variance is in accordance with the terms of Section 4.3 of the LLC Agreement. Manager shall have no right to approve any budget or any revisions suggested by Owner thereto. As used herein, the term "Approved Budget" means any budget approved by Owner pursuant to the terms of this Section 3.06.

Owner shall indemnify, defend and hold harmless Manager, and its affiliates, and each of their respective partners, directors, officers, employees and agents (each a "Manager Party") from and against any and all claims, actions, suits, proceedings, losses, costs and expenses, including reasonable attorneys' fees and expenses, arising out of or resulting from the acts or omissions of Manager and any such other Manager Party in connection with this Agreement, the performance of Manager's duties hereunder or arising out of or resulting from the acts or omissions of Owner, its partners and their respective stockholders, directors, officers, trustees and employees, except that such indemnification shall not apply (a) in the case of the acts or omissions of Manager or its directors, officers, employees, contractors, subcontractors, or agents in violation of this Agreement, outside the scope of Manager's authority hereunder or otherwise constituting gross negligence, fraud, malfeasance, breach of fiduciary duty or willful, reckless or criminal misconduct, (b) if, and to the extent, Manager and the matter is defended and paid for by the insurance maintained by Owner under Section 4.03, (c) any matter for which Manager has agreed to indemnify Owner under this Agreement, or (d) to the extent Manager shall have failed to maintain the fidelity bond or insurance required to be maintained by Manager under Section 4.02 and such bond or insurance would have defended and paid for such matter. The terms of this Section 4.05 shall survive the expiration or earlier termination of this Agreement, whether with or without cause.

SECTION 4.06. Conditions of Indemnification. The obligations of the parties under Section 4.04 and Section 4.05 are subject to the following conditions: (a) the party to be indemnified shall deliver a notice to the indemnifying party with respect to the matter promptly after the party to be indemnified becomes actually (and not constructively) aware of the same; and (b) the party to be indemnified shall not take any actions, including any admission of liability, which would bar the indemnifying party from enforcing any applicable coverage under policies of insurance or prejudice any defense and related legal proceedings or otherwise prevent such indemnifying party from defending itself with respect to the matter.

SECTION 4.07. Confidential Information. Manager agrees, for itself and all persons retained or employed by Manager in performing its services, to hold in confidence and not to use or disclose to others any confidential or proprietary information of Owner heretofore or hereafter disclosed to Manager, including, but not limited to, any data, information, plans, programs, processes, costs, operations, or names of tenants which may come within the knowledge of Manager in the performance of, or as a result of, its services (the "Confidential Information"), except where Owner specifically authorizes Manager to disclose any of the foregoing to others or such disclosure reasonably results from the performance of Manager's duties hereunder or is required by law or by court proceedings. The provisions of this Section

shall survive the termination of this Agreement. Confidential Information does not include, however, information which (a) is or becomes generally available to the public other than as a result of a disclosure by Manager, (b) was available to Manager, or known by Manager on a non-confidential basis prior to its disclosure by Owner, or (c) becomes available to Manager on a non-confidential basis from a person other than Owner, who is not known by Manager to be bound by a confidentiality agreement or otherwise under any obligation to keep such information confidential. If Manager is required by statute, government regulation, legal process, or judicial decree to disclose any Confidential Information, Manager may disclose such Confidential Information without liability to Owner. However, Manager agrees: (i) to give Owner prompt notice of any proceedings taken or initiated by others to obtain such an order or decree; (ii) to cooperate fully with Owner's counsel in response thereto (at Owner's expense); and (iii) to disclose only such portion[s] of the Confidential Information as are specifically required by such order or decree, once it is final and non-appealable.

