REPORT OF INDEPENDENT AUDITORS

To the Board of Directors and Shareholders of
American Assets Trust, Inc.

We have audited the accompanying statement of revenues over certain operating expenses (as defined in Note 1) of City Center Bellevue for the year ended December 31, 2011. The statement of revenues over certain operating expenses is the responsibility of the Property's management. Our responsibility is to express an opinion on the statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. We were not engaged to perform an audit of the Property's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 1, and is not intended to be a complete presentation of the revenues over certain operating expenses of the Property.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues over certain operating expenses, as defined above, of City Center Bellevue for the year ended December 31, 2011, in conformity with U.S. generally accepted accounting principles.

NOTE 1. ORGANIZATION AND DESCRIPTION OF BUSINESS

On August 21, 2012, American Assets Trust, Inc. (the "Company"), through a wholly-owned subsidiary of American Assets Trust, L.P. the Company's operating partnership, completed the acquisition of City Center Bellevue (the "Property"), an approximately 497,000 square foot, 27-story, LEED-EB Gold certified office tower located at 500 108th Avenue NE, Bellevue, Washington from an unrelated third party. The gross purchase price of City Center Bellevue was \$228.8 million, excluding closing costs of approximately \$0.1 million. Additionally, we received credits to our purchase price of approximately \$6.9 that primarily relate to outstanding tenant improvement obligations.

The accompanying statement of revenues over certain operating expenses has been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual results of operations for the year ended December 31, 2011 and the period from January 1, 2012 through June 30, 2012 due to the exclusion of the following expenses, which may not be comparable to the proposed future operations of the property:

- Depreciation and amortization
- Interest expense
- Interest income

The accompanying unaudited statement of revenues over certain operating expenses for the six months ended June 30, 2012 have been prepared in accordance with the U.S. generally accepted accounting principles ("GAAP") for interim financial information as contained within the Financial Accounting Standards Board Accounting Standards Codification and the rules and regulations of the SEC, including the instructions to Form 8-K and Article 3-14 of Regulation S-X. Accordingly, the unaudited statement of revenue over certain operating expenses does not include all of the information and footnotes required by GAAP for audited financial statements. In the opinion of management, the statement of revenues over certain operating expenses for the unaudited interim period presented includes all adjustments, which are of a normal and recurring nature, necessary for a fair and consistent presentation of the results for such period. Operating results for the six months ended June 30, 2012 are not necessarily indicative of the results that may be expected for the year ended December 31, 2012.

An audited statement of revenues over certain operating expenses is being presented for the most recent fiscal year instead of the three most recent years based on the following factors: (i) the Property was acquired from an unaffiliated party and (ii) based on due diligence of the Property by the Company, management is not aware of any material factors relating to the Property that would cause this financial information to not be indicative of future operating results.

Square footage, acreage, occupancy and other measures used to describe real estate included in these notes to the statement of revenues over certain operating expenses are presented on an unaudited basis.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

Base rents are recognized on a straight-line basis from when the tenant controls the space through the term of the related lease, net of valuation adjustments, based on management's assessment of credit, collection and other business risk. For the year ended December 31, 2011 and the period from January 1, 2012 through June 30, 2012, we recorded straight-line rent adjustments of approximately \$1.4 million and \$0.3 million (unaudited), respectively, to account for minimum fixed rent increases or free rent periods. Real estate taxes and other cost reimbursements are recognized on an accrual basis over the periods in which the related expenditures are incurred.

Accounting estimates

The preparation of the financial statements requires management to use estimates and assumptions that affect the reported amounts of revenues over certain operating expenses during the reporting period. Actual results could materially differ from these estimates in the near term.

City Center Bellevue
Notes to Statement of Revenues over Certain Operating Expenses – (Continued)
December 31, 2011 and the six months
ended June 30, 2012 (unaudited)

Subsequent events were evaluated through the date the financial statement was issued.