The maintenance of extremely high standards of honesty, integrity, impartiality and conduct by Manager and its employees and agents is essential to assure the proper performance of business and the maintenance of public confidence in Owner. Owner expects Manager to uphold and meet these high standards and to use its best judgment to avoid misconduct and conflicts of interest and to require the same of its employees and agents. Manager shall not take any action that would reasonably be believed to adversely affect the confidence of the public in the integrity of Owner and shall not engage in conduct prejudicial to Owner, including, without limitation, criminal, dishonest or immoral conduct. Manager shall not (a) misuse Owner's property, (b) use inside information obtained as a result of retention by Owner for private gain for Manager or another person, particularly one with whom Manager (or its officers, directors, employees or agents) has family, business or financial ties, (c) use its retention by Owner to coerce or give the appearance of coercing a person to provide financial benefit to any employee or another person, particularly one with whom Manager (or its officers, directors, employees or agents) has family, business or financial ties, or (d) because of such retention, receive or solicit from a person known by Manager to conduct business with Owner anything of more than *de minimus* value as a gift, gratuity, loan, entertainment or favor for Manager or another person. As a condition to performing any service at the Project, Manager agrees to request that each of Manager's employees, agents and representatives acknowledge that they have read and understood this Section. Any violation of this Section by Manager or its employees, agents and representatives will constitute a breach of this Agreement by Manager.

ARTICLE V

Fees, Commissions and Expenses

SECTION 5.01. Asset Management Fee. As an asset management fee for the services performed pursuant to this Agreement, Owner agrees to pay Manager, during the initial term of this Agreement, an amount equal to one and one quarter percent (1.25%) of Gross Receipts, payable monthly in arrears (with such asset management fee subject to annual

reconciliation based upon actual Gross Receipts). Manager may withdraw an amount equal to such monthly asset management fee, on or before the last day of each month during the term of this Agreement, from the Operating Account. In the event Owner is obligated to refund to any tenant any amount included in Gross Receipts for any prior month, Manager shall promptly pay to Owner or credit against the next succeeding fee owed Manager, the amount of all fees or other compensation paid to Manager with respect to such refunded amount. Manager shall not be entitled to any fees, leasing commissions, or other sums for its services hereunder, except pursuant to this Article V, and Manager specifically acknowledges and agrees that, unless otherwise agreed in writing by Owner, Manager shall not be entitled to any fees, commissions, or other sums in connection with any leasing, sale, transfer, exchange, financing, refinancing, or other disposition or encumbrance of all or any portion of the Project, or any interest therein. Nothing contained herein shall affect Manager's right to receive reimbursement for certain items as and to the extent set forth in this Agreement. The asset management fee provided for in this Section 5.01 shall only be payable by Owner to Manager for so long as American Assets, Inc. is the Manager pursuant to this Agreement.

SECTION 5.02. Gross Receipts. As used herein, the term "Gross Receipts" means, as to any period, the gross income from the Project actually collected by Manager during such period and payable to Owner, including (a) "Base Rent" received pursuant to the Fireman's Fund Lease, (b) forfeited security and other deposits, (c) rental interruption insurance proceeds, and (d) late charges and interest; provided that Gross Receipts shall not include (i) contributions to the capital of Owner, amounts deposited by Owner into the Operating Account to cover operating deficits, or interest thereon, (ii) proceeds of any sale, transfer, exchange, financing, refinancing, or other disposition or encumbrance of all or any portion of the Project, or any interest therein, (iii) insurance proceeds (other than from loss of rents), (iv) condemnation proceeds and awards or payments in lieu thereof, (v) any and all security or other deposits, unless and to the extent forfeited and applied against delinquent rent or operating expenses (as opposed to applied against repair costs or other expenses), (vi) tax reduction or abatement proceeds, (vii) discounts, rebates or dividends on insurance policies, (viii) interest and other investment income earned on monies held or managed by Manager, (ix) prepaid rent prior to the occurrence of the month for which such rent was prepaid, (x) any payments received by Owner in connection with the early termination of any lease to the extent such payments are applied by Owner against unamortized capital costs, (xi) income which is not directly related to the operation, leasing and management of the Project, or (xii) reimbursements from any tenant of any operating expenses, taxes or insurance premiums pursuant to any lease (including, without limitation, the Fireman's Fund Lease). Gross Receipts is intended to reflect a net income concept, after deduction of expenses (e.g., amounts reimbursed to Manager pursuant to Section 5.04, and any other amounts paid to suppliers or subcontractors from funds of the Owner) paid in connection with the ownership and operation of the Property (other than the Property Acquisition Fee pursuant to Section 5.03 or the asset management fee pursuant to Section 5.01).

SECTION 5.03. Property Acquisition Fee. As a fee for the services performed by Manager in acquiring the Property, Owner agrees to pay Manager, a fee (the "Property Acquisition Fee") in an amount equal to One Million Five Hundred Sixty Thousand Dollars ($1,560,000) payable on the closing of the acquisition of the Property (it being understood that no such Property Acquisition Fee shall be payable by Owner to Manager unless and until the closing of the acquisition of the Property has occurred).

SECTION 5.04. Reimbursable Expenses. The costs of gross salaries, payroll taxes, insurance, worker's compensation and other employee benefits of full-time, on-site employees shall be reimbursed by Owner to Manager only to the extent reflected in the then applicable Approved Budget. Owner shall have no obligation, unless otherwise agreed to by Owner in writing, to reimburse Manager for and Manager shall be solely responsible for the payment of the costs of payroll taxes, insurance, worker's compensation and other employee benefits granted to any part-time employee or any full-time on-site employee in excess of the amount set forth in the then applicable Approved Budget except as provided in Section 3.06. Any costs or fees payable to any subcontractor hired to provide management services to the Property shall be reimbursed by Owner to Manager only to the extent reflected in the then applicable Approved Budget.

SECTION 5.05. Non-Reimbursable Expenses. The following expenses or costs incurred by or on behalf of Manager in connection with the operation of Manager's business shall be the sole cost and expense of Manager and shall not be reimbursable by Owner:

(a) Cost of gross salary and wages, payroll taxes, insurance, worker's compensation, pension benefits, and any other benefits of Manager's principal office or regional office personnel.

(b) General accounting and reporting services using MRI accounting and reporting software, unless otherwise specifically set forth in the Approved Budget.

(ix) (A) if Manager shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of its or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment of the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any corporate action to authorize any of the foregoing, or (B) if an involuntary case or other proceeding shall be commenced against Manager seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed or unstayed for a period of ninety (90) days, or (C) if an order for relief shall be entered against Manager under any bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect; or

(x) If the Manager's Certificate attached hereto as Exhibit A is untrue on the date given and/or hereinafter becomes untrue at any time.

The right and ability of Owner to terminate this Agreement for cause shall be in addition to (and shall not waive or limit) the rights and remedies available to Owner as a result of the act or occurrence giving rise to such for cause termination.

SECTION 6.04. Thirty Day Termination Fee. In any instance in which Owner is required to provide Manager with thirty (30) days prior written notice of termination, Owner shall pay to Manager the Thirty Day Fee (hereinafter defined) and shall have the right upon payment to Manager of the Thirty Day Fee to require Manager to immediately vacate the Project and, in such event, Manager's authority hereunder shall immediately cease and Manager shall have no further right to act for Owner or draw checks on the Operating Account. Manager shall have the right to terminate this Agreement, (a) if Owner shall fail to comply with any provision of this Agreement and such failure shall continue for thirty (30) days after written notice of such failure has been given by Manager to Owner, or if such failure cannot reasonably be cured within such thirty (30) day period, if Owner shall fail to commence the curing of such failure within such thirty (30) day period (and to notify Manager within such thirty (30) day period that Owner has commenced such cure and will prosecute such cure diligently and complete the same, which notice shall specify Owner's estimate of the time period within which such cure will be completed) or, thereafter, shall fail to prosecute such cure diligently and complete the same within a reasonable period of time, or (b) with or without cause upon at least sixty (60) days prior written notice to Owner. In the event of any such termination, Manager shall be entitled, as its sole and exclusive remedy, to the payment of its reimbursable expenses and, subject to the limitations contained in Section 5.03, accrued but unpaid asset management fees and through the effective date of any such termination, but not otherwise.

SECTION 6.06. Effect of Termination.