NOTE 3. MINIMUM FUTURE LEASE RENTALS

Office and retail space is leased to tenants under various lease agreements, and all leases are accounted for as operating leases. The leases include provisions under which the Property is reimbursed for common area, real estate, and insurance costs above a base year threshold. Revenue related to these reimbursed costs is recognized in the period the applicable costs are incurred and billed to tenants pursuant to the lease agreements. Certain leases contain termination clauses under which the tenant may terminate the lease after a specified date, and certain leases contain renewal options at various periods at various rental rates. As of December 30, 2011 and June 30, 2012, the Property was 68.3% and 67.2% leased, respectfully.

At December 31, 2011, the following future minimum rentals on the non-cancelable tenant leases, assuming early termination clauses are exercised but before any reserve for uncollectible amounts, are as follows (in thousands):

2012	\$	8,621
2013		13,084
2014		12,657
2015		12,894
2016		12,734
Thereafter		23,904
Total	\$	83,894

NOTE 4. CERTAIN OPERATING EXPENSES

Certain operating expenses include only those costs expected to be comparable to the proposed future operations of the Property. Repairs and maintenance expense are charged to operations as incurred. Costs such as depreciation, amortization and interest expense are excluded from the statement of revenues over certain operating expenses.

NOTE 5. COMMITMENTS AND CONTINGENCIES

The Property is not subject to any material litigation nor to management's knowledge is any material litigation currently threatened against the Property.

The Property is subject to various environmental laws of federal, state and local governments. Compliance with existing environmental laws is not expected to have a material adverse effect on the Property's financial condition and results of operations for the periods presented.

American Assets Trust, Inc.
Unaudited Pro Forma Financial Information

The following unaudited Pro Forma Consolidated Balance Sheet as of June 30, 2012 and Consolidated Statements of Operations for the six months ended June 30, 2012 and for the year ended December 31, 2011 are presented as if City Center Bellevue had been acquired as of January 1, 2011 and the initial public offering for American Assets Trust, Inc. had occurred on January 1, 2011. The initial public offering and formation transactions are further described below.

American Assets Trust, Inc. (together with its combined entities, the “Company,” “we,” “our” or “us”), which is a Maryland corporation formed on July 16, 2010 to acquire the entities owning various controlling and noncontrolling interests in real estate assets owned and/or managed by Ernest Rady and/or his affiliates, including the Ernest Rady Trust U/D/T March 10, 1983 (the “Rady Trust”), did not have any operating activity until the consummation of our initial public offering and the related acquisition of our Predecessor (defined below) on January 19, 2011. American Assets Trust, L.P. (our “Operating Partnership”) was formed as a Maryland limited partnership on July 16, 2010. Since the completion of our initial public offering (the “Offering”) and the Formation Transactions (defined below), our operations have been carried on through our Operating Partnership. We, as the sole general partner of our Operating Partnership, own 67% of, and have control of, our Operating Partnership. Accordingly, we consolidate the assets, liabilities and results of operations of our Operating Partnership.

Our “Predecessor” included (1) entities owned and/or controlled by Mr. Rady and/or his affiliates, including the Rady Trust, which in turn owned controlling interests in 17 properties, and the property management business of American Assets, Inc. (“AAI”) (the “Controlled Entities”), and (2) noncontrolling interests in entities owning four properties (“Noncontrolled Entities”). The Predecessor accounted for its investment in the Noncontrolled Entities under the equity method of accounting.

Prior to June 30, 2010, the Noncontrolled Entities owned an office property located in San Francisco, California referred to as The Landmark at One Market (“Landmark”). We refer to the entities owning Landmark as the “Landmark Entities.” The outside ownership interest in the Landmark Entities was acquired by our Predecessor on June 30, 2010 for a cash payment of \$23.0 million. As of June 30, 2010, Landmark was controlled by our Predecessor. All but one of the properties owned by the Controlled Entities and Noncontrolled Entities were managed by AAI. The Noncontrolled Entities managed by AAI included the entities which owned Solana Beach Towne Centre and Solana Beach Corporate Centre properties (collectively “Solana Beach Centre”) and the entities that owned the Fireman’s Fund Headquarters office property (“Fireman’s Fund”). The remaining property is managed by an unrelated third party. We refer to ABW Lewers LLC and the Waikiki Beach Walk—Hotel, the entities that owned this non-AAI managed property, as the “Waikiki Beach Walk Entities.”

Substantially concurrently with the Offering, we completed a series of formation transactions (the “Formation Transactions”) pursuant to which we acquired, through a series of merger and contribution transactions, 100% of the ownership interests in the Controlled Entities, the Waikiki Beach Walk entities, and the Solana Beach Centre entities (which includes our Predecessor’s ownership interest in these entities). We did not acquire our Predecessor’s noncontrolling 25% ownership interest in the entities owning Fireman’s Fund. In the aggregate, these interests comprise our ownership of our property portfolio.

We have determined that the Predecessor is the acquirer for accounting purposes, and therefore the contribution of, or acquisition by merger of interests in, the Controlled Entities is considered a transaction between entities under common control since our Executive Chairman, Ernest Rady, and/or his affiliates, including the Rady Trust, owned the controlling interest in each of the entities comprising the Predecessor. As a result, the acquisition of interests in each of the Controlled Entities was recorded at our historical cost. The contribution of, or acquisition by merger of interests in, certain Noncontrolled Entities, including the Waikiki Beach Walk Entities and the Solana Beach Centre entities (including our Predecessor’s ownership interest in these entities), was accounted for as an acquisition under the acquisition method of accounting and recognized at the estimated fair value of acquired assets and assumed liabilities on the date of such contribution or acquisition. The acquisition of the ownership interests of the Landmark Entities by the Predecessor was accounted for under the acquisition method of accounting on June 30, 2010 and was recorded at the Predecessor’s historical cost when acquired by us upon the consummation of the Formation Transactions.

American Assets Trust, Inc.
Unaudited Pro Forma Financial Information

The unaudited pro forma consolidated balance sheet has been adjusted to give effect to:

- the acquisition of City Center Bellevue as of June 30, 2012;
- the sale of the GNMA securities as of June 30, 2012; and
- the proceeds from the credit facility that were used to finance the acquisition.

The unaudited pro forma consolidated statements of operations have been adjusted to give effect to:

- the historical financial results of the Company for the year ended December 31, 2011, which includes the Predecessor's historical results for the period prior to the Offering and Formation Transactions;
- the acquisition of the ownership interests (including our Predecessor's noncontrolling interest) in the Solana Beach Centre in exchange for units of limited partner interest ("OP units") in our Operating Partnership, and the assumption of related debt as of January 1, 2011 and the acquisition of ownership interests (including our Predecessor's noncontrolling interest) in the Waikiki Beach Walk Entities in exchange for shares of our common stock and OP units and the assumption of related debt, as of January 1, 2011, collectively "Formation Acquisitions";
- the acquisition of First & Main, Lloyd District Portfolio, and Solana Beach - Highway 101, collectively "2011 Acquisitions", properties as of January 1, 2011;
- the acquisition of One Beach Street as of January 1, 2011;
- the acquisition of the City Center Bellevue property as of January 1, 2011;
- certain adjustments to rental income and depreciation and amortization expense due to purchase price allocation adjustments;
- certain incremental general and administrative expenses expected to be incurred to operate as a public company; and
- the completion of the Formation Transactions and the Offering, repayment of indebtedness and other use of proceeds from the Offering.

In addition, properties in our portfolio may be reassessed for property tax purposes. Therefore, the amount of property taxes we pay in the future may increase from what we have paid in the past.

Our pro forma consolidated statements of operations are presented for informational purposes only and do not purport to represent the results of our operations that would have actually occurred had the Offering, the Formation Transactions, the 2011 Acquisitions, the acquisition of One Beach Street, and the acquisition of City Center Bellevue and the debt repayments occurred on January 1, 2011 or project our results of operations for any future period. This unaudited pro forma consolidated information should be read in conjunction with the historical financial information and notes thereto contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 and the Company's Quarterly Report on Form 10-Q for the six months ended June 30, 2012.

Adjustments to the Pro Forma Consolidated Statements of Operations

The adjustments to the pro forma consolidated balance sheet as of June 30, 2012 are as follows:

(A) Historical financial information derived from American Assets Trust, Inc. quarterly report on Form 10-Q as of June 30, 2012.