(a) Deliveries. Upon termination of this Agreement for any reason, Manager shall deliver the following to Owner, or Owner's duly appointed agent, as soon as reasonably possible, but in no event, except as noted below, later than five (5) business days following the termination date:

ARTICLE VII

As a result, this Agreement shall not be assigned by Manager without the prior written consent of Owner, except by merger, consolidation or a sale of substantially all of Manager's assets. This Agreement may be assigned by Owner without Manager's prior written consent and, except for any liability of Owner which expressly survives the expiration or earlier termination of this Agreement, Owner shall be released from liability hereunder upon any transfer of its interest in the Project; provided, however, if this Agreement is to continue following any such transfer, Owner shall only be released upon the assumption by the transferee of Owner's obligations hereunder from and after the date of any such transfer, but not otherwise, and if this Agreement is not to continue following any such transfer, the release of Owner shall be subject to the provisions of Section 6.03.

Manager shall promptly notify Owner, if, at any time during the term of this Agreement, Manager is: (a) a corporation that is not publicly traded and any part or all of the shares of Manager shall be transferred by sale, assignment, bequest, inheritance, operation of law or other disposition so as to result in a change in effective voting control of Manager; or (b) a partnership or association or otherwise not a natural person (and not a corporation) and there shall occur any change in the identity of any of the persons who are general partners of such partnership or members of such association or who comprise Manager on the date of this Agreement. Any change set forth under the subparagraph (a) and/or (b) above, or any assignment under Section 7.01, without Owner's prior written consent (if required), shall constitute a breach by Manager of the provisions hereof, and Owner may terminate this Agreement at any time after such change or assignment without such prior written consent by giving Manager five (5) days' prior written notice of such termination.

SECTION 9.09. No Partnership, Etc. Nothing in this Agreement shall be construed as making Owner or Manager partners, joint venturers or members of a joint enterprise or as creating between Owner and Manager any employer-employee relationship.

SECTION 9.10. Subordination. This Agreement shall be subject and subordinate to any financing or refinancing by debt, sale and leaseback or any other form of financing, relating to the Project and any deed of trust, mortgage or other instrument securing any financing hereinafter constituting a lien upon the Project or any part thereof other than a lien held by a party related to Owner. The subordination provided in this Section shall be self-operative and shall not require any further instrument or document. Without limiting the generality of the foregoing and notwithstanding anything herein to the contrary, it is understood and agreed that, in the event of a sale or in lieu of foreclosure of any deed of trust, mortgage or other instrument to which this Agreement is subordinated pursuant to this Section, the purchaser or other transferee of the Project shall have no obligation which it might otherwise have to pay or perform any of Owner's obligations hereunder and the Project shall not be subject to any lien or other encumbrance for such obligations which it might otherwise be subject to. Notwithstanding anything to the contrary contained herein, if Manager shall recover any judgment against Owner in connection with this Agreement, Manager shall look solely to Owner's interest in the Project and the proceeds thereof and to any insurance on which Manager is named as additional insured for the collection or enforcement of any such judgment, and no other assets of Owner or such other persons and entities shall be subject to levy, execution or other process for the satisfaction or enforcement of such judgment, and neither Owner nor any person or entity having an interest, directly or indirectly, in Owner shall be liable for any deficiency.

SECTION 9.12. Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be deemed to be an original with the same effect as if the signatures thereto and hereto were on the same instrument.

SECTION 9.13. Waiver of Liens**.** To the extent the law of the state in which the Project is located provides Manager with any right to file a lien against the Project for the sums due Manager under this Agreement, Manager hereby irrevocably and unconditionally waives its right to assert or file such a lien.

SECTION 9.14. Waiver of Trial by Jury. TO THE EXTENT PERMITTED BY LAW, MANAGER AND OWNER HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION BASED UPON THIS AGREEMENT OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR COURSE OF CONDUCT, COURSE OF DEALING, STATEMENT (WHETHER VERBAL OR WRITTEN) OR ACTION OF EITHER MANAGER OR OWNER.