(B) The Company determined the cost of tangible assets, identified intangibles and assumed liabilities (consisting of above and below-market leases and tenant origination and absorption costs) acquired in the business combination based on their estimated fair values. The purchase accounting for these acquisitions is preliminary and subject to change.

(C) Represents cash payment for acquisition of City Center Bellevue, net of proceeds from line of credit and sale of marketable securities.

(D) Represents sale of marketable securities and related loss on sale, with net cash proceeds used towards the acquisition of City Center Bellevue.

(E) Represents the portion of the Company's credit facility that was drawn to finance the acquisition of City Center Bellevue.

American Assets Trust, Inc.
Notes and Management's Assumptions to Pro Forma Consolidated Financial Statements
December 31, 2011 (Unaudited)

Adjustments to the Pro Forma Consolidated Statements of Operations for the Year Ended December 21, 2011

The adjustments to the pro forma consolidated statements of operations for the year ended December 31, 2011 are as follows:

(A) Historical financial information derived from American Assets Trust, Inc. annual report on Form 10-K for the year ended December 31, 2011.

(B) For the year ended December 31, 2011, reflects the normalization of the acquisition of the ownership interests in Solana Beach Centre ("SBC") and Waikiki Beach Walk Entities ("WBW") on January 19, 2011 to reflect the results of operations as if the entities were consolidated for the entire twelve month period. The acquisition of the SBC was accounted for under the purchase method of accounting to allocate the fair value to tangible and identified intangible assets and liabilities acquired. The acquisition of the WBW was accounted for under the purchase method of accounting in accordance with ASC Section 805-10, *Business Combinations*. Adjustments to revenues represent the impact of the amortization of the net amount of above and below market rents and the net impact of straight-line rents. Adjustments to depreciation and amortization represent the additional depreciation expense and amortization of intangibles as a result of these purchase accounting adjustments.

As a result of purchase method accounting, the carrying value of debt for the SBC and WBW were adjusted to their fair values, resulting in a \$0.6 million and \$19.0 million discount, respectfully. The discount is amortized to interest expense over the life of the underlying debt instrument. The amounts allocated to net real estate, which include buildings, are depreciated over the estimated weighted average remaining useful lives ranging from 35 to 40 years. The amounts allocated to above and below market leases and to intangible lease assets are amortized over the weighted average lives of the related leases ranging from two to 15 years.

The pro forma adjustments to the historical statement of operations of the SBC and WBW entities are as follows:

(F) These adjustments represent elimination of equity in earnings and fee income from SBC and WBW. Additionally, management fee expense and maintenance fee expense recognized by SBC is also eliminated, as they were paid to the management company. The reduction to rental expense represents the maintenance fees recorded by SBC and the reduction to General and Administrative expense represents the management fees recorded by the SBC.

For the year ended December 31, 2011, one-time charges related to the Offering have been eliminated. These one-time items include expenses for the early extinguishment of debt and loan transfer and consent fees and the gain on acquisition of the controlling interests in SBC and the WBW.

(G) These adjustments represent interest expense and non utilization fees recorded in connection with amounts drawn on our line of credit to fund City Center Bellevue.

(H) These adjustments represent acquisition related charges and reversal of interest income related to our GNMA securities, which were sold in connection with our financing for the City Center Bellevue acquisition.

(I) Reflects the allocation of net income to the noncontrolling interests.

(J) Pro forma earnings per share—basic and diluted are calculated by dividing pro forma consolidated income from continuing operations allocable to the Company's stockholders by the number of shares of common stock and OP units issued in the Offering and the Formation Transactions and OP units issued in a subsequent private placement.

Basic income from continuing operations per common share is calculated based on the weighted average common shares outstanding, which was 36,748,806 as of December 31, 2011. Diluted income from continuing operations per common share is calculated based on income from continuing operations before allocation to noncontrolling interests by giving effect to the expected exchange of OP units for common stock on a one-for-one basis, which resulted in diluted shares of 54,219,807 as of December 31, 2011 with the difference attributable to a private placement of OP units in February 2011. The diluted shares exclude incentive restricted stock as these awards are considered contingently issuable and time-vesting restricted stock as these awards are anti-dilutive.
